

Crédit Agricole Covered Bonds
(duly licensed French credit institution)
€ 35,000,000,000
COVERED BOND PROGRAMME

Under the Covered Bond Programme described in this Base Prospectus (the "**Programme**"), Crédit Agricole Covered Bonds (the "**Issuer**"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue covered bonds to be governed by French law or German law (the "**Covered Bonds**"). The German law Covered Bonds will benefit from the same security and rights as the French law Covered Bonds.

The aggregate nominal amount of the Covered Bonds outstanding will not at any time exceed € 35,000,000,000 (or its equivalent in other currencies) at the date of issue. Application has been made to the *Commission de surveillance du secteur financier* (the "**CSSF**") for approval of this Base Prospectus in its capacity as competent authority in Luxembourg under the *loi relative aux prospectus pour valeurs mobilières* dated 10 July 2005 which implements Directive 2003/71/EC dated 4 November 2003 in Luxembourg. Application may be made to the Luxembourg Stock Exchange for the French law Covered Bonds issued under the Programme during a period of twelve (12) months after the date of this Base Prospectus to be listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the regulated market of the Luxembourg Stock Exchange. The regulated market of the Luxembourg Stock Exchange is a regulated market for the purposes of Directive 2004/39/EC dated 21 April 2004 (each such market being a "**Regulated Market**"). French law Covered Bonds issued under the Programme may also be unlisted or listed and admitted to trading on any other market, including any other Regulated Market in any member state of the European Economic Area ("**EEA**"). The relevant final terms (a form of which is contained herein) in respect of the issue of any French law Covered Bonds (the "**Final Terms**") will specify whether or not such Covered Bonds will be listed and admitted to trading on any market and, if so, the relevant market. The German law Covered Bonds will not be admitted to trading nor listed on any market or stock exchange.

French law Covered Bonds may be issued either in dematerialised form ("**Dematerialised Covered Bonds**") or in materialised form ("**Materialised Covered Bonds**") as more fully described herein. Dematerialised Covered Bonds will at all times be in book entry form in compliance with articles L. 211-3 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*). No physical documents of title will be issued in respect of the Dematerialised Covered Bonds. Dematerialised Covered Bonds may, at the option of the Issuer, be (i) in bearer form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (acting as central depository) which shall credit the accounts of the Account Holders (as defined in "Terms and Conditions of the Covered Bonds - Form, Denomination, Title and Redenomination") including Euroclear Bank S.A./N.V. ("**Euroclear**") and the depository bank for Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**"), or (ii) in registered form (*au nominatif*) and, in such a latter case, at the option of the relevant Bondholder (as defined in "Terms and Conditions of the Covered Bonds - Form, Denomination, Title and Redenomination"), in either fully registered form (*au nominatif pur*), in which case they will be inscribed in an account maintained by the Issuer or by a registration agent (appointed in the relevant Final Terms) for the Issuer, or in administered registered form (*au nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Bondholder.

Materialised Covered Bonds will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a "**Temporary Global Certificate**") will initially be issued in relation to Materialised Covered Bonds. Such Temporary Global Certificate will subsequently be exchanged for definitive Materialised Covered Bonds with, where applicable, coupons for interest or talons attached (the "**Definitive Materialised Covered Bonds**"), on or after a date expected to be on or about the fortieth (40th) day after the issue date of the Covered Bonds (subject to postponement as described in "Temporary Global Certificate in respect of Materialised Covered Bonds") upon certification as to non-U.S. beneficial ownership as more fully described herein. Temporary Global Certificates will (a) in the case of a Tranche (as defined in "Terms and Conditions of the Covered Bonds") intended to be cleared notably through Euroclear and/or Clearstream, Luxembourg, be deposited on the issue date with a common depository for Euroclear and Clearstream, Luxembourg, and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream, Luxembourg or delivered outside a clearing system, be deposited as agreed between the Issuer and the Relevant Dealer(s) (as defined below). In the case of a Tranche which is not intended to be cleared through Euroclear and/or Clearstream, Luxembourg, the Covered Bonds of such Tranche cannot be listed on the Official List of the Luxembourg Stock Exchange and traded on the Regulated Market of the Luxembourg Stock Exchange. German law Covered Bonds will be issued in materialised registered form only.

Covered Bonds issued under the Programme are expected on issue to be rated Aaa by Moody's Investors Service Ltd., AAA by Standard & Poor's Ratings Services and AAA by Fitch Ratings. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

The expression "Covered Bonds" includes the German law Covered Bonds to the extent permitted by the terms and conditions applicable to the German law Covered Bonds.

1. COVERED BONDS

Issuer:	Crédit Agricole Covered Bonds, a duly licensed French credit institution.
Arrangers:	Crédit Agricole Corporate and Investment Bank and Crédit Agricole S.A.
Dealer:	Crédit Agricole Corporate and Investment Bank. The Issuer may from time to time terminate the appointment of the Dealer under the Programme or appoint additional dealers either in respect of one (1) or more Tranches or in respect of the whole Programme. References in this Base Prospectus to " Permanent Dealers " are to the person referred to above as Dealer and to such additional persons that are appointed as dealers in respect of the whole Programme (and whose appointment has not been terminated) and references to " Dealers " are to all Permanent Dealers and all persons appointed as a dealer in respect of one (1) or more Tranches.
Description:	Covered Bond Programme.
Programme Limit:	Up to € 35,000,000,000 (or the equivalent in other currencies at the date of issue) aggregate nominal amount of Covered Bonds outstanding at any one (1) time.
Fiscal Agent and Principal Paying Agent in respect of the French Covered Bonds:	CACEIS Corporate Trust
Luxembourg Paying Agent:	CACEIS Bank Luxembourg
Method of Issue:	The Covered Bonds are issued outside France and may be distributed on a syndicated or non-syndicated basis. The Covered Bonds will be issued in series (each a " Series ") having one (1) or more issue dates and on terms otherwise identical (or identical other than in respect of the first payment of interest), the Covered Bonds of each Series being intended to be interchangeable with all other Covered Bonds of that Series.

Tranche:	<p>Each Series of Covered Bonds may be issued in tranches (each a "Tranche") on the same or different issue dates.</p> <p>The specific terms of each Tranche (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder and supplemented, where necessary, with supplemental terms and conditions which, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the final terms of such Tranche (the "Final Terms").</p>
Maturities:	<p>Subject to compliance with all relevant laws, regulations and directives, the Covered Bonds may have any maturity as specified in the relevant Final Terms (the "Final Maturity Date"), subject to such minimum maturity as may be required by the applicable legal and/or regulatory requirements.</p> <p>Covered Bonds may have hard or soft bullet maturities (allowing the Final Maturity Date of the relevant Series to be extended if the Issuer fails to pay the amount due on the Final Maturity Date), as specified in the Final Terms of the relevant Series.</p> <p>With respect to Series of Covered Bonds having a soft bullet maturity, an extended Final Maturity Date (the "Extended Final Maturity Date") shall be specified as applying in relation to such Series in the applicable Final Terms. This means that if the Issuer fails to pay the Final Redemption Amount of the relevant Series on the Final Maturity Date, then payment of the unpaid amount shall be automatically deferred and shall become due and payable one (1) or several year(s) later on the Extended Final Maturity Date. However, any amount representing the Final Redemption Amount due and remaining unpaid on the Final Maturity Date may be paid by the Issuer on any Interest Payment Date thereafter, up to (and including) the relevant Extended Final Maturity Date. Interest will continue to accrue on any unpaid amount during such extended period and be payable on each Interest Payment Date and on the Extended Final Maturity Date in accordance with the applicable Conditions.</p> <p>Issue or amortisation of a Series with a soft bullet maturity shall not affect the issue or amortisation of any Series with a hard bullet maturity.</p>
Currencies:	<p>Subject to the Hedging Strategy and to compliance with all relevant laws, regulations and directives, Covered Bonds may be issued in Euro, U.S. dollars, Japanese yen, Swiss francs and, subject to prior Rating Affirmation (of S&P only), in any other currency agreed between the Issuer and the relevant Dealer(s).</p>
Denomination(s):	<p>The Covered Bonds shall be issued in the Specified Denomination(s) set out in the relevant Final Terms, save that all French law Covered Bonds admitted to trading on a Regulated Market of the European Union in circumstances which require the publication of a prospectus under the Prospectus Directive shall have a minimum denomination of €50,000 (or its equivalent in any other currency at the time of issue) or such higher amount as may be allowed or required from time to time in relation to the relevant Specified Currency. Dematerialised Covered Bonds shall be issued in one (1) denomination only.</p>

Status:	The Covered Bonds, and, where applicable, any related Coupons and Receipts will constitute direct, unconditional, unsubordinated and secured obligations of the Issuer and will rank <i>pari passu</i> without any preference among themselves and (subject to certain exceptions) at least <i>pari passu</i> with all other present or future unsubordinated obligations of the Issuer.
Negative Pledge:	There will be a negative pledge as set out in Condition 5(a).
Issuer Events of Default:	The terms of the Covered Bonds will contain events of default as set out in Condition 10.
Issuer Security:	The Bondholders will benefit from certain security interests and guarantees granted by the Issuer as security for the repayment of all sums due from time to time under the Covered Bonds, as set out in " The Issuer Security ".
Redemption Amount:	Subject to any laws and regulations applicable from time to time, the relevant Final Terms will specify the basis for calculating the redemption amounts payable.
Optional Redemption:	The Final Terms issued in respect of each Tranche will state whether such Covered Bonds may be redeemed prior to their stated maturity at the option of the Issuer (either in whole or in part) and/or the Bondholders, and if so the terms applicable to such redemption.
Redemption by Instalments:	The Final Terms issued in respect of each Tranche that is redeemable in two (2) or more instalments will set out the dates on which, and the amounts in which, such Covered Bonds may be redeemed.
Early Redemption:	Except as provided in "Optional Redemption" above, Covered Bonds will be redeemable at the option of the Issuer prior to their stated maturity only for tax reasons (as provided in Condition 7(f)) or illegality (as provided in Condition 7 (g)).

Withholding Tax:

1. All payments of principal and interest by or on behalf of the Issuer in respect of the Covered Bonds shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

2. Covered Bonds issued on or after 1 March 2010 (except Covered Bonds that are issued on or after 1 March 2010 and which are to be consolidated (*assimilables* for the purpose of French law) and form a single series with Covered Bonds issued before 1 March 2010 having the benefit of Article 131 *quater* of the French General Tax Code) fall under the new French withholding tax regime pursuant to the French *loi de finances rectificative pour 2009* no. 3 (n°2009-1674 dated 30 December 2009), applicable as from 1 March 2010 (the “**Law**”). Payments of interest and other revenues made by the Issuer on such Covered Bonds will not be subject to the withholding tax set out under Article 125 A III of the French General Tax Code unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French General Tax Code (a “**Non-Cooperative State**”). If such payments under the Covered Bonds are made in a Non-Cooperative State, a 50% withholding tax will be applicable (subject to certain exceptions described below and the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French General Tax Code.

Furthermore, interest and other revenues on such Covered Bonds will no longer be deductible from the Issuer's taxable income, as from the fiscal years starting on or after 1 January 2011, if they are paid or accrued to persons established in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French General Tax Code, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French General Tax Code, at a rate of 25% or 50%.

Notwithstanding the foregoing, the Law provides that neither the 50% withholding tax nor the non-deductibility will apply in respect of a particular issue of Covered Bonds if the Issuer can prove that the principal purpose and effect of such issue of Covered Bonds was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the “**Exception**”). Pursuant to the ruling (*rescrit*) no. 2010/11 (FP and FE) of the *Direction générale des impôts* dated 22 February 2010, an issue of Covered Bonds will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Covered Bonds, if such Covered Bonds are:

(i) offered by means of a public offer within the meaning of Article L.411-1 of the French Monetary and Financial Code or pursuant to an equivalent offer in a state or territory other than a Non-Cooperative State. For this purpose, an “equivalent offer” means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or

(ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and

the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or

(iii) admitted, at the time of their issue, to the operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French Monetary and Financial Code, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

3. Interest and other revenues on Covered Bonds issued (or deemed issued) outside France as provided under Article 131 *quater* of the French General Tax Code, prior to 1 March 2010 (or Covered Bonds that are issued after 1 March 2010 and which are to be consolidated (*assimilables* for the purpose of French law) and form a single series with such Covered Bonds) will continue to be exempt from the withholding tax set out under Article 125 A III of the French General Tax Code.

In addition, interest and other revenues paid by the Issuer on Covered Bonds issued before 1 March 2010 (or Covered Bonds issued after 1 March 2010 and which are to be consolidated (*assimilables* for the purpose of French law) and form a single series with such Covered Bonds) will not be subject to the withholding tax set out in Article 119 *bis* of the French General Tax Code solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State."

**Interest Periods and
Interest Rates:**

The length of the interest periods for the Covered Bonds and the applicable interest rate or its method of calculation may differ from time to time or be constant for any Series. The Covered Bonds may have a maximum interest rate, a minimum interest rate or both. The use of interest accrual periods permits the Covered Bonds to bear interest at different rates in the same interest period. All such information will be set out in the relevant Final Terms.

**Fixed Rate Covered
Bonds:**

Fixed interest will be payable in arrears on the date or dates in each year specified in the relevant Final Terms.

**Floating Rate Covered
Bonds:**

Floating Rate Covered Bonds will bear interest determined separately for each Series as follows:

- (a) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency governed by an agreement incorporating the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, INC., and as amended and updated as at the Issue Date of the first Tranche of the Covered Bonds of the relevant Series, or
- (b) on the basis of a reference rate appearing on an agreed screen page of a commercial quotation service (including, without limitation, EURIBOR, EONIA, LIBOR, CMS or TEC), or
- (c) on such other basis or benchmark as may be specified in the applicable Final Terms,

in each case plus or minus any applicable margin, if any, and calculated and payable as indicated in the applicable Final Terms. Floating Rate Covered Bonds may also have a maximum rate of

	interest, a minimum rate of interest or both.
Zero Coupon Covered Bonds:	Zero Coupon Covered Bonds may be issued at their nominal amount or at a discount to it and will not bear interest.
Dual Currency Covered Bonds:	Payments (whether in respect of principal or interest and whether at maturity or otherwise) in respect of Dual Currency Covered Bonds will be made in such currencies, and based on such rates of exchange, as may be specified in the relevant Final Terms.
Index Linked Covered Bonds:	Payments of principal or of interest in respect of Index Linked Covered Bonds will be calculated by reference to such index and/or formula as may be specified in the relevant Final Terms. Index Linked Covered Bonds may be issued by the Issuer subject to prior Rating Affirmation.
Other Covered Bonds:	Terms applicable to high interest Covered Bonds, low interest Covered Bonds, step-up Covered Bonds, step-down Covered Bonds, reverse dual currency Covered Bonds, optional dual currency Covered Bonds, partly paid Covered Bonds and any other type of Covered Bonds that the Issuer and any Dealer or Dealers may agree to issue under the Programme will be set out in the relevant Final Terms.
Redenomination:	French law Covered Bonds issued in the currency of any Member State of the EU which participates in the third stage (or any further stage) of the European Monetary Union may be redenominated into Euro, all as more fully provided in Condition 2(d).
Consolidation:	French law Covered Bonds of one (1) Series may be consolidated with French law Covered Bonds of another Series as more fully provided in Condition 16.
Form of Covered Bonds:	<p>French law Covered Bonds may be issued either in dematerialised form ("Dematerialised Covered Bonds") or in materialised form ("Materialised Covered Bonds").</p> <p>Dematerialised Covered Bonds may, at the option of the Issuer, be issued in bearer form (<i>au porteur</i>) or in registered form (<i>au nominatif</i>) and, in such latter case, at the option of the relevant holder, in either fully registered form (<i>au nominatif pur</i>) or administered form (<i>au nominatif administré</i>). Equity and Fiscal Responsibility Act of 1982 ("**TEFRA**"), which circumstances will be referred to in the relevant Final Terms as a transaction to which TEFRA is not applicable.

Dematerialised Covered Bonds which are not in bearer form for U.S. tax purposes do not require compliance with the TEFRA rules.

2. THE BORROWER FACILITY AGREEMENT AND THE COLLATERAL SECURITY

The Borrower Facility Agreement:

The proceeds from the issuance of the Covered Bonds under the Programme will be used by Crédit Agricole Covered Bonds, as lender (in such capacity, the "**Lender**") to fund advances (each a "**Borrower Advance**") to be made available to Crédit Agricole S.A., as borrower (in such capacity, the "**Borrower**") under a multicurrency term facility agreement (the "**Borrower Facility**").

The Borrower Facility shall be made available to the Borrower in an aggregate maximum amount equal to € 35,000,000,000 for the purpose of financing the general financial needs of the Borrower with respect to advances to be made available to the Collateral Providers, in accordance with the terms and conditions of the Collateral Security Agreement.

The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the corresponding Final Terms of Covered Bonds, it being provided that, as a principle, the interest to be paid by the Borrower under a Borrower Advance shall be the financing costs of the Lender under the Covered Bonds funding such Borrower Advance. Any amounts repaid or prepaid under any Borrower Advance may be re-borrowed.

Upon the occurrence of a Borrower Event of Default (as defined in section "**The Borrower and the Borrower Facility Agreement**" – "**The Borrower Facility Agreement**"), the Administrator shall, by written notice (such notice to constitute a *mise en demeure*) to the Borrower (with a copy to the Rating Agencies and to the Collateral Providers Agent), declare that (i) no more Borrower Advances shall be made under the Borrower Facility, (ii) the Borrower Facility shall be cancelled, and (iii) the Borrower Advances shall immediately become due and payable and enforce its rights under the Security Documents (a "**Borrower Enforcement Notice**").

(see section "**The Borrower and the Borrower Facility Agreement**" – "**The Borrower Facility Agreement**").

The Collateral Security Agreement:

The Collateral Security Agreement sets forth the terms and conditions upon which the Collateral Providers will grant "**Eligible Assets**" as collateral security (*garantie financière*) (the "**Collateral Security**") for the benefit of the Lender in order to secure, as they become due and payable, the payments of all and any amounts owed by the Borrower under the Borrower Facility, whether present or future (the "**Secured Liabilities**").

For the purposes of the Collateral Security Agreement, an "Eligible Asset" means any Home Loan Receivable that complies with the "Home Loan Eligibility Criteria" and any Substitution Asset (each as further described in "**The Collateral Security Agreement**").

The Collateral Security shall be created in accordance with articles

L. 211-36 *et seq.* (formerly L. 431-7 *et seq.*) of the French Monetary and Financial Code (*Code monétaire et financier*). The Collateral Security shall not entail any transfer of title with respect to the relevant Eligible Assets until enforcement.

The Collateral Providers shall perform the servicing of the Collateral Security Assets (as defined in "**The Collateral Security Agreement**") in accordance with applicable laws and its customary servicing procedures (the "**Servicing Procedures**"), using the degree of skill, care and attention as for the servicing of its assets for its own account, without interfering with the Issuer's material rights under the Collateral Security Agreement.

In accordance with the Collateral Security Agreement, the Collateral Providers have appointed Crédit Agricole S.A. as agent (*mandataire*) of the Collateral Providers in order to manage the Collateral Security in the name and on behalf of such Collateral Providers (the "**Collateral Providers Agent**").

(see section "**The Collateral Security**" – "**The Collateral Security Agreement**").

The Cash Collateral Agreement:

The Cash Collateral Agreement sets forth the terms and conditions upon which Crédit Agricole S.A., as Cash Collateral Provider, shall fund certain amounts as cash collateral (*gage espèces*) (each, a "**Cash Collateral**") into a Cash Collateral Account so as to secure as they become due and payable the payments of all and any amounts owed by the Borrower under the Borrower Facility, whether present or future (the "**Secured Liabilities**").

The Cash Collateral Provider shall be requested to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount upon non compliance by the Borrower of certain pre-maturity ratings levels following the occurrence date of such non-compliance and during a certain pre-maturity test period (as further described in "**Asset Monitoring – The Pre-Maturity Test**").

Failure by the Cash Collateral Provider to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount within the required period following any non-compliance with the relevant pre-maturity ratings levels and on any relevant test date following such non-compliance shall constitute a "**Breach of Pre-Maturity Test**" under the Cash Collateral Agreement. This breach shall in turn result in the occurrence of a "**Borrower Event of Default**" under the Borrower Facility Agreement.

(see section "**The Collateral Security**" – "**The Cash Collateral Agreement**").

3. ASSET MONITORING

Asset Cover Test:

Under the Collateral Security Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Collateral Providers Agent, acting in the name and on behalf of the Collateral Providers, shall monitor the Collateral Security Assets so as to ensure compliance with an asset cover test (the "**Asset Cover Test**").

For so long as Covered Bonds remain outstanding, non compliance with the Asset Cover Test would result from the Asset Cover Test Ratio (as specified in section "**Asset Monitoring**" – "**The Asset Cover Test**"), being strictly less than one (1). A non compliance with the Asset Cover Test will not constitute an Issuer Event of Default or a Borrower Event of Default but will prevent the Issuer from issuing any further Covered Bonds as long as it remains unremedied.

Failure by the Collateral Providers Agent to cure a non compliance with the Asset Cover Test occurred on any Asset Cover Test Date prior to the next following Asset Cover Test Date (as defined in section "**Asset Monitoring**" – "**The Asset Cover Test**") shall constitute a "**Breach of Asset Cover Test**" within the meaning of the Collateral Security Agreement.

A Breach of Asset Cover Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Asset Cover Test will not constitute an Issuer Event of Default but will prevent the Issuer from issuing any further Covered Bonds.

(see section "**Asset Monitoring**" – "**The Asset Cover Test**").

Pre-Maturity Test:

Under the Cash Collateral Agreement and for so long as no Borrower Event of Default has occurred and has been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower shall fund the Cash Collateral Account up to an amount sufficient so as to ensure compliance with a pre-maturity test (the "**Pre-Maturity Test**").

For each Series of Covered Bonds (which are not Soft Bullet Covered Bonds) and for so long as Covered Bonds of such Series remain outstanding, during the period starting from, and including, the one hundred and eightieth (180th) Business Day preceding the Final Maturity Date of such Series of Covered Bonds and ending on, and excluding, such Final Maturity Date, and upon the downgrading of the Borrower below any of the Pre-Maturity Ratings Required Levels (see section "**Asset Monitoring**" – "**The Pre-Maturity Test**"), the Cash Collateral Provider shall fund the Cash Collateral Account up to an amount determined in accordance with the relevant provisions of the Cash Collateral Agreement.

Failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant amount shall constitute a "**Breach of Pre-Maturity Test**" within the meaning of the Cash Collateral Agreement.

A Breach of Pre-Maturity Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Pre-Maturity Test will not constitute an Issuer Event of Default.

(see section "**Asset Monitoring**" – "**The Pre-Maturity Test**").

Amortisation Test:

For so long as Covered Bonds remain outstanding and following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer shall ensure compliance with an amortisation test (the "**Amortisation Test**").

For so long as Covered Bonds remain outstanding, non compliance with the Amortisation Test would result from the Amortisation Ratio (as specified in section "**Asset Monitoring**" – "**The Amortisation Test**") being less than one (1).

A non compliance with the Amortisation Test will constitute an Issuer Event of Default.

(see section "**Asset Monitoring**" – "**The Amortisation Test**").

4. GENERAL INFORMATION

General Information:

Copies of this Base Prospectus and various other documents are available free of charge during usual business hours on any weekday (Saturdays, Sundays and public holidays excepted) from the registered office of the Issuer and at the specified office of the Paying Agent(s).

RISK FACTORS

This section only applies to French law Covered Bonds.

The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Covered Bonds issued under the Programme. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Covered Bonds issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Covered Bonds issued under the Programme. However, the Issuer does not represent that the statements below regarding the risks of holding any Covered Bonds are exhaustive. Investors must be aware that the list of factors set out below is not intended to be exhaustive and that other risks and uncertainties which, on the date of this Base Prospectus, are not known of by the Issuer, or are considered irrelevant, may have a significant impact on the Issuer, its activities, its financial condition and the Covered Bonds. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus (including any documents deemed to be incorporated by reference herein) and make their own opinion about risk factors prior to making any investment decision. Investors should in particular conduct their own analysis and evaluation of risks relating to the Issuer, its financial condition and the issued Covered Bonds and consult their own financial or legal advisers about the risks associated with investment in a particular Series of Covered Bonds and the suitability of investing in the Covered Bonds in light of their particular circumstances.

The Issuer considers that the Covered Bonds shall only be purchased by investors which are (or are advised by) financial institutions or other professional investors who have sufficient knowledge and experience necessary to appropriately evaluate the risks associated with the Covered Bonds.

Words and expressions defined elsewhere in this Base Prospectus shall have the same meaning when used below.

Risks related to the Issuer *Issuer's sole liability under the Covered Bonds*

The Issuer is the only entity which has obligations to pay principal and interest in respect of the Covered Bonds. The Covered Bonds will not be obligations or responsibilities of any other entity, including (but not limited to) Crédit Agricole S.A. (in any capacity but in particular in its capacity as Borrower, Administrator, Issuer Calculation Agent, Collateral Providers Agent or Cash Collateral Provider), the Collateral Providers, the Dealers, the Representative, the Paying Agents, the Asset Monitor, the Issuer Security Agent, any participant to the Hedging Strategy (as applicable) or any company in the same group of companies as any of them, or the shareholders or directors or agents of any company in the same group of companies as any of them.

Upon enforcement of the rights of the Issuer under the Issuer Receivables Pledge Agreement following an Issuer

Event of Default, direct payment to an account to be opened with the Issuer Security Agent, in its name and on behalf of the Bondholders, of sums due under the outstanding Borrower Debt will be requested from the Borrower (see "**The Issuer Security – The Issuer Receivables Pledge Agreement**").

Reliance of the Issuer on third parties

The Issuer has entered into agreements with a number of third parties, which have agreed to perform services for the Issuer. In particular, but without limitation:

- the Administrator has been appointed in particular to provide the Issuer with all necessary advice and assistance and know-how, whether technical or other, including in connection with the day to day management and corporate administration of the Issuer and to ensure that the

Issuer will exercise each of its rights and perform each of its obligations under the Programme Documents; and

- the Issuer Calculation Agent has been appointed to make calculations as provided under the Programme Documents and in particular to make the calculations in relation to the Asset Cover Test, the Pre-Maturity Test and the Amortisation Test.

In the event that the Administrator, the Issuer Calculation Agent or any other relevant party providing services to the Issuer under the Programme Documents fails to perform its obligations under the relevant agreement(s) to which it is a party, the ability of the Issuer to make payments under the Covered Bonds may be affected. For instance, if the Collateral Providers or the Collateral Providers Agent have failed to adequately administer the Collateral Security Assets and/or the Collateral Security, this may lead to undermined value of the Collateral Security or any part thereof, and in turn, the ability of the Issuer to make payments under the Covered Bonds may be affected. Under the Hedging Strategy, the Issuer is also reliant on Crédit Agricole S.A. (only until a Borrower Event of Default) and/or any relevant Eligible Hedging Provider(s) to provide it with the funds matching its obligations under the Covered Bonds (see the "**Hedging Strategy**").

However, the Programme Documents provide for the ability of the Issuer under certain circumstances to terminate the appointment of any relevant third party which would be defaulting in performing their obligations under the relevant Programme Documents.

Modification, alteration or amendment without Bondholder prior consent

Subject to the qualifications described in the relevant Programme Document(s) to which it is a party, the Issuer may, with prior Rating Affirmation and without the prior consent or sanction of any of the Bondholders, concur with any person in making or sanctioning any modifications, alterations or supplements to any Programme Document to which it is a party. Such modifications, alterations or supplements may materially and adversely affect the interest of the Issuer but shall be made with prior Rating Affirmation.

Subject to the qualifications described in the relevant Programme Document(s) to which it is a party, the Issuer may, without prior Rating Affirmation and without the prior consent or sanction of any of the Bondholders, concur with any person in making or sanctioning any modifications, alterations or supplements to any Programme Document to which it is a party if the same is:

- to cure any ambiguity, omission, defect or inconsistency;
- to evidence or effect the transition of any party to a Programme Document to which it is a party to any successor;
- to add to the undertakings and other obligations of any party (except the Issuer) under a Programme Document to which it is a party; or
- to comply with any mandatory requirements of applicable laws and regulations.

