Annex A
Terms and Conditions of the Warrants

The Appendices 1 and 2, as attached to these Terms and Conditions of the Warrants, form an integral part of these Terms and Conditions of the Warrants.

With respect to Warrants for which "Call" is specified in the column "Call/Put" in the Table (as defined below) the following § 1 (1) shall apply:

§ 1

(Warrants, Option Right, issuance of additional Warrants)

Bayerische Hypo- und Vereinsbank AG (hereinafter referred to as the "Warrant Debtor") has issued Index Warrants in an aggregate number specified under "Number of Warrants" in the table in Appendix 1 to these Terms and Conditions of the Warrants (the "Table"), having the Series Number and the Tranche Number specified as such under the columns "Series Number" and "Tranche Number" in the Table, as call options (hereinafter referred to as the "Warrants"). The Warrants concern the index specified under "Index" in the Table, the composition of which and further information is specified in Annex B. In accordance with these Terms and Conditions of the Warrants, the warrant holder has the right to demand from the Warrant Debtor payment of the Differential Amount (hereinafter referred to as the "Option Right"). The Differential Amount equals - subject to an Adjustment according to § 4 - the subscription ratio specified under "Subscription Ratio" in the Table (the "Subscription Ratio") of the difference expressed in euros ("EUR") (the "Differential Amount") by which the Value of the Index stipulated on the Determining Futures Exchange on the respective Exercise Date (see § 3) exceeds the respective exercise price as specified under "Exercise Price" in the Table (the "Exercise Price").

"Value of the Index" is the daily settlement price for derivatives on the Index specified by the Determining Futures Exchange and published at www.euronext.com.

With respect to Warrants for which "Put" is specified in the column "Call/Put" in the Table (as defined below) the following § 1 (1) shall apply:

§ 1

(Warrants, Option Right, issuance of additional Warrants)

Bayerische Hypo- und Vereinsbank AG (hereinafter referred to as the "Warrant Debtor") has issued Index Warrants in an aggregate number specified under "Number of Warrants" in the table in Appendix 1 to these Terms and Conditions of the Warrants (the "Table"), having the Series Number and the Tranche Number specified as such under the columns "Series Number" and "Tranche Number" in the Table, as put options (hereinafter referred to as the "Warrants"). The Warrants concern the index specified under "Index" in the Table, the composition of which and further information is specified in Annex B. In accordance with these Terms and Conditions of the Warrants, the warrant holder has the right to demand from the Warrant Debtor payment of the Differential Amount (hereinafter referred to as the "Option Right"). The Differential Amount equals - subject to an Adjustment according to § 4 - the subscription ratio specified under "Subscription Ratio" in the Table (the "Subscription Ratio") of the difference expressed in euros ("EUR") (the "Differential Amount") by which the exercise price as specified under "Exercise Price" in the Table (the "Exercise Price") exceeds the Value of the Index stipulated on the Determining Futures Exchange on the respective Exercise Date (see § 3).

"Value of the Index" is the daily settlement price for derivatives on the Index specified by the Determining Futures Exchange and published at www.euronext.com.

- (2) The number of Warrants that must be utilized, by the exercise right, in order to demand payment of the Differential Amount shall be at least 1,000 Warrant(s) of a series, which is called a "Unit", or a multiple in whole numbers thereof.
- (3) The Warrant Debtor reserves the right to issue additional Warrants under equal terms and conditions.

§ 2

(Form of the Warrants)

The Warrants issued by the Issuer are evidenced by a global bearer warrant deposited with Clearstream Banking AG, Frankfurt am Main (the "Clearing System"). Warrants are negotiable as jointly held interests in the global bearer warrant. There is no right to have individual Warrants printed and issued.

§ 3

(Option Period, Exercise)

(1) The Option Right can be exercised by the warrant holder in the period from the date specified as "Maturity Date" in the Table until 10:00 a.m. on the Maturity Date (Paris local time), inclusive, (hereinafter referred to as the "Option Period"). Option Rights expire at the end of the Option Period.

(2) The Option Right is exercised by the warrant holder by submitting a duly completed exercise notice in the form set out in Appendix 2 to these Terms and Conditions of the Warrants (the "Exercise Notice") by facsimile to the Warrant Debtor and BNP Paribas Securities Services as "French Paying Agent" prior to 10.00 a.m. Paris time on any Banking Day during the Option Period (each such day an "Exercise Date") at the respective facsimile numbers set out in the form of Exercise Notice attached to these Terms and Conditions of the Warrant.

