Outperformance of holiday and gift endowments

In 2024, Vaziva posted sales of €41.7m, up 63% on 2023. Robust business driven by dematerialised social benefits for companies and their employees.

Holiday and gift grants remain the main drivers of Vaziva's business.

Marketing and sales efforts with Works Councils accelerated in the second half of the year, enabling Vaziva to sign contracts with key customers in the defence, luxury goods and industrial sectors. These strategic partnerships illustrate Vaziva's agility, allowing it to meet demanding expectations thanks to its tailor-made and innovative endowment solutions.

Regional coverage to better serve growth

Throughout the year, Vaziva has consolidated its presence in France and strengthened its customer proximity by establishing itself in new cities. Participation in major events such as Eluceo and Comexposium in France, and for the first time in Barcelona, Spain, illustrates Vaziva's growing market share in France as well as its growth drivers to new international markets.

2025 Outlook: Towards European Expansion and Strengthening Teams

To support its growth in France and internationally, Vaziva will rely on a strengthened team of new salespeople, post sales management and customer service.

Vaziva intends to continue its domestic growth in 2025 and reaffirms its ambition to become a key player in the dematerialization of social benefits and keeps up business development in Europe.

Next Publication: Annual Results 2024: Tuesday, April 29, 2025, after market close.
