"**Hedging Disruption**" means that the Issuer is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge price risks or other risks of issuing and performing its obligations with respect to the Warrants, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

§ 3 (Exercise Right, Differential Amount)

- (1) The Warrant Holder shall be entitled to payment of the Differential Amount by the Issuer according to these Terms and Conditions (the "**Exercise Right**").
- (2) The "**Differential Amount**" per Warrant shall equal
 - (a) in the case of call Warrants, the difference expressed in the Specified Currency of the Reference Price on the Valuation Date exceeding the Base Price multiplied with the respective Multiplier; or
 - (b) in the case of put Warrants, the difference expressed in the Specified Currency of the Reference Price on the Valuation Date falling below the Base Price multiplied with the respective Multiplier.

- (3) The provisions to determine the Differential Amount are possibly subject to Adjustments and Market Disruptions pursuant to § 6 and § 7.

§ 4 (Maturity, Exercise)

- (1) "**Maturity Date**" means the date specified in the table of Appendix 1. The Warrant Holder's Exercise Right can be exercised within the period from the Issue Date to and including the Maturity Date, 10:00 a.m. (Milan time) (the "**Exercise Period**") (*American Style Warrants*). Unless already duly exercised by the Warrant Holder, the Warrants are considered to be exercised on the last Banking Day of the Exercise Period, if the Differential Amount on the respective Valuation Date is positive. The day of the exercise of the Exercise Right is the "**Exercise Date**". On termination of the Exercise Period, the Exercise Rights expire.
- (2) At least 1,000 Warrants of one Series (the "**Unit**") or a multiple thereof are required to make effective use of the Exercise Right. Otherwise, such number of Warrants shall be rounded down to the preceding multiple of 1,000 and the Exercise Notice shall not be valid in respect of the Warrants exceeding such rounded number of Warrants. Exercise of less than 1,000 Warrants is not valid and does not cause effect.
- (3) The Exercise Right is exercised by the Warrant Holder by delivering a duly completed exercise notice (the "**Exercise Notice**"), using the form of notice, which is set out in the respective form of Exercise Notice (Appendix 2), by facsimile to the number set out prior to 10:00 a.m. (Milan time).
- (4) The Warrants specified in the Exercise Notice are only considered as validly exercised, if, prior to 5:00 p.m. (Milan time) on this date, they are transferred to the Issuer's account with the French Paying Agent. For this purpose, the Warrant Holder is obliged to instruct its depository bank, which is responsible for forwarding the specified Warrants.

In the event that a Warrant Holder does not perform its obligations and so delivers an Exercise Notice not duly completed or not in accordance with the above provisions or if the Warrants specified in the Exercise Notice are transferred to the Issuer's account after 5:00 p.m. (Milan time) on the fifth Banking Day after forwarding the Exercise Notice, the Exercise Notice shall not be valid.

Warrants for which no valid Exercise Notice exists or for which the Exercise Notice is deemed to be not validly given, will be re-transferred by the Issuer to the Warrant Holders account without undue delay.

As far as the Exercise Notice is corrected supplementary to the Issuer's content, the Exercise Notice will be classified as new Exercise Notice, which are considered as received by the Issuer at the point in time, on which the corrected Exercise Notice is delivered to the Issuer.

Subject to the above provisions, the delivery of the Exercise Notice shall be an irrevocable declaration of intent of the respective Warrant Holder to exercise the respective Warrants.

The Issuer will, in its reasonable discretion pursuant to § 315 of the German Civil Code (BGB), determine whether the above conditions are satisfied and its determination will be final, conclusive and binding on the Warrant Holders.

When calculating the Differential Amount, no fees, commissions or other costs charged by the Issuer or a third party authorised by the Issuer, will be taken into account.

The Issuer shall not apply any charge for the Exercise of the Warrants. Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties which may arise in connection with the automatic Exercise of the Warrants are in charge of the Warrant Holder.

§ 5 (Termination of the Exercise Rights)

In the event that during the tenor of the Warrants, the Issuer is prevented from performing its obligations in relation to the Warrants due to laws, regulations, regulatory measures or any other reason, the Issuer is entitled to declare all Exercise Rights which are valid at that point in time, in whole but not in part, terminated by giving notice pursuant to § 13, even if

the exercise of individual Exercise Rights is already effective, but the Differential Amount has not yet been credited to the respective Warrant Holder/s. There will be no further compensation than the reimbursement of the amount expended for the purchase of the Warrants.