(3) The Warrants specified in the Exercise Notice shall be deemed to be validly exercised on the "Exercise Date" only if, prior to 5.00 p.m. Paris time of that Exercise Date the Warrants specified in the received Exercise Notice have been credited to the account of the Warrant Debtor held by the French Paying Agent at the Clearing System as specified in the form of Exercise Notice in Appendix 2 to these Terms and Conditions of the Warrants. For this purpose, the holder must instruct his/her intermediary which will be in charge of requesting the transfer of the Warrants specified accordingly.

In the event that a holder does not perform its obligations and so deliver, where applicable, a duly completed Exercise Notice in accordance with the provisions hereof, the Exercise Notice shall be null and void and the Warrants shall be deemed to be automatically exercised on the last day of the Option Period, respectively the Maturity Date, (unless previously validly exercised) if the Differential Amount is positive. When calculating the Differential Amount (see § 1 (1)), fees, commissions and all other costs that are charged by the Warrant Debtor or by another party authorized by the warrant holder to exercise the Warrants shall be disregarded.

If such Exercise Notice is subsequently corrected to the satisfaction of the Warrant Debtor, it shall be deemed to be a new Exercise Notice submitted at the same time such corrected notice is delivered to the Warrant Debtor.

Subject as set out above, delivery of an Exercise Notice shall constitute an irrevocable election by the relevant warrant holder to exercise the Warrants specified.

The Warrant Debtor shall not apply any charge for the voluntary exercise of the Warrants. Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties arising in connection with the voluntary exercise of any Warrants duties are in charge of the warrant holder.

The number of Warrants specified in the Exercise Notice must be a multiple of 1000, otherwise such number of Warrants so specified shall be rounded down to the preceding multiple of 1000 and the Exercise Notice shall not be valid in respect of the Warrants exceeding such rounded number of Warrants.

The Warrant Debtor will, in its sole and absolute discretion, determine whether the above conditions are satisfied and its determination will be final, conclusive and binding on the warrant holders.

(4) The respective share exchanges, where the shares contained in the Index are traded and where the Warrant Debtor determines their liquidity, are called "Home Exchanges", the Home Exchange so determined by the Warrant Debtor is Euronext Paris S.A. If market conditions at the Home Exchange change substantially; such as determining the price of the Index is discontinued at the respective Home Exchange and transferred to another securities exchange or liquidity is substantially reduced, the Warrant Debtor, by making an announcement pursuant to § 10, is entitled, but not obligated, to stipulate another securities exchange as the applicable securities exchange for the respective Index (the "Replacement Exchange"). Euronext Liffe-MONEP S.A. is the "Determining Futures Exchange" for Index options. If market conditions at the Determining Futures Exchange change substantially, such as the quotation of the option contracts is discontinued at the Determining Futures Exchange or liquidity is substantially reduced, the Warrant Debtor, by making an announcement pursuant to

§ 11, is entitled, but not obligated, to stipulate another futures and options exchange as the Determining Futures Exchange (the "Replacement Futures and Options Exchange"). In the event of replacement, any reference to the Home Exchange or the Determining Futures Exchange shall be considered to refer to the Replacement Exchange or the Replacement Futures and Options Exchange.

(5) These Terms and Conditions of the Warrant define a "Banking Day" as a day on which transactions can be processed by the Home Exchange and the Determining Futures Exchange, and, in principle, trading via the Euronext is guaranteed and which is a day (other than a Saturday or a Sunday), on which commercial banks are open for business in Paris and the Trans-European Automated Real-time Gross settlement Express Transfer (TARGET) system is open. If a day specified herein is not a Banking Day, the day shall be replaced by the following Banking Day.

