1. The warrants will not be registered under the United States Securities Act of 1933 as amended; the warrants have not been admitted to trading by the United States Commodity Futures Trading Commission ("CFTC") under the United States Commodity Exchange Act. The Warrants may not be offered, sold or delivered at any time directly or indirectly in the United States of America, its territories or possessions or to or through U.S. Persons. When exercising the Warrants, the Warrant Holders will be obligated to assure that the Warrants will not be held either directly or indirectly on behalf of a U.S. Person. The Issuer is not registered with the CFTC as a commission merchant. By purchasing and accepting the Warrants, the Warrant Holder represents that he or she is not a United States Person as defined below and that he or she will sell the Warrants in advance should he or she fall under the definition of a United States Person in the future; the Warrant Holder hereby also represents that: (a) he or she has not offered, sold or traded the Warrants to a United States Person directly or indirectly at any time or negotiated with such a person and will likewise not do so in the future (whether on his or her own behalf or on behalf of a third party); and (b) he or she has not purchased the Warrants for the account of any United States Person. The Warrant Holder hereby agrees to deliver the buyer these sale restrictions and the following explanations upon the sale of the Warrants or to refer the buyer in writing to these sale restrictions.

The following definitions apply: "United States" means the United States of America (including the states thereof, the District of Columbia, and the territories, possessions and other areas under the jurisdiction thereof); "United States Person" means any citizen or resident of the United States of America as well as any corporation or partnership or other company organized or established under the law of the United States of America or any of its territorial authorities as well as any estates and trust funds which are subject to the taxation of the United States of America, irrespective of the source of their income.

- 2. With respect to any activity in connection with Citi warrants/certificates or other derivate products in the United Kingdom, all applicable provisions of the Financial Services and Markets Act 2000 (hereinafter "FSMA") must be observed. Any dissemination of offers or incentives to initiate investment activity in the terms of Paragraph 21 of the FSMA may only be made or instigated in connection with the issue or sale of warrants/certificates or other derivate products in cases in which Paragraph 21 of the FSMA does not apply. In relation to any secuities which have a maturity of less than one year, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any Securities other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the securities would otherwise constitute a contravention of Section 19 of the Financial Services and Markets Act 2000 ("FSMA") by the Issuer;
- 3. In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "Relevant Member State"), with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "Relevant Implementation Date") it has not been and will not be an offer of Warrants to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Warrants to the public in that Relevant Member State:

- (a) in the period following the date of publication of this prospectus related to such Warrants which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, in accordance with the Prospectus Directive, ending with the date that lies 12 months after the date of publication;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) any time to any legal entity which meets two or more of the following criteria: (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts;
- (d) at any time to fewer than 100 natural or legal persons per Relevant Member State (other than qualified investors as defined in Article 2 of the Prospectus Directive); or
- (e) at any time in any other circumstances, which do not require the Issuer to publish a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression "offer of securities to the public" in relation to any securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the securities to be offered so as to enable an investor to decide to purchase or subscribe the securities, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression Prospectus Directive means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

4. With respect to any activity in connection with the warrants, particularly the acquisition or sale thereof, and/or the exercise of options from the warrants, the provisions of law applicable in the respective country must be observed by the Warrant Holders and any other market participants involved. Normally, the warrants may only be offered publicly if a sales or stock exchange prospectus in compliance with the provisions of law of the country in which the public offer is made has been approved and published. The publication must normally be made by the person submitting the corresponding offer in the respective jurisdiction. Warrant Holders and/or persons interested in acquisition are therefore obligated to inform themselves of and comply with the provisions of law in this regard.

"Observation Hours" corresponds to the Trading Hours. "Trading Days" are days on which the Underlying is usually traded on the Relevant Exchange. "Trading Hours" are hours on Trading Days during which the Underlying is usually traded on the Relevant Exchange.

Section 4 Adjustments

(1) In case that an Adjustment Event pursuant to paragraph (2) occurs. the Adjustment Agent will determine whether such Adjustment Event has a diluting, concentrative or other effect on the theoretical value of the Underlying and, if so, will make such adjustments, if necessary, to the affected terms of the Warrants which at its reasonable discretion is appropriate in order to account for the diluting, concentrative, or other effect and to the extent possible to maintain the economic position of the Warrant Holders as it was before the occurrence of the Adjustment Event. The Adjustments may refer to the Strike Price, the Subscription Ratio, other relevant levels and to a replacement of the Underlying by a basket of shares or other assets or in the case of a merger by shares of the acquiring company or the newly established company under determination, as the case may be, of another exchange as Relevant Exchange and another currency as Relevant Currency. The Adjustment Agent can arrange (however, is not obliged) the provision of such adjustment to the adjustment that conducts a Futures Exchange, on which at the time of the Adjustment Event options or futures contracts related to the share are traded, to the options or futures contracts related to the share that are traded on the Futures Exchange for reason of the respective Adjustment Event.

(2) "Adjustment Event" is

- (a) a subdivision (stock split), consolidation (reverse stock split) or reclassification of the relevant shares or a distribution of dividends on any such share by way of bonus shares, stock dividends or similar issues;
- (b) an increase of the capital of the company by issuing to its shareholders direct or indirect subscription rights for new shares in consideration for cash ("Capital Increase for Cash"):
- (c) an increase of the capital of the company through capitalization of reserves ("Capital Increase through Capitalisation of Reserves");
- (d) granting of direct or indirect rights to subscribe to bonds or any other securities with option or conversion rights by the company to its shareholders ("Issue of Securities with Option or Conversion Rights");

