

Press release

NORBERT HÖLZLE TO LEAD EUROPEAN SALES

Luxembourg, February 8, 2012 - SES (Euronext Paris and Luxembourg Stock Exchange: SESG) announced today that Norbert Hölzle will stay with SES and lead the European sales team. In the position of the Senior Vice President Commercial Europe of SES, Norbert will continue to be responsible for SES' key markets in Western and Central Europe, the Nordic and Baltics, Eastern and Southern Europe as well as Russia, the countries South of Russia, Ukraine and Turkey.

Ferenc Szelényi has agreed with SES to leave the company and pursue other professional objectives.

Ferdinand Kayser, Chief Commercial Officer of SES, said: "We are delighted that Norbert will continue to lead our important European markets. Since Norbert joined SES in 2009, he has been instrumental for the development and growth of the company in Europe. We thank Ferenc for his contribution to SES and wish him all the best for his future career."

About SES

SES is a world-leading satellite operator with a fleet of 49 geostationary satellites. The company provides satellite communications services to broadcasters, content and internet service providers, mobile and fixed network operators and business and governmental organisations worldwide.

SES stands for long-lasting business relationships, high-quality service and excellence in the broadcasting industry. The culturally diverse regional teams of SES are located around the globe and work closely with customers to meet their specific satellite bandwidth and service requirements.

SES (Euronext Paris and Luxembourg Stock Exchange: SESG) holds participations in Ciel in Canada and QuetzSat in Mexico, as well as a strategic participation in satellite infrastructure start-up O3b Networks. Further information under: www.ses.com.