§ 6 (Adjustments, Issuer's Irregular Call Right)

- (1) The Calculation Agent shall be authorised, in its reasonable discretion pursuant to § 317 BGB, to adjust the method for the determination of the Differential Amount upon the occurrence of any of the following events:
 - (a) the company that has issued the Underlying or a third party takes a measure, which would – based on a change in the legal and economic situation, in particular a change in the Company's assets and capital – in the reasonable discretion of the Calculation Agent pursuant to § 317 BGB, affect the Underlying (e.g. capital increase against cash contribution, issuance of securities with options or conversion rights into shares, capital increase with company funds, distribution of special dividends, share splits, merger, liquidation, nationalization), or
 - (b) the Determining Futures Exchange performs an early termination of the respective outstanding Derivatives linked to the Underlying, or
 - (c) the Determining Futures Exchange performs an adjustment to the respective outstanding Derivatives linked to the Underlying.

When determining the necessity of an adjustment, the Calculation Agent will take into account the adjustment of the respective derivatives linked to the Underlying actually performed by the Determining Futures Exchange. The Calculation Agent will use reasonable endeavours as to ensure that the economic position of the Warrant Holders remains unchanged to the largest extent possible. Any adjustment will be made by the Calculation Agent taking into account the time to maturity of the Warrants (if applicable) and the latest available price for the Underlying. If the Calculation Agent determines that, pursuant to the rules of the Determining Futures Exchange, no adjustments are made to the Derivatives linked to the Underlying, the terms of the Warrants will regularly remain unchanged. The adjusted method to determine the Differential Amount and the time of its initial application shall be published in accordance with § 13.

- (2) If a Reference Price determined and published by the Relevant Exchange and which is used by the Calculation Agent as the basis for the calculation of the Differential Amount (the "**Original Determination**") is subsequently corrected and the correction (the "**Corrected Value**") is published by the Relevant Exchange after the original publication, but still within one Settlement Cycle, then the Calculation Agent will notify the Issuer of the Corrected Value as soon as reasonably practicable and shall again determine the relevant value (the "**Replacement Determination**") by using the Corrected Value. If the result of the Replacement Determination is different from the result of the Original Determination, the Calculation Agent may, to the extent that it determines to be necessary and practicable, adjust the method to determine the Differential Amount accordingly in its reasonable discretion pursuant to § 317 BGB. When determining the necessity of an adjustment, the Calculation Agent will take into account the adjustment of the Derivatives linked to the Underlying actually performed by the Determining Futures Exchange. The Calculation Agent will use reasonable endeavours as to ensure that the economic position of the Warrant Holders remains unchanged to the largest extent possible. Any adjustment will be made by the Calculation Agent taking into account the time to maturity of the Warrants (if applicable) and the Corrected Value. The adjusted method to determine the Differential Amount and the time of its initial application shall be published in accordance with § 13.
- (3) Should
 - (a) the quotation of the Underlying at the Relevant Exchange, or as the case may be, Determining Futures Exchange be finally discontinued and no Substitute Relevant Exchange or Substitute Futures Exchange could be determined, or
 - (b) the Calculation Agent come to the conclusion that no reasonable adjustment is possible to account for the relevant measure of the company that has issued the Underlying or the relevant third party, or
 - (c) a Change in Law and/or a Hedging Disruption and/or Increased Cost of Hedging (all as defined in § 2) occur,

the Issuer is entitled to terminate the Warrants early by giving notice pursuant to § 13. Such termination shall become effective at the time of the announcement pursuant to § 13 or, as the case may be, at the time indicated in the announcement. In that case, the Calculation Agent shall within ten Banking Days before the termination determine and

publish the reasonable market value of the Warrants (the "**Cancellation Amount**"). The Cancellation Amount will be paid within ten Banking Days after determination to the Clearing System or to its order with the instruction for immediate forwarding to the Warrant Holders.

- (4) The adjustments and determinations of the Issuer or the Calculation Agent pursuant to the paragraphs above shall be effected by the Issuer at its reasonable discretion (*billigem Ermessen*) pursuant to § 315 BGB and shall be final, conclusive and binding on all parties, except where there is a manifest error.

§ 7 (Market Disruptions)

- (1) Notwithstanding the conditions of § 6 above, if a Market Disruption occurs on a Valuation Date with respect to the Underlying, the Valuation Date will be postponed to the next following Calculation Date on which the Market Disruption no longer exists. If applicable, any payment date relating to such Valuation Date shall be postponed accordingly.
- (2) Should the Market Disruption continue for more than four consecutive Calculation Dates, the Issuer, in its reasonable discretion pursuant to § 315 BGB, shall determine, or cause the Calculation Agent to determine in its reasonable discretion pursuant to § 317 BGB, the Reference Price. The Reference Price required for the determination of the Differential Amount shall be determined in accordance with prevailing market conditions on this fifth day, taking into account the economic position of the Warrant Holders.

However, if within these four Calculation Days comparable Derivatives expire and are paid on the Determining Futures Exchange, the settlement price established by the Determining Futures Exchange for the comparable Derivatives will be taken into account in calculating the Differential Amount. In that case, the expiration date for these comparable Derivatives will be taken as the relevant Exercise Date.