- (e) distribution of an extraordinary dividend;
- (f) a spin off of a division of the company in such a manner that a new independent company is created or the division is absorbed by another company, whereby the shareholders receive shares for no consideration either in the new company or in the company that absorbed the division;
- (g) a permanent delisting of the Underlying on the Relevant Exchange due to consolidation, amalgamation or merger or for any other reason;
- (h) any other event that may have a diluting, concentrative or other effect on the theoretical value of the Underlying.
- (3) The rules in the above paragraphs shall apply accordingly to certificates representing shares (such as ADR, ADS, GDR) as Underlying.
- (4) Changes to the calculation method for the Reference Price or for other relevant prices for the Underlying pursuant to these Terms and Conditions, including changes to the relevant Trading Days and Trading Hours for the Underlying, entitle the Adjustment Agent to make appropriate adjustments to the Option Right at its reasonable discretion. The Adjustment Agent shall also determine the day on which the adjusted Option Right is to apply for the first time, taking into account the point in time of the change.
- (5) In the event of a permanent delisting of the Underlying on the Relevant Exchange, which, however, is already listed on another exchange or market which the Issuer at its reasonable discretion (§ 315 German Civil Code) holds acceptable (the "New Relevant Exchange"), the Disbursement Amount shall be calculated on basis of the relevant prices for the Underlying calculated and published on the New Relevant Exchange, provided that the Issuer has not terminated the Warrants early in accordance with Section 9. In the event of such replacement, all references in these Terms and Conditions to the Relevant Exchange shall be deemed thereafter as a reference to the New Relevant Exchange.

- (6) In case of initiation of a voluntary or involuntary liquidation, bankruptcy, insolvency, dissolution or winding-up or any analogous proceeding affecting the Company or in case of an action by which all shares or all or essentially all assets of the Company are nationalised or expropriated or required to be transferred to government agencies, authorities or institutions or should the Issuer after occurrence of a similar event reach the conclusion that no financially appropriate Adjustment to the occurred modification is possible by means of an Adjustment, the Issuer shall terminate the Warrants pursuant to Section 9.
- (7) The calculation of the Adjustments will be effected by the Adjustment Agent. The "Adjustment Agent" is an expert which will be named by the Issuer at its reasonable discretion and commissioned with the computation of the Adjustments for the Warrants without delay immediately following the occurrence of an event which necessitates an adjustment. The determinations of the Adjustment Agent referred to in the previous paragraphs will be final and binding, except in the case of obvious errors. The Issuer will announce the Adjustments determined by the Adjustment Agent and the initial date of their application in accordance with Section 11.

Section 5 Market Disruptions

(1) If, in the opinion of the Issuer, a Market Disruption pursuant to paragraph (2) prevails on the Calculation Date, the Calcuation Date shall be postponed to the next subsequent day which meets the criteria for a Calculation Date pursuant to Section 2 (3) and on which a Market Disruption no longer prevails. The Issuer shall endeavour to notify the Warrant Holders immediately, in accordance with Section 11 of the occurance of a Market Disruption. There is, however, no notification obligation. If the Calculation Date has been postponed as a result of this paragraph by 5 consecutive days which meet the criteria for a Calculation Date pursuant to Section 2 (3), and the Market Disruption still prevails on such date, then this date shall be deemed the Calculation Date and the Issuer shall determine the Disbursement Amount at its reasonable discretion (§ 315 German Civil Code), giving due consideration to the market conditions prevailing on such deemed Calculation Date.

(2) "Market Disruption" means

- (i) the suspension or restriction of trading or price fixing in the Underlying on the Reference Market, or
- (ii) the suspension or restriction of trading (including on securities lending markets) in an options or futures contract related to the Underlying on a futures exchange on which options or futures contracts related to the Underlying are traded (the "Futures Exchange"),

provided this suspension or restriction occurs or prevails in the final half hour before the closing price of the Underlying would normally be calculated, and is deemed to be material by the Issuer. A restriction of the Trading Days or Trading Hours is not deemed a Market Disruption if the restriction is based on a change to the trading rules made by the Relevant Exchange which has been announced in advance.

Section 6 Form of Warrants, Collective Deposit, Status, Size Increases, Repurchases

- (1) Each series of the Warrants issued by the Issuer will be represented by a global bearer warrant (hereinafter "Global Bearer Warrant"), which will be deposited with the Central Securities Depositary pursuant to Section 2 (3). No effective warrants will be issued throughout the term. The right to delivery of effective warrants is excluded.
- (2) The Warrants will be transferred as co-owner's interests in the respective Global Bearer Warrant pursuant to the rules of the Central Securities Depositary and, outside the Clearing Territory of the Central Securities Depositary, the Further Securities Depositaries pursuant to Section 2 (3) or in case of Section 13 (6) other foreign Securities Depositaries.
- (3) The Warrants constitute direct, non-collateralised and non-subordinated obligations of the Issuer, which rank pari passu among themselves and with all other present and future non-collateralised and non-subordinated obligations of the Issuer, with the exception of those obligations that have priority due to mandatory statutory provisions.

- (4) The Issuer is entitled at any time, without the consent of the warrant holders, to issue additional Warrants with identical terms and conditions, which shall then be consolidated with the Warrants to form a single issue, thus increasing their number. In such cases, the term "Warrants" also includes such additionally issued Warrants.
- (5) The Issuer is entitled at any time to repurchase Warrants via the exchange or over-the-counter transactions at any price. The Issuer is under no obligation to inform the warrant holders of such repurchases. The repurchased Warrants may be cancelled, held, sold on, or used in another way by the Issuer.

Section 7 Sale Restrictions

(1) The warrants will not be registered under the United States Securities Act of 1933 as amended; the warrants have not been admitted to trading by the United States Commodity Futures Trading Commission ("CFTC") under the United States Commodity Exchange Act. The Warrant Holder hereby agrees to deliver the buyer these sale restrictions and the following explanations upon the sale of the Warrants or to refer the buyer in writing to these sale restrictions.