Substitution risk

In the event of a downgrading of the short-term and/or long-term debt of one (1) or more parties to the Programme Documents (such as the Eligible Hedging Providers, the Issuer Calculation Agent, the Cash Collateral Provider, the Administrator or the Issuer Account Bank) or under certain circumstances described in the Programme Documents, leading to the substitution of one (1) or more of these parties pursuant to the terms of the Programme Documents, no assurance can be given that a substitute entity will be found.

In particular, if a downgrading of the long-term debt of the Administrator or another Administrator Termination Event occurs pursuant to the terms of the Administrative Agreement, then the Issuer will be entitled to terminate the appointment of the Administrator and appoint a new administrator in its place. There can be no assurance that a substitute administrator with sufficient experience would be found and would be willing and able to service the same on the terms of the Administrative Agreement. In particular, upon the occurrence of any Borrower Event of Default and the subsequent enforcement of the Collateral Security and the transfer to the Issuer of the Collateral Security Assets, there can be no assurance that a substitute administrator with sufficient experience of servicing such transferred Collateral Security Assets would be found who

would be willing and able to service the same on the terms of the Administrative Agreement. The ability of a substitute Administrator to perform fully the required services would depend, amongst other things, on the information, software and records available at the time of the appointment. Any delay or inability to appoint a substitute Administrator may affect the realisable value of the Issuer Security or any part thereof, and/or the ability of the Issuer to make payments under the Covered Bonds. No Administrator has (nor will have, as applicable) any obligation itself to advance payments that the Borrower fails to make in a timely manner. Neither the Representative nor the Issuer Security Agent is obliged in any circumstances to act as an Administrator or to monitor the performance by any Administrator of its obligations.

Certain conflicts of interest

Conflicts of interest may arise during the life of the Programme as a result of various factors involving certain Transaction Parties. For example, such potential conflicts may arise because Crédit Agricole S.A. acts in several capacities under the Programme Documents provided that its rights and obligations under the Programme Documents are not contractually conflicting and are independent from one another. Also during the course of their business activities, the Programme Parties and/or any respective affiliates may operate, service, acquire or sell properties, or finance loans secured by properties, which are in the same markets as the Home Loans. In such cases, the interest of any of those parties or their affiliates or the interest of other parties for whom they perform servicing functions may differ from, and compete with, the interest of the Issuer or of the holders of the Covered Bonds.

Insolvency and examinership laws in France could limit the ability of the Bondholders to enforce their rights under the Covered Bonds

As the Issuer is incorporated in France and, consequently, it will be subject to French laws and proceedings affecting creditors, including article 1244-1 of the French Civil Code (*Code civil*), conciliation proceeding (*procédure de conciliation*), safeguard proceeding (*procédure de sauvegarde*) and judicial reorganisation or liquidation proceeding (*redressement or liquidation judiciaire*). In general, French reorganisation or liquidation legislation favours the continuation of a business and protection of employment over the payment of creditors.

The French Monetary and Financial Code (*Code monétaire et financier*) contains specific provisions applicable in case of the opening of an insolvency proceeding of a credit institution (*établissement de crédit*). In particular, articles L. 613-25 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*) specify the conditions of opening of an insolvency proceeding against a credit institution (*établissement de crédit*) (prior information and opinion of the banking authority (*Commission bancaire*), specific concept of suspension of payment (*cessation des paiements*), etc) and some specific rules of liquidation of a credit institution (*établissement de crédit*).

All such provisions apply to the Issuer but also to each party under the Programme that is regulated as a financial institution.

However, the Issuer is a special purpose entity, with exclusive and limited purpose and a credit institution (*établissement de crédit*) licensed as a “*société financière*” and is intended to be a ring-fenced entity that will be unaffected by the insolvency of the Crédit Agricole Group, in particular by including limited recourse and non-petition wording in the relevant Programme Documents.

Limited resources available to the Issuer

In the absence of any Borrower Event of Default, the Issuer's ability to meet its obligations under the Covered Bonds will depend on the amount of scheduled principal and interest paid by the Borrower and the timing thereof and/or, as applicable, the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy and/or the revenue proceeds generated by Permitted Investments.

Pursuant to the Cash Collateral Agreement, the Issuer will also benefit from the Cash Collateral to be provided by the Cash Collateral Provider under some circumstances.

Upon the occurrence of a Borrower Event of Default and enforcement of the Collateral Security granted by the Collateral Providers, and without prejudice to any other unsecured recourse the Issuer may have against the Borrower under the Borrower Debt, the Issuer's ability to meet its obligations under all the Covered Bonds will depend on the revenue proceeds from the Collateral Security granted by the Collateral Providers which would have been enforced in favour of the Issuer (meaning the amount of principal and interest paid directly to the Issuer by the relevant debtors under the Home Loans which would have been transferred to the Issuer upon enforcement of such Collateral Security or the price or value of such Home Loans and related Home Loan Security upon the sale or refinancing thereof by the Issuer) and/or, as applicable the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy, and/or the revenue proceeds generated by Permitted Investments, and/or the amount of the Cash Collateral provided by the Cash Collateral Provider under the Cash Collateral Agreement, and/or the available amount under the Share Capital Proceeds Account.

The Issuer will not have any source of funds available to meet its obligations under the Covered Bonds other than the recourse the Issuer has against the Borrower under the Borrower Debt until such Borrower Debt is repaid in full.

The occurrence for whatever reason of an Issuer Event of Default will not automatically trigger the cross occurrence of a Borrower Event of Default, and the Issuer (or, upon enforcement of the Issuer Collateral Security, the holders of the Covered Bonds or the Issuer Security Agent acting on their behalf) will then not be able to accelerate amounts of principal and/or interest which would have accrued under the Issuer Security Assets or enforce the Collateral Security securing the repayment of such Issuer Security Assets in order to cure such Issuer Event of Default if no Borrower Event of Default as such has occurred and is continuing. Therefore, notwithstanding the occurrence of such an Issuer Event of Default while no Borrower Event of Default shall have occurred, the Issuer's ability to meet its obligations under the Covered Bonds will only and still depend on the amount of scheduled principal and interest paid by the Borrower under the Issuer Security Assets and the timing thereof and/or, as applicable, the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy and/or the revenue proceeds generated by Permitted Investments and/or the Cash Collateral and/or the available amount under the Share Capital Proceeds Account.

If an Issuer Enforcement Notice is served following the occurrence of an Issuer Event of Default and the Issuer Security is enforced, the proceeds from such enforcement may not be sufficient to meet the claims of all the holders of the Covered Bonds. If, following enforcement of the Issuer Collateral Security, the holders of the Covered Bonds have not received the full amount due to them pursuant to the terms of the Programme Documents, then they may still have an unsecured claim against the Issuer for the shortfall. There is no guarantee that the Issuer will have sufficient funds to pay that shortfall.

Holders of the Covered Bonds should note however that the credit enhancement features provided for under the Programme Documents (Cash Collateral, Asset Cover Test, etc.) have been structured to ensure that the risk of there ever being a shortfall be remote. However there is no assurance that there will not be a shortfall.

Restrictions on recourse and enforcement

Recourse against the Issuer is restricted by the then applicable Priority Payment Order and amounts payable by the Issuer shall be recoverable only from and to the extent of the amount of the Available Funds. No enforcement action under the Covered Bonds may be taken prior to the date which is eighteen (18) months and one (1) day after the earlier of (i) the Final Maturity Date of the last Series issued by the Issuer under the Programme, or (ii) the date of payment of any sums outstanding and owing under the latest outstanding Covered Bond.

Permitted Investments

Any available funds standing to the credit of the Issuer Accounts (prior to their allocation and distribution) shall be invested by the Administrator in Permitted Investments. The value of the Permitted Investments may fluctuate depending on the financial markets and the Issuer may be exposed to a credit risk in relation to the issuers of such Permitted Investments. None of the Arrangers, the Issuer, the Administrator or any other party to the Programme Documents guarantees the market value of the Permitted Investments. None of them shall be liable if the market value of any of the Permitted Investments fluctuates and decreases.

Risks related to the Borrower *Borrower's ability to pay under the Borrower Debt*

Neither the Issuer nor any other party to the Programme Documents (other than upon certain circumstances, the Cash Collateral Provider and without prejudice to the Collateral Security granted by the Collateral Providers) does guarantee or warrant full and timely payment by the Borrower of any sums of principal or interest payable under the Borrower Debt, being part of the Issuer Assets.

In addition, should the Borrower be subjected to any applicable insolvency proceedings (including, the procedures of safeguard, moratorium, suspension of payments, controlled management, liquidation or similar insolvency proceedings), this would impair the ability of the Issuer to claim against such Borrower for obtaining timely payment of amounts of principal and interest due and payable under the Borrower Debt and the Issuer will not be entitled to accelerate the payment of such amounts.

However, the ability of the Issuer to use the funds made available to it by the Cash Collateral Provider under the relevant Cash Collateral or the ability of the Issuer (or of the Issuer Security Agent acting on its behalf) to enforce the Collateral Security granted by the Collateral Providers (and then the ability of the Issuer to be transferred full title to (i) the Home Loans and the related Home Loan Security and (ii) any Substitution Assets) will not be affected by the opening of an insolvency proceedings against the Borrower.

Risks related to the Collateral Security

No interpretation by French courts of rules applicable to Collateral Security

The Home Loans and related Home Loan Security which will be granted as Collateral Security in favour of the Issuer for the repayment of the Borrower Debt extended by the Issuer will be granted in accordance with the recent applicable rules of French law implementing the Directive 2002/47/EC of the European Parliament and of the Council of 6 June 2002 on financial collateral arrangements.

Although such rules of French law are in full force and effect, as of the date of this Base Prospectus, holders of the Covered Bonds should note that French courts have not yet had the opportunity to interpret such rules.

No prior notification to debtors under the Home Loans granted as Collateral Security

The Collateral Security Agreement will provide that the relevant Home Loans and Home Loan Security will be granted as collateral security without notification or information of the underlying debtors of such Home Loans.

Such debtors will only be notified if and when the relevant collateral security is enforced following a Borrower Event of Default and then title to the relevant Home Loans and related Home Loan Security has been transferred to the Issuer. Notification of such debtors will only be effected once, following such Borrower Event of Default, the relevant collateral security has been enforced. As long as no such notification has taken place, any payments made by any debtor under the relevant Home Loans will continue to be validly made by such debtors to the relevant Collateral Provider, even though title to such Home Loans would have been validly transferred to the Issuer upon enforcement of the relevant collateral security.

There is no guarantee that the notification to the debtors under the relevant Home Loans will be made at the times required and there can be no guarantee or assurance as to the ability of the Issuer to obtain effective direct payment from the debtors under the relevant Home Loans in a sufficient timely manner, which may affect payments under the Covered Bonds. In this situation, a

shortfall in distributions of interest to Bondholders may result. However, the Hedging Agreement concluded in accordance with the Hedging Strategy is designed to cover limited amounts of interest on the related series of Covered Bonds for a limited period of time in this situation.

Until notification to the debtors has been made and provided that, at such time, insolvency proceedings have been opened against the Collateral Providers, a statutory stay of execution under mandatory rules of French insolvency law will prevent the Issuer from taking recourse against the Collateral Providers for repayment of collections received by the Collateral Providers under the relevant Home Loans which are commingled with other funds of the Collateral Providers.

However, this commingling risk is mitigated by the obligation of the Borrower to grant cash as Collateral Security to cover such risk upon downgrading of the Borrower credit rating below A-2 (short term) by S&P or A (long term) or F1 (short term) (Fitch) or P-1 (Moody's Investors Service Ltd.) (or any other credit rating trigger which may be agreed with the Rating Agencies after the date hereof) (see "**The Collateral Security – The Collateral Security Agreement – Collection Loss Trigger Event**").

Set-off by debtors under the Home Loans

Set-off under French law can operate by statute (*compensation légale*) or be agreed by contract (*compensation contractuelle*) or be ordered by court (*compensation judiciaire*). Set-off may also be invoked if claims are deemed mutual or inter-related (*dettes connexes*).

Statutory set-off operates as of right between two reciprocal debts (*dettes réciproques*) provided that such debts are, at the same time, fungible (*fongibles*), certain (*certaines*), liquid (*liquides*) as well as due and payable (*exigibles*). A contract or a court may expand statutory set-off possibilities where, with respect to two reciprocal and fungible debts, such debts are not at the same time certain, liquid and due and payable. A set off between debts which are deemed mutual by contract or on an economic standpoint is available as of right.

Since no provision under the Home Loan Agreements expressly allows a debtor to expand statutory set-off possibilities nor expressly provides for a mutuality (*connexité*) between claims owed by a debtor to a Collateral Provider under a Home Loan and claims that such debtor may as the case may be have against such Collateral Provider under other contracts, such as a bank account or a deposit contract, etc. but, at the same time, no provision under the Home Loan Agreements expressly provides for a waiver of set-off (see "**The Collateral Security – The Collateral Security Agreement – Home Loan Eligibility Criteria**"), a debtor under a Home Loan is entitled to invoke either (i) a statutory or a judicial set-off, or (ii) a set-off based on a mutuality of claims (*connexité*) should such mutuality be provided for by another contract than the Home Loan Agreement or the global economic relationship which would exist between a debtor under a Home Loan and a Collateral Provider.

However, a set off such as referred to in (i) or (ii) above may become a risk for the Issuer under the sole circumstances where the Home Loans would have been transferred to the Issuer following the occurrence of a Borrower Event of Default.

Following such transfer and as long as the debtors under the Home Loans would have not been notified of such transfer, the debtors would be entitled to invoke statutory and judicial set-off as if no transfer had taken place. After notification of the transfer, a debtor under a Home Loan would still be entitled to invoke statutory set-off against the Issuer if prior to the notification of the transfer, the above mentioned conditions for statutory set-off were satisfied.

A set off between inter-related debts (*dettes connexes*) is available as of right. Inter-related debts (*dettes connexes*) mainly result from economic inter-relationship. In this latter case, mutuality of claims will be determined on a case by case basis, depending on the factual circumstances then existing. The most likely circumstances where set off would have to be considered are when counterclaims resulting from a current account relationship will allow a debtor to set off such counterclaims against sums due under a Home Loan. In this situation however, French case law stated that there was no mutuality of claims, notwithstanding that the instalment under the home loan was to be paid by way of direct debit from the funds standing to the credit of the relevant current account since the parties did not intend to inter relate their current account relationship and the lending transaction on an economical standpoint.

Maintenance of value of the Collateral Security prior to or following enforcement thereof

If the collateral value of the Home Loans and related Home Loan Security granted as Collateral Security in favour of the Issuer pursuant to the Collateral Security Agreement has not been maintained in accordance with the terms of the Asset Cover Test or the Amortisation Test or the other provisions of the Programme Documents, then that may affect the value of the relevant collateral security or any part thereof (both before and after the occurrence of a Borrower Event of Default) or the price or value of such Home Loans and related Home Loan Security upon the sale or refinancing thereof by the Issuer.

The value of the properties securing the Collateral Security may decrease as a result of any number of factors, including the national or international economic climate, regional economic or housing conditions, changes in tax laws, mortgage interest rates, inflation, the availability of financing, yields on alternative investments, increasing utility costs and other day-to-day expenses, political developments and government policies.

Sale or refinancing of Home Loans and related Home Loan Security by the Issuer following enforcement of the Collateral Security

After title to Home Loans and related Home Loan Security and Substitution Assets has been transferred to the Issuer upon enforcement of the Collateral Security following the occurrence of a Borrower Event of Default (the "**Transferred Assets**"), the Administrator (or the Substitute Administrator) acting on behalf of the Issuer has undertaken to sell or refinance such Home Loans, related Home Loan Security and Substitution Assets in order for the Issuer to receive sufficient Available Funds to make payments when due under the relevant Series of Covered Bonds (after taking into account all payments to be made in priority thereto according to the relevant Priority Payment Order and the relevant payment dates and Final Maturity Date under each relevant Series of Covered Bonds).

The Administrator (or the Substitute Administrator) acting on behalf of the Issuer will be obliged to sell or refinance Home Loans, related Home Loan Security and Substitution Assets in accordance with the Administrative Agreement (see "**The Issuer – The Administrative Agreement**").

The Administrative Agreement provides that the Administrator (or the Substitute Administrator) acting on behalf of the Issuer shall ensure that the Home Loans, related Home Loan Security and Substitution Assets which are proposed for sale or refinancing (the "**Selected Assets**") at any relevant date (the "**SARA Relevant Date**") will be selected on a random basis, provided that (i) no more Selected Assets will be selected than are necessary for the estimated sale or refinancing proceeds to equal the Adjusted Required Redemption Amount, and (ii) the aggregate outstanding principal amount or value (and interest accrued thereon) of such Selected Assets shall not exceed the "**Selected Assets Required Amount (SARA)**", which is calculated as follows:

$$\text{SARA} = \text{Adjusted Required Redemption Amount} * A/B$$

where:

"**Adjusted Required Redemption Amount**" means an amount equal to the euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) of the first Series of Covered Bonds maturing after the SARA Relevant Date less amounts standing to the credit of the Issuer Accounts (excluding all amounts to be applied on the first Payment Date following the SARA Relevant Date to repay higher ranking amounts in the relevant Priority

Payment Order and those amounts that are required to repay any Series which mature prior to or on the same date as the relevant Series);

"A" means the euro equivalent of the aggregate of the outstanding principal amount or value (together with interest accrued thereon) of all Transferred Assets; and

"B" means the euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) in respect of all Series of Covered Bonds then outstanding.

The Administrator (or the Substitute Administrator) acting on behalf of the Issuer will offer the Selected Assets for sale to potential buyers for the best price reasonably available but in any event for an amount not less than the Adjusted Required Redemption Amount.

If the Selected Assets have not been sold or refinanced (in whole or in part) in an amount equal to the Adjusted Required Redemption Amount by the date which is six (6) months prior to the Final Maturity Date of the Series of Covered Bonds maturing after the SARA Relevant Date (after taking into account all payments, provisions and credits to be made in priority thereto), then the Administrator (or the Substitute Administrator) acting on behalf of the Issuer will (i) offer the Selected Assets for sale for the best price reasonably available or (ii) seek to refinance the Selected Assets on the best terms reasonably available, notwithstanding that such amount may be less than the Adjusted Required Redemption Amount.

For the purpose hereof, the Administrator (or the Substitute Administrator) acting on behalf of the Issuer may through a tender process appoint a portfolio manager of recognised standing on a basis intended to incite the portfolio manager to achieve the best price for the sale or refinancing of the relevant Home Loans, related Home Loan Security and the relevant Substitution Assets (if such terms are commercially available in the market) and to advise it in relation to the sale or refinancing of the same to potential buyers.

In respect of any sale or refinancing of the Selected Assets, the Administrator or (the Substitute Administrator) acting on behalf of the Issuer shall use all reasonable endeavours to procure that the same are sold as quickly as reasonably practicable (in accordance, as the case may be, with the recommendations of the portfolio manager) taking into account the market conditions at that time.

There is no guarantee that a buyer will be found to acquire Home Loans, related Home Loan Security or Substitution Assets at the times required and there can be no guarantee or assurance as to the price which may be able to be obtained, which may affect the ability of the Issuer to make payments when due under the Covered Bonds.

In addition, in respect of any sale or refinancing of Home Loans, related Home Loan Security and Substitution Assets to third parties, the Issuer will not be permitted to give warranties or indemnities in respect of those assets. There is no assurance that representations or warranties previously given by the Collateral Providers in respect of such assets pursuant to the terms of the Collateral Security Agreement may benefit to the third party purchaser of such assets upon sale or refinancing thereof by the Issuer. Accordingly, there is a risk that the price or value of such assets upon the sale or refinancing thereof by the Issuer be adversely affected by the lack of representations and warranties which in turn could adversely affect the ability of the Issuer to make payments when due under the relevant Series of Covered Bonds.

Risk related to the Home Loans and related Home Loan Security

Debtors' ability to pay under the Home Loans

The debtors under the Home Loans are individuals having borrowed under the Home Loans in order to finance the acquisition of real estate property.

If following enforcement of the Collateral Security, the Issuer does not receive the full amount due from the debtors in respect of such Home Loans, this may affect the ability of the Issuer to make payments under the Covered Bonds.

The Issuer may therefore be exposed to the occurrence of credit risk in relation to the debtors under the Home Loans.

None of the Borrower, the Collateral Providers, the Issuer or any other party to the Programme Documents does guarantee or warrant full and timely payment by the debtors under the Home Loans of any sums payable under such Home Loans.

The ability of a debtor under the Home Loans to make timely payment of amounts due under such Home Loans will mainly depend on his assets and his liabilities as well as his ability to generate sufficient income to make payments under the relevant Home Loans. His ability to generate income may be adversely affected by a large number of factors, some of which (i) relate specifically to the debtor himself (including but not limited to his age and health, employment situation, family situation, creditworthiness or expropriation) or (ii) are more general in nature (such as changes in governmental regulations, fiscal policy, etc.).

Furthermore, the debtors under the Home Loans may benefit from the favourable legal and statutory provisions of the French Consumer Code (*Code de la consommation*), pursuant to which any individual may, under certain circumstances, and subject to certain conditions, request and obtain from the competent court a grace period, a reduction of the amount of all and any of its indebtedness and any interest relating thereto and, as the case may be, (pursuant to (i) law no.98-657 dated 29 July 1998, as amended, and (ii) law no.2003-710 dated 1st August 2003) a full or partial extinguishment of its indebtedness against a credit institution.

No independent investigation – representations and warranties

None of the Issuer, the Arrangers, the Administrator or any other party to any Programme Document has undertaken or will undertake any investigations, searches or other due diligence regarding the Home Loans, the related Home Loan Security or as to the status and/or the creditworthiness of the debtors under the Home Loans. Each of them has relied solely on the representations and warranties given by the Collateral Providers under the Collateral Security Agreement.

If any breach of eligibility criteria relating to any Home Loan is material and (if capable of remedy) is not remedied, the Collateral Providers shall be required under the Collateral Security Agreement to provide sufficient eligible Homes Loans or Substitution Assets in order to maintain compliance with the Asset Cover Test. Upon becoming ineligible on any given Asset Cover Test Date, any Home Loan shall be accounted for zero for the purposes of determining compliance with the Asset Cover Test. The foregoing is without prejudice to the obligations of the relevant parties under the Programme Documents, including the obligation to comply with the Asset Cover Test and to the Home Loan Eligibility Criteria.

Limited description of the Home Loans

The holders of the Covered Bonds will not receive detailed statistics or information in relation to the Home Loans or to the Collateral Security Assets, because it is expected that the constitution of the security over the Collateral Security Assets may constantly change due to, for instance, the Collateral Providers granting security over additional and/or new Collateral Security Assets or new Collateral Providers acceding to the Programme. However, each Eligible Home Loan and Substitution Asset will be required to meet the applicable eligibility criteria.

Prepayment

The rate of prepayment of Homes Loans is influenced by a wide variety of economic, social and other factors, including prevailing market interest rates, changes in tax laws (including but not limited to amendments to mortgage interest tax deductibility), local and regional economic conditions and changes in debtor's behaviour (including but not limited to home-owner mobility). No guarantee can be given as to the level of prepayment that the Home Loans may experience, and variation in the rate of prepayments of principal on the Home Loans may affect the ability of the Issuer to realise sufficient funds to make payments under the Covered Bonds upon the service of a Borrower Enforcement Notice and then transfer of title to the Home Loans and Home Loan Security in favour of the Issuer.

Changes to the lending criteria of the Collateral Providers

Each of the Home Loans originated by the Collateral Providers will have been originated in accordance with its lending criteria at the time of origination. It is expected that each Collateral Provider's lending criteria will generally consider type of financed property, term of loan, age of applicant, the loan-to-value ratio, status of applicants and credit history. One (1) of the Home Loans Eligibility Criteria requires that, prior to the date upon which the Home Loan has been made available to the borrower thereof, all lending criteria and preconditions as applied by the originator of the Home Loan pursuant to its customary lending procedures were satisfied. Each of the Collateral Providers retains the right to revise its lending criteria from time to time. If the lending criteria change in a manner that affects the creditworthiness of the Home Loans, that may lead to increased defaults by borrowers thereof and may affect the realisable value of the Collateral Security Assets or part thereof, and the ability of the Issuer to make payments under the Covered Bonds upon the service of a Borrower Enforcement Notice and then transfer of title to the Home Loans and Home Loan Security in favour of the Issuer.

Foreclosing on real property granted as security under French law governed Mortgages

The French legal procedures to be followed in relation to the enforcement of French law governed Mortgages and related expenses may affect the Issuer's ability to liquidate the properties secured under such Mortgages efficiently and in a timely manner. An outline of these procedures is set out below (Specific rules are provided for lender's privileges and mortgages to be registered in the departments of Haut-Rhin, Bas-Rhin and Moselle. However, these specific rules do not substantially change the outline of these procedures set out below.)

Foreclosure on property situated in France by secured creditors (*saisie immobilière*) may require the sale of the property at a public auction (*vente aux enchères*) if the sale cannot be made voluntarily by the debtor (*conversion en vente volontaire* or *à l'amiable*). The foreclosure procedure may take up to one (1) year and a half in normal circumstances. The beneficiary of a lender's privilege or a mortgage will thus rank in respect of the sale proceeds in the order of priority of registration of the privileges and mortgages (*droits de préférence*) encumbering such seized property (article 2458 of the French Civil Code (*Code civil*)). The first step in the foreclosure procedure consists of delivering a foreclosure notice to the debtor by a bailiff or *huissier* (a process server or *commandement de saisie immobilière*). This notice should be filed at the French Land and Charges Registry having jurisdiction in the district where the relevant real property is located. The next step is to instruct a local lawyer (*avocat*) to prepare the terms of the sale of the property at auction, including the reserve price of the relevant real property (such instruction is not mandatory in the departments of Haut-Rhin, Bas-Rhin and Moselle). Finally, a number of legal notices are required to be given prior to the sale. The debtor may file objections against such foreclosure (including the reserve price), the validity of which will be decided by a competent court. If no bid is made at the public auction, and provided there is only one (1) foreclosing creditor, such foreclosing creditor is declared the highest bidder and is thus obliged to purchase the property at a reserve price specified in the terms of the sale. Rules applicable to the *saisie immobilière* procedure have been recently modified by an act (*ordonnance n° 2006-461 réformant la saisie immobilière*) dated 21 April 2006. This new legislation (articles 2190 *et seq.* of the French Civil Code (*Code civil*)) has come into force on 1 January 2007. The purpose of the legislation is to simplify the foreclosure process by encouraging voluntary sales (*ventes à l'amiable*) and to reduce the duration and complexity of the process.

In accordance with article 2461 of the French Civil Code (*Code civil*), secured creditors will continue to benefit from the lender's privilege or mortgage, even if the property is transferred, by the debtor to a third party without the Lenders' consent. This right is known as *droit de suite*. If the secured creditor wishes to exercise this right, an order to pay is required to be served on the debtor by a bailiff and notice is required to be served on the third party to whom the relevant secured property was transferred (*tiers détenteur de l'immeuble hypothéqué*) with a view either to pay the debt secured over the property or to surrender such property at an auction.

The exercise of such *droit de suite* is often paralysed due to an "advanced clearing" of the privileges and mortgages granted over the relevant property (*purge des privilèges et hypothèques*). If the debtor and all secured creditors agree, in accordance with article 2475 of the French Civil Code (*Code civil*), for the sale proceeds to be allocated (*affecté*) to them, the secured creditors exercise their preferential rights (*droits de préférence*) over the sale proceeds, the

payment of which will discharge all privileges and mortgages granted over the property (*purge amiable*). And if no agreement is reached (for instance if the sale price of the property is substantially below the amount of the secured debt), the third party will still be entitled to offer to pay the sale price to the secured creditors in order to clear all privileges and mortgages granted over the relevant property (*purge judiciaire*). Secured creditors may refuse this offer if they consider that the sale price has been underestimated by the debtor and the third party. In this case, an auction will be ordered with a minimum bid which is the price offered by the relevant third party being made to the secured creditor, plus ten per cent (10%).