§ 4

(Index Concept, Adjustments)

(1) The most important factor for calculating the Differential Amount is the Index with its respectively applicable rules (the "Index Concept"), which were developed and perpetuated by Euronext Paris S.A. (the "Index Determining Unit"), and the respective type and manner of calculating, stipulating and publishing the Index by the Index Determining Unit. This applies even if during the term of the Warrants changes are made in the method of calculating the Index, in the composition and/or weighting of the prices or shares based on which the Index is calculated, or other actions are taken that affect the Index Concept unless otherwise provided by the provisions below. If the Index is no longer calculated and published by the Index Determining Unit but by another person, Company or institution, (the "New Index Determining Unit"), the Warrant Debtor has the right, if it considers it appropriate, to either calculate the Differential Amount under § 1 (1) based on the Index calculated and published by the New Index Determining Unit or to cancel the Warrants on the settlement date under § 4(5). In the event a New Index Determining Unit is chosen, any reference in these Terms and Conditions of the Warrant to the Index Determining Unit, to the extent there is a connection, will be considered a reference to the New Index Determining Unit.

(2) If the right under § 4 (5) to declare the Warrants invalid is not exercised, the calculation of the adjusted exercise price and Subscription Ratio or the agreement to change another feature of the Warrants ("Adjustment") will be made according to the following provisions. If an Adjustment is necessary due to a Replacement Futures and Options Exchange having been chosen, and/or an Adjustment is necessary to the corresponding option contracts traded on the Determining Futures Exchange and/or to a change made by the Index administration, the Warrant Debtor will make this Adjustment according to the provisions described below. The exercise price, Subscription Ratio or any other feature of the Warrants relevant for calculating the Differential Amount will only be adjusted if, in the opinion of the Warrant Debtor, the prevailing Index Concept and/or the method of calculation or the basis of the Index changes so substantially that there is no further continuity of the Index or comparability to the Index calculated on the old basis. If, according to the rules and regulations of the Determining Futures Exchange, no Adjustments can be made to the option contracts because of this action, the features of the Warrants will not change. If the term of the options, based on the Index traded on the Determining Futures Exchange, ends prematurely, the rules in § 4 (5) will apply.

(3) If an Adjustment can be made, taking into account the applicable statutory provisions, market conditions and practices, as well as for (procedural) technical reasons related to settlement, the Warrant Debtor will make the Adjustment so that it essentially corresponds to the Adjustment to the Index Concept or option contracts actually made by the Index Determining Unit or the Determining Futures Exchange and by so doing the economic position of the warrant holder remains unchanged to the extent possible. If no Adjustment is made only because there are no outstanding option contracts on the Determining Futures Exchange related to the Index or because no option contracts are traded on the Index, the Warrant Debtor will make an Adjustment according to the existing rules of the Determining Futures Exchange or – if no such rules exist – according to the trading practices of the Determining Futures Exchange. If no rules or trading practices apply, the Warrant Debtor will make the Adjustment so that the economic position of the warrant holder remains unchanged to the extent possible in spite of the Adjustment.

(4) Pursuant to § 11, the Warrant Debtor will immediately announce the need for and the results of the Adjustment.

(5) If (i) the Determining Futures Exchange prematurely cancels option contracts outstanding on the Index or (ii) – if there are no option contracts outstanding on the Index at the Determining Futures Exchange – the Warrant Debtor, by enlisting the services of an independent expert, arrives at the conclusion that no appropriate Adjustment can be made to the changes that have been made, or (iii) the Warrant Debtor does not believe it is

appropriate under § 4 (1) to calculate the Differential Amount on the basis of the Index calculated and published by the New Index Determining Unit, or (iv) the Index is no longer determined or (v) a Replacement Exchange or Replacement Futures and Options Exchange is not stipulated according to § 3 (4), the Warrants lose their validity.

In this case, the Warrant Debtor, after consulting with an independent expert it names, will determine the fair market Value of the Warrants (the "Settlement Amount") and within five Banking Days after determining the Settlement Amount will pay the Settlement Amount by bank transfer to the Clearing System for immediate forwarding to the warrant holder. Pursuant to § 11, the Warrant Debtor will announce the invalidity of the Warrants and the Settlement Amount immediately.

(6) Unless there are obvious errors, the Warrant Debtor's calculation of the Adjustment pursuant to § 4 (2) and (3) and the stipulation of the Settlement Amount pursuant to § 4 (5) are binding for the warrant holder and the Warrant Debtor.

§ 5

(Paying the Differential Amount)

(1) Within five Banking Days after the Exercise Date, the Warrant Debtor will pay to the warrant holder in EUR the Differential Amount to the account named in the Exercise Notice or by bank transfer to the Clearing System for immediate forwarding to the warrant holder.

