Final Terms

dated 17 October 2011

with respect to the

Base Prospectus

dated 24 February 2011

relating to

**Warrants
relating to the
EUR/GBP Exchange Rate**

to be publicly offered in the French Republic and
to be admitted to trading on Euronext Paris S.A.

In addition to the information relevant to individual issues, these Final Terms repeat some of the information set out in the Base Prospectus dated 24 February 2011 regarding the Warrants where the Issuer deems such information necessary in order to satisfy the investor's need for information in relation to the respective issue of Warrants.

RISK FACTORS

The purchase of warrants issued (the "**Warrants**") is associated with certain risks. The information set forth hereinafter merely describes the major risks that are associated with an investment in the Warrants in the Issuer's opinion. In this regard, however, **the Issuer expressly points out that the description of the risks associated with an investment in the Warrants is not exhaustive.**

In addition, the order in which such risks are presented does not indicate the extent of their potential commercial effects in the event that they are realised, or the likelihood of their realisation. The realisation of one or more of said risks may adversely affect the assets, finances and profits of Commerzbank Aktiengesellschaft or the value of the Warrants themselves.

Moreover, additional risks that are not known at the date of preparation of the Base Prospectus and these Final Terms or are currently believed to be immaterial could likewise have an adverse effect on the value of the Warrants.

The occurrence of one or more of the risks disclosed in the Base Prospectus, any supplement and/or these Final Terms or any additional risks may lead to a material and sustained loss and, depending on the structure of the Warrant, even result in the **total loss** of the investor's capital.

Investors should purchase the Warrants only if they are able to bear the risk of losing the capital invested, including any transaction costs incurred.

Potential investors in the Warrants must in each case determine the suitability of the relevant investment in light of their own personal and financial situation. In particular, potential investors should in each case:

- have sufficient knowledge and experience to make a meaningful evaluation of the Warrants, the merits and risks of investing in the Warrants and/or the information contained or incorporated by reference in the Base Prospectus or any applicable supplement and all the information contained in these Final Terms;
- have sufficient financial resources and liquidity to bear all of the risks associated with an investment in the Warrants;
- understand thoroughly the Terms and Conditions pertaining to the Warrants and be familiar with the behaviour of any relevant Underlying and the financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect the value of their investment and be able to bear the associated risks.

These risk warnings do not substitute advice by the investor's bank or by the investor's legal, business or tax advisers, which should in any event be obtained by the investor in order to be able to assess the consequences of an investment in the Warrants. Investment decisions should not be made solely on the basis of the risk warnings set out in the Base Prospectus, any supplement and/or these Final Terms since such information cannot serve as a substitute for individual advice and information which is tailored to the requirements, objectives, experience, knowledge and circumstances of the investor concerned.

The Warrants are subject to - potentially major - price fluctuations and may involve the risk of a **complete or partial loss** of the invested capital (including any costs incurred in connection with the

purchase of the Warrants). Since, in the case of Warrants, the Cash Amount is linked to an Underlying, Warrants are investments that might not be suitable for all investors.

The Warrants may have complex structures, which the investor might not fully understand. The investor might therefore underestimate the actual risk that is associated with a purchase of the Warrants. Therefore, potential investors should study carefully the risks associated with an investment in the Warrants (with regard to the Issuer, the type of Warrants and/or the Underlying, as applicable), as well as any other information contained in the Base Prospectus, any supplements thereto as well as these Final Terms, and possibly consult their personal (including tax) advisors. Prior to purchasing Warrants, potential investors should ensure that they fully understand the mechanics of the relevant Warrants and that they are able to assess and bear the risk of a **(total)** loss of their investment. Prospective purchasers of Warrants should in each case consider carefully whether the Warrants are suitable for them in the light of their individual circumstances and financial position.

It is possible that the performance of the Warrants is adversely affected by several risk factors at the same time. The Issuer, however, is unable to make any reliable prediction on such combined effects.

Other general risks associated with the purchase of the Warrants (such as factors influencing the price of the Warrants at the time of issue and in the secondary market, conflicts of interest, hedging risks, interest rate and inflationary risks, as well as currency risks) are set out in the detailed provisions of the Base Prospectus dated 24 February 2011.

