Annex A
Terms and Conditions of the Warrants

§ 1

(Series, Form of Warrants, Issuance of Additional Warrants)

- (1) This series (the "Series") of Warrants linked to Shares (the "Warrants") of Bayerische Hypo- und Vereinsbank AG (the "Issuer") will be issued on 23 April 2008 (the "Issue Date") in the form of call options (with respect to Warrants for which "Call" is specified in the column "Call/Put" in the table of Appendix 1) or put options (with respect to Warrants for which "Put" is specified in the column "Call/Put" in the table of Appendix 1) pursuant to these terms and conditions (the "Terms and Conditions").

In accordance with the Terms and Conditions, the Issuer shall pay for each Warrant to the holder of such Warrant (each a "Warrant Holder") the Differential Amount (§ 3).
- (2) The Warrants issued by the Issuer are evidenced by a permanent global bearer warrant, deposited with Euroclear France S.A. (the "Clearing System"). Warrants are transferable as co-ownership interests in the Global Warrant in accordance with the rules and regulations of the Clearing System. The right to request definitive warrants shall be excluded.
- (3) The Issuer reserves the right to issue additional Warrants on the same terms at any time, without approval of the Warrant Holders, in such manner as to consolidate them with these Warrants forming a single fungible series together with the latter. In that event, the term "Warrants" also includes such additionally issued warrants.

§ 2

(Definitions)

- (1) Within these Terms and Conditions the following terms shall have the following meanings:

"Reference Asset" means each of the shares described in the table of Appendix 1.

"Ratio" means the Ratio specified in the table of Appendix 1.

"Reference Price" means the official opening price of the Reference Asset calculated by the Relevant Exchange and published by Reuters.

"Base Price" means the Base Price specified in the table of Appendix 1.

"Banking Day" means any day (other than a Saturday or Sunday) on which the Clearing System as well as the Trans-European Automated Real-time Gross settlement Express Transfer system (TARGET) are open for business and commercial banks and foreign exchange markets settle payments in Milan and Paris.

"Calculation Date" means any day on which the Reference Asset is scheduled to be traded on the Relevant Exchange.

"Valuation Date" means the Calculation Date immediately following the Exercise Date or, if the Exercise Date is the Maturity Date, the Maturity Date or, if the Maturity Date is no Calculation Date, the following Calculation Date.

"Exercise Date" means each Banking Day within the Option Period.

"Relevant Exchange" means the Relevant Exchange specified in the table of Appendix 2. In case of a material change in the market conditions at the Relevant Exchange, such as final discontinuation of the Reference Asset's quotation at the Relevant Exchange and determination at a different stock exchange or considerably restricted liquidity, the Calculation Agent shall be entitled but not obligated to specify another stock exchange as the relevant stock exchange (the "Substitute Relevant Exchange") by way of notice pursuant to § 13. In the event of substitution, any reference in these Terms and Conditions to the Relevant Exchange, depending on the context, shall be read as a reference to the Substitute Relevant Exchange.

"Determining Futures Exchange" means the Determining Futures Exchange specified in the table of Appendix 2. In case of a material change in the market conditions at the Determining Futures Exchange, such as final discontinuation of derivatives' quotation in respect of the Reference Asset at the Determining Futures Exchange or considerably restricted liquidity, the Calculation Agent shall be entitled but not obligated to specify another derivatives exchange as the relevant futures exchange (the "Substitute Futures Exchange") by way of notice pursuant to § 13. In the event of substitution, any reference in these Terms and Conditions to the Determining Futures Exchange, depending on the context, shall be read as a reference to the Substitute Futures Exchange.

§ 3

(Exercise Right, Differential Amount)

- (1) The Warrant Holder shall be entitled to payment of the Differential Amount by the Issuer according to these Terms and Conditions (the "Exercise Right").
- (2) The "Differential Amount" shall equal
 - (a) in the case of call warrants, to the difference expressed in Euro (the "Specified Currency") of the Reference Price on the Valuation Date exceeding the Base Price multiplied with the respective Ratio; or
 - (b) in the case of put warrants, to the difference expressed in Euro (the "Specified Currency") of the Reference Price falling below the Base Price multiplied with the respective Ratio.