(2) The Warrant Debtor will calculate the Differential Amount, which (unless there are obvious errors) is final and binding for all participants.

(3) The warrant holder shall be responsible for and must pay all taxes, fees or duties that accrue in connection with the exercise of Option Rights.

§ 6

(Market Disruption)

If an Value of the Index relevant for calculating the Differential Amount is not published, or trading in one or more of the individual securities contained in the Index is interrupted or significantly restricted on the Home Exchanges (together with the Determining Futures Exchanges listed below, the "Exchanges") or trading in derivatives on the Index or individual securities contained therein is interrupted or significantly restricted on the corresponding Futures Exchanges ("Market Disruption") and the Determining Futures Exchange has set forth rules concerning Market Disruptions, the date of maturity will be postponed to the next Banking Day on which no Market Disruption exists. If the Market Disruption lasts longer than four successive Banking Days, the Calculation Agent will determine a replacement value for the missing Value of the Index that in its judgment corresponds to the market conditions prevailing on the fifth Banking Day at 10:00 a.m. (Paris local time), broadly taking into account the economic position of the warrant holder(s). However, if within these four Banking Days comparable derivatives of the Index traded on the Determining Futures Exchange expire and are redeemed, the settlement amount stipulated by the Determining Futures Exchange for the comparable derivatives will be used to calculate the Differential Amount. In this case the expiration date for comparable derivatives will be deemed to be the last day of the Option Period respectively the Maturity Date and the rules in § 5 will apply accordingly. Any curtailment of trading hours at the Stock Exchanges named in the first sentence in itself will not be considered a Market Disruption.

§ 7

(Rank)

The obligations arising from the Warrants represent direct, absolute and unsecured by real property obligations of the Warrant Debtor and, unless otherwise provided, have at least the same rank as all other obligations of the Warrant Debtor, which are unsecured by real property and are not subordinate.

§ 8

(Cancellation of the Option Rights)

If during the term of the Warrants, it is impossible because of laws, regulations, official actions, or for similar reason, for the Warrant Debtor to fulfill its obligations arising from the Warrants, the Warrant Debtor, by announcement pursuant to § 11, has the right to declare overall, but not in part, that all existing the Option Rights are cancelled, even if individual Option Rights have already been exercised, but the Differential Amount has not yet been credited to the warrant holder(s) in question. The acquisition amount for the Warrants will not be reimbursed and no other compensation or settlement payment will be made.

§ 9

(Replacement of the Warrant Debtor)

- (1) Assuming there is no delay in payment of the Warrants, the Warrant Debtor may at any time, without approval of the warrant holders, put an Affiliated Company (as defined below) in its place as primary obligor on all obligations of the Warrant Debtor arising under the Warrants (the "New Obligor / Warrant Debtor"), to the extent that
 - (a) the New Obligor assumes all obligations of the Warrant Debtor arising under the Warrants;
 - (b) the Warrant Debtor (hereinafter referred to in this capacity as "Guarantor") guarantees proper payment of the amounts coming due under the Terms and Conditions of these Warrants;
 - (c) the Warrant Debtor and the New Obligor have obtained all required approvals and are able to transfer the payment obligations arising under these Warrants in the currency hereby required to the Issuing and Principal Paying Agent, without the need for retention of any taxes or charges collected by or in the country in which the New Obligor or the Warrant Debtor has its head office or in which it is considered a resident for tax purposes;
 - (d) the New Obligor has undertaken to indemnify all warrant holders for any taxes, charges or other public charges that are imposed on the warrant holders by reason of the substitution
 - (e) For purposes of this § 9 "Affiliated Company" means an Affiliated Company within the meaning of Section 15 of the Stock Corporation Act.
- (2) Such substitution of the Warrant Debtor is to be announced in accordance with § 11.
- (3) In the event of such substitution, every mention of the Warrant Debtor herein shall be deemed to refer to the New Obligor.

§ 10

(Calculation Agent)

- (1) The Calculation Agent is Bayerische Hypo- und Vereinsbank AG, Milan Branch (the "Calculation Agent").
- (2) Should any circumstances arise that lead to the Calculation Agent no longer being able to act as Calculation Agent, the Issuer is thereupon authorized to appoint another person or institution with the relevant expertise as Calculation Agent. The Issuer shall promptly give notice under § 11 of the appointment of another Calculation Agent.
- (3) The Calculation Agent is exempted from the restrictions of Civil Code § 181 and similar restrictions, if any, in the laws of other countries.

