In accordance with the Terms and Conditions, the Issuer shall pay for each Warrant to the holder of such Warrant (each a "**Warrant Holder**" and together the "**Warrant Holders**") the Differential Amount (§ 3).

- (2) The Warrants are represented by a permanent global bearer warrant (the "**Global Bearer Warrant**"), which bears the manual signatures of two authorized signatories of the Issuer as well as the manual signature of a control officer of Euroclear France S.A. and which is deposited with Euroclear France S.A. In that event, the term "*Warrants*" also includes such additionally issued warrants.

§ 2 (Definitions)

Within these Terms and Conditions the following terms shall have the following meanings:

"**Underlying**" means the CAC 40[®] Index as published by Euronext N.V. and the Conseil Scientifique (the "**Index Sponsor**") and as calculated by Euronext Indices B.V. specify another stock exchange as the relevant stock exchange (the "**Substitute Relevant Exchange**") by way of notice pursuant to § 13. "**Determining Futures Exchange**" means Euronext.liffe or MONEP S.A. In case of a material change in the market conditions at the Determining Futures Exchange, such as final discontinuation of derivatives quotation in respect of the Underlying at the Determining Futures Exchange or considerably restricted liquidity, the Calculation Agent shall be entitled but not obligated to specify another derivatives exchange as the relevant futures exchange (the "**Substitute Futures Exchange**") by way of notice pursuant to § 13. "**Hedging Disruption**" means that the Issuer is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge price risks or other risks of issuing and performing its obligations with respect to the Warrants, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

"**Increased Cost of Hedging**" means that the Issuer would incur a materially increased (as compared with circumstances existing on the Issue Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge price risks or other risks of issuing and performing its obligations with respect to the Warrants, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer shall not be deemed an Increased Cost of Hedging.

§ 3 (Exercise Right, Differential Amount)

- (1) The Warrant Holder shall be entitled to payment of the Differential Amount by the Issuer according to these Terms and Conditions (the "**Exercise Right**").
- (2) The "**Differential Amount**" per Warrant shall equal
 - (a) in the case of Call Warrants, the difference expressed in the Specified Currency of the Reference Price on the Valuation Date exceeding the Strike multiplied with the respective Multiplier; or
 - (b) in the case of Put Warrants, the difference expressed in the Specified Currency of the Reference Price on the Valuation Date falling below the Strike multiplied with the respective Multiplier.

- (3) The provisions to determine the Differential Amount are possibly subject to Adjustments and Market Disruptions pursuant to § 6 and § 7.

§ 4 (Maturity, Exercise)

- (1) "**Maturity Date**" means the date specified in the table of Appendix 1. The Exercise Right can be exercised by the Warrant Holder on the Exercise Date (*European Style Warrants*) by 10:00 p.m. (Milan time). Unless already duly exercised by the Warrant Holder, the Warrants are considered to be exercised on Exercise Date, if the Differential Amount on the Valuation Date is positive. On termination of the Exercise Date, the Exercise Rights expire.
- (2) At least 1,000 Warrants of one Series (the "**Unit**") or a multiple thereof are required to make effective use of the Exercise Right. Otherwise, such number of Warrants shall be rounded down to the preceding multiple of 1,000 and the Exercise Notice shall not be valid in respect of the Warrants exceeding such rounded number of Warrants. Exercise of less than 1,000 Warrants is not valid and does not cause effect.
- (3) The Exercise Right is exercised by the Warrant Holder by delivering a duly completed exercise notice (the "**Exercise Notice**"), using the form of notice attached to these Terms and Conditions, by facsimile to the number set out prior to 10:00 a.m. (Milan time).
- (4) The Warrants specified in the Exercise Notice are only considered as validly exercised, if, prior to 5:00 p.m. (Milan time) on this date, they are transferred to the Issuer's account with the French Paying Agent, which is set out in the respective form of Exercise Notice (Appendix 2). For this purpose, the Warrant Holder is obliged to instruct its depository bank, which is responsible for forwarding the specified Warrants.

In the event that a Warrant Holder does not perform its obligations and so delivers an Exercise Notice not duly completed or not in accordance with the above provisions, the Exercise Notice shall not be valid.

Warrants for which no valid Exercise Notice exists or for which the Exercise Notice is deemed to be not validly given, will be re-transferred by the Issuer to the Warrant Holders account without undue delay.

As far as the Exercise Notice is corrected supplementary to the Issuer's content, the Exercise Notice will be classified as new Exercise Notice, which are considered as received by the Issuer at the point in time, on which the corrected Exercise Notice is delivered to the Issuer.

