### 1. LISTING AND ADMISSION TO TRADING

- (i) Listing and admission to trading: Application has been made by the Issuer (or on its behalf) for the Notes to be admitted to listing on the official list and to trading on the Luxembourg Stock Exchange with effect from 26 September 2012.
- (ii) Estimates of total expenses related to admission to trading: Minimum EUR 2,290 for a Principal Amount of minimum NOK 200,000,000.

### 2. RATINGS

Ratings: The Guarantor has been rated by the following credit rating agencies:

S & P: AA- (Negative Outlook)

Moody's: A2 (Stable Outlook)

Fitch: A (Stable Outlook)

Each of S&P, Moody's and Fitch is established and operating in the European Community and registered under the CRA Regulation, as set out within the list of registered CRAs dated 6 January 2012<sup>1</sup> by ESMA (<http://esma.europa.eu/page/List-registered-and-certified-CRAs>).

For the purposes of the above, "**S&P**" means Standard & Poor's Ratings Services, a Division of the McGraw Hill Companies Inc., "**Moody's**" means Moody's Investors Service Limited, "**Fitch**" means Fitch Ratings Ltd, and "**CRA Regulation**" means Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 on credit rating agencies.

#### **S&P: AA-**

**AA:** An obligation rated 'AA' differs from the highest-rated obligations only in small degree. The obligor's capacity to meet its financial commitment on the obligation is very strong. The ratings may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the major rating categories.

Outlook **negative** means a rating may be lowered

#### **Moody's: A2:**

**A :** Obligations rated A are considered upper-medium grade and are subject to low credit risk. Moody's appends numerical modifiers 1, 2, and 3 to each generic rating classification from Aa through Caa. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category; the modifier 2 indicates a mid-range ranking; and the modifier 3 indicates a ranking in the lower end of that generic rating category.

Outlook **stable** means that the rating is not likely to change.

#### **Fitch: A :**

##### **A: High credit quality.**

'A' ratings denote expectations of low default risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings.

---

<sup>1</sup> Update to make reference to the latest available list of rating agencies registered under the CRA Regulation on the ESMA website.

The modifiers “+” or “-” may be appended to a rating to denote relative status within major rating categories.

**Rating Outlooks** indicate the direction a rating is likely to move over a one- to two-year period. They reflect financial or other trends that have not yet reached the level that would trigger a rating action, but which may do so if such trends continue. The majority of Outlooks are generally **Stable**, which is consistent with the historical migration experience of ratings over a one- to two-year period.

the above mentioned ratings are the credit ratings assigned to the Programme: Yes

the above mentioned ratings are specific credit ratings only assigned to this Tranche of Notes: No

## 11. TERMS AND CONDITIONS OF THE OFFER

(i) Offer Price:

The investors who are not Qualified Investors (as defined in the Prospectus Law) will pay the Issue Price.

The Qualified Investors will pay the Issue Price of the Principal Amount of Notes they have purchased less a discount or plus a margin, such resulting price being subject to change during the Offer Period based among others on

(i) the evolution of the credit quality of the Issuer (credit spread),

(ii) the evolution of interest rates,

(iii) the success (or lack of success) of the placement of the Notes, and

(iv) the amount of Notes purchased by an investor,

each as determined by the Dealer in its sole discretion.

(ii) Conditions to which the offer is subject:

The Issuer and the Guarantor reserve the right to withdraw the present offer, if the minimum amount is not placed or if there are market or other disruptions not enabling a smooth placement or/and settlement of the Notes, as determined by the Issuer or the Guarantor in its sole discretion.

Moreover, the offer of the Notes is subject to the following conditions:

- there has been no such a change in national or international financial, political or economic conditions or currency exchange rates or exchange controls as would in the view of the Issuer or the Dealer be likely to prejudice materially the success of the offering and distribution of the Notes or dealings in the Notes in the secondary market; and

- there has been no adverse change, financial or otherwise in the condition or general affairs of the Issuer and/or the Guarantor as determined by the Dealer in its sole discretion.