Special risks relating to plain Warrants

- **General**

Warrants will grant the investor to the right to receive the payment of a Cash Amount corresponding to the difference, converted into EUR if necessary, multiplied by the Ratio by which the Reference Price of the Underlying (e.g. a share, index, commodity (e.g. precious metals), exchange rate, bond or futures contract) on the Valuation Date exceeds (in the case of Call Warrants) or is exceeded by (in the case of Put Warrants) the Strike set out in the Terms and Conditions. Whether the holder of the Warrants is entitled to a relevant payment will to a significant extent depend upon the performance of the Underlying during the term of the Warrants.

The value of the Warrant in the secondary market will normally undergo a corresponding development: a call warrant will normally (i.e. by leaving out of account any other factors relevant for the formation of Warrant prices) lose value if the price of its Underlying falls. Conversely, the value of a put warrant will fall if the price of its Underlying rises.

"American warrants" are Warrants that can be exercised during the Exercise Period. If they are not exercised during the Exercise Period – as provided for in the relevant Terms and Conditions – the Warrants will be deemed automatically exercised on the last day of the Exercise Period, provided that the Cash Amount is a positive amount (Automatic Exercise).

The right to receive the Underlying itself instead of the Cash Amount is excluded.

- **Loss risks**

Warrants are particularly risky investment instruments that entail the risk of a complete loss of the purchase price paid for the Warrants. This will specifically be the case if the Underlying's Reference Price does not exceed (in the case of Call Warrants) or is not below (in the case of Put Warrants) the Strike and, in view of the remaining term of the Warrants, it can no longer be expected that the Underlying's Reference Price will move in the desired direction once more in time before the expiry of the Warrants. It must be noted that a change in the price of the Warrants' Underlying (e.g. foreign exchange currencies), or even the non-materialisation of an expected change therein, may result in a disproportionate change in the Warrants' value and may even render them worthless.

In addition, any economic considerations regarding an investment in the Warrants must also take into account the costs associated with their purchase or sale.

In addition, investors bear the risk that the Issuer's financial situation may deteriorate - or that insolvency proceedings might be instituted with regard to its assets - and that the Issuer might therefore default on the payments due under the Warrants.

- **No regular income**

The Warrants represent neither a claim to interest nor dividend payments and thus do **not** generate any regular income. This means that it may not be possible to compensate for potential value losses associated with an investment in the Warrants through income generated in connection therewith.

- **Warrants are unsecured obligations (Status)**

The obligations under the Warrants constitute direct and unconditional obligations of the Issuer that are not subject to a real charge (*nicht dinglich besichert*) and, unless otherwise provided by applicable law, rank at least *pari passu* with all other unsubordinated obligations of the Issuer that are not subject to a real charge. They are neither secured by the Deposit Protection Fund of the Association of German Banks (*Einlagensicherungsfonds des Bundesverbandes deutscher Banken e.V.*) nor by the German Deposit Guarantee and Investor Compensation Act (*Einlagensicherungs- und Anlegerentschädigungsgesetz*).

This means that the investor bears the risk that the Issuer's financial situation may worsen - or that insolvency proceedings might be instituted with regard to its assets - and that the Issuer therefore might be unable to make any payments due under the Warrants. **Under these circumstances, a total loss of the investor's capital might be possible.**

The Issuer may enter into hedging transactions in the relevant underlying, but is under no obligation to do so. If hedging transactions are entered into, they shall exclusively inure to the benefit of the Issuer, and the investors shall have no entitlement whatsoever to the underlying or with respect to the hedging transaction. Hedging transactions entered into by the Issuer shall not give rise to any legal relationship between the investors and those responsible for the underlying.

- **Risk factors relating to the Underlying**

The value of a Warrant's Underlying depends upon a number of factors that may be interconnected. These may include economic, financial and political events beyond the Issuer's control.

The past performance of an Underlying should not be regarded as an indicator of its future performance during the term of the Warrants.

Exchange rates indicate the value ratio of a certain currency against another currency, i.e. the number of units in one currency that may be exchanged for one unit in the other.

Exchange rates are derived from the supply and demand in relation to currencies in the international foreign exchange markets. On the one hand, they are influenced by various economic factors, such as the rate of inflation in the relevant country, interest differences abroad, the assessment of the relevant economic development, the global political situation, the convertibility of one currency into another and the security of a financial investment in the relevant currency. On the other hand, they are influenced by measures undertaken by governments and central banks (e.g. foreign exchange controls and restrictions). In addition to these foreseeable factors, however, other factors might also be relevant that are difficult to estimate, such as factors of a psychological nature (such as crises of confidence in the political leadership of a country or other speculation). In some cases, such psychological factors may have a significant effect on the value of the relevant currency.