The following definitions apply: "United States" means the United States of America (including the states thereof, the District of Columbia, and the territories, possessions and other areas under the jurisdiction thereof); "United States Person" means any citizen or resident of the United States of America as well as any corporation or partnership or other company organized or established under the law of the United States of America or any of its territorial authorities as well as any estates and trust funds which are subject to the taxation of the United States of America, irrespective of the source of their income.

Any dissemination of offers or incentives to initiate investment activity in the terms of Paragraph 21 of the FSMA may only be made or instigated in connection with the issue or sale of warrants/certificates or other derivate products in cases in which Paragraph 21 of the FSMA does not apply. Normally, the warrants may only be offered publicly if a sales or stock exchange prospectus in compliance with the provisions of law of the country in which the public offer is made has been approved and published. The publication must normally be made by the person submitting the corresponding offer in the respective jurisdiction. Warrant Holders and/or persons interested in acquisition are therefore obligated to inform themselves of and comply with the provisions of law in this regard.

Section 8 Exercise of the Warrants (Warrants with european exercise type)

(1) The Warrants may only be exercised by the Warrant Holder with effect as of the Expiry Date of the respective Warrant.

If the Disbursement Amount reveals a positive value, the option of the respective Warrant will be considered as exercised on the Expiry Date without any further prerequisite and without the issuance of any express exercise declaration (hereinafter, "Automatic Exercise").

- (2) The Issuer will transfer a positive Disbursement Amount on the Payment Date upon Expiry to the Central Securities Depositary for credit to the Warrant Holders registered with the Central Securities Depositary by close of business on the preceding Banking Day at the registered office of the Central Securities Depositary.
- (3) The Central Securities Depositary has agreed with the Issuer on a corresponding transfer. In the event no transfer is possible within three months after the Payment Date ("Presentation Period"), the Issuer will be entitled to deposit the corresponding amounts at the Local Court of Frankfurt am Main on behalf of the Warrant Holders at their cost and risk, waiving the right to the return thereof. With the deposit, the claims of the Warrant Holders against the Issuer will be extinguished.
- (4) All taxes and other charges incurred in relation to the payment of the Disbursement Amount and the fair market value must be borne by the Warrant Holder.

- (5) If the Expiry Date falls between the day on which the Adjustment Exchange and the Issuer determine a ground for Adjustment pursuant to Section 4 and the day on which the expert communicates the Adjustments to the Issuer (hereinafter, the "Adjustment Period"), the Payment Date will be upon expiry of the first common Banking Day at the place of the Frankfurt Exercise Agent and at the place of the Central Securities Depositary following the day on which the expert has communicated to the Issuer the adjustment strike price, the adjustment Knock-Out Level and the other adjusted terms and conditions for the Expiry Date. The Reference Price of the Underlying decisive on the Expiry Date and the Adjustments made by the expert will be decisive when calculating the Disbursement Amount pursuant to Section 2.
- (6) The Disbursement Amount and/or fair market value will be paid in freely convertible and disposable legal tender of the Federal Republic of Germany and the Issuer will not be obligated to issue any declarations.

Section 9 Early Repayment

"Termination Events" are
- (a) the occurence of circumstances which are out of scope of the Issuer's responsibility due to which the compliance with the Issuer's obligations under the Warrants in whole or in part has become or becomes for whatever reason unlawful or impracticable or will be or has become under a reasonable economic approach unacceptable, or
- (b) changes in the legal situation or regulatory requirements or orders due to which the maintenance of the Issuers's hedging positions becomes unlawful, or

- (d) the occurrence of a circumstance pursuant to the provisions of Section 4 (Adjustments) which is out of scope of the Issuer's responsibility, due to which no financially appropriate adjustments to the occurred changes are possible.
- (2) Each termination notice pursuant to this Section 9 is irrevocable and has to indicate the date of termination. A termination by the Issuer pursuant to paragraph (1) shall come into effect on the date of the publication of the notice pursuant to Section 11 or, as the case may be, on the date specified as such in the publication of the notice.
- (3) In case of a termination in accordance with paragraph (1), the Issuer shall pay to each Warrant Holder a sum with respect to each Warrant held (the "Termination Amount"), which shall be determined by the Issuer at its reasonable discretion (§ 315 German Civil Code) as the fair market price of a Warrant. In such case, the Issuer will for all Warrants affected by the termination transfer the Termination Amount within 5 Banking Days at the registered office of the Issuer and at the place of the Central Securities Depositary following the date on which the termination comes into effect for credit to the Warrant Holders registered with the Central Securities Depositary on the second Banking Day in Frankfurt am Main following the date on which the termination comes into effect (hereinafter referred to as "Payment Date upon Early Repayment").

The Central Securities Depositary has agreed with the Issuer on a corresponding transfer.

In the event no transfer is possible within three months after the Payment Date upon Early Repayment ("Presentation Period"), the Issuer will be entitled to deposit the corresponding amounts at the Local Court of Frankfurt am Main on behalf of the Warrant Holders at their cost and risk, waiving the right to the return thereof. (1) In case that the Observation Price of the Underlying (Section 3 (2)), expressed in the Reference Currency, during the Observation Period (Section 2 (3)) within the Observation Hours (Section 3 (2)) at any time (hereinafter the "Knock-Out Date") corresponds to or falls below the Knock-Out Level (Section 2b (2)) of the Warrant specified in Table 1 (Bull) or corresponds to or exceeds the Knock-Out Level (Bear) (the "Knock-Out Event"), the term of the Warrants will end early with the Knock Out Date.

The Issuer will announce the achievement or shortfall (Bull) or achievement or excess (Bear) of the Knock-Out Level without delay pursuant to Section 11.

