Final Terms
dated 4 June 2013

with respect to the

Base Prospectus
dated 27 June 2012

relating to

**Structured Certificates
("Capped Certificates")
relating to the
DAX[®] Index***

to be publicly offered in the French Republic and the Italian Republic and
to be admitted to trading on Euronext Paris S.A.

COMMERZBANK 

* "DAX[®]" is a registered trademark of Deutsche Börse AG. The financial instrument described herein is neither sponsored nor promoted, distributed or in any other manner supported by Deutsche Börse AG.

In addition to the information relevant to individual issues, these Final Terms repeat some of the information set out in the Base Prospectus dated 27 June 2012 regarding the Certificates where the Issuer deems such information necessary in order to satisfy the investor's need for information in relation to the respective issue of Certificates.

RISK FACTORS

The purchase of certificates (the "**Certificates**") is associated with certain risks. The information set forth hereinafter merely describes the major risks that are associated with an investment in the Certificates in the Issuer's opinion. In this regard, however, **the Issuer expressly points out that the description of the risks associated with an investment in the Certificates does not purport to be exhaustive.**

In addition, the order in which such risks are presented does not indicate the extent of their potential commercial effects in the event that they are realised, or the likelihood of their realisation. The realisation of one or more of said risks may adversely affect the assets, finances and profits of Commerzbank Aktiengesellschaft or the value of the Certificates themselves.

Moreover, additional risks that are not known at the date of preparation of the Base Prospectus and these Final Terms or currently believed to be immaterial could likewise have an adverse effect on the value of the Certificates.

The occurrence of one or more of the risks disclosed in the Base Prospectus, any supplement and/or these Final Terms or any additional risks may lead to a material and sustained loss and, depending on the structure of the Certificate, even result in the partial loss or even **total loss** of the investor's capital.

Investors should purchase the Certificates only if they are able to bear the risk of losing the capital invested, including any transaction costs incurred.

Potential investors in the Certificates must in each case determine the suitability of the relevant investment in light of their own personal and financial situation. In particular, potential investors should in each case:

- have sufficient knowledge and experience to make a meaningful evaluation of the Certificates, the merits and risks of investing in the Certificates and/or the information contained or incorporated by reference in the Base Prospectus or any applicable supplement and all the information contained in these Final Terms;
- have sufficient financial resources and liquidity to bear all of the risks associated with an investment in the Certificates;
- understand thoroughly the Terms and Conditions pertaining to the Certificates (the "**Terms and Conditions**") and be familiar with the behaviour of any relevant underlier and the financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect the value of their investment and be able to bear the associated risks.

These risk warnings do not substitute advice by the investor's bank or by the investor's legal, business or tax advisers, which should in any event be obtained by the investor in order to be able to assess the consequences of an investment in the Certificates. Investment decisions should not be made solely on the basis of the risk warnings set out in the Base Prospectus, any supplement and/or these Final Terms since such information cannot serve as a substitute for individual advice and information which is tailored to the requirements, objectives, experience, knowledge and circumstances of the investor concerned.

The Certificates are subject to - potentially major - price fluctuations and may involve the risk of a **complete or partial loss** of the invested capital (including any costs incurred in connection with the

purchase of the Certificates). Since, in the case of Certificates, the Redemption Amount is linked to an underlier (share, index, commodity (e.g. precious metals), futures contract, bond, currency exchange rate, interest rate, fund, a basket or an index that is composed of any of the aforementioned values, commodities or rates, or to one or more formulae ("**Structured Certificates**"), Certificates are investments that might not be suitable for all investors.

The Certificates may have complex structures, which the investor might not fully understand. The investor might therefore underestimate the actual risk that is associated with a purchase of the Certificates. Therefore, potential investors should study carefully the risks associated with an investment in the Certificates (with regard to the Issuer, the type of Certificates and/or the underlier, as applicable), as well as any other information contained in the Base Prospectus, any supplements thereto as well as these Final Terms, and possibly consult their personal (including tax) advisors. Prior to purchasing Certificates, potential investors should ensure that they fully understand the mechanics of the relevant Certificates and that they are able to assess and bear the risk of a **(total)** loss of their investment. Prospective purchasers of Certificates should in each case consider carefully whether the Certificates are suitable for them in the light of their individual circumstances and financial position.

It is possible that the performance of the Certificates is adversely affected by several risk factors at the same time. The Issuer, however, is unable to make any reliable prediction on such combined effects.

Other general risks associated with the purchase of the Certificates (such as factors influencing the price of the Certificates at the time of issue and in the secondary market, conflicts of interest, hedging risks, interest rate and inflationary risks, as well as currency risks) are set out in the detailed provisions of the Base Prospectus dated 27 June 2012.

Special risks relating to Structured Certificates ("Capped Certificates")

- **General**

Structured Certificates ("Capped Certificates") will grant the investor the right to receive the payment of a Redemption Amount on the Maturity Date. The Redemption Amount shall be determined in accordance with the following provisions:

- (a) if on the Valuation Date the Reference Price of the Index is above the Upper Barrier, the Redemption Amount shall be equal to the Maximum Amount; or
- (b) if on the Valuation Date the Reference Price of the Index is (i) equal to or below the Upper Barrier and (ii) is equal to or above the Lower Barrier, the Redemption Amount shall be equal to the amount by which the Reference Price of the Index on the Valuation Date exceeds the Lower Barrier, multiplied by the Multiplier.

In all other cases the Redemption Amount shall be EUR 0 (zero).

In addition, investors should pay particular attention to the following points:

- **Loss risks**

Under no circumstances the investor will receive a payment which exceeds the Maximum Amount.

The holder of the Certificates will suffer a loss if the Reference Price of the Index on the Valuation Date is below the Lower Barrier. **In this case, the Certificateholder will incur a loss that will correspond to the full purchase price paid for the Certificate (total loss).**

In addition, any economic considerations regarding an investment in the Certificates must also take into account the costs associated with their purchase or sale.