- (3) "**Market Disruption**" means:
- (a) the suspension or restriction of trading in the Underlying on the Relevant Exchange, or
 - (b) in general the suspension or restriction of trading in a Derivative linked to the Underlying on the Determining Futures Exchange,

to the extent that the Market Disruption occurs during the last half hour prior to the normal calculation of the closing price of the Underlying and continues at the point of time of the normal calculation, and is material in the reasonable discretion (§315 BGB) of the Issuer. A restriction of the trading hours or the number of days on which trading takes place on the Relevant Exchange, or, as the case may be, on the Determining Futures Exchange, shall not constitute a Market Disruption provided that the restriction is due to a prior announced change in the rules of the Relevant Exchange or, as the case may be, of the Determining Futures Exchange.

§ 8 (Payments)

- (1) The Issuer undertakes
- a. to pay the Differential Amount within five Banking Days following the Valuation Date, and
 - b. to pay the Cancellation Amount within ten Banking Days following the Notice as described in § 6 (6).

The amounts mentioned in this paragraph and all further amounts payable under these Terms and Conditions shall be rounded up or down to the nearest 0.01 Euro, with 0.005 Euro being rounded upwards.

- (2) If the due date for any payment under the Warrants (the "**Payment Date**") is not a Banking Day then the Warrant Holders shall not be entitled to payment until the next Banking Day.
- (3) All payments shall be made to the Principal Paying Agent (as defined in § 9). The Principal Paying Agent shall pay all amounts due to the Clearing System for credit to the respective accounts of the depository banks for transfer to the Warrant Holders. The payment to the Clearing System shall discharge the Issuer from its payment obligations under the Warrants in the amount of such payment.

- (4) If the Issuer fails to make any payment under the Warrants when due, interest shall accrue on due amounts on the basis of the default rate of interest established by law. The accrual of interest starts on the due date (including) and ends at the end of the day immediately preceding the effective date of payment (including).

§ 9 (Principal Paying Agent, Calculation Agent, Paying Agent)

- (1) The Principal Paying Agent is UniCredit Bank AG, Milan Branch (the "**Principal Paying Agent**"). The French Paying Agent for Euroclear France S.A. is CACEIS Bank S.A., 1-3 rue place Valhubert, 75206 Paris Cedex 13, France (the "**French Paying Agent**"). The Principal Paying Agent, by giving notice pursuant to § 13, may appoint other or additional banks as paying agents (each a "**Paying Agent**") and may revoke the appointment of a particular Paying Agent.
- (2) The Calculation Agent is UniCredit Bank AG, Milan Branch (the "**Calculation Agent**").
- (3) Should any event occur which results in the Principal Paying Agent or Calculation Agent being unable to continue in its function as Principal Paying Agent or Calculation Agent, the Issuer is obligated to appoint another bank of international standing as Principal Paying Agent or another person or institution with the relevant expertise as Calculation Agent. Any such transfer of the functions of the Principal Paying Agent or Calculation Agent shall be notified promptly by the Issuer pursuant to § 13.
- (4) In connection with the Warrants, the Principal Paying Agent and the Calculation Agent act solely as agents of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any of the Warrant Holders. The Principal Paying Agent shall be exempt from the restrictions of § 181 German Civil Code.
- (5) Determinations made by the Principal Paying Agent or Calculation Agent, will, in the absence of manifest error, be conclusive and binding on the Issuer and the Warrant Holders.

§ 10 (Taxes)

Payments in respect of the Warrants shall only be made after deduction and withholding of current or future taxes, levies or governmental charges, regardless of their nature, which are imposed, levied or collected (the "**Taxes**") under any applicable system of law or in any country which claims fiscal jurisdiction by, or for the account of, any political subdivision thereof or government agency therein authorised to levy taxes, to the extent that such deduction or withholding is required by law. The Issuer shall account for the deducted or withheld taxes with the competent government agencies.

§ 11 (Status)

The obligations arising under the Warrants represent direct, unconditional and unsecured liabilities of the Issuer and, to the extent not otherwise provided by law, have at least the same rank as all other unsecured and non-subordinated Issuer liabilities.

§ 12 (Substitution of Issuer)

- (1) Assuming there is no default in payment of the Warrants, the Issuer may at any time, without approval of the Warrants Holders, put an Affiliated Company in its place as primary obligor on all obligations of the Issuer arising under the Warrants (the "**New Issuer**"), to the extent that
- the New Issuer assumes all obligations of the Issuer arising under the Warrants;
 - the Issuer and the New Issuer have obtained all required approvals and are able to transfer the payment obligations arising under these Warrants in the currency hereby required to the primary Paying Agent, without the need for retention of any taxes or charges collected by or in the country in which the New Issuer or the Issuer has its head quarter or in which it is considered a resident for tax purposes;