Subject to the above provisions, the delivery of the Exercise Notice shall be an irrevocable declaration of intent of the respective Warrant Holder to exercise the respective Warrants.

The Issuer will, in its reasonable discretion pursuant to § 315 of the German Civil Code (BGB), determine whether the above conditions are satisfied and its determination will be final, conclusive and binding on the Warrant Holders.

When calculating the Differential Amount, no fees, commissions or other costs charged by the Issuer or a third party authorised by the Issuer, will be taken into account.

The Issuer shall not apply any charge for the Exercise of the Warrants. Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties which may arise in connection with the automatic Exercise of the Warrants are in charge of the Warrant Holder.

§ 5 (Termination of the Exercise Rights)

In the event that during the tenor of the Warrants, the Issuer is prevented from performing its obligations in relation to the Warrants due to laws, regulations, regulatory measures or any other reason, the Issuer is entitled to declare all Exercise Rights which are valid at that point in time, in whole but not in part, terminated by giving notice pursuant to § 13, even if the exercise of individual Exercise Rights is already effective, but the Differential Amount has not yet been credited to the respective Warrant Holder/s. There will be no further compensation than the reimbursement of the amount expended for the purchase of the Warrants.

§ 6 (Index Concept, Adjustments, Issuer's Irregular Call Right)

- (1) The basis for calculating the Differential Amount shall be the Underlying with its provisions applicable from time to time (the "**Index Concept**"), as developed and continued by the Index Sponsor, as well as the respective method of calculation, determination, and publication of the Reference Price by the Index Sponsor. The same shall apply, if during the lifetime of the Warrants changes are made or occur in respect of the calculation of the Underlying, the composition and/or weighting of prices on the basis on which the Underlying is calculated, or if other measures are taken, which have an impact on the Index Concept, unless otherwise provided in below provisions.
- (2) Changes in the calculation of the Underlying (including adjustments) or the Index Concept shall not result in an adjustment of the provisions to determine the Differential Amount, unless the new relevant concept or calculation of the Underlying is, as a result of a change (including any adjustment), at the Calculation Agent's reasonable discretion pursuant to § 317 BGB no longer comparable to the previous relevant concept or calculation. When determining the necessity of an adjustment, the Calculation Agent will take into account the adjustment of the Derivatives linked to the Underlying actually performed by the Determining Futures Exchange. The Calculation Agent will use reasonable endeavours as to ensure that the economic position of the Warrant Holders remains unchanged to the largest extent possible. Any adjustment will be made by the Calculation Agent taking into account the time until the maturity of the Warrants and the latest available price for the Underlying. If the Calculation Agent determines that, pursuant to the rules of the Determining Futures Exchange, no adjustments are made to the Derivatives linked to the Underlying, the terms of the Warrants will regularly remain unchanged. The method to determine the Differential Amount may also be adjusted if the calculation or publication of the Underlying is cancelled or replaced by another Underlying. The adjusted method to determine the Differential Amount and the time of its initial application shall be published in accordance with § 13.
- (3) If a price of the Underlying determined and published by the Index Calculation Agent and which is used by the Calculation Agent as the basis for the calculation of the Differential Amount (the "Original Determination") is subsequently corrected and the correction (the "**Corrected Value**") is published by the Index Sponsor after the original publication, but still within one Settlement Cycle, then the Calculation Agent will notify the Issuer of the Corrected Value as soon as reasonably practicable and shall again determine the relevant value (the "**Replacement Determination**") by using the Corrected Value. If the result of the Replacement Determination is different from the result of the Original Determination, the Calculation Agent may, to the extent that it determines to be necessary and practicable, adjust the method to determine the Differential Amount accordingly in its reasonable discretion pursuant to § 317 BGB. When determining the necessity of an adjustment, the Calculation Agent will take into account the adjustment of the Derivatives linked to the Underlying actually performed by the Determining Futures Exchange. The Calculation Agent will use reasonable endeavours as to ensure that the economic position of the Warrant Holders remains unchanged to the largest extent possible. Any adjustment will be made by the Calculation Agent taking into account the time to maturity of the Warrants (if applicable) and the Corrected Value. The adjusted method to determine the Differential Amount and the time of its initial application shall be published in accordance with § 13.
- (4) If the calculation or publication of the Underlying is at any time cancelled and/or replaced by another Underlying or the Issuer is no longer entitled to use the Underlying as the basis for the calculation of Differential Amount, the Calculation Agent shall, in its reasonable discretion pursuant to § 317 BGB, stipulate which Underlying should in future be used as the basis for the calculation of the Differential Amount (the "**Replacement Underlying**"), adjusting, if applicable, the method or formula to calculate the Differential Amount accordingly. The Replacement Underlying and the time that it is first applied shall be published in accordance with § 13. Commencing with the first application of the Replacement Underlying, any reference to the Underlying in these Terms and Conditions, depending on the context, shall be deemed to refer to the Replacement Underlying.
- (5) If the Underlying is no longer determined and published by the Index Sponsor but rather by another person, company or institution (the "**New Index Sponsor**"), then the Calculation Agent shall have the right to calculate the Differential Amount on the basis of the Underlying as calculated and published by the New Index Sponsor. In this case, any reference to the Index Sponsor contained herein shall, depending on the context, be deemed as referring to the New Index Sponsor. If the Underlying is no longer calculated by the Index Calculation Agent but rather by another person, company or institution (the "**New Index Calculation Agent**"), then the Calculation Agent shall have the right to calcu-

