

Final Terms dated 4 December 2012

DEUTSCHE BANK AG

Issue of Multi-Series Single Underlying Linked Knock-Out Warrants
relating to CAC 40® Index (Priceindex) (the "Securities")

under its **X-markets** Programme for the issuance of Notes, Certificates and Warrants

Issue Price: In respect of each series, the Issue Price specified in the column "**Issue Price**" opposite the ISIN for such series under Multi-Series Definitions below

WKN/ISIN: In respect of each series, the securities codes as specified in the column "**WKN/ISIN**" for such series under Multi-Series Definitions below

This document constitutes the Final Terms of the Securities described herein and comprises the following parts:

Part A **Product Terms**

Part B **Additional Information**

These Final Terms must be read in conjunction with the Base Prospectus dated 12 June 2012 (including the documents incorporated into the Base Prospectus by reference), (the "**Base Prospectus**") as supplemented from time to time. Terms not otherwise defined herein shall have the meaning given in the General Conditions set out in the Base Prospectus. Full information on the Issuer and the Securities is only available on the basis of the combination of these Final Terms and the Base Prospectus.

The Base Prospectus (as completed by these Final Terms) has been prepared on the basis that, except as provided in sub-paragraph (ii) below, any offer of Securities in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of the Securities. Accordingly any person making or intending to make an offer of the Securities may only do so:

- (i) in circumstances in which no obligation arises for the Issuer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer; or
- (ii) in those Public Offer Jurisdictions mentioned under the section entitled "Categories of potential investors to which the Securities are offered and whether tranche(s) have been reserved for certain countries" in Part B below provided such person is one of the persons mentioned in such section and that such offer is made during the Subscription Period or Offer Period specified in Part B below.

The Issuer has not authorised, nor does it authorise, the making of any offer of Securities in any other circumstances.

The expression "**Prospectus Directive**" means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in the Relevant Member State and the expression "**2010 PD Amending Directive**" means Directive 2010/73/EU.

PART A

Information relating to the Underlying:

The sponsor of the, or each, index composing the Underlying maintains an internet site at the following address: www.euronext.com where information on the historical and ongoing performance of the Underlying and its volatility can be obtained.

If the information contained in this section "*Information Relating to the Underlying*" has been obtained from third party sources, the Issuer confirms that such information from such source(s) has been accurately reproduced and as far as the Issuer is aware and is able to ascertain from information published by the relevant third parties, no facts have been omitted which would render the reproduced information inaccurate or misleading. The Issuer makes no representations or warranty as to the accuracy or completeness of such information.

Further Information Published by the Issuer

The Issuer does not intend to provide any further information on the Underlying.

Risk Factors and Effect of Performance of Underlying:

Investors should review carefully the Risk Factors section in Part II of the Base Prospectus and the effect of the performance of the Underlying on the Securities set out below.

With a Knock-Out Call Warrant investors can participate disproportionately (with leverage) in the positive development of the *Underlying*.

Conversely, investors also participate with leverage in the negative performance of the *Underlying* and additionally bear the risk of the Knock-Out Call Warrant expiring immediately almost without value (*Knock-Out Event*), if the *Underlying* has reached or fallen below the *Barrier* at any time during the *Barrier Determination Period*. On the *Settlement Date*, investors receive as the *Cash Amount* the product of the *Multiplier* and the amount by which the *Reference Price* exceeds the *Strike*.

If the price of the *Underlying* has reached or fallen below the *Barrier* at any time during the *Barrier Determination Period*, the Knock-Out Call Warrant will expire with a *Cash Amount* of the Minimum Amount.

During the term, investors will not receive any current income, such as interest.

Responsibility

The Issuer accepts responsibility for the information contained in these Final Terms.