- **Adjustments and termination by the Issuer**

In accordance with the Terms and Conditions, the Issuer will in some cases be entitled to perform adjustments with regard to the aforesaid Terms and Conditions or to terminate or call for early redemption of the Certificates if certain conditions are met. These conditions are described in the relevant Terms and Conditions.

Any adjustment of the Terms and Conditions may have a negative effect on the value of the Certificates as well as the Redemption Amount to be claimed by the investor.

If the Certificates are terminated, the amount payable to the holders of the Certificates may be lower than the amount the holders of the Certificates would have received without such termination. The termination amount per Certificate (the "**Termination Amount**") shall be calculated by the Issuer in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)) by taking into account applicable market conditions and any proceeds realised by the Issuer in connection with transactions concluded by it in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)) for hedging measures in relation to the assumption and fulfilment of its obligations under the Certificates (the "**Hedging Transactions**"). Expenses for transactions that were required for winding up the Hedging Transactions will be taken into account as deductible items.

- **No interest payments or other distributions**

The Certificates do not provide for periodic interest payments or other distributions during their term. Investors should be aware that the Certificates will not generate any current income. Possible losses in relation to the value of the Certificates can therefore not be compensated by any other income from the Certificates

- **Redemption only upon maturity; sale of the Certificates**

It is a feature of the Certificates that, except in the case of a Termination of the Certificates by the Issuer (§ 6 of the Terms and Conditions), an automatic payment of the Redemption Amount to the Certificateholders is foreseen only on the Maturity Date stipulated in the Terms and Conditions.

Prior to the Maturity Date, the economic value represented by the Certificates may be realised only by way of a sale of the Certificates. A sale of the Certificates, however, is contingent upon the availability of market participants who are prepared to purchase the Certificates at a corresponding price. If no such market participants are available, it may not be possible to realise the value of the Certificates. In particular, investors cannot expect that there will be a liquid market for the Certificates under all circumstances and therefore, they also cannot expect that the assets invested in the Certificates may be realised at any time by way of a sale of the Certificates. For that reason, investors should be prepared to hold the Certificates until the Maturity Date.

- **Certificates are unsecured obligations (Status)**

The obligations under the Certificates constitute direct and unconditional obligations of the Issuer that are not subject to a real charge (*nicht dinglich besichert*) and, unless otherwise provided by applicable law, rank at least pari passu with all other unsubordinated obligations of the Issuer that are not subject to a real charge. They are neither secured by the Deposit Protection Fund of the Association of German Banks (*Einlagensicherungsfonds des Bundesverbandes deutscher Banken e.V.*) nor by the German Deposit Guarantee and Investor Compensation Act (*Einlagensicherungs- und Anlegerentschädigungsgesetz*).

This means that the investor bears the risk that the Issuer's financial situation may worsen - and that the Issuer may be subjected to a reorganisation proceeding (*Reorganisationverfahren*) or transfer order (*Übertragungsanordnung*) under German bank restructuring law or that insolvency proceedings might be instituted with regard to its assets - and therefore payments due under the Certificates can not or only partially be done. **Under these circumstances, a total loss of the investor's capital might be possible.**

The Issuer may enter into hedging transactions in the relevant Underlier, but is under no obligation to do so. If hedging transactions are entered into, they shall exclusively be to the benefit of the Issuer, and the investors shall have no entitlement whatsoever to the Underlier or with respect to the hedging transaction. Hedging transactions entered into by the Issuer shall not give rise to any legal relationship between the investors and the party responsible for the Underlier.

- **Risk factors relating to the Underlier**

The value of a Certificate's Underlier depends upon a number of factors that may be interconnected. These may include economic, financial and political events beyond the Issuer's control.

The past performance of an Underlier should not be regarded as an indicator of its future performance during the term of the Certificates.

Certificates that are linked to one or several indices involve, in particular, the following risks:

Dependency on the value of the index components

The value of an index is calculated on the basis of the value of its components. Changes in the prices of index components, the composition of an index as well as factors that (may) influence the value of the index components also influence the value of the Certificates that relate to the relevant index and can thus influence the yield from an investment in the relevant Certificates. Fluctuations in the value of one index component may be compensated or aggravated by fluctuations in the value of other index components. The past performance of an index does not represent any guarantee of its future performance. Under certain circumstances, an index used as an Underlier may (i) not be available for the full term of the Certificates, (ii) be substituted or (iii) continue to be calculated by the Issuer itself. In these or other cases mentioned in the Terms and Conditions, Certificates may also be terminated by the Issuer.

An index may reflect the performance of assets of some countries or some industries only. In that case, investors are exposed to a concentration risk. In the event of an unfavourable economic development in a country or in relation to a particular industry, investors may be adversely affected. If several countries or industries are represented in an index, it is possible that the countries and/or the industries contained in the relevant index are weighted unevenly. This means that, in the event of an unfavourable development in one country or industry with a high index weighting, the value of the index may be affected disproportionately by this adverse development.

Investors should note that the selection of an index is not based on the expectations or estimates of the Issuer in respect of the future performance of the selected index. Investors should therefore make their own estimates in respect of the future performance of an index on the basis of their own knowledge and sources of information.

Price index – dividends are not taken into account

The index referred to in the relevant Terms and Conditions may be a price index. Unlike in the case of performance indices, dividend distributions in relation to the shares contained in price indices will result in a reduction of the index level. This means that investors will not participate in dividends or other distributions in relation to shares contained in price indices.

No influence of the Issuer

As a general rule, the Issuer has no influence on the composition and performance of an index underlying a Certificate or the performance of the relevant index components, unless the Issuer and the index sponsor are identical.

No liability of the index sponsor

If the Certificates relate to an index that is not calculated by the Issuer, the issue, marketing and distribution of the Certificates will normally not be supported by the relevant index sponsor. In that regard, the relevant index is composed and calculated by the respective index sponsor without taking into account the interests of the Issuer or the holders of the Certificates. In that case, the index sponsors do not assume any obligation or liability in respect of the issue, sale and/or trading of the Certificates.

No recognised financial indices, no independent third party

The Certificates may relate to one or more indices which are not recognised financial indices but indices that have been specially created for the issuance of the relevant Certificate. The index sponsors of such indices might not be independent from the Issuer and may thus favour the interests of the Issuer over the interests of the holders of the Certificates.