Enforcement of Home Loan Guarantees

If following enforcement of the Collateral Security and then transfer of title to the Home Loans and Home Loan Security in favour of the Issuer and then notification of the debtors under such Home Loans and then enforcement of its rights by the Issuer under the relevant Home Loan Guarantees against the guarantor thereunder, such guarantor does not pay in whole or in part any amounts due under the relevant Home Loan Guarantees for whatever reason or does not pay such amounts in a timely manner, this may affect the ability of the Issuer to make payments under the Covered Bonds.

Risks relating to swaps and options derivatives

Interest and currency risks

Each Borrower Advance granted by the Issuer to the benefit of the Borrower under the Borrower Facility Agreement shall be made available in the same Specified Currency and according to the same interest conditions to those applicable to the Covered Bonds funding such Borrower Advance. As a consequence, as long as a Borrower Event of Default has not occurred, the Issuer shall not be exposed to any currency and interest risk regarding the Borrower Debt and the Covered Bonds.

There is no assurance that the Loans being part of the Collateral Security bear interest in the same conditions as those of the Covered Bonds and are denominated in the same currency as those of the Covered Bonds. Upon the occurrence of a Borrower Event of Default and the enforcement of the Collateral Security, Home Loans and related Home Loans Security will be transferred to the Issuer. In this case, in order to hedge the potential mismatch of the interest rates applicable to the Covered Bonds and to the Home Loans and the potential mismatch of currencies, the Issuer shall apply the Hedging Strategy as from the occurrence of the Hedging Rating Trigger Event. However, there can be no assurance that the Hedging Strategy will adequately address such hedging risks.

Hedging strategy

Upon the occurrence of a Hedging Rating Trigger Event, no assurance can be given that the hedging documentation agreed under the Hedging Strategy will be concluded, and in particular, that all the relevant Eligible Hedging Provider(s) will be found and will accept to conclude the hedging documentation agreed under the Hedging Strategy. Upon the occurrence of a Hedging Rating Trigger Event, (i) any failure by the Issuer (or the Administrator on its behalf) to enter into (a) appropriate Issuer Hedging Agreements and related Issuer Hedging Transactions with Eligible Hedging Provider(s) or (b) appropriate Borrower Hedging Agreement(s) and related Borrower Hedging Transaction(s) with Crédit Agricole S.A. within thirty (30) calendar days from the occurrence date of such Hedging Rating Trigger Event, as described under the Hedging Strategy, will constitute an Issuer Event of Default and a Borrower Event of Default under the Borrower Facility Agreement and (ii) any failure by the Borrower (a) to enter into appropriate Borrower Hedging Agreement(s) and related Borrower Hedging Transaction(s) with the Issuer, within thirty (30) calendar days from the date of occurrence of such Hedging Rating Trigger Event or (b) to pay any costs and expenses necessary to allow the Issuer to enter into the agreements referred to above will constitute a Borrower Event of Default under the Borrower Facility Agreement. Moreover, in certain circumstances, the hedging documentation contemplated under the Hedging Strategy may be terminated and as a result the Issuer may be unhedged if replacement interest rate and/or currency derivative transactions are not entered into.

Risks related to the Issuer Security

The Issuer Security in case of insolvency of the Issuer

The validity of the Issuer Security granted by the Issuer in the Issuer Security Assets could be challenged in the event that insolvency proceedings were commenced in respect of the Issuer during the eighteen (18) month period following the date on which such security interest is granted.

Article L. 632-1-6° of the French Commercial Code (*Code de commerce*) provides that any security interest granted after the date on which the underlying debt it secures was incurred (*dettes antérieurement contractées*) and which was determined to have been granted during the hardening period, is null and void. The hardening period (*période suspecte*) is a period of time the duration of which is determined by the bankruptcy judge upon the judgment recognising that the cessation of payments of the insolvent company has occurred. The hardening period commences on the date of such judgment and extends for up to eighteen (18) months previous to the date of such judgment. The same consequences will apply to any security granted after the Programme Date in certain circumstances and which secures a debt existing prior to the taking of the security. In particular, in the event of new issuances of Covered Bonds or in case the Issuer Accounts are transferred into the books of a new Issuer Account Bank (following the occurrence of the Issuer Account Bank Rating Trigger Event), the Issuer Security will be released and retaken in favour of any and all Covered Bonds.

Furthermore, article L. 632-2, 1st paragraph, of the French Commercial Code (*Code de commerce*) provides that the bankruptcy court may declare void any agreement involving a consideration (*acte à titre onéreux*) entered into during the hardening period if the bankrupt debtor's contracting party knew that such debtor was insolvent (*cessation des paiements*).

However, the risk that the Issuer is insolvent (*cessation des paiements*) at the time the Issuer Security is retaken is limited since (i) the Issuer is a special purpose entity, with exclusive and limited purpose and a financial institution license and is intended to be a ring-fenced entity that will be unaffected by the insolvency of the Group, in particular by including limited recourse and non-petition wording in the relevant Programme Documents, and (ii) the Issuer shall not issue further Covered Bonds (and, as a consequence, shall not be in a position to retake the Issuer Security) in case an Issuer Enforcement Notice or a Borrower Enforcement Notice has been served, a Non Compliance Notice has been served regarding the Pre-Maturity Test and is not withdrawn, a Non Compliance with Amortisation Test or a Non Compliance with Asset Cover Test has been served (see "**Terms and Conditions of the Covered Bond**" – Conditions 5 (j)).

Bondholders may be required to pay a "soulte" in the event they decide to enforce the Issuer Security over the Issuer Securities Accounts by attribution of the securities rather than by a sale of the securities in a public auction

Under French law, a pledge over securities may be enforced at the option of the secured creditor either by a sale of the pledged securities in a public auction (the proceeds of the sale being paid to the secured creditors) or by "attribution" of the securities to the secured creditor, following which the secured creditor is the legal owner of the securities inscribed in the relevant Issuer Securities Accounts. In a proceeding for attribution, a court appointed expert will determine the value of the collateral (in this case, the securities inscribed in the relevant Issuer Securities Accounts) and, if the value of the collateral exceeds the amount of the secured debt, the secured creditors may be required to pay the obligor a balance in cash amount (*soulte*), equal to the difference between the value of the securities as asserted by such expert and the amount of the secured debt. This is true regardless of the actual amount of proceeds ultimately received by the secured creditors from a subsequent sale of the collateral.

Enforcement of the Issuer Security upon insolvency of the Issuer

The Issuer is subject to the provisions of French insolvency legislation. Although the Issuer has been incorporated as single purpose vehicle and ring fenced entity, it may, nonetheless, become insolvent or subject to moratorium proceedings under French law. The rights of creditors of insolvent French companies are limited by law; self-help remedies, for example appointing a receiver in respect of the Collateral Security Assets and controlling the manner and timing of the enforcement of the Issuer Security, are also generally prohibited by mandatory provisions of French law.

Risks related to Covered Bonds generally

The Covered Bonds may not be a suitable investment for all investors

Each prospective investor in the Covered Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each prospective investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Covered Bonds, the merits and risks of investing in the relevant Covered Bonds and the information contained in this Base Prospectus or any applicable supplement to this Base Prospectus;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Covered Bonds and the impact the relevant Covered Bonds will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Covered Bonds, including Covered Bonds with principal or interest payable in one (1) or more currencies, or where the currency for principal or interest payments is different from the prospective investor's currency;
- (d) understand thoroughly the terms of the relevant Covered Bonds and be familiar with the behaviour of any relevant indices and financial markets;
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks; and
- (f) ensure that, in terms of any legislation or regulatory regime applicable to such investor, what restrictions (if any) there are on its ability to invest in Covered Bonds generally and in any particular type of Covered Bonds.

Some Covered Bonds are complex financial instruments and such instruments may be purchased as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A prospective investor should not invest in Covered Bonds which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Covered Bonds will perform under changing conditions, the resulting effects on the value of such Covered Bonds and the impact this investment will have on the prospective investor's overall investment portfolio.

Modification of the Conditions

The Bondholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interest in a *masse*, as defined in Condition 12, and a General Meeting can be held. The Terms and Conditions permit in certain cases defined majorities to bind all Bondholders including Bondholders who did not attend and vote at the relevant General Meeting and Bondholders who voted in a manner contrary to the majority. The General Meeting may deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, as more fully described in Condition 12.

Change of law

The Terms and Conditions of the Covered Bonds are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in French law or administrative practice after the date of this Base Prospectus.

Taxation

Potential purchasers and sellers of the Covered Bonds should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Covered Bonds are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Covered Bonds. Potential investors are advised not to rely upon the tax summary contained in this Base Prospectus and/or in the Final Terms but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Covered Bonds. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus and the additional tax sections, if any, contained in the relevant Final Terms.

EU Savings Directive

On 3 June 2003, the European Council of Economics and Finance Ministers adopted a directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the "**Directive**"). The Directive requires Member States, subject to a number of conditions being met, to provide to the tax authorities of other Member States details of payments of interest and other similar income made by a paying agent located within their jurisdiction to an individual resident in that other Member State, except that, for a transitional period, Luxembourg and Austria will instead withhold an amount on interest payments unless the relevant beneficial owner of such payment elects otherwise and authorises the paying agent to disclose the above information (see "Taxation – EU Savings Directive").

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Covered Bond as a result of the imposition of such withholding tax.

Risks related to the structure of a particular issue of Covered Bonds

Covered Bonds issued under the Programme will either be fungible with an existing Series or have different terms to an existing Series (in which case they will constitute a new Series). All Covered Bonds issued from time to time will rank *pari passu* with each other in all respects and will share equally in the Issuer Security.

A wide range of Covered Bonds may be issued under the Programme. A number of these Covered Bonds may have features which contain particular risks for prospective investors. Set out below is a description of the most common such features:

Covered Bonds subject to optional redemption by the Issuer

An optional redemption feature of Covered Bonds is likely to limit their market value. During any period when the Issuer may elect to redeem Covered Bonds, the market value of such Covered Bonds generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer will redeem Covered Bonds when it appears that the Borrower is about to redeem the corresponding Borrower Advance(s) and the Borrower may be expected to redeem such corresponding Borrower Advance(s) when the general cost of borrowing of the Borrower is lower than the interest rate on such Borrower Advance(s). At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Covered Bonds being redeemed and may only be able to do so at a significantly lower rate. Prospective investors should consider reinvestment risk in light of other investments available at that time.

Fixed Rate Covered Bonds

Investment in Covered Bonds which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Covered Bonds.

Floating Rate Covered Bonds

Investment in Covered Bonds which bear interest at a floating rate comprises (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Covered Bonds but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Covered Bonds may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Covered Bonds upon the next periodic adjustment of the relevant reference rate.

Index Linked Covered Bonds and Dual Currency Covered Bonds

Subject to prior Rating Affirmation, the Issuer may issue Covered Bonds with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "**Relevant Factor**"). In addition, the Issuer may issue Covered Bonds with principal or interest payable in one (1) or more currencies which may be different from the currency in which the Bonds are denominated. Prospective investors should be aware that:

- (a) the market price of such Covered Bonds may be volatile;
- (b) they may receive no interest;
- (c) payment of principal or interest may occur at a different time or in a different currency than expected;
- (d) the amount of principal payable at redemption may be less than the nominal amount of such Covered Bonds or even zero;
- (e) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (f) if a Relevant Factor is applied to Covered Bonds in conjunction with a multiplier greater than one (1) or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (g) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Partly-paid Covered Bonds

The Issuer may issue Covered Bonds where the issue price is payable in more than one (1) instalment. Failure to pay any subsequent instalment could result in an investor losing some or all of his investment.

Variable rate Covered Bonds with a multiplier or other leverage factor

Covered Bonds with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Covered Bonds

Inverse Floating Rate Covered Bonds have an interest rate equal to a fixed rate minus a rate based upon a reference rate. The market values of such Covered Bonds typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Covered Bonds are more volatile because an increase in the reference rate not only decreases the interest rate of the Covered Bonds, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Covered Bonds.

Fixed/Floating Rate Covered Bonds

Fixed/Floating Rate Covered Bonds may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Covered Bonds since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Covered Bonds may be less favourable than then prevailing spreads on comparable Floating Rate Covered Bonds tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Covered Bonds. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Covered Bonds.

Covered Bonds issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Certain decisions of holders of Covered Bonds taken at Programme level

Any resolution to direct the Representative to serve an Issuer Enforcement Notice, and any direction to the Representative to take any action as provided under this Base Prospectus must be passed at a single meeting of the holders of the Covered Bonds of a single Series then outstanding and can not be decided upon at a meeting of the holders of the Covered Bonds of all Series. Any resolution to direct the Representative to serve an Issuer Enforcement Notice will be effective for all the holders of the Covered Bonds, including the holders of the Covered Bonds who did not attend and vote at the relevant meeting and the holders of the Covered Bonds who voted in a manner contrary.

Ratings of the Covered Bonds and Rating Affirmation

The ratings assigned to the Covered Bonds by the Rating Agencies are based on the Issuer Security Assets, the Collateral Security, the Home Loans and Home Loan Security, the Cash Collateral and the other relevant structural and credit enhancement features provided for under the Programme Documents, including, among other things, the short-term and/or long-term unsecured, unguaranteed and unsubordinated debt ratings of the parties to the Programme Documents, and reflect only the views of the Rating Agencies. The ratings address the likelihood of full and timely receipt by any of the relevant Bondholders of interest on the Covered Bonds and the likelihood of receipt by any of the relevant Bondholders of principal of the Covered Bonds by the relevant Final Maturity Date. The Moody's ratings address the expected loss posed to investors (Moody's ratings address only the credit risks associated with the transaction. Other non-credit risks have not been addressed, but may have a significant effect on yield to investors). There is no assurance that any such ratings will continue for any period of time or that they will not be reviewed, revised, suspended or withdrawn entirely by any of the Rating Agencies as a result of changes in or unavailability of information or if, in the judgment of the Rating Agencies, circumstances so warrant. A qualification, downgrade or withdrawal of any of the ratings mentioned above may impact upon both the value of the Covered Bonds or their marketability in secondary market transactions.

The Rating Agencies will be notified of the exercise of certain discretions exercised by or on behalf of the Issuer under the Programme Documents. However, the Rating Agencies are under no obligation to revert to the Issuer (or any of its agents) regarding the impact of the exercise of such discretion on the ratings of the Covered Bonds and any decision as to whether or not to confirm, downgrade, withdraw or qualify the ratings of all classes or any class of Covered Bonds based on such notification may be made at the sole discretion of the Rating Agencies at any time, including after the relevant action has been taken.

Where, after the Programme Date, a particular matter such as that referred to in the preceding paragraph or any other matter involves the Rating Agencies being requested a prior Rating Affirmation, the Rating Agencies, at their sole discretion, may or may not give such affirmation. It should be noted that, depending on the timing of delivery of the request and any information needed to be provided as part of any such request, it may be the case that the Rating Agencies cannot provide the relevant affirmation in the time available or at all and they will not be held responsible for the consequences thereof. Any affirmation received from the Rating Agencies, if given, will be given on the basis of the facts and circumstances prevailing at the relevant time and in the context of cumulative changes to the transaction of which the Covered Bonds form part since the Programme Date. Furthermore, in the event that the Rating Agencies gives a Rating Affirmation, this will be on the basis of full and timely receipt by the relevant Bondholders of interest on the Covered Bonds and the likelihood of receipt of principal of the Covered Bonds by the relevant Final Maturity Date. There is no assurance that after any such affirmation, the then current ratings of the Covered Bonds will continue for any period of time or that they will not be reviewed, revised, suspended or withdrawn entirely by one (1) or more of the Rating Agencies for any of the reasons specified above in relation to the original ratings of the Covered Bonds. As such an affirmation of the ratings of the Covered Bonds by the Rating Agencies is not a representation or warranty that, as a result of a particular matter, the interest and principal due under the Covered Bonds will be paid or repaid in full and when due.

Agencies other than the Rating Agencies could seek to rate the Covered Bonds and if such unsolicited ratings are lower than the comparable ratings assigned to the Covered Bonds by the Rating Agencies, those unsolicited ratings could have an adverse effect on the value and the marketability of the Covered Bonds. For the avoidance of doubt and unless the context otherwise requires, any references to "ratings" or "rating" in this Base Prospectus are to ratings assigned by the specified Rating Agencies only.

Implementation of Basel II Risk-Weighted Asset Framework

In June 1999, the Basel Committee on Banking Supervision (the "**Basel Committee**") issued proposals for the reform of the 1988 Basel Capital Accord and proposed a new capital adequacy framework which would place enhanced emphasis on risk sensitivity and market discipline. On 26 June 2004, the Basel Committee published a new Capital Accord under the title "Basel II International Convergence of Capital Measurement and Capital Standards: a Revised

Framework" ("**Basel II**"), an updated version of which was published in November 2005. Basel II has been implemented into the EU legislation through the directives no. 2006/48 and no. 2006/49 (the "**Capital Requirements Directives**") both dated 14 June 2006. In France, the provisions of the Capital Requirements Directives providing for a new solvency ratio have been implemented through the *arrêtés* dated 20 February 2007 and the *ordonnance* dated 19 April 2007.

This implementation has brought about many substantial changes to the current system of capital requirements, prudential oversight and risk-management systems, including those of the Issuer. The direction and the magnitude of the impact of Basel II obviously depend on the particular asset structure of each bank and its precise impact on the Issuer cannot be quantified with certainty at this time. The Issuer may operate its business in ways that may be less profitable than its present operation in complying with the new guidelines resulting from the transposition of the Capital Requirements Directives.

In addition, the implementation of Basel II could affect the risk weighting of the Covered Bonds in respect of certain investors if those investors are subject to the new guidelines resulting from the implementation of the Capital Requirements Directives. Accordingly, recipients of this Base Prospectus should consult their own advisers as to the consequences and effects the implementation of the Capital Requirements Directives could have on them.

Forecasts and estimates

Estimates of the weighted average lives of the Covered Bonds contained in this Base Prospectus, together with any other projections, forecasts and estimates in this Base Prospectus are forward-looking statements. Such projections are speculative in nature and it can be expected that some or all of the assumptions underlying the projections will not prove to be wholly correct or will vary from actual results. Consequently, the actual results might differ from the projections and such differences might be significant.

Risks related to the market generally

The secondary market generally

Covered Bonds may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Covered Bonds easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Covered Bonds that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Covered Bonds generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have an adverse effect on the market value of Covered Bonds.

In addition, holders of Covered Bonds should be aware of the prevailing and widely reported global credit market conditions (which continue at the date of this Base Prospectus), whereby there is a general lack of liquidity in the secondary market for instruments similar to the Covered Bonds. Such lack of liquidity may result in investors suffering losses on the Covered Bonds in secondary resales even if there is no decline in the credit strength of the Issuer or the performance of the Collateral Security Assets. The Issuer cannot predict when these circumstances will change and if and when they do whether there will be a more liquid market for the Covered Bonds and instruments similar to the Covered Bonds at that time.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Covered Bonds in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to

the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Covered Bonds, (2) the Investor's Currency-equivalent value of the principal payable on the Covered Bonds and (3) the Investor's Currency-equivalent market value of the Covered Bonds.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

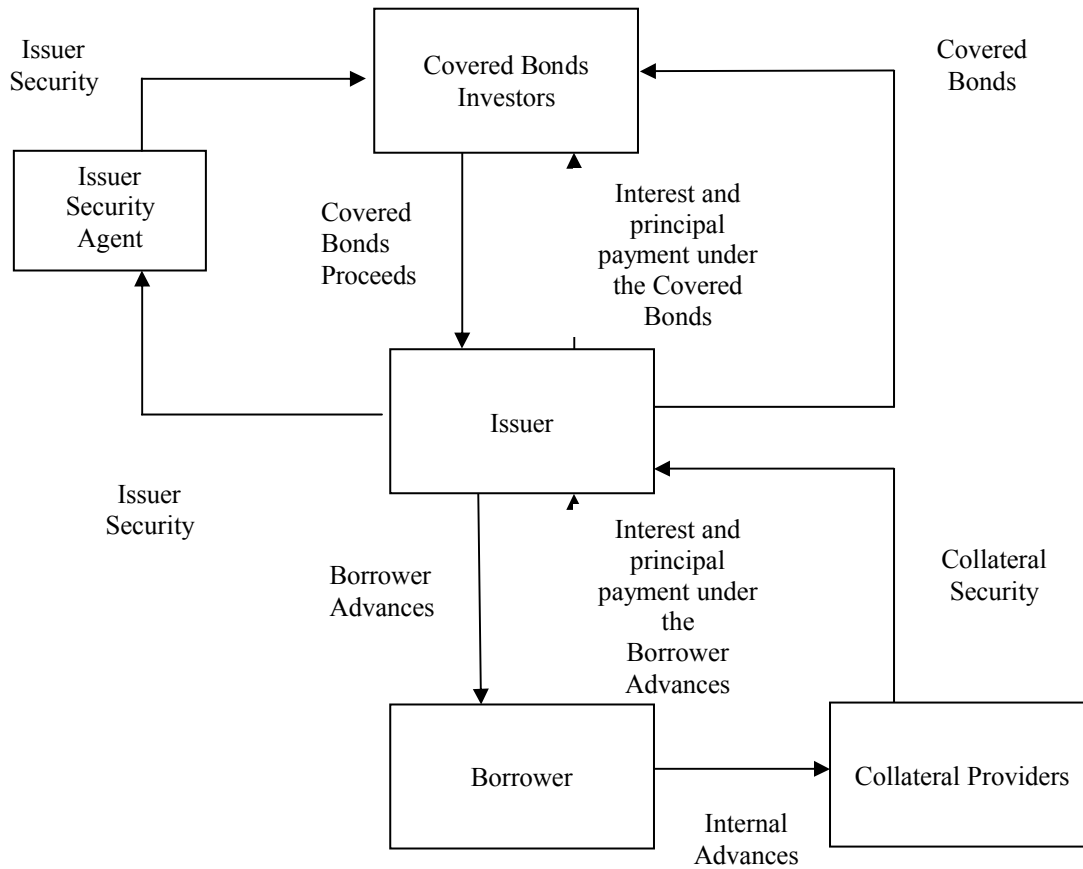

Investment in Fixed Rate Covered Bonds involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Covered Bonds.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each prospective investor should consult its legal advisers to determine whether and to what extent (1) Covered Bonds are legal investments for it, (2) Covered Bonds can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Covered Bonds. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Covered Bonds under any applicable risk-based capital or similar rules.

TERMS AND CONDITIONS OF FRENCH LAW COVERED BONDS

The following is the text of the terms and conditions that, as supplemented in accordance with the provisions of the relevant Final Terms, shall be applicable to the French law Covered Bonds. In this section, "Covered Bonds" will include French law Covered Bonds only. In the case of Dematerialised Covered Bonds, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as supplemented by the relevant Final Terms. In the case of Materialised Covered Bonds, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms (and subject to simplification by the deletion of non-applicable provisions) or (ii) these terms and conditions as so supplemented shall be endorsed on Definitive Materialised Covered Bonds. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. References in the Conditions to "Covered Bonds" are to the Covered Bonds of one (1) Series only, not to all Covered Bonds that may be issued under the Programme.

The Covered Bonds are issued outside France by Crédit Agricole Covered Bonds (the "**Issuer**") in series (each a "**Series**") having one (1) or more issue dates and on terms otherwise identical (or identical save as to the first payment of interest), the Covered Bonds of each Series being intended to be interchangeable with all other Covered Bonds of that Series. Each Series may be issued in tranches (each a "**Tranche**") on the same or different issue dates. The specific terms of each Tranche (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder and supplemented, where necessary, with supplemental terms and conditions which, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the final terms of such Tranche (the "**Final Terms**").

The Covered Bonds are issued with the benefit of an amended and restated agency agreement dated on or before the date hereof (the "**Agency Agreement**") entered into between the Issuer, CACEIS Corporate Trust as fiscal agent and principal paying agent and the other agents named therein. The fiscal agent, the paying agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Fiscal Agent**", the "**Paying Agents**" (which expression shall include the Fiscal Agent) and the "**Calculation Agent(s)**". The holders of the interest coupons (the "**Coupons**") relating to interest bearing Materialised Covered Bonds and, where applicable in the case of such Covered Bonds, talons (the "**Talons**") for further Coupons and the holders of the receipts for the payment of instalments of principal (the "**Receipts**") relating to Materialised Covered Bonds of which the principal is redeemable in instalments are respectively referred to below as the "**Couponholders**" and the "**Receiptholders**".

References below to "**Conditions**" are, unless the context requires otherwise, to the numbered paragraphs below.

Notwithstanding the foregoing, where the applicable Final Terms specify that the relevant Business Day Convention is to be applied on an "unadjusted" basis, the Interest Amount payable on any date shall not be affected by the application of that Business Day Convention.

- (iii) *Rate of Interest for Floating Rate Covered Bonds:* The Rate of Interest in respect of Floating Rate Covered Bonds for each Interest Accrual Period shall be determined in the manner specified in (i) the relevant Final Terms and/or (ii) the provisions below relating to either ISDA Determination or Screen Rate Determination, depending upon which is specified in the relevant Final Terms.

(A) ISDA Determination for Floating Rate Covered Bonds

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (c) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**", "**Reset Date**" and "**Swap Transaction**" have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Covered Bonds:

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the

Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (1) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one (1) entity); or
 - (II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page, in each case appearing on such Page at the Relevant Time on the Interest Determination Date as disclosed in the relevant Final Terms, plus or minus (as indicated in the relevant Final Terms) the Margin (if any); and
- (2) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (1)(I) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (1)(II) applies and fewer than two (2) Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent, plus or minus (as indicated in the relevant Final Terms) the Margin (if any), and
- (3) if paragraph (2) above applies and the Calculation Agent determines that fewer than two (2) Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two (2) out of five (5) leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is Euro, in the Euro-zone as selected by the Calculation Agent (the "**Principal Financial Centre**") are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two (2) of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two (2) of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).
- (iv) *Rate of Interest for Index Linked Covered Bonds:* The Rate of Interest in respect of Index Linked Covered Bonds for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and interest will accrue by reference to an Index or Formula as specified in the relevant Final Terms.

(d) Zero Coupon Covered Bonds

Where a Covered Bond the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Final Maturity Date pursuant to an Issuer's Option or, if so specified in the relevant Final Terms, pursuant to Condition 7(e) or otherwise and is not paid when due, the amount due and payable prior to the Final Maturity Date shall, unless otherwise provided in the relevant Final Terms, be the Early Redemption Amount. As from the Final Maturity Date, the Rate of Interest for any overdue principal of such a Covered Bond shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 7(e)(i)).

(e) Dual Currency Covered Bonds

In the case of Dual Currency Covered Bonds, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.

(f) Partly Paid Covered Bonds

In the case of Partly Paid Covered Bonds (other than Partly Paid Covered Bonds which are Zero Coupon Covered Bonds), interest will accrue as aforesaid on the paid-up nominal amount of such Covered Bonds and otherwise as specified in the relevant Final Terms.

(g) Accrual of Interest

Interest shall cease to accrue on each Covered Bond on the due date for redemption unless (i) in the case of Dematerialised Covered Bonds, on such due date or (ii) in the case of Materialised Covered Bonds, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 6 to the Relevant Date.

(h) Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:

- (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one (1) or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest fifth decimal (with halves being rounded up), (y) all figures shall be rounded to seven (7) figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country of such currency.

(i) Calculations

The amount of interest payable in respect of any Covered Bond for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Covered Bond by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Covered Bond for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two (2) or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(j) Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Covered Bonds for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the holders of Covered Bonds, any other Calculation Agent appointed in respect of the Covered Bonds that is to make a further calculation upon receipt of such information and, if the Covered Bonds are admitted to trading on a Regulated Market and the rules of such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth (4th) Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 6(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(k) Calculation Agent and Reference Banks

The Issuer shall procure that there shall at all times be four (4) Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one (1) or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Covered Bond is Outstanding. If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one (1) Calculation Agent is appointed in respect of the Covered Bonds, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris or Luxembourg office, as appropriate, or any other office actively involved in such market) to act as such in its place.

