

## **BUSINESS & DECISION ANNOUNCES ITS PLAN TO SELL ITS MAIN UK SUBSIDIARY**

Paris, 13 February 2012

Business & Decision Group, the international Consulting and Systems Integration (CSI) Company, announces that it has accepted an offer from Sopra Group to acquire Business & Decision Limited, a 100% owned UK subsidiary of Business & Decision Group.

On completion of the transaction, it will allow Business & Decision to achieve dual objectives. In financial terms it will allow the Group to significantly reduce its level of debts. In strategic terms it will provide resource for investment in the development of value-added offerings, specifically industries software packages. Business & Decision will maintain a presence in the UK with the Mi-Case software package, a web solution dedicated to case management with law enforcement and government agencies, with customers in Europe and the United States. Mi-Case becomes therefore an industry software package proposed by the Group.

The proposed transactions have been approved by Business & Decision Group's Board of Directors and could be completed during the first quarter of 2012. The transactions are subject to regulatory approval and other customary closing conditions. Financial terms have not been disclosed.

Additional information will be provided at the time of publication of Business & Decision annual results, on March 29th, 2012.
