INVESTORS SHOULD NOTE THAT THE ISSUER MAY PUBLISH SUPPLEMENT(S) TO THE BASE PROSPECTUS PRIOR TO THE ISSUE DATE (AS DEFINED BELOW). IN THE EVENT THAT A SUPPLEMENT RELATING TO THE NOTES IS PUBLISHED, INVESTORS WHO HAVE ALREADY AGREED TO PURCHASE OR SUBSCRIBE FOR THE NOTES BEFORE THE DATE OF PUBLICATION OF ANY SUCH SUPPLEMENT WILL HAVE THE RIGHT, EXERCISABLE BEFORE THE END OF THE PERIOD OF NOT LESS THAN TWO WORKING DAYS (OR, IN RELATION TO NOTES OFFERED IN THE REPUBLIC OF AUSTRIA, SEVEN CALENDAR DAYS) BEGINNING WITH THE WORKING DAY (OR, IN THE CASE OF NOTES OFFERED IN AUSTRIA, CALENDAR DAY) AFTER THE DATE ON WHICH SUCH SUPPLEMENT IS PUBLISHED, TO WITHDRAW THEIR ACCEPTANCES, WHICH MAY RESULT IN A DELAY OF THE ISSUE DATE. THE ISSUER SHALL PUBLISH A NOTICE ON THE WEB-SITE OF THE LUXEMBOURG STOCK EXCHANGE (AT WWW.BOURSE.LU) NOTIFYING INVESTORS OF THE PUBLICATION OF ANY SUCH SUPPLEMENT AND THE RIGHTS OF INVESTORS IN RELATION THERETO.

The Base Prospectus referred to below (as completed by this Final Terms) has been prepared on the basis that, except as provided in sub-paragraph (b) below, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (2003/71/EC) (each, a **Relevant Member State**) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of the Notes. Accordingly any person making or intending to make an offer of the Notes may only do so:

- (a) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer; or
- (b) in those Public Offer Jurisdictions mentioned in Paragraph 8 of Part B below, provided such person is one of the persons mentioned in Paragraph 8 of Part B below and that such offer is made during the Offer Period specified for such purpose therein.

None of the Issuer, the Guarantor and any Dealer has authorised, nor do any of them authorise, the making of any offer of Notes in any other circumstances.

Any person (an **Investor**) intending to acquire or acquiring any Notes from any person (an **Offeror**) should be aware that, in the context of an offer to the public as defined in the Prospectus Directive, the Issuer may be responsible to the Investor for the Base Prospectus (as defined below) only if the Issuer is acting in association with that Offeror to make the offer to the Investor. Each Investor should therefore verify with the Offeror whether or not the Offeror is acting in association with the Issuer. If the Offeror is not acting in association with the Issuer, the Investor should check with the Offeror whether anyone is responsible for the Base Prospectus for the purposes of Article 6 of the Prospectus Directive in the context of the offer to the public, and, if so, who that person is. If the Investor is in any doubt about whether it can rely on the Base Prospectus and/or who is responsible for its contents it should take legal advice.

An Investor intending to acquire or acquiring any Notes from an Offeror will do so, and offers and sales of the Notes to an Investor by an Offeror will be made, in accordance with any terms and other arrangements in

place between such Offeror and such Investor including as to allocations and settlement arrangements. The Issuer will not be a party to any such arrangements with Investors in connection with the offer or sale of the Notes and, accordingly, this Final Terms will not contain such information and an Investor must obtain such information from the Offeror. Subject as provided above, neither the Issuer nor any of its affiliates shall have any responsibility to an Investor in respect of such information.

The Notes and the Deed of Guarantee have not been and will not be registered under the United States Securities Act of 1933, as amended (the **Securities Act**), or with any securities regulatory authority of any state or other jurisdiction of the United States and may not be offered, sold or, in the case of bearer Notes, delivered within the United States or for the account or benefit of U.S. persons (as defined in Regulation S under the Securities Act), except in certain transactions exempt from the registration requirements of the Securities Act. For a description of certain restrictions on offers and sales of Notes, see "*Plan of Distribution for Notes*" in the Base Prospectus.

2. RATINGS

Ratings: The Issuer's long-term/short-term senior debt is rated:

- | | | |
|-------|----------|-------------------------|
| (i) | S&P: | A/A-1 (Stable Outlook) |
| (ii) | Moody's: | A3/P-1 (Stable Outlook) |
| (iii) | Fitch: | A+/F1+ (Stable Outlook) |

based on the guarantee by Citigroup Inc.