Currency risks

The prices of the index components may be expressed in a currency (e.g. USD) that is different from the currency in which the Certificates were issued (e.g. EUR). In that case, the Redemption Amount of the Certificates and their value during their term may not only depend on the performance of the Underlier, but also on the development of the exchange rates of one or more foreign currencies against the currency of issue.

Index fees

Certain fees, costs, commissions or other composition and calculation charges may be deducted when calculating the value of an index. As a result, the performance of the individual index components is not acknowledged in full when calculating the performance of the respective index, but instead the performance is reduced by the amount of such fees, costs, commissions and other charges, which may to some extent erode any positive performance displayed by the individual components. It should also be noted that such costs may well also be incurred if the index returns negative performance, which will reinforce the negative performance even further.

Index composition publication

The composition of the indices may have to be published on a website or in other media mentioned in the terms and conditions. The publication of the updated composition of the respective index on the website of the relevant index sponsor might, however, be delayed considerably, sometimes even by several months. In those cases, the published composition may not always correspond to the actual composition of the relevant index.

Influence of the Underlier on the Securities

Structured Certificates ("Capped Certificates") will grant the investor the right to receive the payment of a Redemption Amount on the Maturity Date. The Redemption Amount shall be determined in accordance with the following provisions:

- (a) if on the Valuation Date the Reference Price of the Index is above the Upper Barrier, the Redemption Amount shall be equal to the Maximum Amount; or
- (b) if on the Valuation Date the Reference Price of the Index is (i) equal to or below the Upper Barrier and (ii) is equal to or above the Lower Barrier, the Redemption Amount shall be equal to the amount by which the Reference Price of the Index on the Valuation Date exceeds the Lower Barrier, multiplied by the Multiplier.

In all other cases the Redemption Amount shall be EUR 0 (zero).

TAXATION

All present and future taxes, fees or other duties in connection with the Certificates shall be borne and paid by the holders of the Certificates. The Issuer is entitled to withhold from payments to be made under the Certificates any taxes, fees and/or duties payable by the holders of the Certificates in accordance with the previous sentence.

Taxation in the Federal Republic of Germany

Currently, there is no legal obligation for the Issuer (acting as issuer of the Certificates and not as disbursing agent (*auszahlende Stelle*) as defined under German tax law) to deduct or withhold any German withholding tax (*Quellensteuer*) from payments of interest, principal and gains from the disposition, redemption or settlement of the Certificates or on any ongoing payments to the holder of any Certificates. Further, income and capital gains derived from particular issues of Certificates can be subject to German income tax (*Einkommensteuer*). All tax implications can be subject to alteration due to future law changes.

Prospective investors are advised to consult their own advisors as to the tax consequences of an investment in the Certificates, also taking into account the rules on taxation in the investor's country of residence or deemed residence.

Taxation in the Italian Republic

The following is a general discussion of certain Italian tax consequences of the acquisition, holding and disposing of Warrants. However, each series of Warrants may be subject to a different tax treatment due to the specific terms of such series as set out in the respective Final Terms. The following summary, therefore, does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Warrants and does not consider any specific facts or circumstances that may apply to a particular investor.

This summary regarding taxation is based on the laws of Italy currently in force and as applied in January 2013, which are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. Prospective Holders of Warrants are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Warrants.

Income Taxation

Warrants and other securitised derivatives are subject to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended,

where the Italian resident Warranholder is (i) an individual not engaged in an entrepreneurial activity to which the Securities are connected, (ii) a non-commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains realised upon sale or exercise of the Securities are subject to a 20 per cent. substitute tax (*imposta sostitutiva*).

The recipient may opt for three different taxation criteria:

- (a) Under the tax declaration regime (*regime della dichiarazione*), which is the default regime for Italian resident individuals not engaged in an entrepreneurial activity to which the Warrants are connected, the *imposta sostitutiva* on capital gains will be chargeable, on a cumulative basis, on all capital gains, net of any incurred capital loss, realised by the Italian resident individual holding the Warrants not in connection with an entrepreneurial activity pursuant to all sales or redemptions of the Warrants carried out during any given tax year. Italian resident individuals holding the Warrants not in connection with an entrepreneurial activity must indicate the overall capital gains realised in any tax year, net of any relevant incurred capital loss, in the annual tax return and pay *imposta sostitutiva* on such gains together with any balance income tax due for such year. Capital losses in excess of capital gains may be carried forward against capital gains realised in any of the four succeeding tax years. Carried forward capital losses in excess of capital gains realised prior to 1 January 2012 may be used against capital gains realised in any of the four succeeding tax years limited to 62.5 per cent of their amount.
- (b) As an alternative to the tax declaration regime, Italian resident individuals holding the Warrants not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Warrants (the "*risparmio amministrato*" regime). Such separate taxation of capital gains is allowed subject to: (i) the Warrants being deposited with Italian banks, SIMs or certain authorised financial intermediaries; and (ii) an express election for the *risparmio amministrato* regime being timely made in writing by the relevant Warranholder. The depository is responsible for accounting for *imposta sostitutiva* in respect of capital gains realised on each sale or redemption of the Warrant (as well as in respect of capital gains realised upon the revocation of its mandate), net of any incurred capital loss, and is required to pay the relevant amount to the Italian tax authorities on behalf of the taxpayer, deducting a corresponding amount from the proceeds to be credited to the Warranholder or using funds provided by the Warranholder for this purpose. Under the *risparmio amministrato* regime, where a sale or redemption of the Warrants results in a capital loss, such loss may be deducted from capital gains subsequently realised, within the same securities management, in the same tax year or in the following tax years up to the fourth. Capital losses realised prior to 1 January 2012 may be carried forward against capital gains realised after such date within the same securities management, according to the same conditions above described, limited to 62.5 per cent. of their amount. Under the *risparmio amministrato* regime, the Warranholder is not required to declare the capital gains in the annual tax return.
- (c) Any capital gains realised by Italian resident individuals holding the Warrants not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Warrants, to an authorised intermediary and have opted for the so-called "*risparmio gestito*" regime will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 20 per cent substitute tax, to be paid by the managing authorised intermediary. Under this *risparmio gestito* regime, any decrease in value of the managed assets accrued at year end may be carried forward against increase in value of the managed assets accrued in any of the four succeeding tax years. Any decrease in value of the managed assets accrued until 31 December 2011 may be carried forward against increase in value of the managed assets accrued after such date limited to 62.5 per cent. of their amount. Under the *risparmio gestito* regime, the Warranholder is not required to declare the capital gains realised in the annual tax return.