late the Differential Amount on the basis of the Underlying as calculated by the New Index Calculation Agent. In this case, any reference to the Index Calculation Agent contained herein shall, depending on the context, be deemed as referring to the New Index Calculation Agent.

(6) Should

- (a) the Calculation Agent come to the conclusion that no reasonable adjustment is possible to account for the change in the method of determination of the level of the Underlying or,
- (b) in the determination of the Calculation Agent, (i) no Replacement Underlying or (ii) no successor or replacement Index Calculation Agent be available,
- (c) the determination of the Underlying be finally cancelled, or
- (d) a Change in Law and/or a Hedging Disruption and/or Increased Cost of Hedging (all as defined in § 2) occur,

the Issuer is entitled to terminate the Warrants early by giving notice pursuant to § 13. Such termination shall become effective at the time of the announcement pursuant to § 13 or at the time indicated in the notice. In that case, the Calculation Agent shall within ten Banking Days before the termination becomes effective determine in its reasonable discretion pursuant to § 317 BGB and publish without delay the reasonable market value of the Warrants (the "**Cancellation Amount**"). The Cancellation Amount will be paid pursuant to the provisions in § 8 to the Clearing System or to its order with the instruction for immediate forwarding to the Warrant Holders.

- (7) The adjustments and determinations of the Issuer or the Calculation Agent pursuant to the paragraphs above shall be effected by the Issuer at its reasonable discretion (*billigem Ermessen*) pursuant to § 315 or § 317 of the BGB and shall be final, conclusive and binding on all parties, except where there is a manifest error.

§ 7 (Market Disruptions)

- (1) Notwithstanding the conditions of § 6 above, if a Market Disruption occurs on a Valuation Date with respect to the Underlying, the Valuation Date will be postponed to the next following Calculation Date on which the Market Disruption no longer exists. If applicable, any payment date relating to such Valuation Date shall be postponed accordingly.
- (2) Should the Market Disruption continue for more than four consecutive Calculation Dates, the Issuer, in its reasonable discretion pursuant to § 315 BGB, shall determine, or cause the Calculation Agent to determine in its reasonable discretion pursuant to § 317 BGB, the Reference Price. The Reference Price required for the determination of the Differential Amount shall be determined in accordance with prevailing market conditions on this fifth day, taking into account the economic position of the Warrant Holders.

However, if within these four Calculation Days comparable Derivatives expire and are paid on the Determining Futures Exchange, the settlement price established by the Determining Futures Exchange for the comparable Derivatives will be taken into account in calculating the Differential Amount. In that case, the expiration date for these comparable Derivatives will be taken as the relevant Exercise Date.

- (3) "**Market Disruption**" means:

- (a) in general the suspension or restriction of trading on the exchanges or the markets on which the securities that form the basis of the Underlying are listed or traded, or on the respective futures exchanges on which Derivatives linked to the Underlying are listed or traded.
- (b) in relation to individual securities which form the basis of the Underlying, the suspension or restriction of trading on the exchanges or the markets on which such securities are traded or on the respective futures exchange or markets on which derivatives in such securities are traded, or
- (c) in relation to individual derivatives on the Underlying, the suspension or restriction of trading on the futures exchanges or the markets on which such derivatives are traded, or
- (d) the suspension of or failure to calculate the Underlying or the non-publication of the calculation as a result of a decision of the Index Calculation Agent,

to the extent that such Market Disruption occurs during the last half hour prior to the normal calculation of the Reference Price of the Underlying and continues at the point of time of the normal calculation and is material in the rea-

sonable discretion (§ 315 BGB) of the Issuer. A restriction of the trading hours or the number of days on which trading takes place on the Relevant Exchange, or, as the case may be, on the Determining Futures Exchange shall not constitute a Market Disruption provided that the restriction is due to a prior announced change in the rules of the Relevant Exchange or, as the case may be, of the Determining Futures Exchange.