The Warrants (the "**Warrants**") of each series issued by Commerzbank Aktiengesellschaft, Frankfurt am Main, Federal Republic of Germany (the "**Issuer**") will be issued in bearer dematerialized form. Title to the Warrants will be evidenced by book entries (*dématérialisation*) in accordance with the provisions of the French Monetary and Financial Code relating to Holding of Securities (*inscription en compte*) (currently, Articles L. 211-3 *et seq.* and R. 211-1 *et seq.* of the French Monetary and Financial Code). No physical document of title (including *certificats représentatifs* pursuant to Article R. 211-7 of the French Monetary and Financial Code) will be issued in respect of the Warrants.
2. Transfers of the Warrants and other registration measures shall be made in accordance with the French Monetary and Financial Code, the regulations, rules and operating procedures applicable to and/or issued by Euroclear France, 115 rue Réaumur, 75081 Paris, France (the "**Clearing System**"; the "**Clearing Rules**").
3. The term "**Warrantholder**" in these Terms and Conditions refers to any person holding warrants through a financial intermediary entitled to hold accounts with the Clearing System on behalf of its customers (the "**Warrant Account Holder**") or, in the case of a Warrant Account Holder acting for its own account, such Warrant Account Holder.
4. The Issuer reserves the right to issue from time to time without the consent of the Warrantholders another tranche of Warrants with substantially identical terms, so that the same shall be consolidated to form a single Series and increase the total volume of the Warrants. The term "Warrants" shall, in the event of such consolidation, also comprise such additionally issued Warrants.

§ 2 DEFINITIONS

1. For the purposes of these Terms and Conditions, the following definitions shall apply:
 - "**Business Day**" shall be a day, on which the European Central Bank (ECB) generally fixes a EUR/GBP exchange rate.
 - "**Exercise Period**" shall be the period set out in paragraph 2.
 - "**Minimum Exercise Number of Warrants**" is 1 Warrant.
 - "**Payment Business Day**" means a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer System (TARGET) and the Clearing System settle payments in EUR.

 - "**Relevant Conversion Rate**" shall be the Reference Price on the Valuation Date.
 - "**Reference Price**" shall be the official Euro foreign exchange reference rate in GBP as determined by the European Central Bank and published on any day on Reuters page ECB37 (the "**ECB Reference Rate**").

If such ECB Reference Rate ceases to be published on Reuters page ECB37 and is published on another screen page, then the Reference Price shall be the ECB Reference Rate as published on such other page (the "**Successor Page**"). The Issuer will give notification of such Successor Page in accordance with § 9.

Should the determination of the ECB Reference Rate be terminated permanently, then the Issuer will determine in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)) another exchange rate for EUR in GBP as the Reference Price and give notification of such other exchange rate in accordance with § 9.

If the ECB Reference Rate is not published on any day on Reuters page ECB37 or on a Successor Page and if the Issuer has not determined another exchange rate for EUR in GBP as the Reference Price, the Reference Price shall be the price of EUR 1.00 in GBP, as actually traded on the *International Interbank Spot Market* on any day at or about 2.15 pm (Frankfurt time).

- The Warrants grant to the Warrantholder the right (the "**Option Right**") to receive from the Issuer the payment of the Cash Amount (rounded, if necessary, to the next eurocent (EUR 0.01) with EUR 0.005 rounded upwards) in accordance with these Terms and Conditions.

The "**Cash Amount**" shall be equal to the product of (i) the amount by which the Reference Price on the Valuation Date exceeds the Strike (in the case of Call Warrants) or is exceeded by the Strike (in the case of Put Warrants) and (ii) the Ratio, the result being converted in EUR.

The conversion shall be made at the Relevant Conversion Rate.

- The Option Right may be exercised on any day from and including the first day to the last day until 10:00 a.m. (Frankfurt time) during the Exercise Period with the exception of the day the annual shareholders' meeting of the Company takes place in accordance with the following paragraphs 3 and 4. Subject to the conditions of paragraphs 3 and 4 the Option Right shall be deemed to be automatically exercised on the last day of the Exercise Period provided that the Cash Amount is a positive amount at that time (the "**Automatic Exercise**").
- Except for the Automatic Exercise, Option Rights can only be exercised for the Minimum Exercise Number of Warrants set out in paragraph 2 or for an integral multiple thereof.