Where an Italian resident Warranholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Warrants are effectively connected, income arising from the Warrants will not be subject to *imposta sostitutiva*, but must be

included in the relevant Warrantholder's income tax return and are therefore subject to Italian corporate tax.

Income realised by non-Italian resident Warrantholders is not subject to Italian taxation, provided that the Warrants are held outside of Italy.

Payments made by a non-resident guarantor (if applicable)

With respect to payments made to Italian resident Warrantholders by a non-Italian resident Guarantor (if applicable), in accordance with one interpretation of Italian tax law, any such payment made by the non-Italian resident Guarantor could be treated, in certain circumstances, as a payment made by the relevant Issuer and would thus be subject to the tax regime described in the previous paragraphs.

Stamp Duty

Pursuant to Article 19(1) of Decree No. 201 of 6 December 2011, a proportional stamp duty applies on an annual basis to the periodic reporting communications sent by financial intermediaries to their clients for the securities deposited therewith. The stamp duty applies at a rate of 0.1 per cent for year 2012 and at 0.15 per cent for subsequent years; this stamp duty is determined on the basis of the market value or – if no market value figure is available – the nominal value or redemption amount of the securities held. The stamp duty can be no lower than EUR 34.20 and, for the year 2012 only, it cannot exceed EUR 1,200. Starting from year 2013 and with exclusive reference to corporate holders of securities, the stamp duty cannot exceed the EUR 4,500.

According to the current interpretation of the law, the stamp duty applies both to Italian resident and non-Italian resident Warrantholders, to the extent that the Warrants are held with an Italian based financial intermediary.

Wealth tax on securities deposited abroad

Pursuant to Article 19(18) of Decree 201, Italian resident individuals holding the Warrants outside the Italian territory are required to pay an additional tax at a rate of 0.1 per cent for 2011 and 2012, and at 0.15 per cent for subsequent years.

This tax is calculated on the market value of the Warrants at the end of the relevant year or – if no market value figure is available – the nominal value or the redemption value of such financial assets held outside the Italian territory. Taxpayers are entitled to an Italian tax credit equivalent to the amount of wealth taxes paid in the State where the financial assets are held (up to an amount equal to the Italian wealth tax due).

Tax monitoring

Pursuant to Law Decree No. 167 of 28 June 1990, converted by Law No. 227 of 4 August, 1990, as amended, individuals resident in Italy who, at the end of the fiscal year, hold investments abroad or have financial activities abroad must, in certain circumstances, disclose the aforesaid and related transactions to the Italian tax authorities in their income tax return (or, in case the income tax return is not due, in a proper form that must be filed within the same time as prescribed for the income tax return). Such obligation is not provided if, inter alia, each of the overall value of the foreign investments or financial activities held at the end of the fiscal year, and the overall value of the related transfers carried out during the relevant fiscal year, does not exceed EUR 10,000.

Transfer taxes

Article 37 of Law Decree No 248 of 31 December 2007, converted into Law No. 31 of 28 February 2008, published on the Italian Official Gazette No. 51 of 29 February 2008, has abolished the Italian transfer tax, provided for by Royal Decree No. 3278 of 30 December 1923, as amended and supplemented by the Legislative Decree No. 435 of 21 November 1997.

Following the repeal of the Italian transfer tax, as from 31 December 2007 contracts relating to the transfer of securities are subject to the registration tax as follows: (i) public deeds and notarised deeds

are subject to fixed registration tax at rate of EUR 168; (ii) private deeds are subject to registration tax only if a case of use occurs or in case of voluntary registration.

Financial Transaction Tax

Pursuant to Article 1, para. 491 and followings of Law No. 228 of 24 December 2012, the Italian Parliament introduced a financial transaction tax ("**FTT**") which applies to (a) the transfer of ownership of shares and other participating securities issued by Italian resident companies or of financial instruments representing the just mentioned shares and/or participating securities (irrespective of whether issued by Italian resident issuers or not) (the "**Relevant Securities**"), (b) transactions on financial derivatives (i) the main underlying assets of which are the Relevant Securities, or (ii) whose value depends mainly on one or more Relevant Securities, as well as to (c) any transactions on the securities (as set forth by article 1, paragraph 1-bis, letters c) and d), of the Legislative Decree No. 58 of 24 February 1998) (iii) which allow to mainly purchase or sell one or more Relevant Securities or (iv) implying a cash payment determined with main reference to one or more Relevant Securities.

Warrants are expressly included in the scope of application of the FTT if they meet the requirements set out above.

With specific reference to the transactions on securitised derivatives on the Relevant Securities (such as the warrants) the FTT is due, as of 1 July 2013, regardless of the tax residence of the parties and/or where the transaction is executed.

The FTT is levied at a fixed amount that varies depending on the nature of the relevant instrument and the notional value of the transaction, and ranges between EUR 18.75 and EUR 200,000 per transaction. The amount of FTT payable is reduced to 1/5 of the standard rate in case the transaction is performed on regulated markets or multilateral trading facilities of an EU Member State and of the SEE, included in the so-called *white list* to be set out by a to-be-issued Ministerial Decree pursuant to Article 168-bis of Presidential Decree No. 917 of 22 December 1986 (for the time being reference shall be made to countries not qualifying as *black list* countries for Italian tax purposes).

In the case of physical settlement, the FTT is also due upon transfer of ownership rights of the underlying Relevant Securities.