The ratings and outlooks are subject to change during the term of the Notes

Standard & Poor's Ratings Services, a division of The McGraw–Hill Companies, Inc. (S&P)

An obligation rated 'A' by S&P is somewhat susceptible to the adverse effect of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitment on the obligation is still strong. Ratings may be modified by the addition of a plus (+) or minus (-) sign to show the relative standing within the rating category

A short-term obligation rated 'A-1' by S&P is rated in the highest category by S&P. The obligor's capacity to meet its financial commitment on the obligation is strong

An S&P rating outlook assesses the potential direction of a long-term credit rating over the intermediate term (typically six months to two years). In determining a rating outlook, consideration is given to any changes in the economic and/or fundamental business conditions. An outlook is not necessarily a precursor of a rating change or future CreditWatch action. 'Stable' means that a rating is not likely to change

Moody's Investors Service (Moody's)

Obligations rated 'A' by Moody's are considered upper-medium grade and are subject to low credit risk. Moody's appends numerical modifiers 1, 2, and 3 to each generic rating classification from Aa through Caa. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category; the modifier 2 indicates a mid-range ranking; and the modifier 3 indicates a ranking in the lower end of that generic rating category

Issuers (or supporting institutions) rated Prime-1 (P-1) by Moody's have a superior ability to repay short-term debt obligations

A Moody's rating outlook is an opinion regarding the likely direction of a rating over the medium term. Where assigned, rating outlooks fall into the following four categories: Positive (POS), Negative (NEG), Stable (STA), and Developing (DEV - contingent upon an event)

Fitch Ratings Ltd. (Fitch)

Obligations rated 'A+' by Fitch denote expectations of low credit risk. This rating indicates that the capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to changes in circumstances or in economic conditions than is the case for higher ratings. The modifier '+' appended to the rating denotes relative status within this rating category

Obligations rated 'F1+' denote the highest credit quality and indicate the strongest capacity for timely payment of financial commitments; the '+' denotes an exceptionally strong credit feature

Rating outlook: An outlook indicates the direction a rating is likely to move over a one to two-year period. Outlooks may be positive, stable or negative. A positive or negative rating outlook does not imply a rating change is inevitable. Similarly, ratings for which outlooks are 'stable' could be upgraded or downgraded before an outlook moves to positive or negative if circumstances warrant such an action. Occasionally, Fitch may be unable to identify the fundamental trend. In these cases, the rating outlook may be described as evolving

A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the

rating agency at any time. Each rating should be evaluated independently of any other rating

The Issuer's credit ratings are an assessment of the Issuer's ability to meet its obligations under the Notes, including making payments under the Notes. Consequently, actual or anticipated changes in the Issuer's credit ratings may affect the trading value of the Notes. However, because the Notes' yield is dependent on certain factors in addition to the Issuer's ability to pay its obligations on the Notes, an improvement in the Issuer's credit ratings will not reduce the other investment risks related to the Notes

3. INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE/OFFER

Save for any fees payable to or by the Dealer, the Offerors and the Italian Distributor(s) (as set out in paragraph 45 of Part A above) and save as discussed in "Plan of Distribution for Notes" in the Base Prospectus, so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the Offer

4. REASONS FOR THE OFFER, ESTIMATED NET PROCEEDS AND TOTAL EXPENSES

- (i) Reasons for the Offer: See "Use of Proceeds" in the Base Prospectus
- (ii) Estimated net proceeds: The estimated net proceeds will depend on the final size of the Offer. It is anticipated that the estimated net proceeds will be published by the Issuer on the website of the Luxembourg Stock Exchange (www.bourse.lu) on or around 5 October 2009
- For the avoidance of doubt, the estimated net proceeds reflect the proceeds to be received by the Issuer on the Issue Date. They are not a reflection of the fees payable by/to the Dealer and/or any Offeror and/or any Italian Distributor
- (iii) Estimated total expenses: Approximately 15,000 Euro

ANNEX

FRENCH TAXATION

The following is a summary addressing only the French compulsory withholding tax treatment of income arising from the Notes. This summary is (i) based on the laws and regulations in full force and effect in France as at the date of these Final Terms, which may be subject to change in the future, potentially with retroactive effect, and (ii) prepared on the assumption that the Issuer and the Guarantor are not French residents for French tax purposes and are not acting from a French branch or permanent establishment in connection with the Notes. Investors should be aware that the comments below are of a general nature and do not constitute legal or tax advice and should not be understood as such. Prospective investors are therefore advised to consult their own qualified advisors so as to determine, in the light of their individual situation, the tax consequences of the purchase, holding, redemption or sale of the Notes.

All payments by the Issuer and the Guarantor in respect of the Notes will be made free of any compulsory withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by France or any political subdivision or taxing authority thereof or therein.

The EC Council Directive 2003/48/EC on the taxation of savings income has been implemented into French law under article 242 *ter* of the French tax code (*Code général des impôts*), which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners resident in another Member State, including, the identity and address of the beneficial owner and a detailed list of different categories of interest paid to the beneficial owner.