Any exercise of less than the Minimum Exercise Number of Warrants shall be void. Any exercise of more than the Minimum Exercise Number of Warrants that is not an integral multiple thereof, shall be deemed to be an exercise of the next smaller number of Warrants which is the

minimum number or an integral multiple thereof. Warrants exceeding the Minimum Exercise Number of Warrants or an integral multiple thereof shall be re-transferred for the cost and the risk of the Warrantholder to the account holding bank.

4. In order to validly exercise the Option Right, the Warrantholder is obliged to instruct the account holding bank on any Payment Business Day during the Exercise Period to
 - a) deliver a written exercise notice (the "**Exercise Notice**") via the account holding bank to the Warrant Agent in the form available at the Warrant Agent or by providing all information and statements requested therein;
 - b) deliver the Warrants via the account holding bank by crediting the Warrants to the account of the Warrant Agent with the Clearing System.

The Payment Business Day during the Exercise Period on which at or prior to 10:00 a.m. (Frankfurt time) (a) the Exercise Notice is received by the Warrant Agent, and (b) the Warrants are booked at the account of the Warrant Agent with the Clearing System shall be the "**Exercise Date**" for the purposes of these Terms and Conditions. In the case of an Automatic Exercise the Exercise Date shall be the last day of the Exercise Period.

5. Subject to § 2 paragraph 1 (Valuation Date), the Exercise Notice shall be binding and irrevocable.
6. After the valid exercise of the Option Right, the Issuer shall pay the Cash Amount to the Warranholders not later than the fifth Payment Business Day following the Valuation Date to the account holding bank for crediting the accounts of the Warranholders.

In the case of an Automatic Exercise, the Issuer shall pay the Cash Amount to the Warranholders not later than the fifth Payment Business Day following the Valuation Date to the Clearing System for crediting the accounts of the depositors of the Warrants with the Clearing System.

1. BNP Paribas Securities Services, Grands Moulins de Pantin, 9 rue du Débarcadère, 93500 Pantin, France, shall be the warrant agent (the "**Warrant Agent**").

2. The Issuer shall procure that there will at all times be a Warrant Agent. The Issuer shall be entitled at any time to appoint another bank of international standing as Warrant Agent. Such appointment and the effective date shall be notified in accordance with § 9.
3. The Warrant Agent acting in such capacity act only as agents of the Issuer. There is no agency or fiduciary relationship between the Warrant Agent on the one hand and the Warranholders on the other hand. The Warrant Agent is hereby granted exemption from the restrictions of § 181 of the German Civil Code (*BGB*) and any similar restrictions of the applicable laws of any other country.

§ 8 SUBSTITUTION OF THE ISSUER

1. Any other company may assume at any time during the life of the Warrants, subject to paragraph 2, without the Warranholders' consent all the obligations of the Issuer under these Terms and Conditions. Any such substitution and the effective date shall be notified by the Issuer in accordance with § 9.

Upon any such substitution, such substitute company (hereinafter called the "**New Issuer**") shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under these Terms and Conditions with the same effect as if the New Issuer had been named as the Issuer herein; the Issuer (and, in the case of a repeated application of this § 8, each previous New Issuer) shall be released from its obligations hereunder and from its liability as obligor under the Warrants.

In the event of such substitution, any reference in these Terms and Conditions to the Issuer shall from then on be deemed to refer to the New Issuer.

2. No such assumption shall be permitted unless
 - a) the New Issuer has agreed to assume all obligations of the Issuer under the Warrants pursuant to these Terms and Conditions;
 - b) the New Issuer has agreed to indemnify and hold harmless each Warranholder against any tax, duty, assessment or governmental charge imposed on such Warranholder in respect of such substitution;
 - c) the Issuer (in this capacity referred to as the "**Guarantor**") has unconditionally and irrevocably guaranteed to the Warranholders compliance by the New Issuer with all obligations under the Warrants pursuant to these Terms and Conditions;
 - d) the New Issuer and the Guarantor have obtained all governmental authorisations, approvals, consents and permissions necessary in the jurisdictions in which the Guarantor and/or the New Issuer are domiciled or the country under the laws of which they are organised.
3. Upon any substitution of the Issuer for a New Issuer, this § 8 shall apply again.