§ 8 (Payments)

- (1) The Issuer undertakes
 - a. to pay the Differential Amount within five Banking Days following the Valuation Date, and
 - b. to pay the Cancellation Amount within ten Banking Days following the Notice as described in § 6 (6).

The amounts mentioned in this paragraph and all further amounts payable under these Terms and Conditions shall be rounded up or down to the nearest 0.01 Euro, with 0.005 Euro being rounded upwards.

- (2) If the due date for any payment under the Warrants (the "**Payment Date**") is not a Banking Day then the Warrant Holders shall not be entitled to payment until the next Banking Day.
- (3) All payments shall be made to the Principal Paying Agent (as defined in § 9). The Principal Paying Agent shall pay all amounts due to the Clearing System for credit to the respective accounts of the depository banks for transfer to the Warrant Holders. The payment to the Clearing System shall discharge the Issuer from its payment obligations under the Warrants in the amount of such payment.
- (4) If the Issuer fails to make any payment under the Warrants when due, interest shall accrue on due amounts on the basis of the default rate of interest established by law. The accrual of interest starts on the due date (including) and ends at the end of the day immediately preceding the effective date of payment (including).

§ 9 (Principal Paying Agent, Calculation Agent, Paying Agent)

- (1) The Principal Paying Agent is UniCredit Bank AG, Milan Branch (the "**Principal Paying Agent**"). The French Paying Agent for Euroclear France S.A. is CACEIS Bank S.A., 1-3 rue place Valhubert, 75206 Paris Cedex 13, France (the "**French Paying Agent**"). The Principal Paying Agent, by giving notice pursuant to § 13, may appoint other or additional banks as paying agents (each a "**Paying Agent**") and may revoke the appointment of a particular Paying Agent.
- (2) The Calculation Agent is UniCredit Bank AG, Milan Branch (the "**Calculation Agent**").
- (3) Should any event occur which results in the Principal Paying Agent or Calculation Agent being unable to continue in its function as Principal Paying Agent or Calculation Agent, the Issuer is obligated to appoint another bank of international standing as Principal Paying Agent or another person or institution with the relevant expertise as Calculation Agent. Any such transfer of the functions of the Principal Paying Agent or Calculation Agent shall be notified promptly by the Issuer pursuant to § 13.
- (4) In connection with the Warrants, the Principal Paying Agent and the Calculation Agent act solely as agents of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any of the Warrant Holders. The Principal Paying Agent shall be exempt from the restrictions of § 181 German Civil Code.
- (5) Determinations made by the Principal Paying Agent or Calculation Agent, will, in the absence of manifest error, be conclusive and binding on the Issuer and the Warrant Holders.

§ 10 (Taxes)

Payments in respect of the Warrants shall only be made after deduction and withholding of current or future taxes, levies or governmental charges, regardless of their nature, which are imposed, levied or collected (the "**Taxes**") under any applicable system of law or in any country which claims fiscal jurisdiction by, or for the account of, any political subdivision thereof or government agency therein authorised to levy taxes, to the extent that such deduction or withholding is required by law. The Issuer shall account for the deducted or withheld taxes with the competent government agencies.

§ 11 (Status)

§ 12 (Substitution of Issuer)

 - (a) the New Issuer assumes all obligations of the Issuer arising under the Warrants;
 - (b) the Issuer and the New Issuer have obtained all required approvals and are able to transfer the payment obligations arising under these Warrants in the currency hereby required to the primary Paying Agent, without the need for retention of any taxes or charges collected by or in the country in which the New Issuer or the Issuer has its head quarter or in which it is considered a resident for tax purposes;
 - (c) the New Issuer has undertaken to indemnify all Warrant Holders for any taxes, charges or other public charges that are imposed on the Warrant Holders by reason of the substitution;
 - (d) the Issuer guarantees proper payment of the amounts coming due under the Terms and Conditions of these Warrants.

For purposes of this § 12 (1) "**Affiliated Company**" means an Affiliated Company within the meaning of Section 15 of the Stock Corporation Act.

- (2) Such substitution of the Issuer is to be announced in accordance with § 13.
- (3) In the event of such substitution of the Issuer, every reference to the Issuer herein shall be deemed to refer to the New Issuer. Furthermore, every reference to the country, in which the Issuer has its head quarter or in which it is considered a resident for tax purposes shall refer to the country, in which the New Issuer has its head quarter.