The FTT on derivatives is due by each of the parties to the transactions. The FTT is not applied where one of the parties to the transaction is the European Union, the BCE, central banks of the EU Member States, foreign Central Banks or entities which manage the official reserves of a foreign State, or international bodies or entities set up in accordance with international agreements which have entered into force in Italy. Further specific exemptions exist, inter alia, for (i) subjects who carry on market making activities; (ii) mandatory social security entities and pension funds set up according to Legislative Decree No. 252 of 5 December 2005; and (iii) intragroup transfers of the Relevant Securities.

The FTT shall be levied, and subsequently paid, to the Italian Revenue by the subject (generally a financial intermediary) that is involved, in any way, in the performance of the transaction. If more than one subject is involved in the execution of the transaction, the FTT is payable by the subject who receives the order of execution by the ultimate purchaser or counterparty. Intermediaries which are not resident in Italy but are liable to collect the FTT from the taxpayers and to pay it to the Italian Revenue can appoint an Italian tax representative for the purposes of the FTT. If no intermediary is involved in the performance of the transaction, the FTT must be paid directly by the taxpayers.

The Italian Ministry of Economy and Finance issued a decree on 21 February 2013 setting out the main implementation rules of the FTT and further regulations and implementing provisions are also expected to be issued in the coming months by the Chairman of the Tax Authority. Such rules have an impact on some of the above mentioned provisions, therefore Prospective Holders of Warrants are advised to consult their own tax advisers also on such aspects.

Inheritance and gift taxes

Pursuant to Law Decree No. 262 of 3 October 2006, converted into Law No. 286 of 24 November, 2006, the transfers of any valuable asset (including shares, bonds or other securities such as the Warrants) as a result of death or donation are taxed as follows:

- (a) transfers in favour of spouses and direct descendants or direct ancestors are subject to an inheritance and gift tax applied at a rate of 4 per cent. on the value of the inheritance or the gift exceeding EUR1,000,000;
- (b) transfers in favour of relatives to the fourth degree or relatives-in-law to the third degree, are subject to an inheritance and gift tax applied at a rate of 6 per cent on the entire value of the inheritance or the gift. Transfers in favour of brothers/sisters are subject to the 6 per cent. inheritance and gift tax on the value of the inheritance or the gift exceeding EUR 100,000; and

any other transfer is, in principle, subject to an inheritance and gift tax applied at a rate of 8 per cent on the entire value of the inheritance or the gift.

TERMS AND CONDITIONS

§ 1 FORM

1. The Structured Certificates of each series (the "**Certificates**") issued by Commerzbank Aktiengesellschaft, Frankfurt am Main, Federal Republic of Germany (the "**Issuer**") will be issued in bearer dematerialised form (*dématérialisation*). Title to the Certificates will be evidenced by book entries (*inscription en compte*) in accordance with the provisions of the French Monetary and Financial Code relating to Holding of Securities (currently, Articles L. 211-3 et seq. and R. 211-1 et seq. of the French Monetary and Financial Code). No physical document of title (including *certificats représentatifs* pursuant to Article R. 211-7 of the French Monetary and Financial Code) will be issued in respect of the Certificates.
2. Transfers of Certificates and other registration measures shall be made in accordance with the French Monetary and Financial Code, the regulations, rules and operating procedures applicable to and/or issued by Euroclear France, 115 rue Réaumur, 75081 Paris (the "**Clearing System**"; the "**Clearing Rules**").
3. The term "**Certificateholder**" in these Terms and Conditions refers to any person holding Certificates through a financial intermediary entitled to hold accounts with the Clearing System on behalf of its customers (the "**Certificate Account Holder**") or, in the case of a Certificate Account Holder acting for its own account, such Certificate Account Holder.
4. The Issuer reserves the right to issue from time to time without the consent of the Certificateholders additional tranches of Certificates with substantially identical terms, so that the same shall be consolidated to form a single series and increase the total volume of the Certificates. The term "Certificates" shall, in the event of such consolidation, also comprise such additionally issued Certificates.

§ 2 DEFINITIONS

1. For the purposes of these Terms and Conditions, the following definitions shall apply (subject to an adjustment in accordance with § 6):
 - "**Index Business Day**" means a day on which the level of the Index is usually determined and published by the Index Sponsor
 - "**Issue Date**" means 4 June 2013.
 - "**Lower Barrier**" means the level set out in paragraph 2.
 - "**Market Disruption Event**" means the occurrence or existence of any suspension of, or limitation imposed on, trading in the securities contained in the Index on the stock exchanges or trading systems the prices of which are the basis for the calculation of the Index, or the suspension of or limitation imposed on trading in option or futures contracts on the Index on the options or futures exchange with the highest trading volume of option or future contracts relating to the Index, provided that any such suspension or limitation is material. The decision whether a suspension or limitation is material will be made by the Issuer in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)). The occurrence of a Market Disruption Event shall be published in accordance with § 11.

A limitation regarding the office hours or the number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the relevant exchange. A limitation on trading imposed during the course of a day by reason of movements in price exceeding permitted limits shall only be deemed to be a Market Disruption Event in the case that such limitation is still prevailing at the time of termination of the trading hours on such date.

"Maturity Date" means the fifth Payment Business Day following the Valuation Date at the latest.

"Maximum Amount" means the amount set out in paragraph 2.

"Multiplier" means 0.10.

"Payment Business Day" means a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer System (TARGET) and the Clearing System settle payments in EUR.

"Reference Price" means the level of the Index last determined and published by the Index Sponsor on any day (official closing price).

"Underlier" means the DAX[®] Index (ISIN DE0008469008) (the **"Index"**) as determined and published by Deutsche Börse Aktiengesellschaft (the **"Index Sponsor"**).

"Upper Barrier" means the level set out in paragraph 2.

"Valuation Date" means the date set out in paragraph 2.

If on the Valuation Date the Reference Price of the Index is not determined and published or on the Valuation Date a Market Disruption Event occurs, the Valuation Date shall be postponed to the next following Index Business Day on which the Reference Price of the Index is determined and published again and on which a Market Disruption Event does not occur.

