TERMS AND CONDITIONS OF THE WARRANTS

§ 1 (Series, Form of Warrants, Issuance of Additional Warrants)

- (1) This series (the "**Series**") of Warrants linked to currencies (the "**Warrants**") of UniCredit Bank AG (formerly Bayerische Hypo- und Vereinsbank AG) (the "**Issuer**") will be issued on 11 February 2011 (the "**Issue Date**") in the form of call options (with respect to Warrants for which "**Call**" is specified in the column "Call/Put" in the table of Appendix 1) or in the form of put options (with respect to Warrants for which "**Put**" is specified in the column "Call/Put" in the table of Appendix 1) pursuant to these terms and conditions (the "**Terms and Conditions**").

In accordance with the Terms and Conditions, the Issuer shall pay for each Warrant to the holder of such Warrant (each a "**Warrant Holder**") the Differential Amount (§ 3).

- (2) The Warrants are represented by a permanent global bearer warrant (the "**Global Bearer Warrant**"), which bears the manual signatures of two authorised signatories of the Issuer as well as the manual signature of a control officer of Euroclear France S.A. and which is deposited with Euroclear France S.A. (the "**Clearing System**"). Warrants are transferable as co-ownership interests in the Global Bearer Warrant in accordance with the rules and regulations of the Clearing System. The right to request definitive Warrants shall be excluded.
- (3) The Issuer reserves the right to issue additional Warrants on the same terms at any time, without approval of the Warrant Holders, in such manner as to consolidate them with these Warrants forming a single fungible series together with the latter. In that event, the term "*Warrants*" also includes such additionally issued warrants.

§ 2 (Definitions)

Within these Terms and Conditions the following terms shall have the following meanings:

"**Underlying**" means the currency exchange rates as determined by the European Central Bank (ECB) (the "**Fixing Sponsor**") and as specified in Appendix 1 in the column "**Currency Exchange Rate**".

"**Reference Price**" means the official fixing price of the relevant Underlying as published by the Fixing Sponsor.

"**Multiplier**" means the Multiplier specified in the table of Appendix 1. The Multiplier shall be rounded, if necessary, down to four decimals, with 0.00005 being rounded upwards.

"**Base Price**" means the Base Price specified in the table of Appendix 1.

"**Banking Day**" means any day (other than a Saturday or Sunday) on which the Clearing System as well as the Trans-European Automated Real-time Gross settlement Express Transfer system 2 (TARGET) are open for business and commercial banks and foreign exchange markets settle payments in Milan and Paris.

"**Calculation Date**" means any day on which the Underlying is determined and published by the Fixing Sponsor.

"**Valuation Date**" means the Calculation Date immediately following the Exercise Date or, if the Exercise Date is the Maturity Date, the Maturity Date or, if the Maturity Date is no Calculation Date, the following Calculation Date.

"**Exercise Date**" means each Banking Day within the Exercise Period on which the Warrants were exercised in accordance with § 4.

"**Exchange Rate**" for conversion of any amount into the Specified Currency for the purposes of determining the Differential Amount is the official fixing of the Exchange Rate (as specified in the column "**Currency Exchange Rate**" in the table of Appendix 1) determined by the Fixing Sponsor and published on the Reuters page "ECB37", or on the webpage www.ecb.int (or any other successor page) on the Valuation Date.

§ 3 (Exercise Right, Differential Amount)

- (1) The Warrant Holder shall be entitled to payment of the Differential Amount by the Issuer according to these Terms and Conditions (the "**Exercise Right**").
- (2) The "**Differential Amount**" per Warrant shall equal
 - (a) in the case of call Warrants, the difference expressed in Euro (the "**Specified Currency**") of the Reference Price on the Valuation Date exceeding the Base Price multiplied with the respective Multiplier; or
 - (b) in the case of put Warrants, the difference expressed in the Specified Currency of the Reference Price on the Valuation Date falling below the Base Price multiplied with the respective Multiplier.
- (3) The provisions to determine the Differential Amount are possibly subject to Adjustments and Market Disruptions pursuant to § 6 and § 7.

