**STATUTORY AUDITORS' REPORT  
ON THE CASH FLOW STATEMENT  
FOR THE YEAR ENDED DECEMBER 31, 2010**

*This is a free translation into English of the Statutory Auditors' report on the cash flow statement for the year ended December 31, 2010 issued in the French language and is provided solely for the convenience of English speaking readers.*

*This report should be read in conjunction with, and construed in accordance with, French law and professional auditing standards applicable in France.*

To Mrs Valérie Brunerie  
Deputy Chief Executive Officer  
**BNP Paribas Public Sector SCF**  
1, boulevard Haussmann  
75009 PARIS

In our capacity as Statutory Auditors of BNP Paribas Public Sector SCF and in compliance with your request within the framework of the preparation of the base prospectus submitted to the approval of the Commission de surveillance du secteur financier in Luxembourg and relating to the update of the €15,000,000,000 EMTN programme, we have audited the accompanying cash flow statement for the year ended December 31, 2010 (the "cash flow statement").

Management is responsible for the preparation and fair presentation of this cash flow statement. Our responsibility is to express an opinion on this cash flow statement based on our audit.

We conducted our audit in accordance with professional standards applicable in France. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the cash flow statement is free from material misstatement. An audit involves performing procedures, on a test basis or by selection, to obtain audit evidence about the amounts and disclosures in the cash flow statement. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as the overall presentation of the cash flow statement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Explanatory note

The cash flow statement for the year ended December 31, 2010 has been prepared on the basis of the audited financial statements for the financial years ended December 31, 2009 and December 31, 2010. These financial statements were prepared in accordance with accounting principals applicable in France.

The cash flow statement has been prepared using the indirect method.

Investing activities are the acquisition and disposal of long-term assets and other investments not included in cash equivalents.

Financing activities are activities that result in changes in the size and composition of the contributed equity and borrowings of the entity. Operating activities are the principal revenue-producing activities of the entity and other activities that are not investing or financing activities.