The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

7. Redemption, Purchase and Options

(a) Final Redemption

Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer's or Bondholders' option in accordance with Condition 7(c) or 7(d), each Covered Bond shall be finally redeemed on the Final Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Covered Bond falling within Condition 7(b) below, its final Instalment Amount.

(b) Redemption by Instalments

Unless previously redeemed, purchased and cancelled as provided in this Condition 7, or the relevant Instalment Date (being one (1) of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or Bondholders' option in accordance with Conditions 7(c) or 7(d), each Covered Bond that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Covered Bond shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Covered Bond, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Covered Bonds, on the due date for such payment or (ii) in the case of Materialised Covered Bonds, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

(c) Redemption at the Option of the Issuer, Exercise of Issuer's Options and Partial Redemption

If a Call Option or any other Issuer's option (as may be described in the relevant Final Terms) is specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer of all the relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 17 to the holders of Covered Bonds (or such other notice period as may be specified in the relevant Final Terms) redeem, or exercise any other option in relation to all or, if so provided, some, of the Covered Bonds on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Covered Bonds shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption, if any. Any such redemption must relate to Covered Bonds of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed as specified in the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed as specified in the relevant Final Terms.

All Covered Bonds in respect of which any such notice is given shall be redeemed, or the Issuer's Option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Materialised Covered Bonds, the notice to holders of such Materialised Covered Bonds shall also contain the numbers of the Definitive Materialised Covered Bonds to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market requirements.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Dematerialised Covered Bonds, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Covered Bonds in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Covered Bonds and, in such latter case, the choice between those Dematerialised Covered Bonds that will be fully redeemed and those

Dematerialised Covered Bonds of any Series that will not be redeemed shall be made in accordance with article R. 213-16 of the French Monetary and Financial Code (*Code monétaire et financier*) and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and Regulated Market requirements.

So long as the Covered Bonds are listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and the rules thereof so require, the Issuer shall, once in each year in which there has been a partial redemption of the Covered Bonds, cause to be published either on the website of the Luxembourg Stock Exchange (www.bourse.lu) or in a leading newspaper of general circulation in Luxembourg a notice specifying the aggregate nominal amount of Covered Bonds outstanding and, in the case of Materialised Covered Bonds a list of any Materialised Covered Bonds, drawn for redemption but not surrendered.

(d) Redemption at the Option of Bondholders and Exercise of Bondholders' Options

If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the Bondholder, upon the Bondholder giving not less than fifteen (15) nor more than thirty (30) days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Covered Bond on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option or any other Bondholders' Option as may be set out in the relevant Final Terms (which must be exercised on an Option Exercise Date) the Bondholder must deposit with a Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained during normal business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. In the case of Materialised Covered Bonds, the Exercise Notice shall have attached to it the relevant Covered Bonds (together with all unmatured Receipts and Coupons and unexchanged Talons). In the case of Dematerialised Covered Bonds, the Bondholder shall transfer, or cause to be transferred, the Dematerialised Covered Bonds to be redeemed to the account of the Paying Agent with a specified office in Paris, as specified in the Exercise Notice. No option so exercised and, where applicable, no Covered Bond so deposited or transferred, may be withdrawn without the prior consent of the Issuer.

(e) Early Redemption

(i) Zero Coupon Covered Bonds

(A) The Early Redemption Amount payable in respect of any Zero Coupon Covered Bond, the amount of which is not linked to an index and/or a formula, upon redemption of such Covered Bond pursuant to Condition 7(f) or (g) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Nominal Amount (calculated as provided below) of such Covered Bond unless otherwise specified in the relevant Final Terms.

(B) Subject to the provisions of sub-paragraph (C) below, the amortised nominal amount of any such Covered Bond (the "**Amortised Nominal Amount**") shall be the scheduled Final Redemption Amount of such Covered Bond on the Final Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the amortisation yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Covered Bonds if they were discounted back to their issue price on the Issue Date) (the "**Amortisation Yield**") compounded annually.

- (C) If the Early Redemption Amount payable in respect of any such Covered Bond upon its redemption pursuant to Condition 7(f) or (g) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Covered Bond shall be the Amortised Nominal Amount of such Covered Bond as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Covered Bond becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Final Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Covered Bond on the Final Maturity Date together with any interest that may accrue in accordance with Condition 6(d).

Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

(ii) *Other Covered Bonds*

The Early Redemption Amount payable in respect of any Covered Bond (other than Covered Bonds described in (i) above), upon redemption of such Covered Bond pursuant to Condition (f) or (g) or upon it becoming due and payable as provided in Condition 10 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption unless otherwise specified in the relevant Final Terms.

(f) Redemption for Taxation Reasons

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Covered Bonds, not be able to make such payment without having to pay additional amounts as specified under Condition 9(b) below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Bondholders (which notice shall be irrevocable), in accordance with Condition 17, redeem all, but not some only, of the Covered Bonds at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.
- (ii) If the Issuer would, on the next payment of principal or interest in respect of the Covered Bonds, be prevented by French law from making payment to the Bondholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 9(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven (7) days' prior notice to the Bondholders in accordance with Condition 17, redeem all, but not some only, of the Covered Bonds then outstanding at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Covered Bonds, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Bondholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Covered Bonds and (ii) fourteen (14) days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Covered Bonds, or, if applicable, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.

(g) Redemption due to illegality

The Covered Bonds of all Series shall be redeemed at the option of the Issuer, subject to compliance by the Issuer of all the relevant laws, regulations and directives, in whole, but not in part, at any time, on giving not less than thirty (30) nor more than sixty (60) days' irrevocable notice in accordance with Condition 17 to the holders of Covered Bonds (or such other notice period as may be specified in the relevant Final Terms), if the Issuer satisfies the Fiscal Agent immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bonds of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any Borrower Advance made by it to the Borrower or to comply with any other of its obligations under the Covered Bonds of that Series, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Fiscal Agent a certificate signed by two (2) representatives of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Fiscal Agent shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all Bondholders, Receiptholders and Couponholders.

Covered Bonds redeemed pursuant to this Condition 7(g) will be redeemed at their Early Redemption Amount referred to in paragraph 7(e) above together (if appropriate) with interest accrued to the date fixed for redemption, if any.

(h) Partly Paid Covered Bonds

Partly Paid Covered Bonds will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 7 and the provisions specified in the relevant Final Terms.

(i) Purchases

The Issuer shall have the right at all times to purchase Covered Bonds (provided that, in the case of Materialised Covered Bonds, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise (including by tender offer) at any price.

(j) Cancellation

All Covered Bonds purchased by or on behalf of the Issuer must be cancelled, in the case of Dematerialised Covered Bonds, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Covered Bonds, by surrendering the relevant Temporary Global Certificate or the Definitive Materialised Covered Bonds in question, together with all unmatured Receipts and Coupons and all unexchanged Talons, if applicable, to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Covered Bonds redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Covered Bonds, all rights relating to payment of interest and other amounts relating to such Dematerialised Covered Bonds and, in the case of Definitive Materialised Covered Bonds, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Covered Bonds so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Covered Bonds shall be discharged.

8. Payments and Talons

(a) Dematerialised Covered Bonds

Payments of principal and interest in respect of Dematerialised Covered Bonds shall (i) in the case of Dematerialised Covered Bonds in bearer dematerialised form or administered registered form, be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the holders of Covered Bonds and, (ii) in the case of Dematerialised Covered Bonds in fully registered form, to an account denominated in the relevant currency with a Bank designated by the relevant holder of Covered Bonds. All payments validly made to such Account Holders or Bank will be an effective discharge of the Issuer in respect of such payments.

(b) Definitive Materialised Covered Bonds

(i) *Method of payment*

Subject as provided below, payments in a Specified Currency will be made by credit or transfer to an account denominated in the relevant Specified Currency, or to which the Specified Currency may be credited or transferred (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Euro, shall be any country in the Euro-zone, and, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively).

(ii) *Presentation and surrender of Definitive Materialised Covered Bonds, Receipts and Coupons*

Payments of principal in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made in the manner provided in paragraph (i) above only against presentation and surrender (or, in the case of partial payment of any sum due, annotation) of such Covered Bonds, and payments of interest in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of Definitive Materialised Covered Bonds, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (i) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (i) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Covered Bond in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Materialised Covered Bond to which it appertains. Receipts presented without the Definitive Materialised Covered Bond to which they appertain do not constitute valid obligations of the Issuer.

Upon the date upon which any Definitive Materialised Covered Bond becomes due and payable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment will be made in respect thereof.

Fixed Rate Covered Bonds in definitive form (other than Dual Currency Covered Bonds or Index Linked Covered Bonds) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment.

Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten (10) years after the Relevant Date in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 11) or, if later, five (5) years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Covered Bond in definitive form becoming due and repayable prior to its Final Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Covered Bond, Dual Currency Covered Bond, Index Linked Covered Bond in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any Definitive Materialised Covered Bond is not an Interest Payment Date, interest (if any) accrued in respect of such Covered Bond from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender (if appropriate) of the relevant Definitive Materialised Covered Bond.

(c) Payments in the United States

Notwithstanding the foregoing, if any Materialised Covered Bonds are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Covered Bonds in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments subject to Fiscal Laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives but without prejudice to Condition 9. No commission or expenses shall be charged to the holders of Covered Bonds or Couponholders in respect of such payments.

(e) Appointment of Agents

The Fiscal Agent, the Paying Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed at the end of this Base Prospectus relating to the Programme of the Covered Bonds of the Issuer. The Fiscal Agent, the Paying Agents and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case such, do not assume any obligation or relationship of agency for any Bondholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, Registration Agent or Calculation Agent and to appoint other Fiscal Agent, Paying Agent(s), Registration Agent(s) or Calculation Agent(s) or additional Paying Agent(s), Registration Agent(s) or Calculation Agent(s), provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one (1) or more Calculation Agent(s) where the Conditions so require, (iii) Paying Agents having specified offices in at least two (2) major European cities (and ensuring the financial services of the Covered Bonds in Luxembourg so long as the Covered Bonds are listed on the Official List of the Luxembourg Stock Exchange and traded on the Regulated Market of the Luxembourg Stock Exchange and, so long as the Covered Bonds are admitted to trading on any other Regulated Market of the EEA, such other city where the Covered Bonds are admitted to trading), (iv) in the case of Materialised Covered Bonds, a Paying Agent having its specified office in a Member State of the EU that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other EU Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law

implementing or complying with, or introduced in order to, such Directive (which may be any of the Paying Agents referred to in (iii) above), (v) in the case of Dematerialised Covered Bonds in fully registered form, a Registration Agent and (vi) such other agents as may be required by the rules of any other Regulated Market on which the Covered Bonds may be admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Covered Bonds denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the holders of Covered Bonds in accordance with Condition 17.

(f) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Covered Bond, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 11).

(g) Business Days for Payment

If any date for payment in respect of any Covered Bond, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day unless otherwise specified in the relevant Final Terms, nor to any interest or other sum in respect of such postponed payment. In this paragraph, "**Business Day**" means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Covered Bonds, on which Euroclear France is open for business or (ii) in the case of Materialised Covered Bonds, on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "**Financial Centre(s)**" in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a TARGET Business Day.

(h) Bank

For the purpose of this Condition 8, "**Bank**" means a bank in the principal financial centre of the relevant currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

9. Taxation

(a) Tax Exemption for Covered Bonds constituting obligations or debt instruments (*titres de créances*) assimilated thereto for French tax purposes

All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Covered Bonds shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) Additional Amounts

If French law should require that payments of principal or interest in respect of any Covered Bond, Receipt or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Bondholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except

that no such additional amounts shall be payable with respect to any Covered Bond, Receipt or Coupon, as the case may be:

- (i) *Other connection:* to, or to a third party on behalf of, a Bondholder, Receiptholder or Couponholder who is liable to such taxes or duties by reason of his having some connection with France other than the mere holding of the Covered Bond, Receipt or Coupon; or
- (ii) *More than thirty (30) days after the Relevant Date:* in the case of Definitive Materialised Covered Bonds, more than thirty (30) days after the Relevant Date except to the extent that the Bondholder, Receiptholder or Couponholder would have been entitled to such additional amounts on presenting it for payment on the thirtieth (30th) such day; or
- (iii) *Payment to individuals:* where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iv) *Payment by another Paying Agent:* in the case of Definitive Materialised Covered Bonds presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Covered Bond, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

References in these Conditions to (A) "**principal**" shall be deemed to include any premium payable in respect of the Covered Bonds, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 7 or any amendment or supplement to it, (B) "**interest**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 6 or any amendment or supplement to it and (C) "**principal**" and/or "**interest**" shall be deemed to include any additional amounts that may be payable under this Condition.

10. Events of Default

If an Issuer Event of Default occurs in respect of any Series, the Representative (i) may, at its discretion, or (ii) shall, if so directed by the Majority Bondholders or if such Issuer Event of Default is a Covered Bonds Cross Acceleration Event, upon written notice (an "**Issuer Enforcement Notice**") to the Fiscal Agent and the Issuer (with copy to the Issuer Security Agent, to the Administrator and to the Rating Agencies) given before all defaults shall have been cured, cause the principal amount of all Covered Bonds of such Series to become due and payable (but subject to the relevant Payment Priority Order), together with any accrued interest thereon, as of the date on which such notice for payment is received by the Fiscal Agent and, as provided under the Issuer Security Documents, enforce the rights of the Bondholders under the Issuer Security Documents.

11. Prescription

Claims against the Issuer for payment in respect of any amount due under the Covered Bonds, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten (10) years (in the case of principal) or five (5) years (in the case of interest) from the appropriate Relevant Date in respect of them.

12. Representation of Bondholders

Holders of Covered Bonds will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *masse* (in each case, the "**Masse**").

The Masse will be governed by the provisions of the French Commercial Code (*Code de commerce*) with the exception of articles L. 228-48, L. 228-59, L. 228-80, L. 228-81, R. 228-63, R. 228-67, R. 228-69, R. 228-83 and the second sentence of article L.228-71, subject to the following provisions:

(a) Legal Personality

The Masse will be a separate legal entity and will act in part through a representative (the "**Representative**") and in part through a general meeting of the holders of Covered Bonds (the "**General Meeting**").

The Masse alone, to the exclusion of all individual holders of Covered Bonds, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Covered Bonds.

(b) Representative

The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- (i) the Issuer, the members of its board of directors (*conseil d'administration*), its managing directors (*directeurs généraux*), its statutory auditors, its employees and their ascendants, descendants and spouses; or
- (ii) companies guaranteeing all or part of the obligations of the Issuer, their respective managers (*gérants*), managing directors (*directeurs généraux*), members of their board of directors, executive board or supervisory board, their statutory auditors, employees and their ascendants, descendants and spouses; or
- (iii) companies holding directly ten per cent. (10%) or more of the share capital of the Issuer or companies having ten per cent. (10%) or more of their share capital held by the Issuer; or
- (iv) persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

The Representative appointed in respect of the first Tranche of the first Series of Covered Bonds will be Mr. Bertrand Delaitre, domiciled at CACEIS, 1-3 Place Valhubert - 75013 Paris, France.

The Representative appointed in respect of the first Tranche of any Series of Covered Bonds will be the Representative of the single Masse of all Tranches in such Series. The Representative appointed in respect of each Series of Covered Bonds will be the Representative in respect of the first Tranche of the first Series of Covered Bonds.

The alternative representative shall be Mrs. Evelyne LEFORT, domiciled at CACEIS, 1-3 Place Valhubert - 75013 Paris, France.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by the alternative representative. In the event of the death, retirement or revocation of appointment of the alternative representative, an alternative representative will be elected by the General Meeting.

The Issuer shall pay to the Representative an amount of Euro 1000 per year so long as any of the Covered Bonds is Outstanding. The alternative representative will only become entitled to the annual remuneration of Euro 1000 if it exercises the duties of Representative on a permanent basis; such remuneration will accrue from the day on which it assumes such duties.

All interested parties will at all times have the right to obtain the names and addresses of the Representative and the alternative representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(c) Powers of Representative

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the holders of Covered Bonds.

For the avoidance of doubt, the Issuer Security Agent shall have the power, upon the issue of each Series of Covered Bonds, to release and retake any existing security so that holders of Covered Bonds of all Series benefit *pari passu* from such security and to enforce the Issuer Security upon the service of an Issuer Enforcement Notice.

All legal proceedings against the Bondholders or initiated by them, must be brought by or against the Representative.

The Representative may not be involved in the management of the affairs of the Issuer.

(d) General Meeting

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One (1) or more Bondholders, holding together at least one-thirtieth (1/30) of the principal amount of the Covered Bonds outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two (2) months after such demand, the Bondholders may commission one (1) of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, hour, place and agenda of any General Meeting will be published as provided under Condition 17.

Each Bondholder has the right to participate in a General Meeting in person or by proxy. Each Covered Bond carries the right to one (1) vote or, in the case of Covered Bonds issued with more than one (1) Specified Denomination, one (1) vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Covered Bond.

(f) Information to Bondholders

Each Bondholder or Representative thereof will have the right, during the fifteen (15)-day period preceding the holding of each General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Bondholders at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the General Meeting.

(g) Expenses

The Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the Covered Bonds.

(h) Single Masse

The holders of Covered Bonds of the same Series, and the holders of Covered Bonds of any other Series which have been assimilated with the Covered Bonds of such first mentioned Series in accordance with Condition 15, shall, for the defence of their respective common interests, be grouped in a single Masse. The Representative appointed in respect of the first Tranche or Series of Covered Bonds will be the Representative of the single Masse of all such Series.

13. Replacement of Definitive Materialised Covered Bonds, Receipts, Coupons and Talons

If, in the case of any Materialised Covered Bonds, a Definitive Materialised Covered Bond, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and Regulated Market regulations, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the Issuer for this purpose and notice of whose designation is given to Bondholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Definitive Materialised Covered Bond, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Covered Bonds, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Materialised Covered Bonds, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

14. Limited recourse, Non petition*Limited Recourse*

By subscribing to any Covered Bond, each Bondholder will be automatically deemed to have agreed:

- (a) not to seek recourse under any obligation, covenant or agreement of the Issuer under the Covered Bonds and these Conditions against any shareholder, member of the board of directors (*conseil d'administration*), managing director (*directeur général*) or agent of the Issuer, by the enforcement of any assessment or by any proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that any obligation of the Issuer under the Covered Bonds and these Conditions is a corporate obligation of the Issuer, and that no personal liability shall attach to or be incurred by the shareholders, members of the board of directors (*conseil d'administration*), managing directors (*directeurs généraux*) or agents of the Issuer, as such, or any of them under or by reason of any of the obligations, covenants or agreements of the Issuer contained in these Conditions or implied therefrom and, as a condition of and in consideration for the issuing by the Issuer of any Covered Bond, to waive any and all personal liability of every such shareholder, member of the board of directors (*conseil d'administration*), managing director (*directeur général*) or agent of the Issuer for breaches by the Issuer of any of its obligations, covenants or agreements under the Covered Bonds and these Conditions;
- (b) to limit its recourse against the Issuer under the Covered Bonds and these Conditions to amounts payable or expressed to be payable to it by the Issuer on, under or in respect of its obligations and liabilities under the Covered Bonds and these Conditions (and, for the avoidance of doubt, to the exclusion of any damage for breach of contract or other penalties not expressed as being payable by the Issuer under the Covered

Bonds and these Conditions) and in accordance with the then applicable Priority Payment Order; and

- (c) that amounts payable or expressed to be payable by the Issuer on, under or in respect of its obligations and liabilities under the Covered Bonds and/or these Conditions shall be recoverable only from and to the extent of the amount of the Available Funds, as calculated on the relevant Interest Payment Date or (as applicable) on the relevant Final Maturity Date of each relevant Series of Covered Bonds (provided that, to the extent that no Available Funds exist at the relevant date, the Issuer shall not be liable to make payment of the aforementioned amounts and, provided further that, in the event that the Available Funds at the relevant date are insufficient to pay in full all amounts whatsoever due to it and all other claims ranking *pari passu* to its claims, then its claims against the Issuer shall be limited to its respective shares of such Available Funds (as determined in accordance with the then applicable Priority Payment Order) and, after payment to it of its respective share of such Available Funds, the obligations of the Issuer to it shall be discharged in full).

Non-Petition

By subscribing to any Covered Bond, each Bondholder will also be automatically deemed to have agreed that prior to the date which is eighteen (18) months and one (1) day after the earlier of (i) the Final Maturity Date of the last Series issued by the Issuer under the Programme, or (ii) the date of payment of any sums outstanding and owing under the latest outstanding Covered Bond:

- (a) it will not take any corporate action or other steps or legal proceedings for the winding-up, dissolution or organisation or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, examiner, sequestrator or similar officer of the Issuer, of the Issuer or of any or all of the Issuer's revenues and assets; and
- (b) it will not have any right to take steps for the purpose of obtaining payment of any amounts payable to it under the Covered Bonds by the Issuer and shall not until such time take any step to recover any debts whatsoever owing to it by the Issuer otherwise than in accordance with, and subject to, the Conditions.

The above undertakings by each relevant Bondholder shall survive the payment of all sums owing under any Covered Bond and/or these Conditions.

15. Priority Payment Orders

As more fully described under section "**Cash Flow**" of this Base Prospectus, any and all sums due by the Issuer under the Programme (including principal and interest under the Covered Bonds) will be paid within the limit of the Available Funds of the Issuer at the time of such payment and according to the relevant Priority Payment Order described under section "**Cash Flow**" of this Base Prospectus. As a consequence, the payment of certain sums will be subordinated to the full payment of other sums. Bondholders are deemed to have notice of the provisions of the section "**Cash Flow**" of this Base Prospectus.

16. Further Issues and Consolidation

(a) Further Issues

Unless otherwise provided in the relevant Final Terms, the Issuer may from time to time without the consent of the Bondholders, Receiptholders or Couponholders create and issue further Covered Bonds to be assimilated (*assimilées*) with the Covered Bonds provided such Covered Bonds and the further Covered Bonds carry rights identical in all respects (or identical in all respects save as to the principal amount thereof and the first payment of interest as specified in the relevant Final Terms) and that the terms of such Covered Bonds provide for such assimilation, and references in these Conditions to "**Covered Bonds**" shall be construed accordingly.

(b) Consolidation

Unless otherwise provided in the relevant Final Terms, the Issuer, with the prior approval of the Fiscal Agent (which shall not be unreasonably withheld), may from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than thirty (30) days' prior notice to the Bondholders in accordance with Condition 17, without the consent of the Bondholders, Receiptholders or Couponholders, consolidate the Covered Bonds of one (1) Series denominated in Euro with the Covered Bonds of one (1) or more other Series issued by it, whether or not originally issued in one (1) of the European national currencies or in Euro, provided such other Covered Bonds have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Covered Bonds.

USE OF PROCEEDS

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include German law and French law Covered Bonds, in the following section.

The net proceeds of the issue of Covered Bonds will be used to fund Borrower Advances under the Borrower Credit Facility to be made available by the Issuer to Crédit Agricole S.A.

TEMPORARY GLOBAL CERTIFICATES IN RESPECT OF MATERIALISED COVERED BONDS

The following description is only applicable to French law Covered Bonds.

Temporary Global Certificates

A Temporary Global Certificate without interest coupons (a "**Temporary Global Certificate**") will initially be issued in connection with each Tranche of Materialised Covered Bonds, which will be delivered on or prior to the issue date of the Tranche with a common depositary (the "**Common Depositary**") for Euroclear Bank S.A./N.V. ("**Euroclear**") and for Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**"). Upon the delivery of such Temporary Global Certificate with a Common Depositary, Euroclear and Clearstream, Luxembourg will credit each subscriber with a nominal amount of Covered Bonds equal to the nominal amount thereof for which it has subscribed and paid.

The Common Depositary may also credit with a nominal amount of Covered Bonds the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, a nominal amount of Covered Bonds that is initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg, or other clearing systems.

Exchange

Each Temporary Global Certificate issued in respect of Materialised Covered Bonds will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- (i) if the relevant Final Terms indicates that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see "General Description of the Programme-Selling Restrictions"), in whole, but not in part, for Definitive Materialised Covered Bonds and
- (ii) otherwise, in whole but not in part, upon certification if required under US Treasury Regulation section 1.163-5 (c)(2)(i)(D)(3) as to non-U.S. beneficial ownership for Definitive Materialised Covered Bonds.

Delivery of Definitive Materialised Covered Bonds

On or after its Exchange Date, the holder of a Temporary Global Certificate may surrender such Temporary Global Certificate to, or to the order of, the Fiscal Agent. In exchange for any Temporary Global Certificate, the Issuer will deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Materialised Covered Bonds. In this Base Prospectus, "**Definitive Materialised Covered Bonds**" means, in relation to any Temporary Global Certificate, the Definitive Materialised Covered Bonds for which such Temporary Global Certificate may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Temporary Global Certificate and a Talon). Definitive Materialised Covered Bonds will be security printed in accordance with any applicable legal and stock exchange requirement.

Exchange Date

"**Exchange Date**" means, in relation to a Temporary Global Certificate in respect of any Materialised Covered Bonds, the day falling after the expiry of forty (40) days after its issue date, provided that in the event any further Materialised Covered Bonds which are to be assimilated with such first mentioned Materialised Covered Bonds are issued prior to such day pursuant to Condition 15(a), the Exchange Date may, at the option of the Issuer, be postponed to the day falling after the expiry of forty

(40) days after the issue date of such further Materialised Covered Bonds.

In the case of Materialised Covered Bonds with an initial maturity of more than 365 days (and that are not relying on the TEFRA C Rules), the Temporary Global Certificate shall bear the following legend:

ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES FEDERAL INCOME TAX LAWS INCLUDING THE LIMITATION PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED.

- (b) prior Rating Affirmation has been delivered in relation to such indebtedness.

Limited recourse

Each party to any Programme Document will agree:

The above undertakings by each relevant party survive the termination of any Programme Document and the payment of all sums owing under any such Programme Document.

No risk of Issuer consolidation upon insolvency of the Group

The Issuer is intended to be a ring-fenced, bankruptcy remote entity that will be unaffected by the insolvency of the Group. Under French applicable law, the Issuer's assets may only be "consolidated" into the insolvency proceedings of any other member of the Group if either (i) there is commingling of its assets (*confusion de patrimoine*) with the assets of that member of the Group or (ii) the Issuer is a "fictitious" entity (*société fictive*).

Restrictions on mergers or reorganisations

The Issuer will undertake in the Conditions not to enter into any merger, re-organisation or similar transaction without prior Representative Consent and Rating Affirmation (of S&P and Fitch) and notification (of Moody's Investors Service Ltd.).

Separateness covenants

Pursuant to the Conditions, the Issuer will undertake to observe certain separateness covenants in order to maintain its independent existence and to avoid the risk of bringing it and its assets within the scope of any insolvency proceedings in relation to the relevant Borrower and/or the Group (based on applicable general principles of French law such as "piercing the corporate veil", "alter ego", or "substantive consolidation" principles).

Issuer Risk Management

Pursuant to the terms of the Administrative Agreement (see below section "**The Issuer**" – "**The Administrative Agreement**") and of the *Convention d'Externalisation et de Prestations de Services*, the risk management of the Issuer is delegated to Crédit Agricole S.A..

Ongoing and periodic internal control system

The Issuer has set up ongoing internal and periodic control systems, in accordance with the *Règlement 97-02* of the French *Comité de la Réglementation Bancaire et Financière* (the "**Règlement**") relating to the internal control of the credit institutions and investment companies. Ongoing internal and periodic control systems of the Issuer are those of Crédit Agricole S.A. and take into account the Issuer's legal form and the fact that the Issuer has no own means and no employee.