§ 4

(Maturity, Option Period, Exercise)

- (1) "Maturity Date" means the date specified in the table of Appendix 1. The Warrant Holder's Exercise Right can be exercised within the period from the Issue Date to and including the Maturity Date, 10:00 a.m. (Milan local time) (the "Option Period") (*American Style Warrants*). Unless already duly exercised by the Warrant Holder, the Warrants are considered to be exercised on the last Banking Day of the Option Period, if the Differential Amount on the respective Valuation Date is positive. The day of the exercise of the Exercise Right is the "Exercise Date". On termination of the Option Period, the Exercise Rights expire.
- (2) At least 1,000 Warrants of one series (the "Unit") or a multiple thereof are required to make effective use of the Exercise Right. Otherwise, such number of Warrants shall be rounded down to the preceding multiple of 1,000 and the Exercise Notice shall not be valid in respect of the Warrants exceeding such rounded number of Warrants. Exercise of less than 1,000 Warrants is not valid and does not cause effect.
- (3) The Exercise Right is exercised by the Warrant Holder by delivering a duly completed exercise notice (the "Exercise Notice"), using the form attached to these Terms and Conditions, by facsimile to the number set out prior to 10:00 a.m. (Milan local time).
- (4) The Warrants specified in the Exercise Notice are only considered as validly exercised, if, prior to 5:00 p.m. (Milan local time) on this Exercise Date, the Warrants specified in the Exercise Notice are transferred to the Issuer's account with the French Paying Agent, which is set out in the respective

form of Exercise Notice. For this purpose, the Warrant Holder is obliged to instruct its depository bank, which is responsible for forwarding the specified Warrants.

In the event that a Warrant Holder does not perform its obligations and so deliver a Exercise Notice not duly completed or not in accordance with the above provisions, the Exercise Notice shall not be valid. As far as the Exercise Notice is corrected supplementary to the Issuer's content, the Exercise Notice will be classified as new Exercise Notice, which is considered as received by the Issuer at the point in time, on which the corrected Exercise Notice is delivered to the Issuer.

Subject to the above provisions, the delivery of the Exercise Notice shall be an irrevocable declaration of intent of the respective Warrant Holder to exercise the respective Warrants.

When calculating the Differential Amount, no fees, commissions or other costs charged by the Issuer or a third party authorised by the Issuer, will be taken into account.

The Issuer shall not apply any charge for the Exercise of the Warrants. Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties which may arise in connection with the automatic Exercise of the Warrants are in charge of the Warrant Holder.

The Issuer will, in its sole and absolute discretion, determine whether the above conditions are satisfied and its determination will be final, conclusive and binding on the Warrant Holders.

- (5) The Exercise Right can not be exercised:
- (a) during the period between the day, on which the issuer of the Reference Asset as specified in the table of Appendix 1 (the "Company") publishes an offer to its shareholders to acquire (a) new shares or (b) Warrants or other securities with conversion or option rights on shares of the Company, and the first day after the expiration of the period determined for the exercise of the purchase right;
 - (b) prior and after the shareholders' meeting of the Company, in the period from (and including) the last depository day for shares and to (and including) the third Banking Day after the shareholders' meeting.

If the Exercise of the Exercise Right is suspended according to the previous sentence, the Option Period is extended until the next possible Exercise Date.

§ 5

(Termination of the Exercise Rights)

In the event that during the tenor of the Warrants, the Issuer is prevented from performing its obligations in relation to the Warrants due to laws, regulations, regulatory measures or any other reason, the Issuer is entitled to declare all Exercise Rights which are valid at that point in time, in whole but not in part, terminated by giving notice pursuant to § 13, even if the exercise of individual Exercise Rights is already effective, but the Differential Amount has not yet been credited to the respective Warrant Holder/s. There will be no further compensation than the reimbursement of the amount expended for the purchase of the Warrants.

§ 6

(Adjustments, Issuer's Irregular Call Right)

- (1) The Calculation Agent shall be authorised, in its reasonable discretion, to adjust the method for the determination of the Differential Amount upon the occurrence of any of the following events:
- (a) the Company that has issued the Reference Asset or a third party takes a measure, which would – based on a change in the legal and economic situation, in particular a change in the Company's assets and capital – in the reasonable discretion of the Calculation Agent, affect the Reference Asset (e.g. capital increase against cash contribution, issuance of securities with options or conversion rights into shares, capital increase with company funds, distribution of special dividends, share splits, merger, liquidation, nationalization), or

- (b) the Determining Futures Exchange performs an early termination of the respective outstanding Derivatives linked to the Reference Asset, or
- (c) the Determining Futures Exchange performs an adjustment to the respective outstanding Derivatives linked to the Reference Asset.

When determining the necessity of an adjustment, the Calculation Agent will take into account the adjustment of the respective derivatives linked to the Reference Asset actually performed by the Determining Futures Exchange. The Calculation Agent will use reasonable endeavours as to ensure that the economic position of the Warrant Holders remains unchanged to the largest extent possible. Any adjustment will be made by the Calculation Agent taking into account the time to maturity of the Warrants (if applicable) and the latest available price for the Reference Asset. If the Calculation Agent determines that, pursuant to the rules of the Determining Futures Exchange, no adjustments are made to the Derivatives linked to the Reference Asset, the terms of the Warrants will regularly remain unchanged. The adjusted method to determine the Differential Amount and the time of its initial application shall be published in accordance with § 13.