§ 4 (Maturity, Exercise Period, Exercise)

- (1) "**Maturity Date**" means the date specified in the table of Appendix 1. The Warrant Holder's Exercise Right can be exercised within the period from the Issue Date to and including the Maturity Date, 10:00 a.m. (Milan time) (the "**Exercise Period**") (*American Style Warrants*). Unless already duly exercised by the Warrant Holder, the Warrants are considered to be exercised on the last Banking Day of the Exercise Period, if the Differential Amount on the respective Valuation Date is positive. The day of the exercise of the Exercise Right is the "**Exercise Date**". On termination of the Exercise Period, the Exercise Rights expire.
- (2) At least 1,000 Warrants of one Series (the "**Unit**") or a multiple thereof are required to make effective use of the Exercise Right. Otherwise, such number of Warrants shall be rounded down to the preceding multiple of 1,000 and the Exercise Notice shall not be valid in respect of the Warrants exceeding such rounded number of Warrants. Exercise of less than 1,000 Warrants is not valid and does not cause effect.
- (3) The Exercise Right is exercised by the Warrant Holder by delivering a duly completed exercise notice (the "**Exercise Notice**"), using the form of notice, which is set out in the respective form of Exercise Notice (Appendix 2), by facsimile to the number set out prior to 10:00 a.m. (Milan time).
- (4) The Warrants specified in the Exercise Notice are only considered as validly exercised, if, prior to 5:00 p.m. (Milan time) on this Exercise Date, the Warrants specified in the Exercise Notice are transferred to the Issuer's account with the French Paying Agent. For this purpose, the Warrant Holder is obliged to instruct its depository bank, which is responsible for forwarding the specified Warrants.

In the event that a Warrant Holder does not perform its obligations and so delivers an Exercise Notice not duly completed or not in accordance with the above provisions or if the Warrants specified in the Exercise Notice are transferred to the Issuer's account after 5:00 p.m. (Milan time) on the fifth Banking Day after forwarding the Exercise Notice, the Exercise Notice shall not be valid. Warrants for which no valid Exercise Notice exists or for which the Exercise Notice is deemed to be not validly given, will be re-transferred by the Issuer to the Warrant Holders account without undue delay.

As far as the Exercise Notice is corrected supplementary to the Issuer's content, the Exercise Notice will be classified as new Exercise Notice, which are considered as received by the Issuer at the point in time, on which the corrected Exercise Notice is delivered to the Issuer.

Subject to the above provisions, the delivery of the Exercise Notice shall be an irrevocable declaration of intent of the respective Warrant Holder to exercise the respective Warrants.

When calculating the Differential Amount, no fees, commissions or other costs charged by the Issuer or a third party authorised by the Issuer, will be taken into account.

The Issuer shall not apply any charge for the Exercise of the Warrants. Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, regis-

tration, securities transfer and/or other taxes or duties which may arise in connection with the automatic Exercise of the Warrants are in charge of the Warrant Holder.

The Issuer will, in its reasonable discretion pursuant to § 315 BGB, determine whether the above conditions are satisfied and its determination will be final, conclusive and binding on the Warrant Holders.

§ 5 (Termination of the Exercise Rights)

In the event that during the tenor of the Warrants, the Issuer is prevented from performing its obligations in relation to the Warrants due to laws, regulations, regulatory measures or any other reason, the Issuer is entitled to declare all Exercise Rights which are valid at that point in time, in whole but not in part, terminated by giving notice pursuant to § 13, even if the exercise of individual Exercise Rights is already effective, but the Differential Amount has not yet been credited to the respective Warrant Holder/s. There will be no further compensation than the reimbursement of the amount expended for the purchase of the Warrants.

