3. Upon the occurrence of an Index Adjustment Event the Calculation Agent shall in its reasonable discretion (§ 315 BGB), if necessary, adjust the method for the calculation or specification of the Redemption Amount so that the economic situation of the Certificateholders remains unchanged to the largest extent possible. Any adjustment will be made by the Calculation Agent taking into account the adjustments of the there traded Derivatives linked to the Underlying actually performed by the Determining Futures Exchange and] the remaining term of the Certificates as well as the latest available price of the Underlying. The Replacement Underlying and the performed adjustment and the time of its initial application shall be published in accordance with § 13. If a price of the Underlying published by the Index Sponsor and which is used by the Calculation Agent as the basis for the calculation or specification of the Redemption Amount is subsequently corrected and the correction (the "**Corrected Value**") is published by the Index Sponsor after the original publication, but still within one Settlement Cycle, then the Calculation Agent will notify the Issuer of the Corrected Value as soon as reasonably practicable and shall again specify and publish pursuant to § 13 the relevant value (the "**Replacement Determination**") by using the Corrected Value.

§ 7 (Market Disruption)

1. Notwithstanding the conditions of § 6 above, if a Market Disruption occurs on an observation date, the observation date will be postponed to the next following Calculation Date on which the Market Disruption no longer exists. The Reference Price required for the calculation or specification of the Redemption Amount shall be determined in accordance with prevailing market conditions around 10:00 a.m. (Munich local time) on this thirty-first Banking Day, taking into account the economic position of the Certificateholders.

If within these 30 Banking Days traded derivatives linked to the Underlying expire and are paid on the Determining Futures Exchange, the settlement price established by the Determining Futures Exchange for the there traded Derivatives will be taken into account in calculating or specifying the Redemption Amount. A restriction of the trading hours or the number of days on which trading takes place on the Relevant Exchange or, as the case may be, the Determining Futures Exchange, does not constitute a Market Disruption provided that the restriction is due to a prior announced change in the rules of the Relevant Exchange.

2. Any such substitution shall be notified in accordance with § 13.
3. In the event of any such substitution, any reference in these Terms and Conditions to the Issuer shall from then on be deemed to refer to the New Issuer. Furthermore, any reference to the country, in which the Issuer is domiciled or resident for taxation purposes shall from then on be deemed to refer to the country of domicile or residence for taxation purposes of the New Issuer.

§ 13 (Notices)

1. To the extent these Terms and Conditions provide for a notice pursuant to this § 13, these will be published on the web page www.bourse.unicreditmib.fr (or another web page communicated by the Issuer with at least six weeks advance notice in accordance with these provisions) and become effective vis-à-vis the Certificateholders through such publication unless the notice provides for a later effective date. If and to the extent that binding provisions of effective law or stock exchange provisions provide for other forms of publication, such publications must be made in addition and as provided for.
2. Other publications with regard to the Certificates are published at www.onemarkets.de (or any replacement page).

§ 14 (Repurchase)

The Issuer shall be entitled at any time to purchase Certificates in the market or otherwise and at any price. Certificates repurchased by the Issuer may, at the Issuer's discretion, be held, resold or forwarded to the Principal Paying Agent for cancellation.

§ 15 (Presentation Period)

The presentation period provided in § 801 paragraph (1) sentence 1 of the German Civil Code (*BGB*) is reduced to ten years for the Certificates.

§ 16 (Partial Invalidity, Corrections)

1. Should any provision of these Terms and Conditions of the Certificates be or become invalid or unenforceable in whole or in part, the remaining provisions are not affected thereby. Any gap arising as a result of invalidity or unenforceability of these Terms and Conditions of the Certificates is to be filled with a provision that corresponds to the meaning and intent of these Terms and Conditions of the Certificates and is in the interest of the parties.

2. Obvious typing and calculation errors or similar obvious errors in the Terms and Conditions entitle the Issuer to contestation vis-à-vis the Certificateholders. The contestation must be declared promptly upon obtaining knowledge of such cause for contestation in accordance with § 13. Following such contestation by the Issuer, the Certificateholder can order his Custodian to submit a duly completed redemption declaration to the Principal Paying Agent on a form available there and by giving all information and declarations required by the form (the "**Redemption Declaration**") and demand the refunding of the Acquisition Price against transfer of the Certificates to the account of the Principal Paying Agent with the Clearing System. The Issuer will until at the latest 30 calendar days after receipt of the of the Redemption Declaration as well as the Certificates by the Principal Paying Agent (whatever is the later date) make the Acquisition Price available to the Principal Paying Agent, which will transfer it to the account listed in the Redemption Declaration. With the payment of the Acquisition Price all rights deriving from the submitted Certificates cease to exist.
3. The Issuer may combine the Redemption Declaration pursuant to paragraph (2) above with an offer to continue the Certificates under amended Terms and Conditions. The Certificateholders will be informed of such an offer as well as the amended provisions in accordance with § 13. Such an offer is deemed accepted by the Certificateholder (with the effect that the consequences of the contestation do not become effective) if the Certificateholder does not within four weeks after the offer becoming effective pursuant to § 13 demand the repayment of the Acquisition Price by submitting a duly completed Redemption Declaration via his Custodian to the Principal Paying Agent and transferring the Certificates to the account of Principal Paying Agent with the Clearing System in accordance with paragraph (2) above. The Issuer will refer to this effect in the notice.
4. As used in paragraphs (2) and (3) above, the "**Acquisition Price**" is the actual acquisition price paid by each Certificateholder (as stated and confirmed in the Redemption Declaration) or the arithmetic mean of the trading prices of the Certificates, as determined by the Issuer in its reasonable discretion (§ 315 BGB), on the Banking Day preceding the declaration of contestation pursuant to paragraph (2) above, respectively, depending on which of these amounts is the higher one. If a Market Disruption pursuant to § 7 exists on the Banking Day preceding the declaration of contestation pursuant to paragraph (2) above, the last Banking Day preceding the contestation pursuant to paragraph (2) above on which no Market Disruption existed shall be decisive for the determination of the price in accordance with the preceding sentence.
5. The Issuer is entitled to correct or supplement incomplete provisions in the Terms and Conditions in its reasonable discretion (§ 315 BGB). Only corrections and supplementations that are reasonable with regard to the interests of the Issuer and the Certificateholders and that in particular do not materially impair the legal and financial situation of the Certificateholders will be permitted. The Certificateholders will be informed of such corrections and supplementations pursuant to § 13.
6. If the Certificateholder was aware of typing or calculation errors or similar errors in the Terms and Conditions when purchasing the Certificates, the Issuer is entitled to adhere to the Terms and Conditions amended accordingly irrespective of paragraphs (2) to (5) above.

§ 17 (Applicable Law, Place of Performance, Place of Jurisdiction)

1. The Certificates, as to form and content, and all rights and obligations of the Issuer and the Certificateholder shall be governed by the laws of the Federal Republic of Germany.
2. Place of performance is Munich.
3. To the extent permitted by law, all legal disputes arising from or in connection with the matters governed by the terms and conditions of these Certificates shall be brought before the court in Munich.