(iii) Description of the application process:

An offer to the public will be made in Belgium, the Grand Duchy of Luxembourg, Austria, Germany, France and the Netherlands. Investors can subscribe to the Notes in any BNP Paribas Fortis branch in Belgium or in any subsidiary of BNP Paribas Fortis in the Grand Duchy of Luxembourg during the Offer Period.

After having read the entire Prospectus and, on the basis of this, among other things, having decided to subscribe to the Bonds, the investors can subscribe to the Bonds via the branches of the following distributor appointed by the Issuer, using the subscription form provided by the distributor (if any): Fortis Bank NV/SA (acting under the commercial name of BNP Paribas Fortis) and BGL BNP Paribas.

The applications can also be submitted via agents or any other financial intermediaries in Belgium, the Grand Duchy of Luxembourg, Austria, Germany, France and the

Netherlands. In this case, the investors must obtain information concerning the commission fees that the financial intermediaries can charge and shall instruct such agent or intermediary to liaise with the Dealer in order to book the subscriptions. These commission fees (if any) will be charged to the investors beside any commission mentioned in these Final Terms.

Prospective investors seeking to purchase Bonds in the Public Offering Jurisdictions are advised to contact their bank, broker or other financial adviser for further details regarding the manner, including associated costs, in which purchase orders for the Bonds are to be processed.

- (iv) Description of possibility to reduce subscriptions and manner for refunding excess amount paid by applicants:

In case of early termination of the subscription period due to oversubscription or to changes in market conditions as determined by the Dealer or the Issuer in its sole discretion, allotment of the Notes will be made based on objective allotment criteria according to which the subscriptions will be served in the chronological order of their receipt by the Dealer and, if required, the last subscriptions will be reduced proportionately in order to correspond with the total amount of Notes that will be issued. Any payments made in connection with the subscription of Notes and not allotted will be redeemed within 7 Brussels Business Days (i.e., days on which banks are open for general business in Brussels) after the date of payment and the holders thereof shall not be entitled to any interest in respect of such payments.

By subscribing to or otherwise acquiring the Notes, the holders of the Notes are deemed to have knowledge of all the Terms and Conditions of the Notes and to accept the said Terms and Conditions.

- (v) Details of the minimum and/or maximum amount of application:

Total amount of the offer:

Minimum NOK 200,000,000 based on the need of the Issuer and on the demand from the investors.

The criteria in accordance with which the final aggregate nominal amount of the Notes will be determined by the Issuer are the following: (i) the funding needs of the Issuer, which could evolve during the Subscription Period for the Notes, (ii) the levels of the interest rates and the credit spread of the Issuer and of the Guarantor on a daily basis, (iii) the level of demand from investors for the Notes as observed by the Dealer on a daily basis, (iv) the occurrence or not of certain events during the Subscription Period of the Bonds giving the possibility to the Issuer and/or the Dealer to early terminate the Subscription Period or not to proceed with the offer and the issue in accordance with section "Conditions to which the offer is subject" and (v) the fact that the Notes, if issued, will have a minimum aggregate amount of NOK 200,000,000.

The final aggregate nominal amount shall be published as soon as possible after the end (or the early closing) of the Subscription Period on the following website [www.bnpparibasfortis.be/emissions](http://www.bnpparibasfortis.be/emissions)

Minimum subscription amount per investor: NOK 10,000.

Nevertheless, the Issuer reserves the right to modify the total nominal amount of the Notes to which investors can subscribe, to close earlier the subscription period and to cancel the planned issue, being understood that in the later case no Notes will be issued. Such an event will be published in the same way the Final Terms and the Base Prospectus will be published in relation to the Notes and, in case of Notes which are admitted to listing on the official list and to trading on the regulated market of the Luxembourg Stock Exchange (so long as such Notes are admitted to listing on the official list and to trading on the regulated market of the Luxembourg Stock Exchange and the rules and regulations of that exchange so require), on the website of the Luxembourg Stock Exchange.