(2) Should

- (a) the quotation of the Reference Asset at the Relevant Exchange, or as the case may be, Determining Futures Exchange be finally discontinued and no Substitute Relevant Exchange or Substitute Futures Exchange could be determined, or
- (b) the Calculation Agent come to the conclusion that no reasonable adjustment is possible to account for the relevant measure of the company that has issued the Reference Asset or the relevant third party,

the Issuer is entitled to terminate the Warrants early by giving notice pursuant to § 13. Such termination shall become effective at the time of the announcement pursuant to § 13 or, as the case may be, at the time indicated in the announcement. In that case, the Calculation Agent shall within ten Banking Days after the termination determine and publish the reasonable market value of the Warrants (the "Cancellation Amount"). The Cancellation Amount will be paid within ten Banking Days after determination to the Clearing System with the instruction for immediate forwarding to the Certificate Holders.

§ 7

(Market Disruptions)

- (1) If a Market Disruption occurs on a Valuation Date with respect to the Reference Asset, the Valuation Date will be postponed to the next following Calculation Date on which the Market Disruption no longer exists. If applicable, any payment date relating to such Valuation Date shall be postponed accordingly.
- (2) Should the Market Disruption continue for more than four consecutive Calculation Dates the Issuer, in its sole and absolute discretion shall determine, or cause the Calculation Agent to determine, the Reference Price. The Reference Price required for the determination of the Differential Amount shall be determined in accordance with prevailing market conditions on this fifth day, taking into account the economic position of the Warrant Holders.

However, if within these four Calculation Dates comparable Derivatives expire and are paid on the Determining Futures Exchange, the settlement price established by the Determining Futures Exchange for the comparable Derivatives will be taken into account in calculating the Differential Amount. In that case, the expiration date for these comparable Derivatives will be taken as the relevant Exercise Date.

(3) "Market Disruption" means:

- (a) the suspension or restriction of trading in the Reference Asset on the Relevant Exchange, or
- (b) in general the suspension or restriction of trading in a Derivative linked to the Reference Asset on the Determining Futures Exchange.

A restriction of the trading hours or the number of days on which trading takes place on the Relevant Exchange, or, as the case may be, on the Determining Futures Exchange, shall not constitute a Market Disruption provided that the restriction is due to a prior announced change in the rules of the Relevant Exchange or, as the case may be, of the Determining Futures Exchange.

§ 8

(Payments)

- (1) The Issuer undertakes to pay the Differential Amount and all amounts owed under these Terms and Conditions in the Specified Currency within five Banking Days following the Valuation Date. All amounts payable shall be rounded up or down to the nearest 0.01 Euro, with 0.005 Euro being rounded upwards.
- (2) If the due date for any payment under the Warrants (the "Payment Date") is not a Banking Day then the Warrant Holders shall not be entitled to payment until the next Banking Day. The Warrant Holders are not entitled to interest or any other payment on the basis of such delay.
- (3) All payments shall be made to the Principal Paying Agent (as defined in § 9). The Principal Paying Agent shall pay all amounts due to the Clearing System for credit to the respective accounts of the depository bank for transfer to the Warrant Holders. The payment to the Clearing System shall discharge the Issuer from its payment obligations under the Warrants in the amount of such payment.

- (2) The Calculation Agent is Bayerische Hypo- und Vereinsbank AG, Milan Branch (the "Calculation Agent").
- (3) Should any circumstances arise that lead to the Principal Paying Agent, French Paying Agent or Calculation Agent no longer being able to act as Principal Paying Agent, French Paying Agent or Calculation Agent, the Issuer is thereupon authorized to appoint another bank of international standing as Principal Paying Agent or another person or institution with the relevant expertise as French Paying Agent or Calculation Agent. The Issuer shall promptly give notice pursuant to § 13 of the appointment of another Principal Paying Agent, French Paying Agent and/or Calculation Agent.
- (4) The Principal Paying Agent, the French Paying Agent and the Calculation Agent shall be liable for issuing, not issuing or accepting statements or acting or not acting, only if they have affected the diligence of a scrupulous merchant.

- (a) the New Issuer assumes all obligations of the Issuer arising under the Warrants;
 - (b) the Issuer and the New Issuer have obtained all required approvals and are able to transfer the payment obligations arising under these Warrants in the currency hereby required to the primary Paying Agent, without the need for retention of any taxes or charges collected by or in the country in which the New Issuer or the Issuer has its head quarter or in which it is considered a resident for tax purposes;