Applicable for Share Indexes as Underlying:

Section 3 Underlying

- (1) The "Underlying" is the Index specified as Underlying in Table 2.
- (2) The "Reference Price" of the Underlying is the Reference Price of the Underlying specified in Table 2 as calculated and published on Trading Days by the Relevant Index Calculator specified in Table 2 (the "Relevant Index Calculator"). The "Observation Price" of the Underlying corresponds to the prices (excluding prices calculated on the basis of the midday auction or any other intraday auction) for the Underlying continuously calculated and published by the Relevant Index Calculator on Trading Days. "Observation Hours" corresponds to the Trading Hours. "Trading Days" are days on which the Index is usually calculated and published by the Relevant Index Calculator. "Trading Hours" are hours on Trading Days during which the Index is usually calculated and published by the Index Calculator.

Section 4 Adjustments

- (1) The Strike Price, the Knock-Out Level and the Subscription Ratio and the other terms of the Warrants decisive for calculating the Disbursement Amount are subject to adjustment pursuant to following provisions (hereinafter "Adjustments").
- (2) Future updates in the calculation of the Underlying by the Relevant Index Calculator, particularly changes in the composition and weighting of the shares considered in the Underlying, price adjustments based on market-contingent price changes (e.g. as a consequence of capital actions or dividend payments) and other system-related adjustments will not lead, unless the prerequisites in the following paragraphs have been met, to any change in the Strike Price, the Knock-Out Level, the Subscription Ratio or other terms of the Warrants decisive for the calculation of the Disbursement Amount.
- (3) An adjustment will only be conducted in the event the computation of the Underlying by the Relevant Index Calculator on the Calculation Date no longer corresponds to the computation on the Date of Initial Offer due to a change in the method of computation. This will be the case particularly in the event a recalculation of the Underlying in accordance with the new method of computation for the Date of Initial Offer would result in a value deviating from the actual value determined on such date, although the recalculation was based on the share prices determined on the Date of Initial Offer and the shares were weighted as on the Date of Initial Offer.
- (4) If the Index is cancelled at any time by the Relevant Index Calculator or in the event that the Adjustment Agent reaches the conclusion that no financially appropriate Adjustment to the occurred modification is possible by means of an Adjustment, the Issuer will terminate the Warrants pursuant to Section 9.

- (5) If the Index is replaced by another index, the Issuer will either terminate the Warrants pursuant to Section 9 or determine such other index as underlying on which the Option Right is to be based in the future (the "Successor Index") and its initial date of application. Furthermore, from that point, all references in these Terms and Conditions to the Index, to the extent permitted by the context, shall be deemed to be references to the Successor Index.
- (6) Changes to the calculation method for the Reference Price or for other relevant prices for the Underlying pursuant to these Terms and Conditions, including changes to the relevant Trading Days and Trading Hours for the Underlying, entitle the Adjustment Agent to make appropriate adjustments to the Option Right at its reasonable discretion. The Adjustment Agent shall also determine the day on which the adjusted Option Right is to apply for the first time, taking into account the point in time of the change.
- (7) If the Reference Price or any other price relevant pursuant to these Terms and Conditions for the Underlying is no longer calculated and published by the Relevant Index Calculator but by another person, company or institution which the Issuer, at its reasonable discretion (§ 315 German Civil Code), deems appropriate (the "New Relevant Index Calculator"), the Disbursement Amount shall be calculated on the basis of the prices for the Underlying as calculated and published by the New Relevant Index Calculator, if the Issuer has not terminated the Warrants pursuant to Section 9. Furthermore, from that point, all references in these Terms and Conditions to the Relevant Index Calculator, to the extent permitted by the context, shall be deemed to be references to the New Relevant Index Calculator.
- (8) The calculation of the Adjustments will be effected by the Adjustment Agent. The "Adjustment Agent" is an expert which will be named by the Issuer at its reasonable discretion and commissioned with the computation of the Adjustments for the Warrants without delay immediately following the occurrence of an event which necessitates an adjustment. The Adjustments will be computed by the Adjustment Agent in such a manner that the financial position of the Warrant Holder remains essentially unchanged, as feasible, despite the Adjustments pursuant to the previous paragraphs. The determinations of the Adjustment Agent referred to in the previous paragraphs will be final and binding, except in the case of obvious errors. The Issuer will announce the Adjustments determined by the Adjustment Agent and the initial date of their application in accordance with Section 11.

Section 5 Market Disruptions

(1) If, in the opinion of the Issuer, a Market Disruption pursuant to paragraph (2) prevails on the Calculation Date, the Calculation Date shall be postponed to the next subsequent day which meets the criteria for a Calculation Date pursuant to Section 2 (3) and on which a Market Disruption no longer prevails. The Issuer shall endeavour to notify the Warrant Holders immediately, in accordance with Section 11, of the occurrence of a Market Disruption. There is, however, no notification obligation. If the Calculation Date has been postponed as a result of this paragraph by 5 consecutive days which meet the criteria for a Calculation Date pursuant to Section 2 (3), and the Market Disruption still prevails on such date, then this date shall be deemed the Calculation Date and the Issuer shall determine the Disbursement Amount at its reasonable discretion (§ 315 German Civil Code), giving due consideration to the market conditions prevailing on such deemed Calculation Date.

(2) "Market Disruption" means

- (i) the suspension or restriction of trading on the exchanges or markets on which the components of the index are listed or traded, in general, or
- (ii) the suspension or restriction of trading (including on securities lending markets) in the individual components of the index on the exchanges or markets on which such components are listed or traded or in a options or futures contract related to the index on a futures exchange on which the options or futures contracts related to the index are traded (the "Futures Exchange"); or
- (iii) the suspension or non-calculation of the index based on a decision by the Relevant Index Calculator.

Market Disruptions will not include any restrictions of Trading Days or Trading Hours if these are based on notified changes of the index calculation rules by the Relevant Index Calculator.