IRISH TAXATION

The following is a summary of the principal Irish tax consequences of ownership of the Notes for individuals who are resident and ordinarily resident in Ireland for tax purposes and for companies that are resident in Ireland for tax purposes. It is based on the laws of Ireland and the practice of the Revenue Commissioners currently in force in Ireland and may be subject to change. The statements in this summary are based on the understanding that the Notes will be treated as debt for Irish tax purposes. It deals with Noteholders who beneficially own their Notes as an investment. Particular rules not discussed below may apply to certain classes of taxpayers holding Notes, including dealers in securities and trusts. The summary does not constitute tax or legal advice and the comments below are of a general nature only. Prospective investors in the Notes should consult their professional advisers on the tax implications of the purchase, holding, redemption or sale of the Notes and the receipt of payments thereon under any laws applicable to them.

TAXATION OF NOTEHOLDERS

Withholding Tax from payments on the Notes

Tax at the standard rate of income tax (currently 20 per cent.), is required to be withheld from payments of Irish source interest. The Issuer will not be obliged to withhold Irish income tax from payments on the Notes so long as such payments do not constitute Irish source income. Payments on the Notes should not be treated as having an Irish source unless:

- (a) the Issuer is resident in Ireland for tax purposes;
- (b) the Issuer has a branch or agency or a permanent establishment in Ireland, the assets or income of which is used to fund the payments on the Notes; or
- (c) the Issuer is not resident in Ireland for tax purposes but the register for the Notes is maintained in Ireland or (if the Notes are in bearer form) the Notes are physically located in Ireland.

It is anticipated that (i) the Issuer is not and will not be resident in Ireland for tax purposes, (ii) the Issuer will not have a branch or agency or a permanent establishment in Ireland, the assets or income of which is used to fund the payments on the Notes (iii) that bearer Notes will not be physically located in Ireland and (iv) the Issuer will not maintain a register of any registered Notes in Ireland.

Withholding Tax from payments under the Guarantee

Payments under the Guarantee may be regarded as taking their nature from the payment which they replace (including, potentially, interest) or may be annual payments however. The Guarantor will not be obliged to withhold Irish income tax from payments under the Guarantee so long as such payments do not constitute Irish source income. Payments under the Guarantee should not be treated as having an Irish source unless:

- (a) the Guarantor is resident in Ireland for tax purposes;
- (b) the Guarantor has a branch or agency or a permanent establishment in Ireland, the assets or income of which is used to fund the payments under the Guarantee; or
- (c) the Guarantor is not resident in Ireland for tax purposes but the Guarantee is in bearer form and is physically located in Ireland.

It is anticipated that (i) the Guarantor is not and will not be resident in Ireland for tax purposes, (ii) the Guarantor will not have a branch or agency or a permanent establishment in Ireland, the assets or income of which is used to fund the payments under the Guarantee; and (iii) that a bearer Guarantee will not be physically located in Ireland.

Tax on Income

Individual Noteholders that are resident or ordinarily resident for tax purposes in Ireland are liable to Irish income tax and levies on interest and/or any premium in the nature of interest received on the Notes at the applicable marginal rate of tax (currently up to 41 per cent.).

Noteholders that are companies resident for tax purposes in Ireland are liable to Irish corporation tax (generally at the rate of 25 per cent.) on interest received on the Notes.

Encashment Tax

In certain circumstances, Irish tax will be required to be withheld at the standard rate of income tax (currently 20 per cent.) from any interest paid on Notes issued by a company not resident in Ireland, where such interest is collected or realised by a bank or encashment agent in Ireland on behalf of any Noteholder who is Irish resident.

Encashment tax does not apply where the Noteholder is not resident in Ireland and has made a declaration in the prescribed form to the encashment agent or bank.

Capital Gains Tax

A Noteholder will be subject to Irish tax on capital gains on a disposal of Notes (currently 25 per cent.) unless such holder is neither resident nor ordinarily resident in Ireland and does not carry on a trade or business in Ireland through a permanent establishment, branch or agency in respect of which the Notes are or were held.

Capital Acquisitions Tax

A gift or inheritance comprising of Notes will not be within the charge to capital acquisitions tax (which, subject to available exemptions and reliefs, is currently levied at 25 per cent.) if either (i) the disponent or the donee/successor in relation to the gift or inheritance is resident or ordinarily resident in Ireland or (ii) if the Notes are regarded as property situate in Ireland. A foreign domiciled individual will not be regarded as being resident or ordinarily resident in Ireland at the date of the gift or inheritance unless that individual (i) has been resident in

Ireland for the five consecutive tax years preceding that date, and (ii) is either resident or ordinarily resident in Ireland on that date.

Stamp Duty on Transfer Of Notes

No stamp duty or similar tax is imposed in Ireland on the transfer or redemption of the Notes unless (i) the Notes are regarded as property situate in Ireland; or (ii) a document of transfer of the Notes is executed in Ireland; or (iii) the transfer relates to Irish property or to any matter or thing done or to be done in Ireland.

If you are in any doubt as to the consequences of your acquiring, holding or disposing of Notes you should consult an appropriate professional advisor.