If, according to the before-mentioned, the Valuation Date is postponed for three consecutive Index Business Days, and if also on such day the Reference Price of the Index is not determined and published or a Market Disruption Event occurs on such day, then this day shall be deemed to be the Valuation Date and the Issuer shall estimate the Reference Price of the Index in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)), and in consideration of the prevailing market conditions on such day and make a notification thereof in accordance with § 11.

2. For each series of Certificates the terms "Lower Barrier", "Upper Barrier", "Maximum Amount" and "Valuation Date" shall have the following meanings:

ISIN	Lower Barrier in index points	Upper Barrier in index points	Maximum Amount	Valuation Date
DE000CZ5M7L0	8,500.00	9,000.00	EUR 50.00	18-Sep-2013
DE000CZ5M7M8	9,000.00	9,500.00	EUR 50.00	18-Sep-2013
DE000CZ5M7N6	6,500.00	7,000.00	EUR 50.00	18-Dec-2013
DE000CZ5M7P1	7,000.00	7,500.00	EUR 50.00	18-Dec-2013
DE000CZ5M7Q9	7,500.00	8,000.00	EUR 50.00	18-Dec-2013
DE000CZ5M7R7	8,000.00	8,500.00	EUR 50.00	18-Dec-2013
DE000CZ5M7S5	8,500.00	9,000.00	EUR 50.00	18-Dec-2013

§ 3 MATURITY

1. Subject to the provisions contained in § 4, each Certificate will be redeemed on the Maturity Date.
2. Each Certificate shall be redeemed by the payment of an amount in EUR (rounded, if necessary, to the next Eurocent (EUR 0.01) with EUR 0.005 rounded upwards) (the "**Redemption Amount**") which shall be determined in accordance with the following provisions:
 - (a) if on the Valuation Date the Reference Price of the Index is above the Upper Barrier, the Redemption Amount shall be equal to the Maximum Amount; or
 - (b) if on the Valuation Date the Reference Price of the Index is (i) equal to or below the Upper Barrier and (ii) is equal to or above the Lower Barrier, the Redemption Amount shall be equal to the amount by which the Reference Price of the Index on the Valuation Date exceeds the Lower Barrier, multiplied by the Multiplier; or
 - (c) if on the Valuation Date the Reference Price of the Index is below the Lower Barrier, the Redemption Amount shall be EUR 0 (zero).

For the purposes of calculations made in connection with these Terms and Conditions, one point of the Index level shall be equal to EUR 1.00.

§ 4 EARLY REDEMPTION; REPURCHASE

1. Except as provided in § 6, the Issuer shall not be entitled to redeem the Certificates prior to the Maturity Date.
2. The Certificateholders shall not be entitled to call for redemption of the Certificates prior to the Maturity Date.
3. The Issuer may at any time purchase Certificates in the market or otherwise. Certificates repurchased by or on behalf of the Issuer may be held by the Issuer, re-issued or resold.

§ 5 PAYMENTS

1. All amounts payable pursuant to these Terms and Conditions shall be made to the Paying Agent, subject to the provision that the Paying Agent transfers such amounts to the Clearing System on the dates stated in these Terms and Conditions so that they may be credited to the accounts of the relevant custodian banks and then forwarded on to the Certificateholders.
2. If any payment with respect to a Certificate is to be effected on a day other than a Payment Business Day, payment shall be effected on the next following Payment Business Day. In this case, the relevant Certificateholder shall neither be entitled to any payment claim nor to any interest claim or other compensation with respect to such delay.
3. All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives.

§ 6

ADJUSTMENTS; TERMINATION RIGHT OF THE ISSUER

1. If the Index is no longer calculated and published by the Index Sponsor but by another person, company or institution acceptable to the Issuer in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)) as the new Index Sponsor (the "**Successor Sponsor**"), the Redemption Amount will be determined on the basis of the Index being calculated and published by the Successor Sponsor and any reference made to the Index Sponsor in these Terms and Conditions shall, if the context so admits, then refer to the Successor Sponsor.
2. If the Index is cancelled or replaced or if the Index Sponsor is replaced by another person, company or institution not acceptable to the Issuer in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)), the Issuer will determine in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)) another index on the basis of which the Redemption Amount will be determined (the "**Successor Index**"). The respective Successor Index as well as the time of its first application will be notified pursuant to § 11. Any reference made to the Index in these Terms and Conditions shall, if the context so admits then refer to the Successor Index. All related definitions shall be deemed to be amended accordingly. Furthermore, the Issuer will make all necessary adjustments to the Terms and Conditions resulting from a substitution of the Index.
3. If the occurrence of an Adjustment Event with respect to a share contained in the Index (the "**Index Share**") has a material effect on the price of the Index, the Issuer will make adjustments to the Terms and Conditions taking into consideration the provisions set forth hereinafter. The Issuer shall act, in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)).

As a result of such adjustments especially the Lower Barrier, the Upper Barrier and the Maximum Amount may be amended.

Such adjustment shall become effective on the date on which the occurrence of the Adjustment Event with respect to the Index Share has its effect on the price of the Index.

Adjustments and determinations as well as the effective date shall be notified by the Issuer in accordance with § 11.

Any adjustment in accordance with this § 6 paragraph 3 does not exclude a later termination in accordance with this paragraph on the basis of the same event.

"**Adjustment Event**" means:

- (a) the substitution of the Index by a Successor Index pursuant to paragraph 2;
- (b) any of the following actions taken by the company issuing the Index Share (the "**Index Company**"): capital increases through issuance of new shares against capital contribution and issuance of subscription rights to the shareholders, capital increases out of the Index Company's reserves, issuance of securities with option or conversion rights related to the Index Share, distributions of ordinary dividends, distributions of extraordinary dividends, stock splits or any other split, consolidation or alteration of category;
- (c) a spin-off of a part of the Index Company in such a way that a new independent entity is formed, or that the spun-off part of the Index Company is absorbed by another entity;
- (d) the adjustment of option or futures contracts relating to the Index Share on the Futures Exchange or the announcement of such adjustment;