Section 6 Form of Warrants, Collective Deposit, Status, Size Increases, Repurchases

- (1) Each series of the Warrants issued by the Issuer will be represented by a global bearer warrant (hereinafter "Global Bearer Warrant"), which will be deposited with the Central Securities Depositary pursuant to Section 2 (3). No effective warrants will be issued throughout the term. The right to delivery of effective warrants is excluded.
- (2) The Warrants will be transferred as co-owner's interests in the respective Global Bearer Warrant pursuant to the rules of the Central Securities Depositary and, outside the Clearing Territory of the Central Securities Depositary, the Further Securities Depositaries pursuant to Section 2 (3) or in case of Section 13 (6) other foreign Securities Depositaries.
- (3) The Warrants constitute direct, non-collateralised and non-subordinated obligations of the Issuer, which rank pari passu among themselves and with all other present and future non-collateralised and non-subordinated obligations of the Issuer, with the exception of those obligations that have priority due to mandatory statutory provisions.
- (4) The Issuer is entitled at any time, without the consent of the warrant holders, to issue additional Warrants with identical terms and conditions, which shall then be consolidated with the Warrants to form a single issue, thus increasing their number. In such cases, the term "Warrants" also includes such additionally issued Warrants.
- (5) The Issuer is entitled at any time to repurchase Warrants via the exchange or over-the-counter transactions at any price. The Issuer is under no obligation to inform the warrant holders of such repurchases. The repurchased Warrants may be cancelled, held, sold on, or used in another way by the Issuer.

Section 7 Sale Restrictions

(1) The warrants will not be registered under the United States Securities Act of 1933 as amended; the warrants have not been admitted to trading by the United States Commodity Futures Trading Commission ("CFTC") under the United States Commodity Exchange Act. The Warrants may not be offered, sold or delivered at any time directly or indirectly in the United States of America, its territories or possessions or to or through U.S. Persons. When exercising the Warrants, the Warrant Holders will be obligated to assure that the Warrants will not be held either directly or indirectly on behalf of a U.S. Person.

The Issuer is not registered with the CFTC as a commission merchant. By purchasing and accepting the Warrants, the Warrant Holder represents that he or she is not a United States Person as defined below and that he or she will sell the Warrants in advance should he or she fall under the definition of a United States Person in the future; the Warrant Holder hereby further represents that he or she has not offered, sold or traded the Warrants directly or indirectly in the United States at any time and will likewise not do so in the future; the Warrant Holder hereby also represents that: (a) he or she has not offered, sold or traded the Warrants to a United States Person directly or indirectly at any time or negotiated with such a person and will likewise not do so in the future (whether on his or her own behalf or on behalf of a third party); and (b) he or she has not purchased the Warrants for the account of any United States Person. The Warrant Holder hereby agrees to deliver the buyer these sale restrictions and the following explanations upon the sale of the Warrants or to refer the buyer in writing to these sale restrictions.

The following definitions apply: "United States" means the United States of America (including the states thereof, the District of Columbia, and the territories, possessions and other areas under the jurisdiction thereof); "United States Person" means any citizen or resident of the United States of America as well as any corporation or partnership or other company organized or established under the law of the United States of America or any of its territorial authorities as well as any estates and trust funds which are subject to the taxation of the United States of America, irrespective of the source of their income.

- (2) With respect to any activity in connection with Citi warrants/certificates or other derivate products in the United Kingdom, all applicable provisions of the Financial Services and Markets Act 2000 (hereinafter "FSMA") must be observed. Any dissemination of offers or incentives to initiate investment activity in the terms of Paragraph 21 of the FSMA may only be made or instigated in connection with the issue or sale of warrants/certificates or other derivate products in cases in which Paragraph 21 of the FSMA does not apply. In relation to any secuities which have a maturity of less than one year, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any Securities other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the securities would otherwise constitute a contravention of Section 19 of the Financial Services and Markets Act 2000 ("FSMA") by the Issuer;
- (3) In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "Relevant Member State"), with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "Relevant Implementation Date") it has not been and will not be an offer of Warrants to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Warrants to the public in that Relevant Member State:
- (a) in the period following the date of publication of this prospectus related to such Warrants which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, in accordance with the Prospectus Directive, ending with the date that lies 12 months after the after the date of publication;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;

- (c) at any time to any legal entity which meets two or more of the following criteria: (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts:
- (d) at any time to fewer than 100 natural or legal persons per Relevant Member State (other than qualified investors as defined in Article 2 of the Prospectus Directive); or
- (e) at any time in any other circumstances, which do not require the Issuer to publish a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an "offer of securities to the public" in relation to any securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the securities to be offered so as to enable an investor to decide to purchase or subscribe the securities, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression Prospectus Directive means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

(4) With respect to any activity in connection with the warrants, particularly the acquisition or sale thereof, and/or the exercise of options from the warrants, the provisions of law applicable in the respective country must be observed by the Warrant Holders and any other market participants involved. Normally, the warrants may only be offered publicly if a sales or stock exchange prospectus in compliance with the provisions of law of the country in which the public offer is made has been approved and published. The publication must normally be made by the person submitting the corresponding offer in the respective jurisdiction. Warrant Holders and/or persons interested in acquisition are therefore obligated to inform themselves of and comply with the provisions of law in this regard.

Section 8 Exercise of the Warrants (Warrants with European exercise type)

(1) The Warrants may only be exercised by the Warrant Holder with effect as of the Expiry Date of the respective Warrant.

If the Disbursement Amount reveals a positive value, the option of the respective Warrant will be considered as exercised on the Expiry Date without any further prerequisite and without the issuance of any express exercise declaration (hereinafter, "Automatic Exercise").

- (2) The Issuer will transfer a positive Disbursement Amount on the Payment Date upon Expiry to the Central Securities Depositary for credit to the Warrant Holders registered with the Central Securities Depositary by close of business on the preceding Banking Day at the registered office of the Central Securities Depositary.
- (3) The Central Securities Depositary has agreed with the Issuer on a corresponding transfer. In the event no transfer is possible within three months after the Payment Date ("Presentation Period"), the Issuer will be entitled to deposit the corresponding amounts at the Local Court of Frankfurt am Main on behalf of the Warrant Holders at their cost and risk, waiving the right to the return thereof. With the deposit, the claims of the Warrant Holders against the Issuer will be extinguished.