§ 9 NOTICES

Notices relating to the Warrants shall be published in the electronic version of the Federal Gazette (*Bundesanzeiger*) and shall be deemed to be effective upon such publication unless such publication gives another effective date. If the Warrants are offered to the public, notices relating to the Warrants shall in addition be published on the internet page www.warrants.commerzbank.com (or on another internet page notified at least six weeks in advance by the Issuer in accordance with this § 9). If applicable law or regulations of the stock exchange on which the Warrants are listed require a notification in another manner, notices shall also be given in the manner so required.

§ 10
LIMITATION OF LIABILITY

The Issuer shall be held responsible for acting or failing to act in connection with the Warrants only if, and insofar as, it either breaches material obligations under or in connection with the Terms and Conditions of the Warrants negligently or wilfully or breaches other obligations with gross negligence or wilfully. The same applies to the Warrant Agent.

§ 11
FINAL CLAUSES

1. Warrants and the rights and duties of the Warrantholders, the Issuer, the Warrant Agent and the Guarantor (if any) shall in all respects be governed by the laws of the Federal Republic of Germany except for § 1 paragraph 1 to 3 of the Terms and Conditions which shall be governed by the laws of the French Republic.
2. In the event of manifest typing or calculation errors or similar manifest errors in the Terms and Conditions, the Issuer shall be entitled to declare rescission (*Anfechtung*) to the Warrantholders. The declaration of rescission shall be made without undue delay upon becoming aware of any such ground for rescission (*Anfechtungsgrund*) and in accordance with § 9. Following a declaration of rescission by the Issuer, the Warrantholder is entitled to request repayment of the Issue Price by delivery of a duly completed redemption notice to the Warrant Agent on the form available at the Warrant Agent or by providing all information and statements requested therein (the "**Redemption Notice**") and by transfer of the Warrants to the account of the Warrant Agent with the Clearing System. The Issuer shall make available the Issue Price to the Warrant Agent within 30 calendar days following receipt of the Redemption Notice and of the Warrants by the Warrant Agent, whichever receipt is later, whereupon the Warrant Agent shall transfer the Issue Price to the account specified in the Redemption Notice. Upon payment of the Issue Price all rights under the Warrants delivered shall expire.
3. The Issuer may combine the declaration of rescission pursuant to paragraph 2 with an offer to continue the Warrants on the basis of corrected Terms and Conditions. Such an offer and the corrected provisions shall be notified to the Warrantholders together with the declaration of rescission in accordance with § 9. Any such offer shall be deemed to be accepted by a Warrantholder (and the rescission shall not take effect), unless the Warrantholder requests repayment of the Issue Price within four weeks following the date on which the offer has become effective in accordance with § 9 by delivery of a duly completed Redemption Notice to the Warrant Agent and by transfer of the Warrants to the account of the Warrant Agent with the Clearing System pursuant to paragraph 2. The Issuer shall refer to this effect in the notification.
4. "**Issue Price**" within the meaning of paragraph 2 and 3 shall be deemed to be the higher of (i) the purchase price that was actually paid by the relevant Warrantholder (as declared and proved by evidence in the Repayment Request) and (ii) the weighted arithmetic average (as determined by the Issuer in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)) of the traded prices of the Warrants on the Business Day preceding the declaration of rescission pursuant to paragraph 1.
5. Contradictory or incomplete provisions in the Terms and Conditions may be corrected or amended, as the case may be, by the Issuer in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)). The Issuer, however, shall only be entitled to make such corrections or amendments which are reasonably acceptable to the Warrantholders having regard to the interests of the Issuer and in particular which do not materially adversely affect the legal or financial situation of the Warrantholders. Notice of any such correction or amendment shall be given to the Warrantholders in accordance with § 9.

6. If the Warrantholder was aware of typing or calculation errors or similar errors at the time of the acquisition of the Warrants, then, notwithstanding paragraphs 2 to 5, the Warrantholders can be bound by the Issuer to the corrected Terms and Conditions.
7. Should any provision of these Terms and Conditions be or become void in whole or in part, the other provisions shall remain in force. The void provision shall be replaced by a valid provision that reflects the economic intent of the void provision as closely as possible in legal terms. In those cases, however, the Issuer may also take the steps described in paragraphs 2 to 5 above.
8. Place of performance is Frankfurt am Main.
9. Place of jurisdiction for all disputes and other proceedings in connection with the Warrants for merchants, entities of public law, special funds under public law and entities without a place of general jurisdiction in the Federal Republic of Germany is Frankfurt am Main. In such a case, the place of jurisdiction in Frankfurt am Main shall be an exclusive place of jurisdiction.
