ATTESTATION DU CONTRÔLEUR SPÉCIFIQUE

RELATIVE AU
PROGRAMME D'ÉMISSIONS DE RESSOURCES PRIVILÉGIÉES
DU 1^{er} TRIMESTRE 2012

En application de l'article L. 515-30 et R. 515-13-IV
du Code monétaire et financier

Mesdames et Messieurs les administrateurs,

En notre qualité de contrôleur spécifique de Crédit Mutuel - CIC Home Loan SFH et en exécution des dispositions prévues par les articles L. 515-30 et R. 515-13 du code monétaire et financier, nous avons procédé à la vérification du respect des règles relatives au ratio de couverture prévues aux articles L. 515-20 et R. 515-7-2 du code monétaire et financier dans le cadre d'un programme trimestriel d'émissions de ressources bénéficiant du privilège mentionné à l'article L. 515-19 de ce même code.

Par décision en date du 15 décembre 2011, le conseil d'administration de la société Crédit Mutuel - CIC Home Loan SFH a fixé le plafond maximum du programme d'émissions de ressources bénéficiant du privilège institué par l'article L. 515-19 du code monétaire et financier, à 5 milliards d'euros, ou son équivalent en devises, pour la période allant du 1^{er} janvier 2012 au 31 mars 2012.

L'article L. 515-20 du code monétaire et financier dispose que le montant total des éléments d'actif de votre société doit être supérieur au montant des éléments de passif bénéficiant du privilège mentionné à l'article L. 515-19 de ce code. En outre, l'article R. 515-7-2 de ce code dispose que les sociétés de financement de l'habitat sont tenues de respecter à tout moment un ratio de couverture des ressources privilégiées par les éléments d'actifs au moins égal à 102%.

Il nous appartient d'attester du respect de ces règles dans le cadre du présent programme trimestriel d'émissions.

Le respect de ces règles, compte tenu du programme trimestriel d'émissions visé ci-dessus, a été vérifié sur la base des informations financières estimées, au titre de la période courue, et prévisionnelles, au titre de la période à venir, établies sous votre responsabilité. Les informations prévisionnelles ont été établies à partir des hypothèses traduisant la situation future que vous avez estimée la plus probable à la date de leur établissement. Ces informations sont présentées en annexe à la présente attestation.

Notre intervention a été effectuée selon la doctrine professionnelle de la Compagnie nationale des commissaires aux comptes relative à cette mission.

Nos travaux ont consisté à :

- vérifier la conformité du montant du programme trimestriel d'émissions avec le procès-verbal de l'organe délibérant autorisant ces émissions ;
- examiner le processus d'élaboration des données financières prévisionnelles tenant compte du présent programme trimestriel d'émissions, étant rappelé que, s'agissant de prévisions présentant par nature un caractère incertain, les réalisations différeront parfois de manière significative, des informations prévisionnelles établies ;
- vérifier les modalités de calcul du ratio de couverture issu de ces données prévisionnelles, telles qu'elles sont prévues par les dispositions du règlement 99-10 du CRBF et par l'instruction 2011-I-06 de l'Autorité de contrôle prudentiel ;
- vérifier le respect des règles prévues aux articles L. 515-20 et R. 515-7-2 sur la base de ces données financières prévisionnelles.

Sur la base de nos travaux, nous n'avons pas d'observation à formuler sur le respect par la société Crédit Mutuel - CIC Home Loan SFH des règles prévues aux articles L. 515-20 et R. 515-7-2 du code monétaire et financier, après prise en compte du présent programme trimestriel d'émissions.

Cette attestation est établie à votre attention et à celle de l'Autorité de contrôle prudentiel et nous n'acceptons aucune responsabilité vis-à-vis de tout autre tiers auquel cette attestation serait diffusée ou parviendrait.

