COMPAGNIE DE FINANCEMENT FONCIER
SPECIFIC CONTROLLER'S CERTIFICATE RELATING TO THE NOTES

CERTIFICATE OF THE SPECIFIC CONTROLLER RELATING TO THE DEBENTURE ISSUE AMOUNTING TO EUR 1 BILLION (MATURITY OCTOBER 25, 2012) PURSUANT TO ARTICLE L. 515-30 OF THE FRENCH MONETARY AND FINANCIAL CODE AND ARTICLE 9 – IV OF THE DECREE OF AUGUST 3, 1999

To the Directors of Compagnie de Financement Foncier,

In our capacity as Specific Controller of your company and pursuant to the provisions set forth in Article L. 515-30 of the French Monetary and Financial Code and Article 9 – IV of Decree no. 99-710 of August 3, 1999, we hereby set out our certification regarding compliance with the rule provided for in Article L. 515-20 of the French Monetary and Financial Code within the framework of any issue of mortgage debentures with a unit value of at least EUR 500 million.

In a decision dated December 21, 2006, the Board of Directors of Compagnie de Financement Foncier set the maximum ceiling for the programme for issuing funding that qualify for the privileged right laid down by Article L.515-19 of the French Monetary and Financial Code at EUR 10 billion, for the period from January 1st to March 31, 2007.

Within the scope of this quarterly issue programme, in a decision dated January 10, 2007, the deputy managing director of Compagnie de Financement Foncier approved a new issue of funds qualifying for the preferential rights set forth in Article L. 515-19 of the French Monetary and Financial Code, for an amount of EUR 1 billion (maturity October 25, 2012).

Article L. 515-20 of the French Monetary and Financial Code states that the total amount of assets held by sociétés de crédit foncier (special-purpose real estate credit institutions) must be greater than the amount of liabilities which qualify for the privileged right mentioned in Article L. 515-19 of said code. Our responsibility is to certify the compliance of the current transaction with this rule.

Compliance with this rule, after taking into account the aforementioned debenture issue, was verified on the basis of estimated and forecasted financial data, drawn up under the responsibility of your Board of Directors. The forecasted financial data were drawn up on the basis of assumptions which reflect the position that you deemed to be most probable as of the date of the present issue. This information is presented in an appendix to this report.

We ought to point out that the present certificate complies with the current French Monetary and Financial Code, but does not comply with amendments drafts, still to be adopted by the legislator at this time. Those amendments to the French Monetary and Financial Code introduce the legislation implementing European Directive on the capital adequacy.

We performed our review in accordance with the standards of the profession that are applicable to this type of assignment. These standards require that we perform procedures, based on such financial information, in order to verify compliance with the rule laid down by Article L. 515-20 of the French Monetary and Financial Code and with the methods of calculating the hedge ratio provided for in Regulation no. 99-10 of July 9, 1999 of the French Banking and Financial Regulations Committee.

Our work has also required that we plan and prepare our review leading to an assessment of the fair presentation of the estimated and the forecasted financial data, drawn up as of the closest date of the present issue, with regard to its consistency, plausibility and relevance, with a view to checking compliance with the rule provided for in Article L. 515-20 of the French Monetary and Financial Code. Regarding the forecasted financial data, we have assessed the assumptions used and their statement in figures, considering that, as the forecasts are, by their nature, uncertain, the actual results could differ significantly from the forecasted data presented.

Based on our work, we have no comments to make as regards compliance by Compagnie de Financement Foncier with Article L. 515-20 of the French Monetary and Financial Code, which states that the amount of assets must be greater than the amount of preferential liabilities, after taking into account the aforementioned issue.

The original certificate in French reads :

Messieurs les Administrateurs de la Compagnie de Financement Foncier,

En notre qualité de contrôleur spécifique de votre société et en exécution des dispositions prévues par les articles L.515-30 du Code monétaire et financier et 9-IV du décret n°99-710 du 3 août 1999, nous devons établir une attestation du respect de la règle prévue à l'article L. 515-20 de ce Code, dans le cadre de toute émission d'obligations foncières d'une valeur unitaire au moins égale à EUR 500 millions.

Par décision en date du 21 décembre 2006, le conseil d'administration de la Compagnie de Financement Foncier a fixé le plafond maximum du programme d'émissions de ressources bénéficiant du privilège institué par l'article L. 515-19 du Code monétaire et financier, à EUR 10 milliards, pour la période allant du 1er janvier au 31 mars 2007.

Dans le cadre de ce programme trimestriel d'émissions, par décision en date du 10 janvier 2007, le directeur général délégué de la Compagnie de Financement Foncier a autorisé le lancement d'une nouvelle émission de ressources bénéficiant du privilège institué par l'article L.515-19 du Code monétaire et financier, pour un montant de 1 milliard d'euros (échéance 25 octobre 2012).

L'article L. 515-20 du Code monétaire et financier dispose que le montant total des éléments d'actif des sociétés de crédit foncier doit être supérieur au montant des éléments de passif bénéficiant du privilège mentionné à l'article L.515-19 de ce même Code. Il nous appartient d'attester du respect de cette règle au titre de la présente opération.

Le respect de cette règle, après prise en compte de l'émission visée ci-dessus, a été vérifié sur la base d'informations financières estimées et prévisionnelles établies sous la responsabilité de votre conseil d'administration. Les informations financières prévisionnelles ont été établies à partir des hypothèses traduisant la situation future que vous avez estimée la plus probable à la date de la présente émission. Ces informations sont présentées en annexe à la présente attestation.

Il convient de signaler que les règles utilisées pour établir la présente attestation sont celles de la législation en vigueur à cette date et non celles résultant de la future transposition en droit français de la Directive européenne sur l'adéquation des fonds propres.

Nous avons effectué nos travaux selon les normes de la profession applicables à cette intervention. Ces normes requièrent la mise en œuvre de diligences destinées à vérifier, sur la base des informations financières établies, le respect de la règle prévue par l'article L. 515-20 du Code monétaire et financier et les modalités de calcul du ratio de couverture prévues par les dispositions du règlement n°99-10 du 9 juillet 1999 du Comité de la Réglementation Bancaire et Financière.

Nos diligences ont notamment consisté à examiner le processus d'élaboration des informations financières estimées et prévisionnelles, établies à la date plus proche de celle de la présente émission, afin d'en vérifier la cohérence dans la perspective de contrôler le respect de la règle prévue à l'article L.515-20 du Code monétaire et financier. En ce qui concerne les informations prévisionnelles, nous avons pris connaissance des hypothèses retenues et vérifié leur traduction chiffrée, étant rappelé que, s'agissant de prévisions présentant par nature un caractère incertain, les réalisations différeront parfois de manière significative des informations prévisionnelles établies.

Sur la base de nos travaux, nous n'avons pas d'observation à formuler sur le respect, par la Compagnie de Financement Foncier, de l'article L.515-20 du Code monétaire et financier stipulant que le montant des éléments d'actif doit être supérieur au montant des éléments de passif privilégiés, après prise en compte de la présente émission visée ci-dessus.
