Option Rights expire at the end of the Option Period.
- (2) The Option Right is exercised by the warrant holder by submitting a duly completed exercise notice in the form set out in Appendix 3 to these Terms and Conditions of the Warrants (the "Exercise Notice") by facsimile to the Warrant Debtor and BNP Paribas Securities Services as "French Paying Agent" prior to 10.00 a.m. Paris time on any Banking Day during the Option Period at the respective facsimile numbers set out in the form of Exercise Notice attached to these Terms and Conditions of the Warrants.

(4) In the event that a holder does not perform its obligations and so deliver, where applicable, a duly completed Exercise Notice in accordance with the provisions hereof, the Exercise Notice shall be null and void and the Warrants shall be deemed to be automatically exercised on the last day of the Option Period if the Differential Amount is positive. When calculating the Differential Amount (see § 1 (1)), fees, commissions and all other costs that are charged by the Warrant Debtor or by another party authorized by the warrant holder to exercise the Warrants shall be disregarded.

If such Exercise Notice is subsequently corrected to the satisfaction of the Warrant Debtor, it shall be deemed to be a new Exercise Notice submitted at the same time such corrected notice is delivered to the Warrant Debtor.

Subject as set out above, delivery of an Exercise Notice shall constitute an irrevocable election by the relevant warrant holder to exercise the Warrants specified.

The Warrant Debtor shall not apply any charge for the voluntary exercise of the Warrants. Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties arising in connection with the voluntary exercise of any Warrants duties are in charge of the warrant holder.

The number of Warrants specified in the Exercise Notice must be a multiple of 1000, otherwise such number of Warrants so specified shall be rounded down to the preceding multiple of 1000 and the Exercise Notice shall not be valid in respect of the Warrants exceeding such rounded number of Warrants.

The Warrant Debtor will, in its sole and absolute discretion, determine whether the above conditions are satisfied and its determination will be final, conclusive and binding on the warrant holders.

(5) The respective share Exchanges, where the Share is traded and where the Warrant Debtor determines their liquidity, are called "Home Exchanges"; the Home Exchange so determined by the Warrant Debtor is the exchange specified under "Home Exchange" with the Share in Appendix 3 to these Terms and Conditions of the Warrants. If market conditions at the respective Home Exchange change substantially; such as determining the price of the Share, is discontinued at the respective Home Exchange and transferred to another securities exchange or liquidity is substantially reduced, the Warrant Debtor, by making an announcement pursuant to § 11, is entitled, but not obligated, to stipulate another securities exchange as the applicable securities exchange for the respective Share (the "Replacement Exchange"). The futures exchange specified under "Determining Futures Exchange" in Appendix 3 to these Terms and Conditions of the Warrants is the "Determining Futures Exchange" for the respective Share options. If market conditions at the Determining Futures Exchange change substantially, such as the quotation of the option contracts is discontinued at the Determining Futures Exchange or liquidity is substantially reduced, the Warrant Debtor, by making an announcement pursuant to § 11, is entitled, but not obligated, to stipulate another futures and options exchange as the Determining Futures Exchange (the "Replacement Futures and Options Exchange"). In the event of replacement, any reference to the Home Exchange or the Determining Futures Exchange shall be considered to refer to the Replacement Exchange or the Replacement Futures and Options Exchange.

(6) These Terms and Conditions of the Warrants define a "Banking Day" as a day on which transactions can be processed by the Home Exchange and the Determining Futures Exchange, and, in principle, trading via the Euronext is guaranteed and which is a day (other than a Saturday or a Sunday), on which commercial banks are open for business in Paris and the Trans-European Automated Real-time Gross settlement Express Transfer (TARGET) system is open. If a day specified herein is not a Banking Day, the day shall be replaced by the following Banking Day.

(7) The Option Right cannot be exercised:

- (a) during the period between the day on which an offer to the shareholders regarding (a) new Shares or (b) bonds or other securities with conversion or Option Rights on Shares of the respective Share company is published in accordance with applicable corporate law and regulations in the relevant jurisdiction, and the first day after the deadline for exercising the subscription right;
- (b) before and after the general meeting of shareholders, in the period before the last day of deposit (inclusive) for Shares and the third Banking Day (inclusive) after a general meeting of shareholders.

If the exercise of the Option Right is interrupted on the last day of the Option Period in accordance with the preceding sentence, the Option Period will be extended until the next possible Exercise Date.

§ 4

(Adjustments)

(1) If the right under § 4 (7) to declare the Warrants invalid is not exercised, as well as in all other cases named below, the calculation of the adjusted exercise price and Subscription Ratio or the agreement to change another feature of the Warrants ("Adjustment") will be made according to the following provisions. If an Adjustment is necessary due to a Replacement Exchange having been chosen, the Warrant Debtor will make this Adjustment according to the provisions described below. The exercise price, Subscription Ratio or any other feature of the Warrants relevant for calculating the Differential Amount will only be adjusted if the Share company or a third party takes an action during the term which, by changing the legal and economic conditions, specifically the Company's assets and capital, affects the Share (such as a capital increase in exchange for a cash contribution, issuing securities with option or conversion rights for Shares, a capital increase from Company Funds, distributing special dividends, Share splits, mergers, liquidation or nationalization). If according to the rules and regulations of the Determining Futures Exchange no Adjustments can be made to the option contracts because of this action, the features of the Warrants will not change. If the term of the Share options on the Determining Futures Exchange ends prematurely, the rules in § 4 (4) will apply.