The Reference Price of the Underlying decisive on the Expiry Date and the Adjustments made by the expert will be decisive when calculating the Disbursement Amount pursuant to Section 2.

(6) The Disbursement Amount and/or fair market value will be paid in freely convertible and disposable legal tender of the Federal Republic of Germany and the Issuer will not be obligated to issue any declarations.

Section 9 Early Repayment

- (1) In case of occurrence of one of the below described events, the Issuer is entitled to terminate and call all Warrants of a series for early repayment by way of an announcement in accordance with Section 11 indicating the respective Termination Amount defined in paragraph (3). "Termination Events" are
- (a) the occurence of circumstances which are out of scope of the Issuer's responsibility due to which the compliance with the Issuer's obligations under the Warrants in whole or in part has become or becomes for whatever reason unlawful or impracticable or will be or has become under a reasonable economic approach unacceptable, or
- (b) changes in the legal situation or regulatory requirements or orders due to which the maintenance of the Issuers's hedging positions becomes unlawful, or

- (d) the occurrence of a circumstance pursuant to the provisions of Section 4 (Adjustments) which is out of scope of the Issuer's responsibility, due to which no financially appropriate adjustments to the occurred changes are possible.
- (2) Each termination notice pursuant to this Section 9 is irrevocable and has to indicate the date of termination. A termination by the Issuer pursuant to paragraph (1) shall come into effect on the date of the publication of the notice pursuant to Section 11 or, as the case may be, on the date specified as such in the publication of the notice.
- (3) In case of a termination in accordance with paragraph (1), the Issuer shall pay to each Warrant Holder a sum with respect to each Warrant held (the "Termination Amount"), which shall be determined by the Issuer at its reasonable discretion (§ 315 German Civil Code) as the fair market price of a Warrant. In such case, the Issuer will for all Warrants affected by the termination transfer the Termination Amount within 5 Banking Days at the registered office of the Issuer and at the place of the Central Securities Depositary following the date on which the termination comes into effect for credit to the Warrant Holders registered with the Central Securities Depositary on the second Banking Day in Frankfurt am Main following the date on which the termination comes into effect (hereinafter referred to as "Payment Date upon Early Repayment").

The Central Securities Depositary has agreed with the Issuer on a corresponding transfer.

In the event no transfer is possible within three months after the Payment Date upon Early Repayment ("Presentation Period"), the Issuer will be entitled to deposit the corresponding amounts at the Local Court of Frankfurt am Main on behalf of the Warrant Holders at their cost and risk, waiving the right to the return thereof. With the deposit, the claims of the Warrant Holders against the Issuer will be extinguished.

- (2) In the event Citigroup Global Markets Deutschland AG or the respective exercise agent is not actually or legally in the position to fulfill its liabilities from the Warrants in a legally admissible fashion in Frankfurt am Main or at the place of the respective exercise agent, the due date of such liabilities will be postponed until the date on which it is actually or legally feasible for Citigroup Global Markets Deutschland AG or the respective exercise agent to fulfill its liabilities in Frankfurt am Main or the place of the exercise agent. The Warrant Holders will not be entitled based on any such postponement to any rights against the assets of Citigroup Global Markets Deutschland AG or the exercise agent which are located in Frankfurt am Main or elsewhere.
- (3) The Issuer will announce the occurrence and elimination of any event described in Section 10 (2) without delay pursuant to Section 11 hereof.

Section 11 Notices

Publication in one of these periodicals will be sufficient for legal validity. The Issuer is entitled to publish notices on its website in lieu of in the aforementioned periodicals. The Issuer will notify any such change of the publication medium in one of the aforementioned newspapers.

Section 12 Substitution of the Issuer

- (1) The Issuer is entitled at any time to substitute, without the consent of the warrant holders, any other company as Issuer (the "New Issuer") with respect to all obligations under or in connection with the Warrants; provided that:
- (a) The New Issuer assumes all obligations of the Issuer under or in connection with the Warrants (the "Assumption"),

- (b) the Assumption has no adverse credit-related, financial, legal or tax consequences for the Warrant Holders, and that this is confirmed by a trustee specifically appointed for this case by the Issuer at its own expense, which is a bank or auditing firm of international standing (the "Trustee"),
- (c) the Issuer or another company approved by the Trustee guarantees all the New Issuer's obligations under the Warrants for the benefit of the Warrant Holders, and
- (d) the New Issuer has obtained all necessary authorisations from the competent authorities, so that the New Issuer can meet all obligations under or in connection with the Warrants.
- (2) In the event of such a substitution of the Issuer, any reference to the Issuer in these Terms and Conditions shall be deemed to be references to the New Issuer.
- (3) Substitution of the Issuer shall be announced in accordance with Section 11. Provided that the conditions set out above have been fulfilled, the New Issuer replaces the Issuer in all respects and the Issuer is released from all obligations towards the Warrant Holders under or in connection with the Warrants arising from its function as Issuer.

Section 13 Miscellaneous Provisions

- (1) The form and content of the Warrants as well as all rights and obligations arising out of these Terms and Conditions shall be governed in all respects by the laws of the Federal Republic of Germany.
- (2) The place of jurisdiction for all legal disputes or other proceedings arising from or in connection with the Warrants is Frankfurt am Main.

Any changes or additions to these Terms and Conditions shall be notified immediately in accordance with Section 11.
- (5) Should any provision of these Terms and Conditions be or become ineffective in whole or in part, the other provisions shall remain in force. The Issuer will moreover be entitled: to allow the Warrant Holder to exercise the warrants vis-à-vis a foreign exercise agent; to disburse the Disbursement Amount in another currency; and to request that the warrants be listed in another currency.