- (e) a takeover-bid, i.e. an offer to take over or to swap or any other offer or any other act of an individual person or a legal entity that results in the individual person or legal entity buying, otherwise acquiring or obtaining a right to buy more than 10% of the outstanding shares of the Index Company as a consequence of a conversion or otherwise, as determined by the Issuer in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)) based on notifications to the competent authorities or on other information determined as relevant by the Issuer;
- (f) the termination of trading in, or early settlement of, option or futures contracts relating to the Index Share on the Futures Exchange or relating to the Index itself or the announcement of such termination or early settlement;
- (g) the termination of the listing of the Index Share at the exchange on which the respective Index Share is traded (provided that the quotations of the prices of the Index Share on such exchange are taken for the calculation of the Index) (the "**Relevant Exchange**") to terminate the listing of the Index Share on the Relevant Exchange due to a merger by absorption or by creation or any other reason or the becoming known of the intention of the Index Company or the announcement of the Relevant Exchange that the listing of the Index Share at the Relevant Exchange will terminate immediately or at a later date and that the Index Share will not be admitted, traded or listed at any other exchange which is comparable to the Relevant Exchange (including the exchange segment, if applicable) immediately following the termination of the listing;
- (h) the Issuer and/or its affiliates (in the meaning of § 1 paragraph 7 German Banking Act (*KWG*), § 290 paragraph 2 German Commercial Law (*HGB*)) are, even following economically reasonable efforts, not in the position (i) to enter, re-enter, replace, maintain, liquidate, acquire or dispose of any transactions or investments that the Issuer considers necessary to hedge its risks resulting from the assumption and performance of its obligations under the Certificates or (ii) to realize, regain or transfer the proceeds resulting from such transactions or investments (in each case a "**Hedging Disruption**");
- (i) a procedure is introduced or ongoing pursuant to which all shares or the substantial assets of the Index Company are or are liable to be nationalized or expropriated or otherwise transferred to public agencies, authorities or organizations;
- (j) the application for insolvency proceedings or for comparable proceedings with regard to the assets of an Index Company according to the applicable law of such company; or
- (k) any other event being economically equivalent to the afore-mentioned events with regard to their effects.

"**Futures Exchange**" refers to the exchange with the largest trading volume in futures and options contracts in relation to an Index Share. If no futures or options contracts in relation to the Index Share are traded on any exchange, the Futures Exchange shall be the exchange with the largest trading volume in futures and options contracts in relation to shares of companies whose registered office is in the same country as the registered office of the Index Company. If there is no futures and options exchange in the country in which the Index Company has its registered office on which futures and options contracts in relation to the Index Share are traded, the Issuer shall determine the Futures Exchange in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)) and shall announce its choice in accordance with § 11.

4. If (i) the determination of a Successor Index in accordance with paragraph 2 is not possible or is unreasonable (*unzumutbar*) or (ii) if the Index Sponsor materially modifies the calculation method of an Index with effect on or after the Issue Date, or materially modifies the Index in any other way (except for modifications which are contemplated in the calculation method of the Index relating to a change with respect to shares comprising the Index, the market capitalisation or with respect to any other routine measures), then the Issuer is entitled to (a) continue the calculation and publication of the Index on the basis of the former concept of the Index and its last determined level or (b) to terminate the Certificates prematurely with respect to an Index Business Day (the "**Termination Date**") with a prior notice of seven Payment Business Days in accordance with § 11. Any termination in part shall be excluded.

The Issuer may also terminate the Certificates in accordance with the above in the case of a Hedging Disruption.

5. In the case of a termination of the Certificates pursuant to paragraph 4 the Certificates shall be redeemed on the Termination Date at the termination amount (the "**Termination Amount**") which shall be calculated by the Issuer in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)) by taking into account prevailing market conditions and any proceeds realised by the Issuer in connection with transactions concluded by it in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)) for hedging measures in relation to the assumption and fulfilment of its obligations under the Certificates (the "**Hedging Transactions**"). Expenses for transactions that were required for winding up the Hedging Transactions will be taken into account as deductible items.

The Issuer shall pay the Termination Amount to the Certificateholders not later than the tenth Payment Business Day following the Termination Date to the Clearing System for crediting the accounts of the depositors of the Certificates with the Clearing System. The rights in connection with the Certificates shall expire upon the payment of the Termination Amount to the Clearing System.

§ 7 TAXES

All present and future taxes, fees or other duties in connection with the Certificates shall be borne and paid by the Certificateholders. The Issuer is entitled to withhold from payments to be made under the Certificates any taxes, fees and/or duties payable by the Certificateholder in accordance with the previous sentence.

§ 8 STATUS

The obligations under the Certificates constitute direct, unconditional and unsecured obligations of the Issuer and rank at least *pari passu* with all other unsecured and unsubordinated obligations of the Issuer (save for such exceptions as may exist from time to time under applicable law).

§ 9 PAYING AGENT

1. BNP Paribas Securities Services, a société en commandite par actions incorporated under the laws of France, registered with the Registre du commerce et des sociétés of Paris under number 552 108 011, the registered office of which is located at 3, rue d'Antin, 75002 Paris, France, acting through its office located at Les Grands Moulins de Pantin, 9 rue du Débarcadère, 93500 Pantin, France, shall be the paying agent (the "**Paying Agent**").
2. The Issuer shall be entitled at any time to appoint another bank of international standing as Paying Agent. Such appointment and the effective date shall be notified in accordance with § 11.

3. The Paying Agent is hereby granted exemption from the restrictions of § 181 of the German Civil Code (*BGB*) and any similar restrictions of the applicable laws of any other country.

§ 10 SUBSTITUTION OF THE ISSUER

1. Any other company may assume at any time during the life of the Certificates, subject to paragraph 2, without the Certificateholders' consent all the obligations of the Issuer under these Terms and Conditions. Any such substitution and the effective date shall be notified by the Issuer in accordance with § 11.

Upon any such substitution, such substitute company (hereinafter called the "**New Issuer**") shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under these Terms and Conditions with the same effect as if the New Issuer had been named as the Issuer herein; the Issuer (and, in the case of a repeated application of this § 10, each previous New Issuer) shall be released from its obligations hereunder and from its liability as obligor under the Certificates.

