*Where*

$VALUE_f$  means the closing price of the Index on the Final Valuation Date, subject to the provisions of the definition of Final Valuation Date below.

**Final Valuation Date** The date specified in the table above. However, if such date is not a Trading Day, the Final Valuation Date shall be the first Trading Day of the Valuation Period, provided that if there is no Trading Day within the Valuation Period, the last day of the Valuation Period shall be deemed to be the Final Valuation Date and  $VALUE_f$  shall be deemed to be the Fair Market Value.

**Fair Market Value** The value of the Index determined by the Calculation Agent after consultation with an independent expert designated by Société Générale, on the basis of the market conditions on the last day of the Valuation Period.

**Settlement Date** The Maturity Date.

**Valuation Period** The period of 5 (five) calendar days which follows the Final Valuation Date.

## Other definitions

Ratio means EUR 0.01 for each tranche

### Remunerations of professional intermediaries:

Société Générale may pay to certain investment services providers or investment financial advisers (each, an "Interested Party") an upfront commission of up to 1% of the amount of Certificates held by such entities' clients and/or an annual remuneration of up to 0.50% of the amount of Certificates held by such entities' clients.

Further information in respect of the above remunerations may be provided by Société Générale to its own clients upon request. If, under the Markets in Financial Instruments Directive (MiFID) 2004/39/EC and/or any other laws and regulations, an Interested Party is required to disclose to prospective investors in the Certificates any remuneration that Société Générale pays to, or receives from, such Interested Party in respect of the Certificates, the Interested Party shall be responsible for compliance with such laws and regulations.

### The attention of the potential purchasers is drawn to the fact that:

- they must read these Final Terms together with the Base Prospectus, the Supplements, the *Document de Référence*, the amendment ("*rectificatif*") and the update referred to above,
- at any time, the Certificate value may be less than the Issue Price and Certificateholders may lose some or all of their investment,
- Certificates are not suitable for all investors. Potential purchasers are advised to make their decision only after having carefully considered, with their advisers, whether the planned investment is appropriate to their requirements and resources.
