Charenton-le-Pont, France (May 11, 2007) – At the Extraordinary Shareholders' Meeting of May 11, 2007, Essilor International's Board of Directors was given a 26-month authorization to issue shares to members of Essilor employee stock ownership plans (15th resolution). The maximum number of common shares authorized for issuance was set at 3,115,453, representing no more than 3% of capital stock.

At its meeting on May 11, 2007, the Board of Directors decided to use this authorization to issue up to 200,000 common shares for subscription by members of the Essilor, BBGR, Novisia and BNL employee stock ownership plans.

The new shares will carry rights as from January 1, 2007. They will be offered at a price of €70.93 per share, corresponding to the average of the opening prices quoted over the last twenty trading days preceding the Board's May 11 decision to issue the shares, less a 20% discount.

Employees may purchase the shares through two funds. These funds have been given a specific value since January 24, 2007, the start date of the subscription period. The closing date of the subscription period is June 26, 2007.

The actual number of shares issued will be announced on June 27, 2007 and the Company will then apply for the new shares (par value: €0.35) to be listed on Eurolist by Euronext™.