Below, the placeholders ("#") or general references to information to be provided by the final terms supplementing the Base Prospectus are detailed in writing. The complete information following below is a supplement of Final Terms to the Base Prospectus.

Currency of the securities issue

(placeholder from 4.1.5 of securities description):

Euro.

Resolution constituting the basis of the new issue

(placeholder from 4.1.8 of description of securities):

Following appropriate decisions and approvals of competent persons of the issuer dated 21.02.2011.

Offering Method, underwriters and issue date of the securities

(placeholder from 4.1.9 of description of securities):

Region of Offering:

All Warrants referred to in this Final Terms document are being offered in France only.

Offering method:

The Warrants are offered by the issuer continuously over the counter (in jurisdictions where permitted by applicable law) and on Eurolist, from Euronext Paris S.A. on a best efforts basis from the initial date of offering to the Delisting Date. In addition, the offering prices quoted by the Issuer will be continuously adjusted to changing market conditions.

A buying order may be carried out through your depositary bank, either directly with the Issuer over the counter (in jurisdictions where permitted by applicable law) or through one of the stock exchanges on which the Warrants are listed for trading. Using its best efforts, the Issuer will endeavour to secure admission to stock exchange trading on the stock exchanges specified below in as short a time as possible.

No underwriters:

There are no limited subscription periods and no underwriter or group of underwriters but the Warrants are offered for sale until the Delisting Date, provided the issue will not be sold out. In case an issue will be sold out you may try to find a matching counterparty on the stock exchange willing to sell his position.

As offer prices are continuously being determined, you should gain information on the current price via the Issuer's price information media, before placing the order. In the case of an unlimited order, this current price will provide you with an indication of the price at which your order will eventually be executed. Depending on the period required to process your order, the price between placing the order and its execution may rise or fall. For this reason, when placing a limited order on the stock exchange, consider the maximum amount you are willing to pay for a particular Warrant.

Entity making the offering:

The Entity making the Offering is the Issuer.

Issue date:

The issue date is 22.02.2011

The initial date of offer is 24.02.2011.

The first settlement date (value date) (defined as the date when the Global Bearer Warrants are registered with the Central Securities Depositary) is 24.02.2011.

The terms and conditions (not the Warrant Terms and Conditions) which govern the offer

(placeholder from 5.1.1 of description of securities):

The issuer is offering the Warrants free of charge on a continuous and best efforts basis until the relevant expiry or Knock-Out Date or until the relevant security is sold out. The offering is not subject to any subscription period, any underwriting or the sale of any minimum volume during a subscription or underwriting period. However, the issuer reserves the right to allocate (service) an order for the purchase of Warrants in whole or in part. In case the purchase of Warrants is executed on a stock exchange where the issuer has assumed a market making commitment, the issuer may be obliged towards the relevant stock exchange to, subject to certain conditions, quote bid and offer prices subject to a maximum spread between bid and offer for certain minimum volume or minimum values of ticket sizes. For details of such market making commitments see also item "Institutions which have committed to market making; Description of the market making obligation (placeholder for 6.3 of the description of securities)".

The total amount of the offer

(placeholder from 5.1.2 of description of securities):

The Warrants are being offered up to a maximum volume which is stated in Section 1, No. 2 of the relevant Terms and Conditions. Investors may purchase any volume up to the entire issue size at any time until the Delisting Date provided the issue has not been sold out in the meantime. The issuer reserves the right to execute an order given by an investor for the purchase of Warrants in whole or in part. The issuer also reserves the right to increase an issue at any time.

Details concerning the minimum and/or maximum amount of subscription

(placeholder from 5.1.4 of description of securities):

With the exception of the total volume of each individual security, each individual Warrant is offered without a maximum volume or a maximum value of an order. The minimum order volume constitutes one Warrant respectively. Basically, any volume of Warrants in one class may be ordered, serviced and settled.

The method and time table for payment and delivery of the securities

(placeholder for 5.1.5 of the description of securities):

The Issuer reserves the right partly or fully to service the volume of a securities category ordered directly from him over the counter (off-exchange, in jurisdictions where permitted by applicable law).

Orders placed by investors on the stock exchanges specified in this document have to be serviced by the Issuer only up to the minimum volume that is required to meet the market making obligation which the Issuer has committed towards certain stock exchanges. For details see also item "Institutions that have undertaken a market-making obligation; Description of the market making obligation (placeholder for 6.3 of the description of securities)" below.

Delivery shall take place in France, normally within a time period of three Banking Days with delivery against payment, however for the very first time on the first relevant value date of the offering made in the relevant security.

The common first value date of the offered Warrant categories is: 24.02.2011.

Method and date on which the offer results are made public

(placeholder for 5.1.6 of the description of securities):

As the securities are not underwritten by any single or group of entities but offered by the issuer on an ongoing, continuous manner on a best efforts basis until each security expires or becomes knocked-out, the Issuer does not disclose the volume of each individual security outstanding at any point in time.

Current information on the bid and offer prices quoted by the Issuer at any point in time are available and referred to under item "Price Fixing Methods, Procedure for Price Disclosure, Costs and Taxes upon Purchase (placeholder for 5.1.2 and 5.3 of the description of securities)" below.

Potential Investor Groups, Offerings in two or more countries, Reservation of Tranches for specific countries

(placeholder for 5.2.1 of the description of securities):

The securities are available to all investor groups for purchase.

The Warrants referred to in this Final Terms document are being exclusively offered in France.

Notification of Allocation to Subscribers and whether trading may commence prior to such notification

(placeholder for 5.2.2 of the description of securities):

As the Warrants are offered on an on-going basis, the Issuer shall decide if he wishes to service the total volume ordered for each individual over the counter buy order (in jurisdictions where permitted by applicable law). The Issuer is entitled to a partial or a complete servicing of the over the counter buy order (in jurisdictions where permitted by applicable law). The person giving the buy order will learn from the execution of the settlement which volume of his buy order is actually being serviced.