Ongoing internal control system (contrôle permanent)

In accordance with the article 7-5 of the *Règlement*, the ongoing internal control (*contrôle interne permanent*) of the Issuer is under the responsibility of Mr Francis Canterini. In accordance with the article 6 a) of the *Règlement*, the ongoing internal control (*contrôle interne permanent*) implemented on behalf of the company is organised as follows:

At the level of the Issuer, the risk management and ongoing control is organised as follows:

- First degree control: all of the departments involved in the operation of the Issuer, in particular collateral Mobilisation and Supervision, Front-Office, Back-Office, Accounting Reporting and Accountancy, are responsible for the performance of first level Control.
- Second degree control: the department "Piloting and Transversal Projects" within the Direction of Financial Management of Crédit Agricole S.A. is responsible for 2nd degree level 1 control of all of the risks of the Issuer; similarly it carries out such duties for each

of the departments of the Direction of Financial Management (FIN) of Crédit Agricole S.A.

The Head of Risks and Ongoing Control within the direction of Group Finances (RCPR DFG) of Crédit Agricole S.A is responsible for the carrying out of 2nd degree level 2 control. Hierarchically, he is affiliated with the Risk and Ongoing Control division of the Group. He supervises the quality of the ongoing control mechanism within the Issuer and is responsible for informing the review bodies of the Group of the lessons to be learned from such controls, as well as for the implementation and performance of corrective action plans.

The Ongoing Risk and Control Direction of Crédit Agricole S.A. performs a consolidated 2nd degree level 2 control via the process of risk consolidation of the Issuer.

The risks relating to activity are mapped and analysed, in order to identify the risks, to implement the most adequate controls with respect to the identified risks and to organise the communication of the results of the controls.

In accordance with the article 7-1 of the Règlement, the units in charge of the engagement of the operations will be separated from the units in charge of their approval, their settlement and the monitoring of risks.

Periodic Internal Control system (contrôle périodique)

In accordance with the article 7-5 of the Règlement, the periodic internal control system (*contrôle périodique*) of the activities of the Issuer is the periodic internal control system implemented within the Group, under the responsibility of Mr Michel Le Masson. Within the framework of the regulatory requirements defined by the *Règlement*, the periodic internal control of specialized business lines of the Group is carried out with specialized auditors.

The audit duties are carried out by dedicated teams, in accordance with formalised methodologies and with an annual plan which has been validated by the general direction, under the terms of the Règlement. This audit plan is part of a multi-annual cycle, aiming to achieve regular audit as frequently as possible, of all of the activities and entities of the internal control perimeter.

The purpose of the duties carried out by the general inspection of the Crédit Agricole S.A. Group is to ensure compliance with external and internal rules, to deliver a diagnostic of the level of risk management (identification, recording, supervision, hedging) as well as the level of security of the transactions and, finally, to assess the quality and the efficiency of the working methods. For each of the recommendations expressed as a result of the performance of these duties, this mechanism allows for the development of programmed corrective actions, implemented in accordance with a specific schedule, depending on their level of priority.

Compliance Control

In accordance with article 11 of the *Règlement*, the compliance control of the activities of the Issuer is carried out under the responsibility of Hubert de Vauplane. Internal control documentation

A documentation on periodical and ongoing internal controls is prepared in order to be made available, upon request, to the board of directors of the Issuer, the auditors of the Issuer and the *Secrétariat Général de la Commission Bancaire*.

On the basis of the information collected in the exercise of its mission, and of further information provided by the Issuer, the persons who are responsible for the internal control of the Issuer shall submit to the Issuer, once a year, a report on the internal control in accordance with article L. 225-37 of the French Commercial Code (*Code de commerce*).

On the basis of the information collected by the persons in charge of the Group internal control in the exercise of their mission, and of further information provided by the Issuer, a report on internal control in accordance with article 42 of the *Règlement* shall be prepared once a year and submitted for approval to the board of directors of the Issuer.

Duty of care on money laundering transactions

The entities of the Group have a duty of care with respect to money-laundering risks and have to inform the Issuer in the event they identify any such risk. A reduction in capital can be decided by an extraordinary general meeting of shareholders, which may delegate to the board of directors (*conseil d'administration*) all the necessary powers to carry out such a reduction.

Subordinated Loan

On or before the Closing Date, the Issuer also benefits from a € 30,000,000 subordinated shareholder's loan granted by Crédit Agricole S.A., London branch (the "**Subordinated Loan**").

The Subordinated Loan agreement includes "Limited Recourse" and "Non petition" provisions, as described in "**Issuer's Activities – Limited Recourse**" and "**Issuer's Activities - Non-Petition**".

No amendment, modification, alteration or supplement shall be made to the Subordinated Loan agreement without prior Rating Affirmation if the same materially and adversely affects the interest of the Issuer or the Bondholders.

For the avoidance of doubt, the Subordinated Loan agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

The Issuer and Crédit Agricole S.A., London branch as lender, have agreed to submit any dispute that may arise in connection with the Subordinated Loan agreement to the jurisdiction of the competent court of Paris.

- (g) not to create or permit to subsist any encumbrance over the whole or any part of the shares of the Issuer it owns;

Rights and duties of the board of directors (conseil d'administration)

In accordance with French applicable corporate laws and the articles of association of the Issuer, the board of directors (*conseil d'administration*) determines the scope of the Issuer's business activities. Without prejudice to the powers expressly granted to meetings of the shareholders, and in so far as the articles of association permit, the board of directors (*conseil d'administration*) deals with all matters relating to the conduct of the Issuer's business within the limit of the corporate purpose (*objet social*) of the Issuer. When dealing with third parties, the Issuer is bound by acts of the board of directors (*conseil d'administration*) which do not come within the scope of the Issuer's corporate purpose, unless it can prove that the third party knew that a specific action was out of that scope.

The board of directors (*conseil d'administration*) shall carry out the inspections and verifications which it considers appropriate. The chairman of board of directors (*conseil d'administration*) or the managing director (*directeur général*) is required to send all the documents and information necessary to perform this task to each director (*administrateur*).

The chairman of the board of directors (*président du conseil d'administration*) organises and oversees the work of the board of directors (*conseil d'administration*) and reports to the shareholders' general meeting.

Rights and duties of the managing director (directeur général)

The general management of the Issuer shall be performed by the managing director (*directeur général*). The managing director (*directeur général*) shall have the most extensive powers to act on behalf of the Issuer in all circumstances, but will exercise its powers subject to those that the law allocates explicitly to shareholders' meetings and to the board of directors (*conseil d'administration*).

With regard to the shareholders, the by-laws of the Issuer provides that some actions shall not be able to be taken by the board of directors (*conseil d'administration*), nor by the chairman (*président*), nor by any managing director (*directeur général*) whatsoever, without the prior consent of the shareholders' general meeting. Such provisions of the by-laws of the Issuer restricting the actions the board of directors (*conseil d'administration*), the chairman (*président*) or the managing director (*directeur général*) may take are not enforceable against third parties.

The Issuer Independent Representative

According to the by-laws of the Issuer, the board of directors (*conseil d'administration*) will, at any time, include an independent member (the "**Issuer Independent Representative**"), i.e. a member having no relationship with the Issuer, its shareholders or its management, which may compromise the independence of judgment by such member, as further described and detailed in the by-laws of the Issuer. On the Programme Date, Mr. Nicolas Boutet is the Issuer Independent Representative.

The written confirmation consent of the Issuer Independent Representative (the "**Issuer Independent Representative Consent**") will be required regarding any action, determination or appointment, as specified under the Terms and Conditions and/or any other Programme Documents.

Issuer Statutory Auditors

The statutory auditors of the Issuer are:

Holder 1 Mazars Tour Exaltis 61, rue Henri Regnault 92400 Courbevoie, France	Holder 2 Ernst & Young et Autres 41, rue Ybry 92576 Neuilly-sur-Seine Cedex, France

The Administrative Agreement

This section sets out the main material terms of the Administrative Agreement.

Background

The "**Administrative Agreement**" refers to the agreement dated on or prior to the Programme Date and entered into between Crédit Agricole Covered Bonds, as Issuer and Crédit Agricole S.A., as "Administrator" (the "**Administrator**").

Purpose

Under the Administrative Agreement, Crédit Agricole Covered Bonds, as Issuer, appoints Crédit Agricole S.A. as its servicer for the rendering of administrative services to the Issuer (including all necessary advice, assistance and know-how, whether technical or not, day to day management and corporate administration services). The Administrator will always act in the best and exclusive interest of Crédit Agricole Covered Bonds.

Administrator's duties

Pursuant to the Administrative Agreement, the Administrator will *inter alia*:

- (a) advise and assist the Issuer in all accounting and tax matters;
- (b) advise and assist the Issuer in all legal and administrative matters;
- (c) ensure that the Issuer will exercise each of its rights and perform each of its obligations under the Programme Documents;
- (d) provide the Issuer with all necessary assistance and know-how, whether technical or other, to exercise and perform all of its rights and obligations under the Programme Documents;
- (e) assist the Issuer in operating its bank accounts, the management and investment of its available cash in Permitted Investments in accordance with the relevant Permitted Investments rules, and any other matters in relation to the management of its bank accounts and funds so as to ensure that the Issuer will at all times comply with the provisions of the Programme Documents;
- (f) act as custodian of any and all other documents that any corporate company similar to the Issuer shall keep on file under any applicable laws, until the Service Termination Date;

- (g) upon enforcement of the Collateral Security following the occurrence of a Borrower Event of Default, cause the Collateral Providers to deliver the Collateral Security Assets to the Issuer and hence the Issuer to take title to such assets;
- (h) upon enforcement of the Collateral Security following the occurrence of a Borrower Event of Default and upon the Issuer taking title to the Collateral Security Assets, ensure the servicing of such assets (if not transferred to a substitute servicer), and notify the debtors for the direct payment to the Issuer of the amounts due under the Home Loans.

For the purpose of investment by the Administrator of the Issuer's available cash in Permitted Investments as mentioned in paragraph (e) above, **"Permitted Investments"** shall mean:

- (a) Euro denominated government securities, Euro demand or time deposits, certificates of deposit and short term debt obligations (including commercial paper) provided that in all cases such investments have a remaining maturity date of thirty (30) days or less and mature on or before the next following Payment Date and the short term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made are rated at least A-1 (short term) or A+ (long term) by S&P, A (long term) and F1 (short term) by Fitch and P-1 (short term) by Moody's Investors Service Ltd.;
- (b) Euro denominated government securities, Euro demand or time deposits, certificates of deposit and short term debt obligations (including commercial paper) provided that in all cases such investments have a remaining maturity date of three hundred sixty-four (364) days or less and the short term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made are rated at least A1+ (short term) or AA- (long term) by S&P, AA- (long term) and F1+ (short term) by Fitch and P-1 by Moody's Investors Service Ltd.; and
- (c) Euro denominated government securities, Euro demand or time deposits, certificates of deposit which have a remaining maturity date of more than three hundred sixty-four (364) days and the long term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made are rated at least AAA by S&P, AAA by Fitch and Aaa by Moody's Investors Service Ltd.

Administrator's duties regarding the refinancing of the Transferred Assets

After title to Home Loans and related Home Loan Security and Substitution Assets has been transferred to the Issuer upon enforcement of the Collateral Security following the occurrence of a Borrower Event of Default (the **"Transferred Assets"**), the Administrator (or the Substitute Administrator) acting on behalf of the Issuer will sell or refinance such Home Loans, related Home Loan Security and Substitution Assets in order for the Issuer to receive sufficient Available Funds to make payments when due under the relevant Series of Covered Bonds (after taking into account all payments to be made in priority thereto according to the relevant Priority Payment Order and the relevant payment dates and Final Maturity Date under each relevant Series of Covered Bonds).

The Administrator (or the Substitute Administrator) acting on behalf of the Issuer shall ensure that the Home Loans, related Home Loan Security and Substitution Assets which are proposed for sale or refinancing (the **"Selected Assets"**) at any relevant date (the **"SARA Relevant Date"**) will be selected on a random basis, provided that (i) no more Selected Assets will be selected than are necessary for the estimated sale or refinancing proceeds to equal the Adjusted Required Redemption Amount, and (ii) the aggregate outstanding principal amount or value (and interest accrued thereon) of such Selected Assets shall not exceed the "Selected Assets Required Amount (SARA)", which is calculated as follows:

$$\text{SARA} = \text{Adjusted Required Redemption Amount} * A/B$$

where:

"Adjusted Required Redemption Amount" means an amount equal to the euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) of the first Series of Covered Bonds maturing after the SARA Relevant Date less amounts standing to the credit of the Issuer Accounts (excluding all amounts to be applied on the first Payment Date following the SARA Relevant Date to repay higher ranking amounts in the relevant Priority Payment Order and those amounts that are required to repay any Series which mature prior to or on the same date as the relevant Series);

"A" means the euro equivalent of the aggregate of the outstanding principal amount or value (together with interest accrued thereon) of all Transferred Assets; and

"B" means the euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) in respect of all Series of Covered Bonds then outstanding.

The Administrator (or the Substitute Administrator) acting on behalf of the Issuer will offer the Selected Assets for sale to potential buyers for the best price reasonably available but in any event for an amount not less than the Adjusted Required Redemption Amount.

If the Selected Assets have not been sold or refinanced (in whole or in part) in an amount equal to the Adjusted Required Redemption Amount by the date which is six (6) months prior to the Final Maturity Date of the Series of Covered Bonds maturing after the SARA Relevant Date (after taking into account all payments, provisions and credits to be made in priority thereto), then the Administrator (or the Substitute Administrator) acting on behalf of the Issuer will (i) offer the Selected Assets for sale for the best price reasonably available or (ii) seek to refinance the Selected Assets on the best terms reasonably available, notwithstanding that such amount may be less than the Adjusted Required Redemption Amount.

For the purpose hereof, the Administrator (or the Substitute Administrator) acting on behalf of the Issuer may through a tender process appoint a portfolio manager of recognised standing on a basis intended to incite the portfolio manager to achieve the best price for the sale or refinancing of the relevant Home Loans, related Home Loan Security and the relevant Substitution Assets (if such terms are commercially available in the market) and to advise it in relation to the sale or refinancing of the same to potential buyers.

In respect of any sale or refinancing of the Selected Assets, the Administrator (or the Substitute Administrator) acting on behalf of the Issuer shall use all reasonable endeavours to procure that the same are sold as quickly as reasonably practicable (in accordance, as the case may be, with the recommendations of the portfolio manager) taking into account the market conditions at that time.

Substitution and Agency

The Administrator may not assign its rights and obligations under the Administrative Agreement but will have the right to be assisted by, to appoint or to substitute for itself any third party in the performance of certain or all its tasks under the Administrative Agreement provided that:

- (a) the Administrator has given written notice of the exercise of that right to the Issuer;
- (b) the Administrator remains liable to the Issuer for the proper performance of those tasks and, with respect to the Issuer only, the relevant third party has expressly waived any right to any contractual claim against the Issuer; and
- (c) the relevant third party has undertaken to comply with all obligations binding upon the Administrator under the Administrative Agreement.

Fees

In consideration of the services provided by the Administrator to the Issuer under the Administrative Agreement, the Issuer will pay to the Administrator an administration fee computed subject to, and in accordance with, the provisions of the Administrative Agreement.

Representations, warranties and undertakings

The Administrator has made the customary representations and warranties and undertakings to the Issuer, the representations and warranties being given on the execution date of the Administrative Agreement and continuing until the Service Termination Date.

Indemnities

Pursuant to the Administrative Agreement, the Administrator undertakes to hold harmless and fully and effectively indemnify the Issuer against all actions, proceedings, demands, damages, costs, expenses (including legal fees), claims, losses, prejudice or other liability, which the Issuer may sustain or incur as a consequence of the occurrence of any default by the Administrator in its performance of any of its obligations under the Administrative Agreement.

Resignation of the Administrator

The Administrator will not resign from the duties and obligations imposed on it as Administrator pursuant to the Administrative Agreement, except:

- (a) upon a determination that the performance of its duties under the Administrative Agreement will no longer be permissible under applicable law; and
- (b) in the case where the Issuer does not comply with any of its material obligations under the Administrative Agreement and fails to remedy the situation within one hundred and eighty days (180) days from the receipt by the Issuer of a notice from the Administrator,

such resignation being effective on the date upon which (i) the event in paragraph (a) above occurs; or (ii) one hundred and eighty (180) days after the date of delivery of the notice referred to in paragraph (b) above and the date upon which the Administrator becomes unable to act as Administrator.

Administrator's Defaults

Each of the following events shall constitute an Administrator's Default:

- (a) any material representation or warranty made by the Administrator is or proves to have been incorrect or misleading in any material respect when made, and the same is not remedied (if capable of remedy) within sixty (60) Business Days after the Issuer has given notice thereof to the Administrator or (if sooner) the Administrator has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;
- (b) the Administrator fails to comply with any of its material obligations under the Administrative Agreement unless such breach is capable of remedy and is remedied within sixty (60) Business Days after the Issuer has given notice thereof to the Administrator or (if sooner) the Administrator has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;
- (c) an Insolvency Event occurs in respect of the Administrator; or
- (d) at any time it is or becomes unlawful for the Administrator to perform or comply with any or all of its material obligations under the Administrative Agreement or any or all of its material obligations under the Administrative Agreement are not, or cease to be, legal, valid and binding.

For such purposes, "**Insolvency Event**" means the occurrence of any of the following events:

- (a) the relevant entity is, or is deemed or declared for the purposes of any law to be, unable to pay its debts as they fall due or to be insolvent, including without limitation, *en état de cessation des paiements*, or admits in writing its inability to pay its debts as they fall due;

- (b) the relevant entity by reason of financial difficulties, begins formal negotiations with one (1) or more of its creditors with a view to the general readjustment or rescheduling of any of its indebtedness or applies for or is subject to an amicable settlement or a *procédure de conciliation* pursuant to articles L. 611-1 *et seq.* of the French Commercial Code (*Code de commerce*);
- (c) a meeting of the shareholders of the relevant entity is convened for the purpose of considering any resolution for (or to petition for) its winding-up or its administration or any such resolution is passed;
- (d) any person presents a petition for the winding-up or for the administration or for the bankruptcy of the relevant entity and the petition is not discharged within thirty (30) days;
- (e) any order for the winding-up or administration of the relevant entity is issued;
- (f) a judgment is issued for the judicial liquidation ("*liquidation judiciaire*"), the safeguard of the relevant entity ("*procédure de sauvegarde*"), the rescheduling of the debt of the relevant entity ("*redressement judiciaire*") or the transfer of the whole or part of the business of the relevant entity ("*cession de l'entreprise*") pursuant to articles L. 620-1 *et seq.* of the French Commercial Code (*Code de commerce*); or
- (g) any liquidator, trustee in bankruptcy, receiver, administrative receiver, administrator or the like (including, without limitation, any "*mandataire ad hoc*", "*administrateur judiciaire*", "*administrateur provisoire*", "*conciliateur*" or "*mandataire liquidateur*") is appointed in respect of the relevant entity or any substantial or material part of the assets or the directors of the relevant entity request such appointment.

Administrator Rating Trigger Event

If an Administrator Rating Trigger Event occurs, the Administrator will notify the Issuer in writing of the occurrence of the Administrator Rating Trigger Event within five (5) Business Days from the date upon which it becomes aware of such event and this will constitute a termination event under the Administrative Agreement.

For such purposes, "**Administrator Rating Trigger Event**" means the event in which the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of the Administrator become rated below BBB by S&P, or Baa2 by Moody's Investors Service Ltd. or BBB by Fitch

Termination

"**Administrator Termination Events**" under the Administrative Agreement will include the following events:

- (a) the termination of the Administrative Agreement in accordance with its scheduled term;
- (b) the occurrence and continuation of any Administrator's Default;
- (c) the occurrence of the Administrator Rating Trigger Event;
- (d) the occurrence of a Borrower Event of Default; or
- (e) the resignation of the Administrator.

If an Administrator Termination Event occurs and is continuing, the Issuer shall terminate the Administrative Agreement by delivery of a written termination notice to the Administrator (the "**Notice of Termination**"). Upon receipt by the Administrator of the Notice of Termination, the Administrative Agreement will terminate with effect:

- not earlier than twenty (20) Business Days as from the receipt by the Administrator of the Notice of Termination, if such Notice of Termination is served due to the occurrence of a Borrower Event of Default or of an Administrator Rating Trigger Event;
- not earlier than twenty (20) Business Days as from the receipt by the Administrator of the Notice of Termination or at any other date that the Issuer may have specified in the Notice of Termination, if such Notice of Termination is served due to any other reason,

(each, a "**Service Termination Date**"), and save for any continuing obligations of the Administrator contained in the Administrative Agreement.

Upon the Service Termination Date, the Issuer will replace Crédit Agricole S.A., as Administrator, by any substitute entity (the "**Substitute Administrator**"), the choice of which being subject to prior Rating Affirmation.

Notwithstanding the Service Termination Date, the Administrator will continue to be bound by all its obligations under the Administrative Agreement until the appointment of the Substitute Administrator is effective. The Administrator undertakes to act in good faith to assist any Substitute Administrator.

Limited Recourse – Non Petition

The Administrative Agreement includes "Limited Recourse" and "Non petition" provisions, as described in "**Issuer's Activities – Limited Recourse**" and "**Issuer's Activities – Non-Petition**".

Amendment

No amendment, modification, alteration or supplement shall be made to the Administrative Agreement without prior Rating Affirmation if the same materially and adversely affects the interests of the Issuer or the Bondholders.

For the avoidance of doubt, the Administrative Agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to evidence or effect the transition of any party to the Administrative Agreement to any successor;
- (c) to add to the undertakings and other obligations of the Administrator under the Administrative Agreement; or
- (d) to comply with any mandatory requirements of applicable laws and regulations.

Governing Law – Jurisdiction

The Administrative Agreement shall be governed by, and construed in accordance with, French law. The Issuer and the Administrator have agreed to submit any dispute that may arise in connection with the Administrative Agreement to the jurisdiction of the competent court of Paris.

Crédit Agricole S.A., formerly known as the Caisse Nationale de Crédit Agricole ("**CNCA**"), was created by public decree in 1920 to distribute advances to and monitor a group of regional mutual banks known as the "Caisses Régionales" on behalf of the French State. In 1988, the French State privatized CNCA in a mutualization process, transferring most of its interest in CNCA to the Caisses Régionales. Today, the Caisses Régionales include 39 regional banks that operate one of the two French retail networks of the Group. Crédit Agricole S.A. holds 25% interests in 38 of the Caisses Régionales (the "**Regional Banks**"), and fully owns the Caisse Régionale of Corsica.

Crédit Agricole S.A. is governed by the laws and regulations applicable to commercial companies and, in particular, the French Commercial Code (Code de commerce), to the extent that they are not disappplied by more specific laws, such as, inter alia, the various applicable rules of French law applicable to banking licensed entities, most of which are included in the "Code Monétaire et Financier". In particular, the *Code Monétaire et Financier* which incorporates the 1984 French Banking Law states the role of Crédit Agricole S.A. as the "Central Body" of the Crédit Agricole network defined as the entity made up from the Local Credit Cooperatives, the Regional Banks, and their direct subsidiaries. In this capacity, Crédit Agricole S.A. makes advances available to the Regional Banks through funds they take from their customers on its behalf, centralises their liquidity surpluses, and exercises a statutory supervisory function over them. In the same capacity, Crédit Agricole S.A. also has the duty to ensure that each and all of the Regional Banks maintain satisfactory liquidity and solvency and to take all relevant measures to that purpose.

At the same time, the Regional Banks have extended a joint and several general guarantee which covers the obligations of Crédit Agricole S.A. to third parties. Through these reciprocal support mechanisms, the levels of risks incurred by creditors of Crédit Agricole S.A. and by those of the Regional Banks have become identical. As a result, the credit ratings of the debt issued by Regional Banks and Crédit Agricole S.A. are the same.

As of today, the short term ratings of the short term debt issued by Crédit Agricole S.A. are F1+ (Fitch), P1 (Moody's Investors Service Ltd.) and A1+ (S&P). The long term ratings of the senior debt issued by Crédit Agricole S.A. are AA- (Fitch), Aa1 (Moody's Investors Service Ltd.) and AA- (S&P).

Crédit Agricole S.A.'s last annual report is available on its website: http://finance.credit-agricole.com/IMG/pdf/CAGP031_RA-COMPLET_FR_WEB-4.pdf

At the end of 2009, Crédit Agricole S.A. had total assets of €1,557.3 billion and equity of €45.5 billion (excluding minority interests).

Crédit Agricole S.A. operates two French retail banking segments. The first consists of the Regional Banks, which are 25%-owned by Crédit Agricole S.A. (through equity accounted, non-voting shares). The second consists of the LCL (Crédit Lyonnais) retail banking network, which is fully consolidated. In addition to retail banking services, the two networks offer, mostly through their retail networks, products manufactured by their fully consolidated subsidiaries in life and non-life insurance, asset management, consumer credit, leasing, payment and factoring services.

Crédit Agricole S.A.'s specialised financial services segment includes consumer credit and specialized financing to businesses in the form of factoring and lease finance. The Group's corporate and investment banking segment conducts both financing activities and capital markets and investment banking activities. Through its asset management, insurance and private banking segment, the Group is a leading mutual fund manager and insurance provider in France and offers private banking services in France, Switzerland, Luxembourg and Monaco. This position has been enhanced by the creation of Amundi, a joint company resulting from the merge of most of Société Générale asset management activities with Crédit Agricole Asset Management. The Borrower Facility Agreement

Background

The proceeds from the issuance of the Covered Bonds under the Programme will be used by Crédit Agricole Covered Bonds, as lender (in such capacity, the "**Lender**") to fund advances to be made available to Crédit Agricole S.A., as borrower (in such capacity, the "**Borrower**") under a multicurrency term facility agreement (the "**Borrower Facility**").

The Lender and the Borrower have agreed to enter into a Borrower Facility agreement (the "**Borrower Facility Agreement**") in order to determine the terms and conditions according to which the Lender shall grant the Borrower with advances under the Borrower Facility (each, a "**Borrower Advance**").

The Borrower Facility

The Borrower Facility shall be made available to the Borrower in an aggregate maximum amount equal to € 35,000,000,000 (the "**Borrower Facility Commitment**") for the purpose of financing the financial needs of the Borrower with respect to advances to be made available to the Collateral Providers, in accordance with the terms and conditions of the Collateral Security Agreement.

Pursuant to the Borrower Facility Agreement, the Borrower shall send to the Administrator (with a copy to the Issuer) a duly completed drawdown request (a "**Drawdown Request**") in respect of the Borrower Advance to be made available under the Borrower Facility. Upon receipt of a Drawdown Request by the Administrator (with copy to the Lender), the Lender, together with the Administrator, shall elaborate (i) corresponding Final Terms of the Covered Bonds to be issued to fund such Drawdown Request, and (ii) final terms of Borrower Advance ("**Final Terms of Borrower Advance**") reflecting the terms and conditions of such corresponding Final Terms of the Covered Bonds.

The Borrower may (i) accept the terms and conditions of the Final Terms of Borrower Advance proposed by the Administrator and the Lender, in which case such Final Terms of Borrower Advance shall be definitive between the Borrower and the Lender and a Borrower Advance shall be made available according to such Final Terms of Borrower Advance, or (ii) refuse the terms and conditions of such Final Terms of Borrower Advance, in which case such Final Terms of Borrower Advance and the relevant Drawdown Request shall be considered as null and void between the Borrower and the Lender.

Principal and interest amounts

The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the corresponding Final Terms of Covered Bonds, it being provided that, as a principle, the interest to be paid by the Borrower under a Borrower Advance shall be the financing costs of the Lender under the Covered Bonds funding such Borrower Advance. The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall be further described hereunder and in the relevant Final Terms of Borrower Advance. Any amounts repaid or prepaid under any Borrower Advance may be re-borrowed.

Representations, warranties and undertakings

The Borrower has made the customary representations and warranties and undertakings to the Lender, the representations and warranties being given on the execution date of the Borrower Facility Agreement and continuing until all sums due by the Borrower under the Borrower Facility Agreement shall have been repaid in full.

Main other terms

The Borrower Facility Agreement also provides for:

- (a) customary tax gross-up provisions relating to payments to be made by the Borrower to the Lender under Borrower Facility Agreement;
- (b) customary tax indemnity provisions relating to any payment to be made by the Lender on account of tax on or in relation to any sum received or receivable under the Borrower Facility Agreement by the Lender from the Borrower or any liability in respect of any such payment being asserted, imposed, levied or assessed against the Lender;
- (c) customary "increased costs" provisions;

- (d) general financial information covenants and other customary covenants of the Borrower.

