General Meeting of April 17, 2026: All Resolutions Approved

Two Appointments to the Supervisory Board to Strengthen Expertise Supporting Commercial Expansion in France and Internationally

La Rochelle, France, April 17, 2026 (5:40 p.m. CEST) – **Valbiotis** (FR0013254851 – ALVAL, eligible for PEA/SME schemes), a French laboratory specializing in the design and distribution of scientifically tested dietary supplements to support health at every stage of life, **held its Combined General Meeting today in La Rochelle, chaired by Sébastien Peltier, Chairman of the Management Board.**

All resolutions were approved by a large majority of shareholders, notably Resolutions 7, 8 and 9 relating to the renewal and appointment of members of the Supervisory Board.

The term of office of **Agnès Tixier**, Executive Director at Crédit Mutuel Equity and serving as an independent member, has been renewed. She will continue to serve alongside **Laurent Lévy**, Chairman of Valbiotis' Supervisory Board and Chairman of the Management Board of Nanobiotix, as well as two newly appointed members:

Patricia Tranvouëz brings more than 30 years of experience in marketing, executive leadership, and business transformation, gained within major international groups (Colgate-Palmolive, Unilever, L'Oréal) and as CEO of several leading companies (Sephora–LVMH, Kenzo Parfums–LVMH, Etam, Inula Natural Health). A graduate of HEC Paris, she contributes recognized expertise in brand strategy, international development, and governance, strengthening the Board's ability to support the Company's growth in the health and wellness markets.

Laurent Keiser has over 30 years of experience in pharmaceutical environments, distribution, and business development, including nearly 18 years within the pharmacy ecosystem. He held commercial roles in international groups (Henkel, Guilbert–Office Depot, DHL Express) before joining OCP France (McKesson), and later co-founded Healthy Group / Aprium Pharmacie, France's leading network of independent pharmacies. Former Chairman of the Supervisory Board of Paris Pharma SAS, he brings in-depth knowledge of pharmacy distribution channels, proven operational expertise, and strong governance experience.

All documents relating to the Combined General Meeting of April 17, 2026, as required under Article R. 22-10-23 of the French Commercial Code, are available on the Company's website in the following section:
