This document constitutes the final terms of the Certificates (the "**Final Terms**") described herein for the purposes of Article 5.4 of Directive 2003/71/EC (the "**Prospectus Directive**") and is prepared in connection with the Global Structured Securities Programme established by Barclays Bank PLC (the "**Bank**") and Barclays Capital (Cayman) Limited ("**BCCL**") and is supplemental to and should be read in conjunction with the Base Prospectus dated 5 August 2011, as supplemented and amended from time to time, which constitutes a base prospectus (the "**Base Prospectus**") for the purpose of the Prospectus Directive. Full information on the Issuer and the offer of the Securities is only available on the basis of the combination of these Final Terms and the Base Prospectus. The Base Prospectus is available for viewing during normal business hours at the registered office of the Issuer and the specified office of the Issue and Paying Agent for the time being in London, and copies may be obtained from such office. Words and expressions defined in the Base Prospectus and not defined in this document shall bear the same meanings when used herein.

The Issuer accepts responsibility for the information contained in these Final Terms. To the best of its knowledge and belief (having taken all reasonable care to ensure that such is the case) the information contained in these Final Terms is in accordance with the facts and does not contain anything likely to affect the import of such information.

Investors should refer to the sections headed "Risk Factors" in the Base Prospectus for a discussion of certain matters that should be considered when making a decision to invest in the Securities.

Barclays Capital

Final Terms dated 30 September 2011

The distribution of this document and the offer of the Securities in certain jurisdictions may be restricted by law. Persons into whose possession these Final Terms come are required by the Bank to inform themselves about and to observe any such restrictions. Details of selling restrictions for various jurisdictions are set out in "Purchase and Sale" in the Base Prospectus. In particular, the Securities have not been, and will not be, registered under the US Securities Act of 1933, as amended. Trading in the Securities has not been approved by the US Commodity Futures Trading Commission under the US Commodity Exchange Act of 1936, as amended. Subject to certain exceptions, the Securities may not at any time be offered, sold or delivered in the United States or to US persons, nor may any US persons at any time trade or maintain a position in such Securities.

8 Performance of Reference Asset(s) or Other Variable, Explanation of Effect on Value of Investment and Associated Risks and Other Information Concerning the Reference Asset(s) and/or Other Underlying

Details of the historic performance of the Reference Asset can be obtained from various internationally recognised published or electronically available news sources, for example, Bloomberg: NDQEM .

Investors should note that historical performance should not be taken as an indication of future performance of the Reference Asset. The Issuer makes no representation whatsoever, whether expressly or impliedly, as to the future performance of the Reference Asset. The Issuer does not intend to provide post-issuance information.

Investors should form their own views on the merits of an investment related to the Reference Asset based on their own investigation thereof.

The description below represents a summary only of some of the features of the investment product described in this Final Terms. It does not purport to be an exhaustive description

The product is issued as open-ended Certificates in EUR and aims to track the price performance of the Reference Asset. The Certificates are redeemable annually by investors and daily by the Issuer in accordance with the terms set out above. The amount payable on redemption of the Certificates is determined by reference to the price of the Reference Asset on the Valuation Date taking into account the Security Ratio and the Exchange Rate. As a result, an investor in these Certificates is also exposed to fluctuations in the Exchange Rate. Where the Reference Asset is a price return index, investors will not receive the benefit of any dividends that might be paid by shares that comprise the Index.