- (a) the Borrower fails to pay any sum due under the Borrower Facility when due, in the currency and in the manner specified therein; provided, however, that where such non-payment is due to an administrative error or the failure of continuing external payment systems or clearing systems reasonably used by the Borrower and such payment is made by the Borrower within three (3) Business Days of such non-payment, such non-payment shall not constitute a Borrower Event of Default;
- (b) a Breach of Pre-Maturity Test occurs;
- (c) a Breach of Asset Cover Test occurs;
- (d) a Breach of Collection Loss Reserve Funding Requirement or a Breach of Home Loan Guarantee Reserve Funding Requirement occurs;

- (f) the Borrower fails to comply with any of its material obligations under the Borrower Facility Agreement unless such breach is capable of remedy and is remedied within sixty (60) Business Days after the Administrator or the Issuer has given notice thereof to the Borrower or (if sooner) the Borrower has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;

- (j) at any time it is or becomes unlawful for the Borrower to perform or comply with any or all of its material obligations under the Borrower Facility Agreement or any of the material obligations of the Borrower under the Borrower Facility Agreement are not or cease to be legal, valid and binding; or

date of such Hedging Rating Trigger Event, as described under the Hedging Strategy (as defined in section "**The Hedging Strategy**" of this Base Prospectus) or (ii) the Issuer (or the Administrator on its behalf) or the Borrower fails to enter into appropriate Borrower Hedging Agreement(s) and related Borrower Hedging Transaction(s) (as defined in section "**The Hedging Strategy**" of this Base Prospectus) within thirty (30) calendar days from the occurrence date of such Hedging Rating Trigger Event, as described under the Hedging Strategy (as defined in section "**The Hedging Strategy**" of this Base Prospectus) or (iii) the Borrower fails to pay any costs and expenses referred to in section "**The Hedging Strategy**" of this Base Prospectus.

Upon the occurrence of a Borrower Event of Default, the Administrator shall, by written notice (such notice to constitute a *mise en demeure*) to the Borrower (with a copy to the Rating Agencies), (i) declare that no more Borrower Advances shall be made under the Borrower Facility, (ii) declare that the Borrower Facility shall be cancelled, and (iii) declare that the Borrower Advances shall immediately become due and payable and enforce its rights under the Security Documents (a "**Borrower Enforcement Notice**").

THE COLLATERAL SECURITY

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include German law and French law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

The Collateral Security Agreement

Background

The Collateral Security Agreement refers to the agreement dated on or prior to the Programme Date and made between (i) the Issuer, in its capacity as "Lender", (ii) collateral providers (the "**Collateral Providers**") and (iii) Crédit Agricole S.A., in its respective capacity as "Borrower", "Collateral Providers Agent", "Administrator" and "Issuer Calculation Agent" (the "**Collateral Security Agreement**").

Secured Liabilities

The Collateral Security Agreement sets forth the terms and conditions upon which the Collateral Providers, represented by the Collateral Providers Agent, shall grant "Eligible Assets" as collateral security (*garantie financière*) (the "**Collateral Security**") for the benefit of the Lender in order to secure, as they become due and payable, the payments of all and any amounts owed by the Borrower under the Borrower Facility, whether present or future (the "**Secured Liabilities**").

Collateral Providers on or about the Programme Date

On or about the Programme Date, the Collateral Providers, duly represented by the Collateral Providers Agent, have entered into the Collateral Security Agreement. Under the Collateral Security Agreement, each of these Collateral Providers has represented and warranted for the benefit of the Issuer that, on the Programme Date, it complies with the Collateral Provider Eligibility Criteria.

Accession of Collateral Providers after the Programme Date

At any time after the Programme Date but prior to the occurrence of any Borrower Event of Default or any Issuer Event of Default which is continuing unremedied, and subject to the procedure described in the Collateral Security Agreement, any entity may access to the Collateral Security Agreement as Collateral Provider provided that:

- (a) it complies, upon its accession to the Collateral Security Agreement, with the Collateral Provider Eligibility Criteria; and
- (b) it is not already a Collateral Provider at such time.

*(individually the "**Applicant**" and collectively the "**Applicants**").*

The Collateral Providers Agent (acting in its own name and on its own behalf) shall notify in writing the other Finance Parties of any request made by any Applicant (or by any of its representatives) to accede as Collateral Provider to the Collateral Security Agreement and shall indicate the date for such accession. Each relevant Applicant (or any of its representatives) shall make such request at least thirty (30) Business Days before the contemplated date of such accession.

Such accession shall take effect on the Selection Date following the date indicated by the relevant Applicant (or any of its representatives) for its accession to the Collateral Security Agreement, subject to satisfaction of the following conditions precedent:

- (a) the issuance by the relevant Applicant (or any of its representatives) of an Accession Letter in accordance with the form set out in the Collateral Security Agreement, which shall contain in particular (i) a covenant by the acceding Applicant to perform all of the obligations resulting from the Collateral Security Agreement to which it will become a party and (ii) the appointment of CASA as Collateral Providers Agent;
- (b) the notification by each of the Finance Parties to the relevant Applicant (or to any of its representatives) indicating its acceptance of the accession of such Applicant, by way of signature of such Accession Letter, it being provided that the Collateral Providers Agent shall execute such Accession Letter in its own name and on its own behalf;
- (c) the provision by such Applicant (or by any of its representatives) of a legal certificate regarding the situation of such Applicant and its accession to the Collateral Security Agreement.

Pursuant to the Collateral Security Agreement, each Collateral Provider acknowledges and accepts that, subsequently to the entering into of the Collateral Security Agreement, other CA Entities may become party to the Collateral Security Agreement, pursuant to the conditions set forth therein, in order to grant Collateral Security for the performance and discharge in full of the Secured Liabilities.

Upon its accession to the Collateral Security Agreement and pursuant to the relevant terms and conditions of the Collateral Security Agreement, each acceding Collateral Provider shall have the same rights and obligations as those of the other Collateral Providers.

Withdrawal of Collateral Providers

At any time after the Programme Date but prior to the occurrence of any Borrower Event of Default or any Issuer Event of Default which is continuing unremedied, any Collateral Provider may withdraw from the Collateral Security Agreement, provided that such withdrawal does not and is not likely to cause any Borrower Event of Default (including the occurrence of a Breach of Asset Cover Test).

In such event, the Collateral Providers Agent (acting in its own name and on its own behalf) shall notify the other Finance Parties in writing of any request for the withdrawal of one or more Collateral Providers from the Agreement, and shall indicate the date of such withdrawal (the "**Withdrawal Letter**"). Each Withdrawal Letter shall be in the form set out in the Collateral Security Agreement and shall be made at least thirty (30) Business Days before the contemplated date of such withdrawal.

Such withdrawal shall take effect on the Selection Date following the date indicated in the relevant Withdrawal Letter, subject to the following conditions precedent:

- (a) the issuance by the Collateral Providers Agent (acting in its own name and on its own behalf) of a Withdrawal Letter;
- (b) the notification by each of the Finance Parties to the relevant withdrawing Collateral Provider(s) (or to any of its representatives) indicating its acceptance of the withdrawal of such Collateral Provider, by way of signature of the relevant Withdrawal Letter, it being provided that the Collateral Providers Agent shall execute such Withdrawal Letter in its own name and on its own behalf;
- (c) the confirmation by the Issuer Calculation Agent that such withdrawal does not and is not likely to cause any Borrower Event of Default;
- (d) the Issuer Calculation Agent shall have controlled and certified in writing to the Issuer that the Home Loan Receivables granted as Collateral Security by the withdrawing Collateral

Provider(s) have been properly identified and that the withdrawal of such Collateral Provider(s), the subsequent release of Home Loan Receivables granted as Collateral Security by it/them, shall not result in a Non Compliance with Asset Cover Test. For such purpose, provided that the aggregate Home Loan Outstanding Principal Amount of the Home Loan Receivables granted as Collateral Security by the withdrawing Collateral Provider(s) exceeds 5% (five per cent.) of the aggregate Home Loan Outstanding Principal Amount of the Home Loan Receivables granted as Collateral Security by any and all Collateral Provider(s), the Issuer Calculation Agent shall recalculate the Weighted Average Recovery Rate ("**WARR**"), the Weighted Average Frequency of Foreclosure ("**WAFF**"), the Weighted Average Loss Severity ("**WALS**") and the Asset Percentage that would be applicable following the release of the Home Loans Receivables granted by such withdrawing Collateral Provider(s) as Collateral Security;

- (e) the relevant withdrawing Collateral Provider has reimbursed all amounts owed by it under the relevant Collateral Provider Facility and has paid to CASA, as Secondary Lender under the Collateral Providers Facility Agreement, any and all fees and costs relating to the early amortization of such Collateral Provider Facility,

it being provided, for the avoidance of doubt, that the merger of two or several Collateral Providers shall not result in the application of the conditions precedent referred to in the present clause 4.3.3 (with the exception however of the condition precedent referred to in (c) above)) if the entity resulting from such merger assumes any and all the duties and obligations of the entities involved in such merger under the Collateral Security Agreement and the Collateral Providers Facility Agreement(s).

For the purpose of the above, "**Home Loan Outstanding Principal Amount**" means, with respect to each relevant Home Loan, the amount of principal outstanding at the relevant date under such relevant Home Loan.

Upon its withdrawal from the Collateral Security Agreement and pursuant to the relevant terms and conditions of the Collateral Security Agreement, each withdrawn Collateral Provider shall have no rights or obligations under the Collateral Security Agreement and the Home Loans Receivables granted as Collateral Security by such withdrawn Collateral Provider shall be automatically released without any further formality.

Exclusion of Collateral Providers

At any time after the Programme Date but prior to the occurrence of any Borrower Event of Default or any Issuer Event of Default which is continuing unremedied, any Collateral Provider may be excluded from the Agreement, in the event of a material breach of the Collateral Security Agreement by such Collateral Provider or if the non-exclusion of such Collateral Provider is likely to cause any Borrower Event of Default (including the occurrence of a Breach of Asset Cover Test).

In such event, the Administrator (acting on behalf of the Issuer) shall notify the relevant Collateral Provider(s) in writing (the "**Exclusion Letter**") of the decision of the Issuer to exclude it(them) as Collateral Provider. Each Exclusion Letter shall be executed among the Administrator (acting on behalf of the Issuer) and the Collateral Providers Agent (acting on its own name and on its own behalf) in the form set out in the Collateral Security Agreement and shall be made at least thirty (30) Business Days before the contemplated date of such exclusion.

Such exclusion shall take effect on the Selection Date following the date indicated in the relevant Exclusion Letter, subject to the following conditions precedent:

- (a) the execution of an Exclusion Letter by the relevant parties thereto (as mentioned above);
- (b) the exclusion of the relevant Collateral Provider(s) has been notified in writing by the Administrator to the Borrower, the Issuer Calculation Agent and the other Collateral Providers;

- (c) the Issuer Calculation Agent shall have controlled and certified in writing to the Issuer that the Home Loan Receivables granted as Collateral Security by the excluded Collateral Provider(s) have been properly identified. For such purpose, provided that the aggregate Home Loan Outstanding Principal Amount of the Home Loan Receivables granted as Collateral Security by the excluded Collateral Provider(s) exceeds 5% (five per cent.) of the aggregate Home Loan Outstanding Principal Amount of the Home Loan Receivables granted as Collateral Security by any and all Collateral Provider(s), the Issuer Calculation Agent shall recalculate the Weighted Average Recovery Rate ("**WARR**"), the Weighted Average Frequency of Foreclosure ("**WAFF**"), the Weighted Average Loss Severity ("**WALS**") and the Asset Percentage that would be applicable following the release of the Home Loans Receivables granted by such excluded Collateral Provider(s) as Collateral Security
- (d) the relevant excluded Collateral Provider has reimbursed all amounts owed by it under the relevant Collateral Provider Facility and has paid to CASA, as Secondary Lender under the Collateral Providers Facility Agreement, any and all fees and costs relating to the early amortization of such Collateral Provider Facility.

For the purpose of the above, "**Home Loan Outstanding Principal Amount**" means, with respect to each relevant Home Loan, the amount of principal outstanding at the relevant date under such relevant Home Loan.

Upon its exclusion from the Collateral Security Agreement and pursuant to the relevant terms and conditions of the Collateral Security Agreement, each excluded Collateral Provider shall have no rights or obligations under the Collateral Security Agreement and the Home Loans Receivables granted as Collateral Security by such excluded Collateral Provider shall be automatically released without any further formality.

At all times after the Programme Date, the Collateral Providers Agent shall keep an updated list of the Collateral Providers, containing sufficient details of such Collateral Providers (and taking into account any accession, withdrawal or exclusion made pursuant to the Collateral Security Agreement) and any other material events affecting the legal and financial situation of the Collateral Providers (and in particular the compliance with the Collateral Provider Eligibility Criteria). Such list shall be communicated by the Collateral Providers Agent to any other Finances Parties, promptly upon their request.

For the purposes of the Collateral Security Agreement, each Collateral Provider granting Collateral Security shall, at the relevant Selection Date or on any other date specified below or (in the absence of mention of any such specific date) at any time, comply with all the following cumulative Collateral Provider Eligibility Criteria (the "**Collateral Provider Eligibility Criteria**"):

However, any such addition, substitution and/or release shall be effective only subject to confirmation by the Issuer Calculation Agent that a Non Compliance with Asset Cover Test would not occur as a result of such addition, substitution and/or release. For such purpose, the Issuer Calculation Agent shall re calculate the Asset Percentage (as defined in "**Asset Monitoring – The Asset Cover Test**") that would be applicable following such addition, substitution and/or release each time any such addition, substitution or release is requested by the Collateral Providers Agent.

Home Loan Guarantee Trigger Events

Upon the downgrading of the credit rating of the Borrower below A-1 (short term) (S&P) or F1 (short term) (Fitch) or A3 (long term) (Moody's Investors Service Ltd.) (or any other credit rating trigger which may be agreed upon by the Rating Agencies after the date hereof) (the "**Level 1 Trigger Event**") (and for as long as such Level 1 Trigger Event is not remedied) and within thirty (30) Business Days from the occurrence of such Level 1 Trigger Event, the Borrower shall be required to pay and maintain into a dedicated bank account to be opened within such period in its name and in the books of the Issuer Accounts Bank (the "**Home Loan Guarantee Reserve Account**") an amount equal to the higher of:

(a) the aggregate amount of the registration costs of mortgages in respect of the Home Loans which, as of the date of the occurrence of such Level 1 Trigger Event, were covered by a Home Loan Guarantee granted by CAMCA, such amount to be communicated to the Rating Agencies before any implementation of such reserve,

or

(b) the outstanding principal amount of all the Home Loans which, as of the date of the occurrence of such Level 1 Trigger Event, were covered by a Home Loan Guarantee granted by CAMCA, as multiplied by the CAMCA Guaranteed Loan Percentage,

or any other amount, subject to prior AAA/Aaa Rating Affirmation by the Rating Agencies.

Such amount will be adjusted at each Selection Date according to the outstanding principal amount of all the Home Loans covered by a Home Loan Guarantee granted by CAMCA.

All cash credited to the Home Loan Guarantee Reserve Account as described above shall be granted as Collateral Security subject to, and in accordance with, the relevant terms of the Collateral Security Agreement, and shall secure the Secured Liabilities as they become due and payable.

Failure by the Borrower to fund the Home Loan Guarantee Reserve Account up to the required amount within the required period following the occurrence of a Level 1 Trigger Event shall constitute a **"Breach of Home Loan Guarantee Reserve Funding Requirement"** within the meaning of the Collateral Security Agreement. A Breach of Home Loan Guarantee Reserve Funding Requirement shall be deemed the occurrence of a **"Borrower Event of Default"** within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement.

For the purpose hereof, **CAMCA Guaranteed Loan Percentage** means 5,5% or any other new percentage figure, as determined by the Calculation Agent for all relevant Home Loans granted as Collateral Security and covered by a Home Loan Guarantee granted by CAMCA following a Level 1 Trigger Event, provided that (i) such new percentage figure is subject to Rating Affirmation by Moody's Investors Service Ltd and (ii) Covered Bonds are still rated Aaa by Moody's Investors Service Ltd if a lower percentage figure is proposed by the Calculation Agent.

Upon the downgrading of the credit rating of the Borrower below BBB (long term) (S&P) or (BBB) (long term) Fitch or Baa2 (long term) Moody's Investors Service Ltd. (or any other credit rating trigger which may be agreed upon by after the date hereof) (the **"Level 2 Trigger Event"**) and within sixty (60) days from the occurrence of such Level 2 Trigger Event:

- (a) the Borrower shall, subject to prior Rating Affirmation, ensure that the commitment of CAMCA under the Home Loan Guarantees granted by CAMCA and securing the repayment of Home Loans granted as Collateral Security is fully guaranteed, insured or reinsured or otherwise protected by an Eligible CAMCA Guarantor (the **"CAMCA Credit Support"**) and will use the sums credited to the Home Loan Guarantee Reserve Account for this purpose;

or

- (b) the Borrower and, if applicable, each relevant Collateral Provider shall, subject to prior Rating Affirmation, ensure that any other credit support of the Home Loans secured by Home Loan Guarantees granted by CAMCA and granted as Collateral Security is provided in any form, including *inter alia* cash collateral, securities or any other form of collateral, on terms satisfactory to the Rating Agencies (the **"CAMCA Enhancement"**) and will use the sums credited to the Home Loan Guarantee Reserve Account for this purpose

or

- (c) the Collateral Providers Agent, acting in the name and on behalf of the relevant Collateral Provider(s), shall substitute the Home Loans granted as Collateral Security and covered by a Home Loan Guarantee granted by CAMCA, for Home Loan Receivables that comply with the Home Loan Eligibility Criteria and are secured by a Mortgage, or any Substitution Assets.

As from the date on which the commitment of CAMCA under the Home Loan Guarantees granted by CAMCA and securing the repayment of Home Loans granted as Collateral Security is fully guaranteed, insured or reinsured or otherwise protected by an Eligible CAMCA Guarantor as contemplated in point (a) above, or CAMCA Enhancement or substitution contemplated in point (b) or (c) above have been implemented, the sums credited to the Home Loan Guarantee Reserve Account and which remain unused shall be released from such account and may be used freely by the Borrower.

Upon the occurrence of a Level 2 Trigger Event, and within ninety (90) days from the occurrence of such Level 2 Trigger Event, and provided that neither the CAMCA Enhancement nor the CAMCA Credit Support has been implemented at such time under the form and to the extent agreed with the Rating Agencies, any Home Loans Receivables (i) granted as Collateral Security and secured by Home Loan Guarantees granted by CAMCA (ii) which is not secured by a mortgage or similar legal privileges (*hypothèque* or *privilège de prêteur de deniers*) shall account for zero for the purpose of calculation of the Asset Cover Test on any relevant Asset Cover Test Date and, as applicable, shall account for zero for the purpose of calculation of the Amortisation

Test on any relevant Amortisation Test Date. In addition, the Collateral Providers Agent, acting in the name and on behalf of the relevant Collateral Provider(s), may request that such Home Loan Receivables be released from the scope of the Collateral Security, provided that such release is not likely to cause any occurrence of a Breach of Asset Cover Test.

For such purposes,

"Eligible CAMCA Guarantor" means a financial institution (including reinsurance companies) which meets the following conditions:

- such financial institution is permitted under any applicable and relevant law to carry out the relevant transactions contemplated under this sub-section; and
- (i) the rating of its senior unsecured, unsubordinated and unguaranteed debt obligations is at least a CAMCA Guarantor Required Rating, or (ii) the rating of the senior unsecured, unsubordinated and unguaranteed debt obligations of the guarantor of its obligations is at least a CAMCA Guarantor Required Rating, or (iii) this financial institution has provided collateral for its obligations and complied with any relevant rating criteria set forth by the relevant Rating Agencies.

"CAMCA Guarantor Required Rating" means, with respect to any guarantor granting a CAMCA Credit Support, as applicable, its guarantor under the relevant guarantee, A- (long term) (Fitch) and A3 (long term) (Moody's Investors Service Ltd.) (or any other credit rating trigger which may be agreed upon after the date hereof).

Enforcement

Upon the service by the Issuer (represented by the Issuer Independent Representative or by the Administrator or by the Substitute Administrator) to the Borrower of a Borrower Enforcement Notice subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement following the occurrence of a Borrower Event of Default, the Issuer (represented by the Issuer Independent Representative or by the Administrator or the Substitute Administrator) shall be entitled to exercise all rights, actions and privileges with respect to the Collateral Security Assets (and, if any, the Borrower Cash Deposit) as granted to a secured creditor in accordance with paragraph II, 3°) of Article L. 211-38 of the French Monetary and Financial Code (*Code monétaire et financier*).  - serve a notice to any or all the debtors and all other relevant entities under any or all Collateral Security Assets, mentioning the new payment instructions to be observed by the same with respect to the payment of sums due under the Collateral Security Assets and/or the related Asset Contractual Documentation; serve a notice to any relevant accounts bank and all other relevant entities in relation to any Borrower Cash Deposit, mentioning the new payment instructions to be observed by the same with respect to the payment of sums due under the Borrower Cash Deposits or any related documents.

After transfer of title with respect to any or all Collateral Security Assets, the Issuer (represented by the Issuer Independent Representative or by the Administrator or the Substitute Administrator or any of its representative, agent or expert acting on its behalf) may dispose of, transfer, sale or cause to be sold, any or all the Collateral Security Assets to any third party or refinance the same (by way of securitisation or otherwise).

After transfer of title with respect to any or all Borrower Cash Deposit relating to the Mortgages Registration Account, the Issuer (represented by the Issuer Independent Representative or by the Administrator or the Substitute Administrator or any of its representative, agent or expert acting on its behalf) may dispose of the relevant sums for the payment of costs relating to the taking of judiciary mortgages.

For the purpose hereof:

"Asset Contractual Documentation" means, in relation to any and all Collateral Security Assets, all originals or executive or true copies (*copies exécutoires*) of any contract, instrument or other document (such as riders, waivers and amendments) providing for the terms and conditions of, and/or evidencing title and benefit to, such Collateral Security Assets and any right, privilege, guarantee or security interest (*droit accessoire, privilège, garantie ou sûreté*) ancillary or as the case may be attached thereto (and, in particular, any and all relevant Home Loan Security).

Conditions of enforcement

Enforcement requires no other formality whatsoever (including the necessity to obtain a court order or conduct an auction), any notification requirements (to the Borrower, the Collateral Providers or any other person) nor any other procedures.

Pursuant to article L. 211-40 of the French Monetary and Financial Code (*Code monétaire et financier*), no right of the Issuer to enforce the Collateral Security shall be in any manner affected or limited by any insolvency proceedings mentioned under the sixth book of the French Commercial Code (*Livre VI du Code de commerce*) which would have been opened with respect to the Collateral Providers or any of its assets.

Collateral Providers Agent's, Collateral Providers' and Borrower's obligations upon enforcement

With immediate effect as from the service to the Borrower, to the Collateral Providers and to the Collateral Providers Agent, acting in the name and on behalf of the Collateral Providers, of a Borrower Enforcement Notice and upon the instructions of each of the Issuer, the Administrator (or the Substitute Administrator) or any of its representative, agent or expert acting on its behalf (each, an "**Enforcing Party**"), the Collateral Providers Agent, the Collateral Providers and the Borrower shall:

- (a) execute any document, take whatever action and do all such things required in order to perfect, or any other action that the Enforcing Party deems necessary for the purpose of perfecting, the Issuer's rights of title, discretions, privileges, remedies and other rights in relation to any or all Collateral Security Assets (or Borrower Cash Deposit) and any related rights, privileges, guarantees and security interest ancillary or attached thereto;

Notwithstanding the foregoing, unless and until all the Secured Liabilities have been paid or satisfied in full, each Collateral Provider hereby expressly waives to exercise any action or recourse against the Borrower which are likely to interfere with the rights of the Lender, for so long as Secured Liabilities remain due under the Borrower Facility Agreement.

As from the day upon which all sums due under any and all of the Tranches and Series of Covered Bonds shall have been repaid in full and subject to the discharge in full of all the Secured Liabilities, the Collateral Providers Agent, acting in the name and on behalf of the Collateral Providers, shall have the right to claim against the Issuer for repayment (*créance de restitution*) of the portion of the Enforcement Proceeds received by the Issuer and not applied to the satisfaction of the Secured Liabilities. Such repayment by the Issuer to the Collateral Providers Agent, acting in the name and on behalf of the Collateral Providers, shall be made, subject to the applicable Priority Payment Order, as soon as reasonably practicable following the day upon which all sums due under any and all the Tranches and Series of Covered Bonds shall have been repaid in full.

Limited Recourse – Non Petition

The Collateral Security Agreement includes "Limited Recourse" and "Non petition" provisions, as described in "**Issuer's Activities – Limited Recourse**" and "**Issuer's Activities - Non-Petition**".

Amendment

No amendment, modification, alteration or supplement shall be made to the Collateral Security Agreement without prior Rating Affirmation if the same materially and adversely affects the interests of the Issuer or the Bondholders.

For the avoidance of doubt, the Collateral Security Agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to evidence or effect the transition of any party to the Collateral Security Agreement to any successor;
- (c) to add to the undertakings and other obligations of the Collateral Providers Agent and/or of the Collateral Providers under the Collateral Security Agreement; or
- (d) to comply with any mandatory requirements of applicable laws and regulations.

The Rating Agencies shall be informed in advance of any amendment, modification, alteration or supplement to this Agreement.

Governing Law – Jurisdiction

The Collateral Security Agreement shall be governed by, and construed in accordance with, French law. The parties to the Collateral Security Agreement have agreed to submit any dispute that may arise in connection with the Collateral Security Agreement to the jurisdiction of the competent court of Paris.

The Cash Collateral Agreement

Background

The Cash Collateral Agreement refers to the agreement dated on or prior to the Programme Date and made between (i) the Issuer in its capacity as "Lender", and (ii) Crédit Agricole S.A. in its capacity as "Cash Collateral Provider" (the "**Cash Collateral Provider**"), "Administrator" and "Issuer Calculation Agent" (the "**Cash Collateral Agreement**").

Secured Liabilities

The Cash Collateral Agreement sets forth the terms and conditions upon which the Cash Collateral Provider shall fund certain amounts as cash collateral (*gage espèces*) (each, a "**Cash Collateral**") into the Cash Collateral Account so as to secure as they become due and payable the payments of all and any amounts owed by the Borrower under the Borrower Facility, whether present or future (the "**Secured Liabilities**").

Creation and Perfection

Any Cash Collateral shall be created upon credit of the corresponding sums into the Cash Collateral Account.

The perfection of each Cash Collateral shall not be conditional upon any formality. Each Cash Collateral shall entail the transfer of title in favour of the Issuer with respect to the relevant cash funded into the Cash Collateral Account.

Cash at any time standing to the credit of the Cash Collateral Account may be invested only in Permitted Investments whose maturity is earlier than the Final Maturity Date of the relevant Series of Covered Bonds (which is not a Series of Soft Bullet Covered Bonds).

For such purpose, "**Soft Bullet Covered Bonds**" means Covered Bonds with a soft bullet maturity which allows the Final Maturity Date of the relevant Series to be extended if the Issuer is about to fail to pay the amount due on the Final Maturity Date, in accordance with, and as described in, the relevant Final Terms of Covered Bonds.

Pre-Maturity Test

The Cash Collateral Provider shall be requested to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount upon non compliance by the Borrower of certain pre-maturity ratings levels following the occurrence date of such non-compliance and during a certain pre-maturity test period (as further described in "**Asset Monitoring – The Pre-Maturity Test**").

Failure by the Cash Collateral Provider to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount within the required period following any non-compliance with the relevant pre-maturity ratings levels and on any relevant test date following such non-compliance shall constitute a "**Breach of Pre-Maturity Test**" under the Cash Collateral Agreement which breach shall in turn result in the occurrence of a "**Borrower Event of Default**" under the Borrower Facility Agreement.