Over the counter trading of Warrants (in jurisdictions where permitted by applicable law) begins on the day of the initial offering. Due to the on-going, continuous fixing of prices, over the counter trading of Warrants (in jurisdictions where permitted by applicable law) by the Issuer will have already commenced at the time your order will be given.

The Issuer shall endeavour to apply for admission of the Warrants to trading on the stock exchanges detailed below as early as possible. Trading on the stock exchange(s) will possibly commence on the day of the initial offering at the earliest, possibly a few days after the start of the offering.

Criteria or Conditions for establishing the offering price and the issue volume (placeholder for 5.5 of the description of securities):

Criteria and conditions for fixing the offer price:

In France, the Warrants shall be offered from the first day of the offering in the form of an on-going, continuous offering free of charge on a best efforts basis by the issuer until the Expiry Date or the Knock-Out Date, whichever comes first. In this way, the offer prices shall be adapted by the Issuer in an on-going manner to suit changing market conditions, i.e. at any time. For price fixing methods, see also item "5.3 Method of Pricing, Process for Price Disclosure, Costs and Taxes charged to Purchasers and Subscribers" in the securities description of the Base Prospectus (placeholder for 5.3 of the description of securities) in this Final Terms document below. Warrants can be purchased at current market rates directly from the Issuer (in jurisdictions where permitted by applicable law) using other banks or brokers. Another option is to make a buy order via one of the stock exchanges on which the securities are listed (if already available).

Issue Volume:

The Warrants shall be offered in the total volume stated in Table 1 of the individual terms of the relevant Terms and Conditions which are printed in this Final Terms Document. The minimum order volume is one Warrant. In principle, there is no maximum upper limit for a buy order, with the exception of the total issue size; the Issuer reserves the right, as part of his market making, to service a lower volume than that ordered of over the counter buy orders (in jurisdictions where permitted by applicable law). For buy orders over the stock exchange, the Issuer is entitled to the indirect/direct servicing of at least a "minimum volume" or, on a voluntary basis, any greater volume; see also "Description of the Market-Making Obligation" below.

Method of pricing, process of price disclosure, costs and taxes charged to purchasers and subscribers

(placeholder for 5.3 of the description of securities):

Price fixing methods:

In principle, price fixing is carried out by the Issuer according to supply and demand. In this context, the Issuer shall refer to the groundbreaking Black-Scholes model developed for share options in 1973, the basics of which are described in the Base Prospectus relating to this Final Terms document in the "E. Description of the Securities" section under "2. Risk Factors (Reference to "D")" and "4.1.2 Factors Influencing the value of the warrants ".

Initial offer prices and the respective underlying reference prices:

The warrants are offered for sale on a best efforts basis by the issuer beginning on 24.02.2011. Based on the assumption that the following reference prices of the underlying and Reference Exchange Rates, if applicable, are the relevant market prices at the date of the initial offer, the initial offer price on the very first day of the offering is as follows:

Procedure for Price Disclosure:

The buying and selling prices quoted by the Issuer on an on-going basis shall be disclosed using the following price dissemination media in France with a few minutes delay only:

Telephone service 0800 511 511 (Toll free number) Internet: www.citifirst.com

Costs and Taxes upon Purchase:

No costs or taxes shall be added or deducted respectively by the Issuer when an investor does purchase Warrants either over the counter (in jurisdictions where permitted by applicable law) or on the stock exchange. A distinction is to be made here between fees and costs which the Warrant purchaser is charged by his bank for carrying out the securities order, and which are usually explicitly shown as an item separate from the purchase price in the relevant account statement of the investor. The latter costs depend exclusively on the individual conditions of the Warrant purchaser's bank. There are additional fees and expenses for a purchase over a stock exchange. Furthermore, the Warrant Bearer is normally charged individual deposit fees by their bank for holding the particular Warrants in a securities account. Profits (both from sale and exercising) from Warrants may be subject to taxation of profits and assets from Warrants may be subject to taxation of assets.

The Warrants can be ordered by interested investors at any time through any bank where the investor is maintaining his securities account in France or any bank resident abroad in compliance with the applicable legal regulations and the Terms and Conditions.

The disbursement amount in case of regular expiries will be transferred by the issuer to the relevant Central Securities Depositary for credit to the Warrant holders registered with the central securities depositary. Details are specified in the relevant Terms and Conditions printed in this Final Terms document.

The Global Bearer Certificates shall be deposited by the Issuer with Euroclear France, 115 rue Réaumur, 75081 PARIS CEDEX 2, France.

Institutions, which have agreed to underwrite the issue on a firm commitment basis, and institutions, which have agreed to place the issue without a firm commitment but using their "best efforts", or a statement as to whether the issue will even be underwritten (placeholder for 5.4.3 of the description of securities):

The Warrants are not being underwritten by third parties, nor shall they be placed by a certain group on a best efforts basis. Rather, buy orders shall be received by any bank as with any other over the counter (in jurisdictions where permitted by applicable law) or transaction on a stock exchange. Fees for such buy orders shall not be paid by the Issuer to the customer's depositary bank.

Institutions which have committed to market making; Description of the market making obligation

(placeholder for 6.3 of the description of securities):

The issuer, Citigroup Global Markets Deutschland AG, Frankfurter Welle, Reuterweg 16, 60323 Frankfurt am Main, has undertaken a voluntary obligation vis-a-vis the stock exchanges mentioned above, to quote buying and selling prices for specific minimum volume of securities and minimum price values for ticket sizes under reasonable market conditions. However, this type of obligation only applies to the participating stock exchanges. Third parties such as the Warrant Holders cannot derive any obligation on the part of the Issuer to them.
