The OET Certificates are undated Certificates and may be redeemed at a date designated as such by the Issuer, in its sole discretion and notified to the Holders in accordance with Annex 14 (Additional Terms and Conditions for OET Certificates) and subject to the provisions of the definition of "Valuation Date".

The percentage comprising the Financing Rate may be revised in the sole discretion of the Calculation Agent in accordance with the provisions of **Part A §34(h)(iii)**. Investors should be aware that these modifications may have a significant effect, adverse or positive, on the price of the OET Certificates and consequently on the cash amount to be received by the investors.

The OET Certificates can also be automatically early redeemed upon the occurrence of an Automatic Early Redemption Event. An Automatic Early Redemption Event shall be deemed to occur if the Observation Price of the Underlying during the Observation Time(s) is greater than or equal to the Security Threshold (see **Part A §34(h)**).

Upon redemption at the discretion of the Issuer or upon the occurrence of an Automatic Early Redemption Event, the Holder will receive on the Redemption Date a Cash Settlement Amount equals to the excess (if any) - adjusted by Parity - of the Capitalised Exercise Price over the Final Price, as set out in definition of Cash Settlement Amount in **Part A §40(u)**. Such amount will be paid in EUR.

The OET Certificates include a leverage factor which increases the exposure to the Underlying compared to a conventional investment in the Underlying.

**The Securities are not capital-protected.** Accordingly, investors should be aware that they may sustain a partial or total loss of the purchase price of their Securities.

In respect of secondary market transactions, the price of the Securities will depend upon market conditions and may be subject to significant fluctuations.

Investment in the Securities is highly speculative, could involve significant risk and should only be considered by persons who can afford a loss of their entire investment.