Representations, warranties and undertakings

The Cash Collateral Provider has made the customary representations and warranties and undertakings to the Issuer, the representations and warranties being given on the execution date of the Cash Collateral Agreement and continuing until satisfaction in full of the Secured Liabilities.

Enforcement

Upon the service of a Borrower Enforcement Notice subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement following the occurrence of a Borrower Event of Default, the Issuer (represented by the Issuer Independent Representative or by the Administrator or Substitute Administrator) shall be entitled to apply all sums standing to the credit of the Cash Collateral Account in satisfaction of all the Secured Liabilities.

Any sum remaining to the credit of the Cash Collateral Account after satisfaction in full of the Secured Liabilities shall be promptly repaid to the Borrower.

Conditions of enforcement

Enforcement requires no other formality whatsoever (including the necessity to obtain a court order or conduct an auction), any notification requirements (to the Borrower, the Cash Collateral Provider or any other person) nor any other procedures .

No right of the Issuer to enforce its rights under the Cash Collateral Agreement shall be in any manner affected or limited by any Insolvency Event with respect to the Borrower.

Limited Recourse – Non Petition

The Cash Collateral Agreement includes "Limited Recourse" and "Non petition" provisions, as described in "**Issuer's Activities – Limited Recourse**" and "**Issuer's Activities - Non-Petition**".

Amendment

No amendment, modification, alteration or supplement shall be made to the Cash Collateral Agreement without prior Rating Affirmation if the same materially and adversely affects the interest of the Issuer or the Bondholders.

For the avoidance of doubt, the Cash Collateral Agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to evidence or effect the transition of any party to the Cash Collateral Agreement to any successor;
- (c) to add to the undertakings and other obligations of the Cash Collateral Provider under the Cash Collateral Agreement; or
- (d) to comply with any mandatory requirements of applicable laws and regulations.

Governing Law – Jurisdiction

The Cash Collateral Agreement shall be governed by, and construed in accordance with, French law. The Issuer and the Cash Collateral Provider have agreed to submit any dispute that may arise in connection with the Cash Collateral Agreement to the jurisdiction of the competent court of Paris.

ASSET MONITORING

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include German law and French law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

Under the Collateral Security Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Collateral Providers Agent and the Collateral Providers shall monitor the Collateral Security Assets so as to ensure compliance with an asset cover test (the **"Asset Cover Test"**).

Under the Cash Collateral Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower shall fund the Cash Collateral Account up to an amount sufficient so as to ensure compliance with a pre-maturity test (the **"Pre-Maturity Test"**).

Under Condition 5 (f) and following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer shall ensure compliance with an amortisation test (the **"Amortisation Test"**).

The Asset Cover Test

The following terms shall have the following definitions:

"Asset Cover Test Date" means:

- (i) in the event of a Selection Date, such Selection Date;
- (ii) in the event of the issuance of a Series or a Tranche of Covered Bonds, such issuance date; or
- (iii) in the absence of any Selection Date or issuance of a Series or Tranche of Covered Bonds, the date comprised between the 15th Business Day and the last Business Day (both included) of each calendar month;

The first Asset Cover Test Date shall be the date of the first issue of Covered Bonds by the Issuer.

"Asset Cover Test Calculation Period" means, in relation to any Asset Cover Test Date, each period starting on, and including, the immediately preceding Asset Cover Test Date, and ending on, and excluding such Asset Cover Test Date.

Compliance with the Asset Cover Test requires compliance with the asset cover ratio R specified below (the **"Asset Cover Ratio"**). Such compliance is tested by the Issuer Calculation Agent from time to time subject to, and in accordance with, the relevant terms of the Collateral Security Agreement and the Calculation Services Agreement.

The Asset Cover Ratio (R)

"R" means the following ratio which shall be at least equal to one (1) at each Asset Cover Test Date:

$$R = \left[\frac{\text{Adjusted Aggregate Asset Amount (AAAA)}}{\text{Aggregate Covered Bond Outstanding Principal Amount}} \right]$$

whereby:

"Aggregate Covered Bond Outstanding Principal Amount " means, at any Asset Cover Test Date, the aggregate amount of principal (in euro or euro equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Covered Bonds.

"Adjusted Aggregate Asset Amount (AAAA)" means, at any Asset Cover Test Date:

$$(AAAA) = A + B + C + D - (Y + Z)$$

whereby:

"A" means the lower of "A1" and "A2".

"A1" is equal to the sum of all Adjusted Home Loan Outstanding Principal Amounts of all Home Loans granted as Collateral Security and excluding the Home Loans which have become Ineligible Home Loans (see **"The Collateral Security"** for a description of the Home Loans Eligibility Criteria) during the applicable Asset Cover Test Calculation Period (the **"Relevant Home Loans"**), as such "Adjusted Home Loan Outstanding Principal Amounts under Borrower Facility" will be calculated on the relevant Asset Cover Test Date, whereby:

"Adjusted Home Loan Outstanding Principal Amount" means, with respect to each Relevant Home Loan granted as Collateral Security, the lower of:

- (i) the Home Loan Outstanding Principal Amount of such Relevant Home Loan minus the Applicable Deemed Reductions; and
- (ii) the LTV Cut-Off Percentage of the Indexed Valuation relating to such Relevant Home Loan minus the Applicable Deemed Reductions;

"Applicable Deemed Reductions" means, with respect to any Relevant Home Loan, the aggregate sum of the financial losses incurred by the Collateral Providers with respect to such Relevant Home Loan to the extent that such financial losses have been incurred as a direct result of a material breach of the Servicing Procedures by the relevant Collateral Providers during the applicable Asset Cover Test Calculation Period (see **"The Collateral Security Agreement – Asset Servicing "** for a description of the Servicing Procedures).

"Home Loan Outstanding Principal Amount" means, with respect to each Relevant Home Loan, the amount of principal outstanding at the relevant Asset Cover Test Date under such Relevant Home Loan.

"LTV Cut-Off Percentage" means:

- (i) eighty per cent. (80%) for each Relevant Home Loan secured by a Mortgage;
- (ii) eighty per cent. (80%) for each Relevant Home Loan secured by a Home Loan Guarantee issued by *Crédit Logement* or by CAMCA;
- (iii) a percentage which will be agreed with the Rating Agencies from time to time for each Relevant Home Loan that has the benefit of an insurance policy with an acceptable insurer or guarantee with an acceptable financial institution, insuring the credit risk under such Relevant Home Loan; and
- (iv) a percentage which will be agreed with the Rating Agencies from time to time for each Relevant Home Loan not mentioned under (i) to (iii) above.

"Index" means the index of increases of house prices issued by PERVAL in relation to residential properties in France.

"Indexed Valuation" means at any date in relation to any Relevant Home Loan secured over any Property:

- (i) where the Original Market Value of that Property is equal to or greater than the Price Indexed Valuation as at that date, the Price Indexed Valuation; or
- (ii) where the Original Market Value of that Property is less than the Price Indexed Valuation as at that date, the Original Market Value plus eighty per cent. (80%) of the difference between the Price Indexed Valuation and the Original Market Value.

"Original Foreclosure Value" in relation to any Property means the purchase price of such Property or (as applicable) the most recent valuation of such Property, as disclosed to the relevant Collateral Provider by the relevant debtor under the related Relevant Home Loan.

"Original Market Value" in relation to any Property means the Original Foreclosure Value divided by 1.

"Price Indexed Valuation" in relation to any Property at any date means the Original Market Value of that Property increased or decreased as appropriate by the increase or decrease in the Index since the date of the Original Market Value.

"A2" is equal to the sum of all unadjusted "Home Loan Outstanding Principal Amounts" of all Relevant Home Loans minus the Applicable Deemed Reductions of all such Relevant Home Loans (as defined above) multiplied by the applicable Asset Percentage, whereby:

"Asset Percentage" means (i) ninety two point five per cent. (92.5%) or (ii) such percentage figure as is determined on a quarterly basis (subject to below) by the Issuer Calculation Agent pursuant to the relevant terms of the Collateral Security Agreement.

For the purpose of the calculation of the Asset Percentage referred to in (ii) above, the Issuer Calculation Agent will calculate, on a quarterly basis (subject to below), the Weighted Average Recovery Rate ("**WARR**"), the Weighted Average Frequency of Foreclosure ("**WAFF**"), and the Weighted Average Loss Severity ("**WALS**") (and/or such figures calculated in accordance with such alternative methodologies as agreed with S&P and Fitch) for all Relevant Home Loans or for a random sample of the same or as otherwise agreed by S&P and Fitch. The WARR, WAFF and WALS (or other relevant figures) so calculated will be incorporated by the Issuer Calculation Agent into one (1) or more cash flow models approved by S&P and Fitch. Such models, which test the credit enhancement required in various cash flow scenarios, will indicate, on the basis of the latest WARR, WAFF and WALS figures (or other agreed relevant figures), the Asset Percentage needed in order to provide credit enhancement to cover all such cash flow scenarios. Save where otherwise agreed with S&P and Fitch, the Asset Percentage will be adjusted in accordance with the various methodologies prescribed by S&P and Fitch provided that the Asset Percentage may not, at any time, exceed ninety two point five per cent. (92.5%).

If, on an Asset Cover Test Date, ninety five per cent. (95%) or more of the Home Loans granted as Collateral Security on such date are other Home Loans than the Home Loans granted as Collateral Security on the immediately preceding Asset Cover Test Date, the Asset Percentage shall as from such date be calculated by the Issuer Calculation Agent on a monthly basis.

"B" is equal to the aggregate amount of cash standing to the credit of the Cash Collateral Account, as reported by the Collateral Providers Agent in the relevant Asset Report.

"C" is equal to the aggregate value outstanding under all Substitution Assets (the "**Aggregate Substitution Asset Amount (ASAA)**") granted as Collateral Security provided that, the amount of the Aggregate Substitution Asset Amount (ASAA) (whatever such amount is at any Asset

Cover Test Date) shall in any event account only for up to twenty per cent. (20%) of the Adjusted Aggregate Asset Amount (AAAA) for the purposes hereof. The Aggregate Substitution Asset Amount (ASAA) shall be reported by the Collateral Providers Agent in the relevant Asset Report. Substitution Assets will be valued on the last Business Day of the calendar month immediately preceding each Asset Cover Test Date and be taken into account for their mark-to-market value at a discount based on a methodology agreed with the Rating Agencies.

"D" is equal to the aggregate value outstanding under all Permitted Investments, as determined by the Issuer Accounts Bank (or the Administrator on its behalf) and reported to the Issuer Calculation Agent pursuant to the Issuer Accounts Bank Agreement. Permitted Investments will be valued on the last Business Day of the calendar month immediately preceding each Asset Cover Test Date and be taken into account for their mark-to-market value at a discount based on a methodology agreed with the Rating Agencies.

"Y" is equal to (i) zero before any Issuer Hedging Agreement shall be entered into by the Issuer subject to, and in accordance with, the Hedging Strategy and (ii) otherwise, an amount equal to the payments due under the Issuer Hedging Agreements (plus interest thereon) within the period of α plus two (2) months preceding the relevant Asset Cover Test Date where α means the period between two (2) interest payment dates (first day of such period included and last day of such period excluded) under the relevant Issuer Hedging Agreements.

"Z" is equal to: $WAM * \text{Covered Bond Outstanding Principal Amount} * \text{Carrying Cost}$, whereby:

"WAM" means the greater of (i) the weighted average maturity of Series of Covered Bonds outstanding as at the relevant Asset Cover Test Date, and (ii) one (1) year.

"Covered Bond Outstanding Principal Amount" means, at any Asset Cover Test Date, the aggregate amount of principal (in euro or euro equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Series of Covered Bonds.

"Carrying Cost" means zero point five percent (0.5%) or any other greater percentage agreed between the Collateral Providers Agent and the Collateral Providers, subject to prior Rating Affirmation.

Calculation of the Asset Cover Ratio (R)

On each Asset Cover Test Date, the Asset Cover Ratio (R) shall be calculated by the Issuer Calculation Agent according to the terms, definitions and calculation formula set forth above.

No later than three (3) Business Days following any Asset Cover Test Date, the Issuer Calculation Agent shall inform the Issuer, the Borrower and the Collateral Providers Agent (with a copy to the Rating Agencies and to the Asset Monitor) of its calculation of the Asset Cover Ratio (R).

Non Compliance with Asset Cover Test

Non compliance with the Asset Cover Test (the "**Non Compliance with Asset Cover Test**") would result from the Asset Cover Test Ratio (R) being strictly less than one (1).

Remedies

Upon Non Compliance with Asset Cover Test on any Asset Cover Test Date, the Collateral Providers Agent shall:

- (i) cause the Collateral Providers to grant additional or substitute Eligible Assets as Collateral Security pursuant to the relevant terms of the Collateral Security Agreement, on the next following Asset Cover Test Date; and/or

- (ii) cause the Collateral Providers to release Collateral Security Assets from the Collateral Security pursuant to the relevant terms of the Collateral Security Agreement, on the next following Asset Cover Test Date;

in each case, as necessary to cure such Non Compliance with Asset Cover Test.

A Non Compliance with Asset Cover Test will not constitute an Issuer Event of Default or a Borrower Event of Default. However, it will prevent the Issuer from issuing any further Series as long as it remains unremedied.

Breach of Asset Cover Test

The failure by the Collateral Providers Agent, acting in the name and on behalf of the Collateral Providers, to cure a Non Compliance with Asset Cover Test occurred on any Asset Cover Test Date prior to the next following Asset Cover Test Date shall constitute a **"Breach of Asset Cover Test"** within the meaning of the Collateral Security Agreement. The Issuer Calculation Agent will inform promptly the Issuer, the Borrower and the Collateral Providers Agent (with a copy to the Rating Agencies and to the Asset Monitor) of the occurrence of a Breach of Asset Cover Test.

A Breach of Asset Cover Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement.

A Breach of Asset Cover Test will not constitute an Issuer Event of Default but will prevent the Issuer from issuing any further Series.

The Pre-Maturity Test

Compliance with the Pre-Maturity Test requires compliance with the ratings specified below with respect to the Borrower within each relevant Pre-Maturity Test Period.

For the purpose hereof:

"Pre-Maturity Test Period" means with respect to any Series of Covered Bonds which is not a Series of Soft Bullet Covered Bonds the period starting from, and including, the one hundred and eightieth (180th) Business Day preceding the Final Maturity Date of each Series of Covered Bonds and ending on, and excluding, such Final Maturity Date.

"Soft Bullet Covered Bonds" means Covered Bonds with a soft bullet maturity which allows the Final Maturity Date of the relevant Series to be extended if the Issuer is about to fail to pay the amount due on the Final Maturity Date, in accordance with, and as described in, the relevant Final Terms of Covered Bonds.

Pre-Maturity Ratings Required Levels

The required ratings with respect to the Borrower (together, the **"Pre-Maturity Ratings Required Levels"**) are the following credit ratings from any of S&P, Moody's Investors Service Ltd. or Fitch respectively at least A-1 (S&P), P-1 (Moody's Investors Service Ltd.) or F1+ (Fitch).

Pre-Maturity Test

The Issuer Calculation Agent shall test compliance or non compliance by the Borrower with the Pre-Maturity Ratings Required Level subject to, and in accordance with, the relevant terms of the Calculation Services Agreement.

Non Compliance with Pre-Maturity Test

Upon downgrading of the Borrower below any of the Pre-Maturity Ratings Required Levels within a Pre-Maturity Test Period, the Issuer Calculation Agent shall inform the Cash Collateral Provider of the same within 3 Business Days from such downgrading by written notice (the **"Non**

Compliance Notice") delivered to the Cash Collateral Provider subject to, and in accordance with, the relevant terms of the Cash Collateral Agreement.

The downgrading of the Borrower below any of the Pre-Maturity Ratings Required Levels will not constitute an Issuer Event of Default nor a Borrower Event of Default.

Remedies

If a Non Compliance Notice is received by the Cash Collateral Provider within a Pre-Maturity Test Period, the Cash Collateral Provider shall fund the Cash Collateral Account up to an amount (the "**Cash Collateral Required Funding Amount (CCRFA)**") calculated by the Issuer Calculation Agent as being the amount of cash to be funded by the Cash Collateral Provider into the Cash Collateral Account with respect to the relevant Series of Covered Bonds (not being Soft Bullet Covered Bonds) so as to ensure that the total amount of cash funded by the Cash Collateral Provider into the Cash Collateral Account with respect to such Series of Covered Bonds (the "**Cash Collateral Required Total Amount (CCRTA)**") is equal to:

$$\text{CCRTA} = (\text{Covered Bond Principal Amount} + \text{Costs})$$

whereby:

"Costs" means the aggregate amount of fees, costs, expenses, taxes and other ancillary sums (excluding interest and principal amounts) scheduled to be payable by the Issuer within the relevant Pre-Maturity Test Period under the relevant Series of Covered Bonds (not being Soft Bullet Covered Bonds).

"Covered Bond Principal Amount" means the aggregate amount of principal (in euro or euro equivalent with respect to Covered Bonds denominated in a Specified Currency) scheduled to be redeemed at the Final Maturity Date of the relevant Series of Covered Bonds (not being Soft Bullet Covered Bonds).

The Cash Collateral Provider shall fund the CCRFA in full within thirty (30) Business Days from the receipt of the Non Compliance Notice.

Breach of Pre-Maturity Test

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant Cash Collateral Required Funding Amount (CCFRA) subject to, and in accordance with, the above described conditions shall constitute a "**Breach of Pre-Maturity Test**" within the meaning of the Cash Collateral Agreement.

A Breach of Pre-Maturity Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Pre-Maturity Test will not constitute an Issuer Event of Default.

The Amortisation Test

The following terms shall have the following definitions:

"Amortisation Test Date" means the day, as determined by the Administrator, comprised between the 15th Business Day and the last Business Day (both included) of each calendar month, following the enforcement of a Borrower Event of Default;

"Amortisation Test Calculation Period" means, in relation to any Amortisation Test Date, each period starting on, and including, the immediately preceding Amortisation Test Date, and ending on, and excluding such Amortisation Test Date.

Compliance with the Amortisation Test requires compliance with the amortisation ratio RA specified below (the "**Amortisation Ratio (RA)**"). Such compliance is tested by the Issuer Calculation Agent from time to time throughout the period following the enforcement of a

Borrower Event of Default subject to, and in accordance with the Condition 5 (f) and the Calculation Services Agreement.

The Amortisation Ratio

"**RA**" means the following ratio which shall be at least equal to one (1) at each Amortisation Test Date:

$$RA = \left[\frac{TAAA'}{ACBOPA} \right]$$

whereby:

"Aggregate Covered Bond Outstanding Principal Amount (ACBOPA)" means, at any Amortisation Test Date, the aggregate amount of principal (in euro or euro equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Covered Bonds.

"Transferred Aggregate Asset Amount (TAAA')" means, at any Amortisation Test Date:

$$(TAAA') = A' + B + C + D + E - Z$$

whereby:

"A" is equal to the sum of all "Transferred Home Loan Outstanding Principal Amounts" of all Home Loans title to which has been transferred to the Issuer upon enforcement of the Collateral Security following the enforcement of a Borrower Event of Default (each, a **"Relevant Home Loan"**), as such "Transferred Home Loan Outstanding Principal Amounts" will be calculated on the relevant Amortisation Test Date, whereby:

"Transferred Home Loan Outstanding Principal Amount" means, with respect to each Relevant Home Loan, the Home Loan Outstanding Principal Amount of such Relevant Home Loan multiplied by M, where for all the Relevant Home Loans that are less than three (3) months in arrears, M = 1 and for all the Relevant Home Loans that are three (3) months or more in arrears, M = 0.7.

"Home Loan Outstanding Principal Amount" means, with respect to each Relevant Home Loan, the amount of principal outstanding at the relevant Amortisation Test Date under such Relevant Home Loan.

"B", "C", "D" and "Z" have the meaning ascribed to such terms, and shall be determined, on each relevant Amortisation Test Date, subject to, and in accordance with, the terms and formula described in **"The Asset Cover Test"** above.

"E" is equal to the aggregate amount of principal and interest payments, distributions, indemnities, insurance and other proceeds, payments under any Home Loan Security and other sums received during the applicable Amortisation Test Calculation Period by the Issuer from the debtors or other relevant entities under the Collateral Security Assets whose title has been transferred to the Issuer following enforcement of the Collateral Security, as the same shall be reported by the Issuer Calculation Agent on each Amortisation Test Date subject to, and in accordance with, the relevant terms of the Calculation Services Agreement.

Calculation of the Amortisation Ratio

On each Amortisation Test Date, the Amortisation Ratio (RA) shall be calculated by the Issuer Calculation Agent according to the terms, definitions and calculation formula set forth above.

No later than three (3) Business Days following any Amortisation Test Date, the Issuer Calculation Agent shall inform the Issuer (with a copy to the Rating Agencies and to the Asset Monitor) of its calculation of the Amortisation Ratio (RA).

Non Compliance with Amortisation Test

A "**Non Compliance with Amortisation Test**" will result from the Amortisation Ratio (RA) being strictly less than one (1).

A Non Compliance with Amortisation Test will not constitute an Issuer Event of Default. However, it will prevent the Issuer from issuing any further Series.

Breach of Amortisation Test

The failure by the Issuer to cure a Non Compliance with Amortisation Test occurred on any Amortisation Test Date prior to the next following Amortisation Test Date shall constitute a "**Breach of Amortisation Test**". The Issuer Calculation Agent will inform promptly the Issuer, each relevant Representative and the Issuer Security Agent (with a copy to the Rating Agencies and to the Asset Monitor) of the occurrence of a Breach of Amortisation Test.

A Breach of Amortisation Test will result in an Issuer Event of Default within the meaning of the Terms and Conditions.

This section sets out the main material terms of the Calculation Services Agreement.

Issuer Calculation Agent's Defaults

Issuer Calculation Agent's Defaults will occur upon *inter alia* the occurrence of the following events:

- (a) any material representation or warranty made by the Issuer Calculation Agent is or proves to have been incorrect or misleading in any material respect when made, and the same is not remedied (if capable of remedy) within sixty (60) Business Days after the Issuer has given notice thereof to the Issuer Calculation Agent or (if sooner) the Issuer Calculation Agent has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;
- (b) the Issuer Calculation Agent fails to comply with any of its material obligations under the Calculation Services Agreement unless such breach is capable of remedy and is remedied within sixty (60) Business Days after the Issuer has given notice thereof to the Issuer Calculation Agent or (if sooner) the Issuer Calculation Agent has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;

For such purposes, "**Insolvency Event**" means the occurrence of any of the following events:

- (a) the relevant entity is, or is deemed or declared for the purposes of any law to be, unable to pay its debts as they fall due or to be insolvent, including without limitation, *en état de cessation des paiements*, or admits in writing its inability to pay its debts as they fall due;

Issuer Calculation Agent Rating Trigger Event

If an Issuer Calculation Agent Rating Trigger Event occurs, the Issuer Calculation Agent will notify the Issuer in writing of the occurrence of the Issuer Calculation Agent Rating Trigger Event within five (5) Business Days from the date upon which it becomes aware of such event and this will constitute a termination event under the Calculation Services Agreement.

For such purposes, "**Issuer Calculation Agent Rating Trigger Event**" means the event in which the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of the Issuer Calculation Agent become rated below BBB by S&P, or Baa2 by Moody's Investors Service Ltd. or BBB by Fitch.

Termination

"Issuer Calculation Agent Termination Events" under the Calculation Services Agreement will include the following events:

Upon the Service Termination Date, the Issuer will replace Crédit Agricole S.A., as Issuer Calculation Agent, by any substitute entity (the "**Substitute Issuer Calculation Agent**"), the choice of which being subject to prior Rating Affirmation.

Notwithstanding the Service Termination Date, the Issuer Calculation Agent will continue to be bound by all its obligations under the Calculation Services Agreement until the appointment of the Substitute Issuer Calculation Agent is effective. The Asset Monitor Agreement

Background

The "**Asset Monitor Agreement**" refers to the agreement dated on or prior to the Programme Date and made between (i) the Issuer, (ii) Crédit Agricole S.A. as the "Issuer Calculation Agent"

or, as the applicable, the "Administrator", (iii) KPMG LLP as Asset Monitor (the "**Asset Monitor**") and (iv) CACEIS Bank as the "Issuer Security Agent".

Under the Asset Monitor Agreement, KPMG LLP has been appointed as Asset Monitor by the Issuer to carry out, subject to due receipt of the information to be provided by the Issuer Calculation Agent to the Asset Monitor, various testing and notification duties in relation to the calculations performed by the Calculation Agent in relation to the Asset Cover Test and the Amortisation Test subject to and in accordance with the terms of the Asset Monitor Agreement.

Services of the Asset Monitor

If the Asset Cover Test Date immediately preceding an anniversary of the Programme Date falls prior to the occurrence of a Borrower Event of Default, and subject to receipt of the information to be provided to it by the Issuer Calculation Agent in relation to the calculations performed by the Issuer Calculation Agent regarding the relevant Asset Cover Test, the Asset Monitor will test the arithmetic accuracy of the calculations performed by the Issuer Calculation Agent in relation to the Asset Cover Test on the Asset Cover Test Date immediately preceding an anniversary of the Programme Date, as applicable, with a view to reporting on the arithmetic accuracy or otherwise of such calculations.

On each Amortisation Test Date and subject to receipt of the information to be provided to it by the Issuer Calculation Agent in relation to the calculations performed by the Issuer Calculation Agent regarding the relevant Amortisation Test, the Asset Monitor will test the arithmetic accuracy of the calculations performed by the Issuer Calculation Agent in relation to the Amortisation Test on the relevant Amortisation Test Date, with a view to reporting on the arithmetic accuracy or otherwise of such calculations.

Upon the occurrence of a Calculation Monitoring Rating Trigger Event and for so long as such Calculation Monitoring Rating Trigger Event is continuing, or, if the Asset Monitor has been notified of the occurrence of a Non-Compliance with Asset Cover Test or of a Non-Compliance with Amortisation Test (see "**Asset Monitoring**"), and subject to receipt of the information to be provided to the Asset Monitor, the Asset Monitor shall conduct the tests of the Issuer Calculation Agent's calculations referred to above, as applicable, in respect of every Asset Cover Test Date or Amortisation Test Date, as applicable.

For the purposes of this section "The Asset Monitor Agreement", "**Calculation Monitoring Rating Trigger Event**" means the event in which the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of Crédit Agricole S.A. become rated below BBB by S&P, or Baa2 by Moody's Investors Service Ltd. or BBB by Fitch.

If the tests conducted by the Asset Monitor in accordance with the provisions above reveal arithmetic errors in the relevant calculations performed by the Issuer Calculation Agent such that:

- the Asset Cover Test had been failed on the relevant Asset Cover Test Date (where the Issuer Calculation Agent had recorded it as being satisfied); or
- the Amortisation Test had been failed on the relevant Amortisation Test Date (where the Issuer Calculation Agent had recorded it as being satisfied);

and subject to receipt of the information to be provided to the Asset Monitor, for a period of six (6) months thereafter, the Asset Monitor shall conduct the tests of the Issuer Calculation Agent's calculations referred to above, in respect of every Asset Cover Test Date or each Amortisation Test Date, as applicable, occurring during such six (6) month period.

The Asset Monitor shall notify, on a confidential basis, the parties to the Asset Monitor Agreement (with copy to the Rating Agencies), in writing, of the relevant calculations performed by the Issuer Calculation Agent and of the results of its tests of the accuracy of the Issuer Calculation Agent's calculations. If the calculations performed by the Administrator have not been performed correctly, the Asset Monitor will report the correct calculation of the Asset Cover Test or Amortisation Test, as applicable.

The Asset Monitor is entitled, in the absence of manifest error, to assume that all information provided to the Asset Monitor is true and correct and is complete and not misleading and is not required to conduct an audit or other similar examination in respect of or otherwise take steps to verify the accuracy or completeness of such information.