In the event of such substitution, any reference in these Terms and Conditions to the Issuer shall from then on be deemed to refer to the New Issuer.

2. No such assumption shall be permitted unless
 - (a) the New Issuer has agreed to assume all obligations of the Issuer under the Certificates pursuant to these Terms and Conditions;
 - (b) the New Issuer has agreed to indemnify and hold harmless each Certificateholder against any tax, duty, assessment or governmental charge imposed on such Certificateholder in respect of such substitution;
 - (c) the Issuer (in this capacity referred to as the "**Guarantor**") has unconditionally and irrevocably guaranteed to the Certificateholders compliance by the New Issuer with all obligations under the Certificates pursuant to these Terms and Conditions;
 - (d) the New Issuer and the Guarantor have obtained all governmental authorisations, approvals, consents and permissions necessary in the jurisdictions in which the Guarantor and/or the New Issuer are domiciled or the country under the laws of which they are organised.
3. Upon any substitution of the Issuer for a New Issuer, this § 10 shall apply again.

§ 11 NOTICES

Notices relating to the Certificates shall be published in the Federal Gazette (*Bundesanzeiger*) and shall be deemed to be effective upon such publication unless such publication gives another effective date.

If the Certificates are offered to the public, notices relating to the Certificates shall in addition be published on the internet page www.warrants.commerzbank.com (or on another internet page notified at least six weeks in advance by the Issuer in accordance with this § 11). If applicable law or regulations of the stock exchange on which the Certificates are listed require a notification in another manner, notices shall also be given in the manner so required.

§ 12
LIMITATION OF LIABILITY

The Issuer shall be held responsible for acting or failing to act in connection with the Certificates only if, and insofar as, it either breaches material obligations under or in connection with the Terms and Conditions negligently or wilfully or breaches other obligations with gross negligence or wilfully. The same applies to the Paying Agent.

§ 13
FINAL CLAUSES

1. The Certificates and the rights and duties of the Certificateholders, the Issuer, the Paying Agent and the Guarantor (if any) shall in all respects be governed by the laws of the Federal Republic of Germany except for § 1 paragraph 1 to 3 of the Terms and Conditions which shall be governed by the laws of the French Republic.
2. In the event of manifest typing or calculation errors or similar manifest errors in the Terms and Conditions, the Issuer shall be entitled to declare rescission (*Anfechtung*) to the Certificateholders. The declaration of rescission shall be made without undue delay upon becoming aware of any such ground for rescission (*Anfechtungsgrund*) and in accordance with § 11. Following such rescission by the Issuer, the Certificateholders may instruct the account holding bank to submit a duly completed redemption notice to the Paying Agent, either by filling in the relevant form available from the Paying Agent or by otherwise stating all information and declarations required on the form (the "**Rescission Redemption Notice**"), and to request repayment of the Issue Price against transfer of the Certificates to the account of the Paying Agent with the Clearing System. The Issuer shall make available the Issue Price to the Paying Agent within 30 calendar days following receipt of the Rescission Redemption Notice and of the Certificates by the Paying Agent, whichever receipt is later, whereupon the Paying Agent shall transfer the Issue Price to the account specified in the Rescission Redemption Notice. Upon payment of the Issue Price all rights under the Certificates delivered shall expire.
3. The Issuer may combine the declaration of rescission pursuant to paragraph 2 with an offer to continue the Certificates on the basis of corrected Terms and Conditions. Such an offer and the corrected provisions shall be notified to the Certificateholders together with the declaration of rescission in accordance with § 11. Any such offer shall be deemed to be accepted by a Certificateholder (and the rescission shall not take effect), unless the Certificateholder requests repayment of the Issue Price within four weeks following the date on which the offer has become effective in accordance with § 11 by delivery of a duly completed Rescission Redemption Notice via the account holding bank to the Paying Agent and by transfer of the Certificates to the account of the Paying Agent with the Clearing System pursuant to paragraph 2. The Issuer shall refer to this effect in the notification.
4. "**Issue Price**" within the meaning of paragraph 2 and 3 shall be deemed to be the higher of (i) the purchase price that was actually paid by the relevant Certificateholder (as declared and proved by evidence in the request for repayment) and (ii) the weighted arithmetic average (as determined by the Issuer in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)) of the traded prices of the Certificates on the Index Business Day preceding the declaration of rescission pursuant to paragraph 2. If a Market Disruption Event exists on the Index Business Day preceding the declaration of rescission pursuant to paragraph 2, the last Index Business Day preceding the declaration of rescission pursuant to paragraph 2 on which no Market Disruption Event existed shall be decisive for the ascertainment of price pursuant to the preceding sentence.

5. Contradictory or incomplete provisions in the Terms and Conditions may be corrected or amended, as the case may be, by the Issuer in its reasonable discretion (*billiges Ermessen*, § 315 German Civil Code (*BGB*)). The Issuer, however, shall only be entitled to make such corrections or amendments which are reasonably acceptable to the Certificateholders having regard to the interests of the Issuer and in particular which do not materially adversely affect the legal or financial situation of the Certificateholders. Notice of any such correction or amendment shall be given to the Certificateholders in accordance with § 11.
6. If the Certificateholder was aware of typing or calculation errors or similar errors at the time of the acquisition of the Certificates, then, notwithstanding paragraphs 2 - 5, the Certificateholders can be bound by the Issuer to the corrected Terms and Conditions.
7. Should any provision of these Terms and Conditions be or become void in whole or in part, the other provisions shall remain in force. The void provision shall be replaced by a valid provision that reflects the economic intent of the void provision as closely as possible in legal terms. In those cases, however, the Issuer may also take the steps described in paragraphs 2 - 5 above.
8. Place of performance is Frankfurt am Main.
9. Place of jurisdiction for all disputes and other proceedings in connection with the Certificates for merchants, entities of public law, special funds under public law and entities without a place of general jurisdiction in the Federal Republic of Germany is Frankfurt am Main. In such a case, the place of jurisdiction in Frankfurt am Main shall be an exclusive place of jurisdiction.
10. The English version of these Terms and Conditions shall be binding. Any translation is for convenience only.
