

A Strategic Partnership to Strengthen 2CRSI's Presence in the Middle East

Dubai, UAE, July 23 2024 - 2CRSI, a renowned manufacturer of industrial and edge PCs, is excited to announce a distribution agreement with Securenet FZC for GCC countries. This enhanced partnership marks a significant milestone in 2CRSI's expansion strategy within the region.

Securenet FZC, known for its robust support to resellers and integrators, will now distribute 2CRSI's full range of industrial PCs and edge solutions under this new agreement. This collaboration builds upon their existing relationship, emphasizing a mutual commitment to delivering edge technology to the market.

"As we embark on this strategic alliance between 2CRSi and SecureNet FZC, we are excited about the prospects of combining cutting-edge technology with robust solutions. This partnership underscores our commitment to delivering unparalleled value to our clients, empowering them with innovative infrastructure."- Murthy Sadasivan, Business head Storage and cloud at Securenet FZC

Rajashekar Gajula, Channel Manager at 2CRSI Middle East, added: "2CRSI's products are exceptional, from industrial PCs to workstations to servers. This partnership enrich our solution offerings and strengthen our ability to serve our customers."

This partnership underscores 2CRSI's commitment to innovation and market expansion. Together, we aim to empower resellers and integrators with advanced solutions that enhance operational efficiency and security.
