The Securities are Open End Turbo BEST Certificates (**OET Call Certificates** or **OET Put Certificates** and together, the **OET Certificates**) relate to EUR/USD and denominated in EUR.

The OET Certificates are undated Securities and may be redeemed at a date designated as such by the Issuer, in its sole discretion and notified to the Holders in accordance with Annex 14 (Additional Terms and Conditions for OET Certificates).

The percentage comprising the Financing Rate may be revised in the sole discretion of the Calculation Agent in accordance with the provisions of **Part A §34(f)**. Investors should be aware that these modifications may have a significant effect, adverse or positive, on the price of the OET Certificates and consequently on the cash amount to be received by the investors.

Upon redemption at the discretion of the Issuer, the Holder will receive on the Redemption Date a Cash Settlement Amount equals to the excess (if any) - adjusted by Parity and adjusted by the Conversion Rate - of the Final Price over the Capitalised Exercise Price in respect of a OET Call Certificates, or the excess (if any) - adjusted by Parity and adjusted by the Conversion Rate - of the Capitalised Exercise Price over the Final Price in respect of a OET Put Certificates. In these circumstances and because the Security Threshold is equal to the Capitalised Exercise Price, the OET Certificates will automatically expire worthless and the Cash Settlement Amount will be equal to zero.

The OET Certificates include a leverage factor which increases the exposure to the Underlying compared to a conventional investment in the relevant Underlying.

The Securities are not capital-protected and, accordingly, investors should be aware that they may sustain a partial or total loss of the purchase price of their Securities.

In respect of secondary market transactions, the price of the Securities will depend upon market conditions and may be subject to significant fluctuations.