- (4) The calculations and regulations of the Calculation Agent shall (provided no obvious error is present) be final and binding for all parties. The Calculation Agent shall not be responsible for other errors or bona fide omissions that occur during calculation of amounts or determinations of any nature pursuant to these Terms and Conditions of the Warrants.

§ 11

(Notices)

All notices relating to each Series of Warrants shall be published by the Issuer in accordance with the rules and regulations of Euronext Paris S.A.. In addition, all notices shall also be valid if published on the website www.bourse.unicreditmib.fr The notices will be considered validly published from the date of publication.

§ 12

(Partial invalidity)

(1) If one of the provisions of these Terms and Conditions of the Warrants is or becomes invalid, illegal or unenforceable in whole or in part, the validity of the remaining provisions hereof shall in no way be affected. A gap created as a result of invalidity or unenforceability of these of these Terms and Conditions of the Warrants is to be filled by relative provisions coming as close as possible to the sense and spirit of these Terms and Conditions of the Warrants and the legitimate interests of the parties concerned.

(2) The Warrant Debtor has the right, without the consent of the warrant holder, (i) to correct obvious spelling or calculating errors \or other obvious errors in these Terms and Conditions of the Warrant, and (ii) to change or add to contradictory or incomplete provisions, while in the cases named under (ii), only those changes or additions are permissible that are reasonable for the warrant holder, taking into account the interests of the Warrant Debtor, i.e., which do not significantly deteriorate the financial situation of the warrant holder. Changes and/or additions to these Terms and Conditions of the Warrants will be published immediately according to § 11.

§ 13

(Applicable Law, Place of Performance, Jurisdictional Venue)

- (1) The form and content of the Warrants, as well as the rights and duties of the Warrant Debtor and the warrant holders, shall be determined in accordance with the law of the Federal Republic of Germany.
- (2) The place of performance is Munich.
- (3) To the extent permitted by law, all legal disputes arising from matters governed by the Terms and Conditions of these Warrants shall be brought before the court in Munich.

Product Information

The Index is the main benchmark for Euronext Paris S.A. Tracking a sample of Blue Chip stocks, its performance is closely correlated to that of the market as a whole. The Index contains 40 stocks selected among the top 100 market capitalisation and the most active stocks listed on Euronext Paris, and is the underlying asset for options and futures contracts. The base value was 1,000 at 31 December 1987.

Quarterly updates of the number of shares of the Index

In order to limit the number of consecutive updates for changing of the number of shares of the stocks composing the Index (ISIN FR0003500008), the Index Expert Committee has decided that, as from October 24th, 2005, the modification of the number of shares of the stocks composing the Index will be made quarterly, after the market close every third Friday of March, June, September and December. These dates correspond to the quarterly expiration of CAC40 derivative products on Euronext.liffe.

At quarterly updates, the number of shares taken into account in the Index is based on the number of shares listed on the Stock Exchange at this date.

In between two quarterly updates, the number of shares of the stocks composing the Index will be updated exceptionally:

- if a corporate action brings an adjustment of the price of the stock simultaneously with its number of shares; and
- in other cases: if the change in the number of shares (this number of shares can result from various successive operations) is greater than or equal to 5% in comparison to the number which is at that time taken into account in the Index calculation.

As from October 24th 2005, the modification of the number of shares on the Index stocks composing will not take place daily any more.

The review of the free float and capping factors remains annual, except for special cases. These changes of free float and capping factors will be published on the website www.euronext.com.

Price dissemination

The Index is calculated by Euronext Paris S.A. on any Business Day and the values are published on the Euronext Paris S.A. website (www.euronext.com), on the main info-provider systems such as Reuters (at the page: .CAC40), on the most accredited financial newspapers (Financial Times, Wall Street Journal Europe, Les Echos, La Tribune) and on the Warrant Debtor's website www.bourse.unicreditmib.fr and may be requested on any Business Day by calling: 800 9012 9012 (call free).

Historical prices and volatility of the Index will be available on the website www.bourse.unicreditmib.fr in connection with each Security issued under these Final Terms.