Cette attestation est régie par la loi française. Les juridictions françaises ont compétence exclusive pour connaître de tout litige, réclamation ou différend pouvant résulter de notre lettre de mission ou de la présente attestation, ou de toute question s'y rapportant. English translation (for information purposes only) of the Specific Controller's certificate relating to the quarterly issuance program pursuant to Articles L. 515-30 and R. 515-13 of the French Monetary and Financial Code (*Code monétaire et financier*)

FREE TRANSLATION FROM FRENCH

To the Directors of Crédit Mutuel – CIC Home Loan SFH,

In our capacity as the Specific Controller of Crédit Mutuel – CIC Home Loan SFH and pursuant to the provisions set forth in Articles L. 515-30 and R.515-13 of the French Monetary and Financial Code (*Code monétaire et financier*), we have verified the compliance with the rules related to the cover ratio provided for in Articles L.515-20 and R.515-7-2 of the French Monetary and Financial Code (*Code monétaire et financier*) within the framework of a quarterly programme for issuing resources benefiting from the statutory priority in right of payment (*privilège*) mentioned in Article L. 515-19 of said code.

In a decision dated 15 December 2011, the Board of Directors of Crédit Mutuel – CIC Home Loan SFH set the maximum ceiling for the programme for issuing resources benefiting from the *privilège* mentioned in Article L. 515-19 of the French Monetary and Financial Code (*Code monétaire et financier*) for the first quarter of 2012, period from 1st January up to 31 March 2012, at EUR 5 billion.

Article L. 515-20 of the French Monetary and Financial Code (*Code monétaire et financier*) states that the total amount of assets held by your company must be greater than the amount of liabilities which benefit from the *privilège* mentioned in Article L. 515-19 of said code. Furthermore, Article R.515-7-2 of such code provides that *sociétés de financement de l'habitat* must at all times maintain a cover ratio of their liabilities benefiting from the statutory *privilège* equal to at least 102 per cent. of their assets.

It is our responsibility to certify the compliance with these rules within the scope of this quarterly issuance programme.

Compliance with these rules, in view of the aforementioned quarterly issuance programme, was verified on the basis of estimated financial data, in respect of the period elapsed, and forecasted financial data, in respect of the future period, drawn up under the responsibility of the Board of Directors. The forecasted financial data were drawn up on the basis of assumptions which reflect the future position that your board of directors deemed to be most likely as of the date that they were drawn up. This information is set out in an appendix to this report.

We performed our review in accordance with the standard procedures issued in the professional rules and practises of the *Compagnie Nationale des Commissaires aux Comptes* (National Association of Statutory Auditors) that are applicable to this type of assessment.

Our work consisted in:

- verifying the conformity of the amount of the quarterly issuance programme with the minutes of the Board of Directors authorizing these issuances,
- examining the process for presenting the forecasted financial data including the aforementioned quarterly issuance programme, it being specified that, as the forecasts are uncertain by nature, the actual results could differ significantly from the forecasted data presented,
- verifying the methods for calculating the forecasted cover ratio provided for in Regulation No. 99-10 of the French Banking and Financial Regulations Committee and Instruction 2011-I-06 of *Autorité de contrôle prudentiel*,
- verifying compliance with the rules set forth in Articles L.515-20 and R.515-7-2 of the French Monetary and Financial Code, based on the forecasted financial data.

Based on our work, we have no comments with respect to the compliance by Crédit Mutuel – CIC Home Loan SFH with Articles L.515-20 and R.515-7-2 of the French Monetary and Financial Code, after taking into account of the aforementioned quarterly issuance programme.

This certificate is established to your attention and to the attention of the *Autorité de contrôle prudentiel* and we shall not be liable to other third parties to which such certificate could be transmitted.

This certificate is governed by French law. French courts have exclusive jurisdiction over any claim, action or litigation which could result from our mission or this certificate, or from any question with respect thereto. Each party irrevocably waives its right to challenge an action brought in front of such courts, to pretend such action is brought in front of the wrong jurisdiction or that such courts are not competent.