§ 13 (Notices)

All notices relating to each Series of Warrants shall be published by the Issuer in accordance with the requirements of Euronext Paris S.A. In addition, all notices shall also be valid if published on the website www.bourse.unicredit.fr. The notices will be considered validly published from the date of publication.

§ 14 (Repurchase)

The Issuer shall be entitled at any time to purchase Warrants in the market or otherwise and at any price. Warrants repurchased by the Issuer may, at the Issuer's discretion, be held, resold or forwarded to the Principal Paying Agent for cancellation.

§ 15 (Presentation Period)

The Presentation Period as provided in § 801 (1) 1 BGB shall, for the Warrants, be shortened to ten years.

§ 16 (Partial Invalidity)

- (1) Should any provision in these Terms and Conditions of the Warrants be or become invalid or unenforceable in whole or in part, the remaining provision are not affected thereby. Any gap arising as a result of invalidity or unenforceability of these Terms and Conditions of the Warrants is to be filled with a provision that corresponds to the meaning and intent of these Terms and Conditions of the Warrants and is in the interests of the parties.
- (2) The Issuer is entitled to modify or amend, as the case may be, these Terms and Conditions of the Warrants in each case without the consent of the Warrant Holders in such manner as the Issuer deems necessary, if the modification or amendment
 - (a) is of a formal, minor or technical nature; or

- (b) is made to cure a manifest or proven error; or
- (c) is made to cure any ambiguity;
- (d) or is made to correct or supplement any defective provisions of these Terms and Conditions of the Warrants; or
- (e) is made to correct an error or omission such that, in the absence of such correction, the Terms and Conditions of the Warrants would not otherwise represent the intended terms of the Warrants on which the Warrants were sold and have since traded; or
- (f) will not materially and adversely affect the interests of the Warrant Holders.

Any changes or amendments of these Terms and Conditions of the Warrant shall take effect in accordance with its terms and be binding on the Warrant Holders, and shall be notified to the Warrant Holders pursuant to § 13 of these Terms and Conditions of the Warrants (but failure to give such notice, or non-receipt thereof, shall not affect the validity of such modification or amendment).

§ 17 (Applicable Law, Place of Performance, Place of Jurisdiction)

- (1) The form and content of the Warrants, as well as the rights and duties of the Issuer and the Warrant Holders, shall be determined in accordance with the laws of the Federal Republic of Germany.
- (2) The Place of performance is Munich.
- (3) To the extent permitted by law, all legal disputes arising from or in connection with the matters governed by the Terms and Conditions of these Warrants shall be brought before the court in Munich.

Product Information

The Index is the main benchmark for Euronext Paris S.A. Tracking a sample of Blue Chip stocks, its performance is closely correlated to that of the market as a whole. The Index contains 40 stocks selected among the top 100 market capitalisation and the most active stocks listed on Euronext Paris, and is the underlying asset for options and futures contracts. The base value was 1,000 at 31 December 1987.

Quarterly updates of the number of shares of the Index

In order to limit the number of consecutive updates for changing of the number of shares of the stocks composing the Index (ISIN FR0003500008), the Index Expert Committee has decided that, as from October 24th, 2005, the modification of the number of shares of the stocks composing the Index will be made quarterly, after the market close every third Friday of March, June, September and December. These dates correspond to the quarterly expiration of CAC 40[®] derivative products on Euronext.liffe.

At quarterly updates, the number of shares taken into account in the Index is based on the number of shares listed on the Stock Exchange at this date.

In between two quarterly updates, the number of shares of the stocks composing the Index will be updated exceptionally:

- if a corporate action brings an adjustment of the price of the stock simultaneously with its number of shares; and
- in other cases: if the change in the number of shares (this number of shares can result from various successive operations) is greater than or equal to 5% in comparison to the number which is at that time taken into account in the Index calculation.

As from October 24th 2005, the modification of the number of shares on the Index stocks composing will not take place daily any more.

The review of the free float and capping factors remains annual, except for special cases. These changes of free float and capping factors will be published on the website www.euronext.com.

Price dissemination

The Index is calculated by Euronext Indices B.V. on any Business Day and the values are published on the Euronext NYSE website (www.euronext.com), on the main info-provider systems such as Reuters (at the page: .FCHI), on the most accredited financial newspapers (Financial Times, Wall Street Journal Europe, Les Echos, La Tribune) and on the Issuer's website www.bourse.unicreditmib.fr and may be requested on any Banking Day by calling: 800 9012 9012 (call free).