§ 6 (Adjustments, Corrections, Issuer's Irregular Call Rights)

- (1) In the event that the Underlying is no longer determined and published by the Fixing Sponsor but by another person, company or institution (the "**Replacement Fixing Sponsor**"), the Calculation Agent may determine the Differential Amount on the basis of the Underlying as calculated and published by the Replacement Fixing Sponsor. In case of election of a Replacement Fixing Sponsor, each and every reference to the Fixing Sponsor, depending on the context, shall be deemed to refer to the Replacement Fixing Sponsor.
- (2) Should the Calculation Agent come to the conclusion, that
 - (a) a replacement of the Fixing Sponsor is not available or
 - (b) due to the occurrence of special circumstances or force majeure (such as catastrophes, war, terror, insurgency, restrictions on payment transactions, entering of the currency used for the calculation into the European Monetary Union and other circumstances having a comparable impact on the Underlying the reliable determination of the Underlying is impossible or impracticable,

the Issuer is entitled to terminate the Warrants early by giving notice pursuant to § 13. Such termination shall become effective at the time of the announcement pursuant to § 13 or at the time indicated in the notice. In that case, the Calculation Agent shall within ten Banking Days after the termination becomes effective determine and publish without delay the reasonable market value of the Warrants (the "**Cancellation Amount**"). The Cancellation Amount will be paid pursuant to the provisions in § 8 to the Clearing System or to its order with the instruction for immediate forwarding to the Warrant Holders.

- (3) The adjustments and determinations of the Issuer or the Calculation Agent pursuant to the paragraphs above shall be effected by the Issuer at its reasonable discretion (*billigem Ermessen*) pursuant to § 315 BGB and shall be final, conclusive and binding on all parties, except where there is a manifest error.

§ 7 (Market Disruptions)

- (1) Notwithstanding the conditions of § 6 above, if a Market Disruption occurs on a Valuation Date with respect to the Underlying, the Valuation Date will be postponed to the next following Calculation Date on which the Market Disruption no longer exists. If applicable, any payment date relating to such Valuation Date shall be postponed accordingly. No interest is due because of such postponement.
- (2) Should the Market Disruption continue for more than four consecutive Calculation Dates, the Issuer, in its reasonable discretion pursuant to § 315 BGB, shall determine, or cause the Calculation Agent to determine the Reference Price. The Reference Price required for the determination of the Differential Amount shall be determined in accordance with prevailing market conditions on this fifth day, taking into account the economic position of the Warrant Holders.

However, if within these four Calculation Dates comparable Derivatives expire and are paid on the Determining Futures Exchange, the settlement price established by the Determining Futures Exchange for the comparable Deriva-

tives will be taken into account in calculating the Differential Amount. In that case, the expiration date for these comparable Derivatives will be taken as the relevant Exercise Date.

- (3) **"Market Disruption"** means:
- (a) the failure to publish the exchange rate for the Underlying by the Fixing Sponsor, or
 - (b) the suspension or restriction in foreign exchange trading for at least one of the two currencies quoted as a part of the Underlying (including options or futures contracts) or the restriction of the convertibility of the currencies quoted in such exchange rate or the effective impossibility of obtaining a quotation of such exchange rate, or
 - (c) any other events the commercial effects of which are similar to the events listed above,
- as far as the above-mentioned events in the opinion of the Calculation Agent are material.

§ 8 (Payments)

- (1) The Issuer undertakes

The Principal Paying Agent shall pay all amounts due to the Clearing System for credit to the respective accounts of the depository bank for transfer to the Warrant Holders. The payment to the Clearing System shall discharge the Issuer from its payment obligations under the Warrants in the amount of such payment.
- (4) If the Issuer fails to make any payment under the Warrants when due, interest shall accrue on due amounts on the basis of [the default rate of interest established by law. The accrual of interest starts on the due date (including) and ends at the end of the day immediately preceding the effective date of payment (including)].