(2) If an Adjustment can be made, taking into account the applicable statutory provisions, market conditions and practices, as well as for (procedural) technical reasons related to settlement, the Warrant Debtor will make the Adjustment so that it essentially corresponds to the Adjustment to the option contracts actually made by the Company or the Determining Futures Exchange and by so doing the economic position of the warrant holder remains unchanged to the extent possible. If no Adjustment is made only because there are no outstanding option contracts on the Determining Futures Exchange related to the Share or because no option contracts are traded (on the Share), the Warrant Debtor will make an Adjustment according to the existing rules of the Determining Futures Exchange or – if no such rules exist – according to the trading practices of the Determining Futures Exchange. If no rules or trading practices apply, the Warrant Debtor will make the Adjustment so that the economic position of the warrant holder remains unchanged to the extent possible in spite of the Adjustment.

(3) Pursuant to § 11, the Warrant Debtor will immediately announce the need for and the results of the Adjustment.

(4) If (i) the Determining Futures Exchange prematurely cancels option contracts outstanding on the Share or (ii) – if there are no option contracts outstanding on the Share at the Determining Futures Exchange – the Warrant Debtor, by enlisting the services of an independent expert, arrives at the conclusion that no appropriate Adjustment can be made to the changes that have been made, or (iii) a Replacement Exchange or Replacement Futures and Options Exchange is not stipulated according to § 3 (5), the Warrants lose their validity.

In this case, the Warrant Debtor, after consulting with an independent expert it names, will determine the fair market value of the Warrants (the "Settlement Amount") and within five Banking Days after determining the Settlement Amount will pay the Settlement Amount by bank transfer to the Clearing System for immediate forwarding to the warrant holder. Pursuant to § 11, the Warrant Debtor will announce the invalidity of the Warrants and the Settlement Amount immediately.

(5) Unless there are obvious errors, the Warrant Debtor's calculation of the Adjustment pursuant to § 4 (2) and the stipulation of the Settlement Amount pursuant to § 4 (4) are binding for the warrant holder and the Warrant Debtor.

(6) If the Share of the (respective) Company ceases to be listed on the Home Exchange because of a merger or reorganization, a conversion into a legal form without Shares or for any other reason, and the Warrant Debtor does not name a Replacement Exchange pursuant to § 3 (5), the Warrant Debtor is entitled, but not obligated, to declare the Warrants invalid by announcing, in accordance with § 11, the Settlement Amount pursuant to § 4 (4). The Warrants become invalid at the time of the announcement pursuant to § 11.

§ 5

(Paying the Differential Amount)

- (1) Within five Banking Days after the Exercise Date, the Warrant Debtor will pay to the warrant holder in EUR the Differential Amount to the account named in the Exercise Notice or by bank transfer to the Clearing System for immediate forwarding to the warrant holder.
- (2) The Warrant Debtor will calculate the Differential Amount, which (unless there are obvious errors) is final and binding for all participants.
- (3) The warrant holder shall be responsible for and must pay all taxes, fees or duties that accrue in connection with the exercise of Option Rights.

§ 6

(Market Disruption)

If a Share price relevant for calculating the Differential Amount is not published, or trading in the Share is interrupted or significantly restricted on the Home Exchange (together with the Determining Futures Exchanges, the "Exchanges") or trading in derivatives on the Share or individual securities contained therein is interrupted or significantly restricted on the corresponding Determining Futures Exchange ("Market Disruption") and the Determining Futures Exchange has set forth rules concerning Market Disruptions, the Exercise Date will be postponed to the next Banking Day on which no Market Disruption exists. If the Market Disruption lasts longer than four successive Banking Days, the Warrant Debtor, at its own discretion will determine a replacement price for the Share that in its judgment corresponds to the market conditions prevailing on the fifth Banking Day at 10:00 a.m. (Paris local time), broadly taking into account the economic position of the warrant holder(s). However, if within these four days comparable derivatives of the Share traded on the Determining Futures Exchange expire and are redeemed, the Settlement Amount stipulated by the Determining Futures Exchange for the comparable derivatives will be used to calculate the Differential Amount. In this case the expiration date for comparable derivatives will be deemed to be the last day of the Option Period and the rules in § 5 will apply accordingly. Any curtailment of trading hours at the Exchanges named in the first sentence in itself will not be considered a Market Disruption.

§ 7

(Rank)

The obligations arising from the Warrants represent direct, absolute and unsecured by real property obligations of the Warrant Debtor and, unless otherwise provided, have at least the same rank as all other obligations of the Warrant Debtor, which are unsecured by real property and are not subordinate.

§ 8

(Cancellation of the Option Rights)

If during the term of the Warrants, it is impossible because of laws, regulations, official actions, or for similar reason, for the Warrant Debtor to fulfill its obligations arising from the Warrants, the Warrant Debtor, by announcement pursuant to § 11, has the right to declare overall, but not in part, that all existing the Option Rights are cancelled, even if individual Option Rights have already been exercised, but the Differential Amount has not yet been credited to the warrant holder(s) in question.