Termination

The Issuer may, at any time but only with the prior written consent of the Issuer Security Agent, terminate the appointment of the Asset Monitor hereunder upon providing the Asset Monitor with sixty (60) days' prior written notice, provided that such termination may not be effected unless and until a replacement has been found by the Issuer (such replacement to be approved by the Issuer Security Agent unless the replacement is an accountancy firm of national standing) which agrees to perform the duties (or substantially similar duties) of the Asset Monitor set out in this Agreement.

The Asset Monitor may, at any time, resign from its appointment under the Asset Monitor Agreement upon providing the Issuer and the Issuer Security Agent (copied to the Rating Agencies) with sixty (60) days' prior written notice. If a replacement asset monitor has not been found by the Issuer within sixty (60) days of notice of resignation by the Asset Monitor, the Asset Monitor shall immediately use its best endeavours to appoint a replacement (such replacement to be approved by the Issuer Security Agent if the replacement is an accountancy firm of international standing) which agrees to perform the duties (or substantially similar duties) of the Asset Monitor set out in the Asset Monitor Agreement.

Fees

Under the terms of the Asset Monitor Agreement, the Issuer will pay to the Asset Monitor a fee for the tests to be performed by the Asset Monitor.

Limited Recourse – Non Petition

The Asset Monitor Agreement includes "Limited Recourse" and "Non petition" provisions, as described in "**Issuer's Activities – Limited Recourse**" and "**Issuer's Activities - Non-Petition**".

Amendment

Except as further described under the Asset Monitor Agreement, any material amendment to the Asset Monitor Agreement is subject to the Rating Affirmation.

Governing Law – Jurisdiction

The Asset Monitor Agreement shall be governed by, and construed in accordance with, English law. Each party to the Asset Monitor Agreement (including the Asset Monitor) irrevocably submits to the exclusive jurisdiction of the English courts in any action or proceeding arising out of or relating to the Asset Monitor Agreement, and hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined by such courts.

Controlled Post-Enforcement Priority Payment Order

In the event of service by the Administrator (on behalf of the Issuer) to the Borrower of a Borrower Enforcement Notice and thereafter unless and until no Issuer Enforcement Notice has been served to the Issuer by the relevant Representative, on any Payment Date and (as applicable) Final Maturity Date of each relevant series of Covered Bonds, the Administrator (on behalf of the Issuer) will give the appropriate instructions to the Issuer Accounts Bank to debit the relevant Issuer Cash Accounts (and as the case may be) the relevant Issuer Securities Accounts (other than the Issuer General Account) from the cash that shall constitute the Available Funds of the Issuer on such date and shall credit the same into the Issuer General Account. ORIGINATION OF THE HOME LOANS

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include German law and French law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

39 *Caisses régionales de Crédit Agricole* (regional banks) grant predominantly housing loans through their branch networks. Even for new customers that might be brought in by brokers or other independent intermediaries (not a significant part of the Crédit Agricole's Group housing loans business), there will be a contact with a local branch salesperson, for the customer's current account to be opened and his loan to be discussed and analysed.

Loan application analysis

Before a loan application is analysed, a preparation phase takes place that covers three steps:

- In step one, all relevant information with regard to the applicant's personal situation (income, savings, assets, current debts, age and professional status) and to his project (precise location and detailed description if an acquisition or a construction) are gathered. In addition, should the applicant be eligible to a "prêt réglementé", he will be provided with the list of all documents necessary for the loan to be funded. The salesperson is responsible for carrying out those tasks.
- In step two, the customer's payment history is verified, with the automatic sending out of a query to national risk databases (Fichier central des incidents de paiements and Fichier central des chèques). At this early stage of the process, the application will generally be turned down if the customer presents a difficult payment history. In any case, the application will not be eligible to a decentralized decision making (excluded from the delegation).
- In step three, the customer funding plan is prepared, aimed at being appropriately suited to his needs and financial situation.

The analysis of the loan application itself is supported by an automated underwriting system (Score Habitat for *Caisses régionales*, Planetimmo for LCL). All the previously mentioned pieces of information regarding the applicant personal situation and the project's features will be fed into the system (personal situation, payment history, funding plan). As a result, the underwriting system will derive an automated risk opinion in the form of a firelight signal (green, orange or red).

The delegation framework is directly related to the underwriting system with green scored applications receiving the highest delegation level while red scored applications being either totally non delegated or only delegated for small amounts (and with additional tests to comply with). The salesperson (loan officer, branch manager) will get direct information from the underwriting system about whether or not the application might be approved at his level of responsibility. Non delegated files will be all reviewed at the head office level, by a team of specialised home loans analysts.

Regarding the collateral policy, the most important point is that Crédit Agricole Group housing loans origination is fundamentally customer driven, which means that no home loan should be granted based on the sole (or even dominant) appraisal of the collateral's strength. It is a strictly adhered to Crédit Agricole Group's principle that no loan is to be extended to an individual whose proven revenues and payment history are not strong enough to demonstrate his ability to repay the loan.

Controls before funding of accepted applications

Before delivering the funding, a set of controls is performed:

- Controls aimed at verifying that the approval process was professionally carried out (quality of the insurance subscription form, validity of all information entered into the system and used to derive the level of delegation).

- Controls aimed at verifying that all required documents are present in the file, in particular regarding “prêts réglementés”.

Once those controls are completed, a home loan offer is prepared and mailed to the customer. Upon the return of the offer, the validity of the acceptance by the borrower is checked (dates and signatures), before the final home loan contract is provided.

Servicing of home loans

Each Caisse Régionale is responsible for servicing its own home loan portfolio and so is LCL.

Mortgage servicing comprises the administration of home loans from their inception to their final payment, which means dealing with :

- The release of funds, which can be implemented either in full at the date of signature or in a gradual manner (for under construction housing especially)
- The calculation and collection of home loans repayments
- The early repayments
- The rescheduling, that can be either part of the original contract or part of the solution put in place to address a borrower's difficult situation.

Past due collection and foreclosure proceedings

Branches are accountable for dealing with past due instalments that are comprised between 1 day and a maximum of 60 days. On average, past due are locally dealt with during the first 45 days following the initial past due. During this period of time, solutions are sought on a purely amicable basis.

Should it prove impossible to get a rapid and full repayment of all past due items from the borrower, an escalation process will take place. The relationship with the customer is therefore handed over to a collection officer, located in the head office (the same organization is in place in Caisses régionales and in LCL). The collection officer performs a thorough analysis of the borrower's situation and, if deemed viable, might conclude an amicable agreement (which may take the form of a rescheduling of past due items, and will have to be validated at the appropriate level).

If the borrower's personal situation appears too difficult for an amicable agreement to be reached, the process will escalate one step further and the full recovery of the unpaid loan will be engaged through foreclosure proceedings.

Individuals responsible for centralised collection and foreclosure proceedings are provided with a dedicated system that enables them to optimally organize and follow up the relevant course of action. Periodic reports are prepared allowing management to control that collection officers initiate the necessary procedure in a timely manner.

Internal Control

The quality of the individual analysis is reinforced by internal control that comprises both general and specific portfolio reviews :

- General housing loans periodic portfolio reviews aimed at identifying significant risk areas. Based on the findings, experiences are drawn out in terms of new policies and procedures or additional checks and balances
- Specific housing loans portfolio reviews based on in-house criterias, triggers or list and designed at following up more closely potentially sensitive files (for instance, when the customer Basel 2 rating has been significantly downgraded, even if no past due occurred)

THE HEDGING STRATEGY

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include German law and French law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

The present section describes the hedging strategy (the "**Hedging Strategy**") to be implemented from time to time, by the Issuer upon the occurrence of a Hedging Rating Trigger Event (as defined below) and/or any Borrower Event of Default (as defined in section "**The Borrower and the Borrower Facility Agreement - The Borrower Facility Agreement**"), as applicable.

Hedging strategy before the occurrence of a Hedging Rating Trigger Event and/or any Borrower Event of Default

The Covered Bonds issued under the Programme may be Fixed Rate Covered Bonds, Floating Rate Covered Bonds, Index Linked Covered Bonds (but subject to Prior Rating Affirmation) or Zero Coupon Covered Bonds. Each Series of Covered Bonds will be denominated in any Specified Currency and may be Dual Currency Covered Bonds (see "**Terms and Conditions of the Covered Bonds**").

The proceeds from the issuance of the Covered Bonds under the Programme will be used by the Issuer to fund Borrower Advances to be made available to the Borrower under the Borrower Facility. The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the Covered Bonds funding such Borrower Advance, as further described hereunder and in the relevant Final Terms of the Borrower Advance (see "**The Borrower Facility Agreement**").

The Issuer is therefore not exposed to any risk of an interest rate or currency mismatch arising between the payments received on the Borrower Advances and the payments to be made under the Covered Bonds. As a consequence, in the absence of any Hedging Rating Trigger Event (as defined below), the Issuer will have no obligation to hedge any interest rate or currency risk.

The determination of the currency and of the interest rate of each Series of Covered Bonds, as specified in each applicable Final Terms, shall be made by the Issuer regardless of the currencies in which the Collateral Security Assets are denominated and the interest rate conditions applicable, as the case may be, to such Collateral Security Assets (see "**The Collateral Security**").

Before the enforcement of the Collateral Security and in the absence of any Hedging Rating Trigger Event (as defined below), any interest rate or currency risk linked to the mismatch between the Collateral Security Assets and the Borrower Debt will be hedged according to the usual and current strategies and practices of Crédit Agricole S.A..

Upon enforcement of the Collateral Security following the occurrence of a Borrower Event of Default, and the transfer of the title to the Collateral Security Assets to the Issuer, the Issuer would need to have in place appropriate derivative transactions to hedge the currency and interest rate risks arising from such Collateral Security Assets.

Hedging Strategy upon the occurrence of a Hedging Rating Trigger Event

In order to hedge any interest rate or currency risk arising from the mismatches between the terms and conditions of the Covered Bonds and the Collateral Security Assets, and therefore implement the Hedging Strategy of the Issuer described in the present section, the Issuer and the Borrower have agreed to execute a hedging approved form letter (the "**Hedging Approved Form Letter**"). The Hedging Strategy provides for the conclusion of three (3) sets of hedging agreements (the "**Hedging Agreements**") and related hedging transactions (the "**Hedging Transactions**").

The first set of Hedging Agreements refers to the "Issuer Hedging Agreement(s) – Covered Bonds" (as defined below) to be entered into by the Issuer with Eligible Hedging Provider(s) (as defined below) upon the occurrence of a Hedging Rating Trigger Event (as defined below), in order to hedge any currency and/or interest rate risk borne by the Issuer in connection with any Series of Covered Bonds.

The second set of Hedging Agreements refers to the "Issuer Hedging Agreement(s) – Collateral Security" (as defined below) to be entered into by the Issuer with Eligible Hedging Provider(s) upon the occurrence of a Hedging Rating Trigger Event, in order to hedge any currency and/or interest rate risk borne by the Issuer in respect of the Collateral Security Assets.

The first and second sets of Hedging Agreements are defined as the "**Issuer Hedging Agreements**".

The third set of Hedging Agreements refers to the "Borrower Hedging Agreement(s)" (as defined below) to be entered into by the Issuer with the Borrower upon the occurrence of a Hedging Rating Trigger Event, and constitutes a back-to-back agreement with the two (2) sets of Issuer Hedging Agreement(s). It aims at transferring to the Borrower the effect of such Issuer Hedging Agreement(s) and related Hedging Transaction(s) (the "**Issuer Hedging Transaction(s)**"), until a Borrower Event of Default occurs.

Therefore, the Hedging Agreements shall hedge the amount of interest and principal payable by the Issuer under any relevant Series of Covered Bonds in the relevant Specified Currency against the interest rate and/or currency risk of the payments corresponding to the interest and principal in each relevant currency to be received by the Issuer under the Collateral Security Assets following the delivery of a Borrower Enforcement Notice.

The floating interest rate applicable to the Hedging Transactions will refer to Euribor (one (1) month) or, subject to prior Rating Affirmation, to any other index agreed by the Issuer (the "**Permitted Index**").

Upon the issuance of each Series of Covered Bonds and in accordance with the Calculation Services Agreement, the Issuer Calculation Agent shall communicate to the Issuer (with copy to the Borrower, the Administrator and the Rating Agencies) the margin (relative to Euribor (one (1) month) or the agreed Permitted Index) to be paid by the Issuer when hedging the interest and principal payable by it under such Series in the relevant Specified Currency, into variable rate flows denominated in Euros and indexed to Euribor (one (1) month) or the agreed Permitted Index (the "**Covered Bonds Hedging Margin**").

In accordance with the Calculation Services Agreement, at the end of each three (3) calendar months' period as from the Programme Date and before the occurrence of a Hedging Rating Trigger Event, the Issuer Calculation Agent shall communicate to the Issuer (with copy to the Borrower, the Administrator and the Rating Agencies) the average margin (relative to Euribor (one (1) month) or the agreed Permitted Index) to be received by the Issuer when hedging the interest and principal payable under the Collateral Security Assets in each relevant currency, into variable rate flows denominated in Euros and indexed to Euribor (one (1) month) or the agreed Permitted Index (the "**Assets Hedging Margin**").

Upon the occurrence of a Hedging Rating Trigger Event, the Issuer (or the Administrator on its behalf) will enter into with Eligible Hedging Provider(s):

- (a) one or more agreements (the "**Issuer Hedging Agreement(s) – Collateral Security**") and related Issuer Hedging Transaction(s), the effective date of which being the occurrence of such Hedging Rating Trigger Event, in order to hedge any currency and/or interest rate risk it will bear in respect of the Collateral Security Assets, substantially in the relevant Approved Form (or, when legally required, its equivalent under the FBF (*Fédération Bancaire Française*) standard form) and in substance acceptable to the Rating Agencies. The Hedging Transactions entered into under the Issuer Hedging Agreement(s) – Collateral Security will swap the payments to be received under the Collateral Security Assets to Euro/EURIBOR (one (1) month) or any other Permitted Index; and
- (b) one or more agreements (the "**Issuer Hedging Agreement(s) – Covered Bonds**") and related Issuer Hedging Transaction(s), the effective date of which being the occurrence of such Hedging Rating Trigger Event, in order to hedge any currency and/or interest rate risk it will bear in respect of the Covered Bonds, substantially in the relevant Approved Form (or, when legally required, its equivalent under the FBF (*Fédération Bancaire Française*) standard form) and in substance acceptable to the Rating Agencies. The Hedging Transactions entered into under the Issuer Hedging Agreement(s) – Covered Bonds will swap the Issuer's obligations under each Series of Covered Bonds to Euro/EURIBOR (one (1) month) or the Permitted Index agreed in respect of the Hedging Transactions entered into under the Issuer Hedging Agreement(s) – Collateral Security.

In addition, the Issuer and the Borrower have undertaken to enter into, upon the occurrence of a Hedging Rating Trigger Event, one or more agreements (the "**Borrower Hedging Agreement(s)**") and related Hedging Transaction(s) (the "**Borrower Hedging Transaction(s)**"), the effective date of which being the occurrence of such Hedging Rating Trigger Event, substantially in the relevant Approved Form (or, when legally required, its equivalent under the FBF (*Fédération Bancaire Française*) standard form) and in substance acceptable to the Rating Agencies, in order to transfer to the Borrower the effect of the two (2) sets of Issuer Hedging Agreement(s) and related Issuer Hedging Transaction(s), until a Borrower Event of Default occurs. Under the Borrower Hedging Transactions, the Issuer will receive amounts equal to its payment obligations under the Issuer Hedging Transactions and will pay amounts equal to the amounts it receives under the Issuer Hedging Transactions.

The financial conditions of the Hedging Agreements shall be determined so that (a) the margin payable by the Issuer under the Issuer Hedging Agreement(s) related to a Series of Covered Bonds is no more than the Covered Bonds Hedging Margin calculated for such Series and (b) the margin received by the Issuer under the Issuer Hedging Agreement(s) related to the Collateral Security Assets is at least as much as the last communicated Assets Hedging Margin.

Depending on the market conditions prevailing at the time the Hedging Agreements are transacted, each Hedging Transaction may be "in the money" or "out of the money" from the Issuer's standpoint. As a result, the Issuer (i) will be required to pay to, or will receive from, the relevant Eligible Hedging Provider(s) under each Issuer Hedging Transaction a premium (*soulte*) (such premium will in particular take into account any sums to be paid (if any) given the prevailing market conditions to allow the Issuer Hedging Transactions to be transacted at the relevant Covered Bonds Hedging Margin and the Assets Hedging Margin) and (ii) will receive from, or pay to, the Borrower a corresponding amount under the relevant Borrower Hedging Transaction(s). In accordance with the Calculation Services Agreement, the Issuer Calculation Agent shall calculate and communicate to the Issuer (with copy to the Borrower, the Administrator and the Rating Agencies) the amount of each such premium (*soulte*).

In any case, all sums to be received by the Issuer under the Issuer Hedging Transactions as from the occurrence of a Borrower Event of Default (and thus the termination of the Borrower Hedging Agreement(s) as described in paragraph "**Hedging Strategy upon the occurrence of a Borrower Event of Default**" below) until the Final Maturity Date of the last Series of Covered Bonds shall exceed at any payment date under the Issuer Hedging Transactions all sums to be paid by the Issuer under such Issuer Hedging Transactions, together with any costs and expenses relating thereto, if any.

If notwithstanding the payment of the premiums (*soulttes*) referred above, the Issuer still has to bear costs and expenses when it negotiates and/or enters into any Hedging Agreements and/or related Hedging Transactions to comply with any of the conditions referred to above, the Borrower has undertaken to pay any such costs and expenses.

In addition, the Issuer and the Borrower have undertaken that any costs and/or expenses to be paid in relation to any Hedging Agreements and/or related Hedging Transactions shall be paid, unless otherwise agreed, at a payment date under the applicable Hedging Transaction.

Upon the occurrence of a Hedging Rating Trigger Event, (i) any failure by the Issuer (or the Administrator on its behalf) to enter into (a) appropriate Issuer Hedging Agreements and related Issuer Hedging Transactions with Eligible Hedging Provider(s) or (b) Borrower Hedging Agreement(s) and related Borrower Hedging Transaction(s) with the Borrower, within thirty (30) calendar days from the date of occurrence of the relevant Hedging Rating Trigger Event will constitute an "**Issuer Event of Default**" (see "**Terms and Conditions of the Covered Bonds**") and a "Borrower Event of Default" under the Borrower Facility Agreement and (ii) any failure by the Borrower (a) to enter into appropriate Borrower Hedging Agreement(s) and related Borrower Hedging Transaction(s) with the Issuer, within thirty (30) calendar days from the date of occurrence of the relevant Hedging Rating Trigger Event or (b) to pay any costs and expenses referred to above will constitute a "Borrower Event of Default" under the Borrower Facility Agreement.

Each Hedging Agreement will provide that all amounts to be paid by the Issuer under such Hedging Agreement will be paid according to the relevant Priority Payment Order, as described in Condition 15 of the Terms and Conditions.

In particular, upon the termination of a Hedging Agreement, the Issuer or the Borrower or any relevant Eligible Hedging Provider(s), as applicable, may be liable to pay any hedging termination costs to the

other party in accordance with the provisions of the relevant Hedging Agreement. Such hedging termination costs, when to be paid by the Issuer and provided that the amount of such costs has not been reduced to zero (0) in accordance with the provisions of the relevant Hedging Agreement, shall be subordinated to payments under the Covered Bonds if resulting from an event of default in respect of which the relevant hedge counterparty of the Issuer is the defaulting party or from any termination event in respect of which the hedge counterparty of the Issuer is the affected party, as described in section "**Cash Flow – The Issuer Priority Orders of Payments**").

Pursuant to the terms of the Hedging Agreements, in the event that the relevant ratings of the Eligible Hedging Provider(s) (or its respective guarantor, as applicable) (the "**Hedging Provider**") is or are downgraded by a Rating Agency below the required ratings specified in the relevant Hedging Agreement and, where applicable, the relevant Hedging Provider will, in accordance with and pursuant to the terms of the relevant Hedging Agreement, be required to take certain remedial measures which may include one (1) or more of the following: (i) providing collateral for its obligations under the relevant Hedging Agreement; (ii) arranging for its obligations under the relevant Hedging Agreement to be transferred to a replacement hedging provider with the ratings agreed with the Rating Agencies (as specified in the relevant Hedging Agreement); (iii) procuring another entity with the ratings required by the relevant Rating Agency (as specified in the relevant Hedging Agreement) to become co-obligor in respect of its obligations under the relevant Hedging Agreement; and/or (iv) taking such other actions as the relevant Hedging Provider may agree with the relevant Rating Agency.

Each Issuer Hedging Agreement may be terminated in accordance with certain termination events and events of default. An Issuer Event of Default will not constitute a termination event under any Issuer Hedging Agreement.

The Borrower Hedging Agreement may be terminated in accordance with certain termination events and events of default. In particular, a Borrower Event of Default will constitute a termination event under the Borrower Hedging Agreement but shall not constitute a termination event under the Issuer Hedging Agreements.

Hedging Strategy upon the occurrence of a Borrower Event of Default

Upon the occurrence of a Borrower Event of Default, and the subsequent transfer in favour of the Issuer of title to the Home Loans (and related Home Loans Security) following an enforcement of the Collateral Security:

- (a) the Issuer will maintain its rights and obligations under the existing Issuer Hedging Agreements; and
- (b) the Borrower Hedging Agreement(s) will be immediately terminated.

TAXATION

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will only include French law Covered Bonds, in the following section.

The following is a summary limited to certain tax considerations in France and in Luxembourg relating to the payments made in respect of the Covered Bonds that may be issued under the Programme and specifically contains information on taxes on the income from the securities withheld at source. This summary is based on the laws in force in France and in the Grand Duchy of Luxembourg as of the date of this Base Prospectus and as applied by the tax authorities, all of which are subject to changes or to different interpretation. It does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Covered Bonds. Each prospective holder or beneficial owner of Covered Bonds should consult its tax advisor as to the tax consequences of any investment in or ownership and disposal of the Covered Bonds in light of its particular circumstances.

EU Savings Directive

The EC Council Directive 2003/48/EC of 3 June 2003 on the taxation of savings income in the form of interest payments (the "**Directive**") requires each Member State as from 1 July 2005 to provide to the tax authorities of another Member State details of payments of interest and other similar income within the meaning of the Directive made by a paying agent located within its jurisdiction to (or, under certain circumstances to the benefit of) an individual resident in that other Member State, except that Luxembourg and Austria will instead impose a withholding system for a transitional period unless the beneficiary of the interest payment elects for the exchange of information.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Covered Bond as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a Paying Agent, the Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

On 15 September 2008 the European Commission issued a report to the Council of the European Union on the operation of the Directive, which included the Commission's advice on the need for changes to the Directive. On 13 November 2008, the European Commission published a detailed proposal for amendments to the Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Directive they may amend or broaden the scope of the requirements described above.

France

Covered Bonds issued as from 1 March 2010

Following the introduction of the French *loi de finances rectificative pour 2009* no. 3 (n° 2009-1674 dated 30 December 2009) (the "**Law**"), payments of interest and other revenues made by the Issuer with respect to Covered Bonds issued on or after 1 March 2010 (other than Covered Bonds (described below) which are consolidated (*assimilables* for the purpose of French law) and form a single series with Covered Bonds issued prior to 1 March 2010 having the benefit of Article 131 *quater* of the French General Tax Code) will not be subject to the withholding tax set out under Article 125 A III of the French General Tax Code unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French General Tax Code (a "**Non-Cooperative State**"). If such payments under the Covered Bonds are made in a Non-Cooperative State, a 50 % withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French General Tax Code.

Furthermore, interest and other revenues on such Covered Bonds will no longer be deductible from the Issuer's taxable income, as from the fiscal years starting on or after 1 January 2011, if they are paid or accrued to persons established in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French General Tax Code, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French General Tax Code, at a rate of 25% or 50%.

Notwithstanding the foregoing, the Law provides that neither the 50% withholding tax nor the non-deductibility will apply in respect of a particular issue of Covered Bonds if the Issuer can prove that the principal purpose and effect of such issue of Covered Bonds was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the "**Exception**"). Pursuant to the ruling (*rescrit*) no. 2010/11 (FP and FE) of the *Direction générale des impôts* dated 22 February 2010, an issue of Covered Bonds will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Covered Bonds if such Covered Bonds are:

- (i) offered by means of a public offer within the meaning of Article L.411-1 of the French Monetary and Financial Code or pursuant to an equivalent offer in a state or territory other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French Monetary and Financial Code, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Covered Bonds issued before 1 March 2010 and Covered Bonds which are consolidated (*assimilables* for the purpose of French law) with Covered Bonds issued before 1 March 2010

Payments of interest and other revenues with respect to (i) Covered Bonds issued (or deemed issued) outside France as provided under Article 131 *quater* of the French General Tax Code, before 1 March 2010 and (ii) Covered Bonds which are consolidated (*assimilables* for the purpose of French law) and form a single series with such Covered Bonds, will continue to be exempt from the withholding tax set out under Article 125 A III of the French General Tax Code.

Covered Bonds issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting obligations under French law, or titres de *créances négociables* within the meaning of rulings (*rescrits*) 2007/59 (FP) and 2009/23 (FP) of the *Direction générale des impôts* dated 8 January 2008 and 7 April 2009, respectively, or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 *quater* of the French General Tax Code, in accordance with Circular 5 I-11-98 of the *Direction générale des impôts* dated 30 September 1998 and the aforementioned rulings (*rescrits*) 2007/59 (FP) and 2009/23 (FP).

In addition, interest and other revenues paid by the Issuer on Covered Bonds issued before 1 March 2010 (or Covered Bonds issued after 1 March 2010 and which are to be consolidated (*assimilables* for the purpose of French law) and form a single series with such Covered Bonds) will not be subject to the withholding tax set out in Article 119 *bis* of the French General Tax Code solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

Luxembourg Withholding Tax

The Directive has been implemented in Luxembourg law by Act of 21 June 2005.

Individuals

Luxembourg residents

A ten per cent. (10%) withholding tax has been introduced, as from 1 January 2006, on interest payments made by Luxembourg paying agents (defined in the same way as in the Directive) to Luxembourg individual residents. Only interest accrued after 1 July 2005 falls within the scope of this withholding tax. Income (other than interest) from investment funds and from current accounts provided that the interest rate is not higher than 0.75% are exempt from the withholding tax. Furthermore, interest which is accrued once a year on savings accounts (short and long term) and which does not exceed €250 per person and per paying agent is exempted from the withholding tax.

This withholding tax represents the final tax liability for the Luxembourg individual resident taxpayers.

Luxembourg non-residents

Subject to the application of the Directive and the applicable laws, there is no withholding tax on payments of interest (including accrued but unpaid interest) made to Luxembourg non-resident Bondholders.

Under the Directive and the Laws, a Luxembourg based paying agent (within the meaning of the Directive) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual resident in another Member State unless the beneficiary of the interest payments elects for the exchange of information. The same regime applies to payments to individuals or Residual Entities resident in certain dependent territories.

The withholding tax rate is twenty per cent. (20%) and will be increased to thirty-five per cent. (35%) as from 1st July 2011. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain other countries.

Corporations

There is no withholding tax for Luxembourg resident and non-resident corporations holders of the Covered Bonds on payments of interest (including uncured but unpaid interest).

SUBSCRIPTION AND SALE

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will only include French law Covered Bonds and the expression "Bondholders" includes any holder of such French law Covered Bonds, in the following section.

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated on or about the date hereof between the Issuer, the Arrangers and the Permanent Dealer (the "**Dealer Agreement**"), the Covered Bonds will be offered by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Covered Bonds directly on its own behalf to Dealers that are not Permanent Dealers. The Covered Bonds may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer(s). The Covered Bonds may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Covered Bonds to be issued in syndicated Tranches that are jointly and severally underwritten by two (2) or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Covered Bonds subscribed by it. The Issuer has agreed to reimburse the Arrangers for its expenses incurred in connection with the Programme and the Dealers for certain of their activities in connection with the Programme.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Covered Bonds. The Dealers have agreed to indemnify the Issuer against certain liabilities in connection with the offer and sale of the Covered Bonds. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Covered Bonds in certain circumstances prior to payment for such Covered Bonds being made to the Issuer.

Selling Restrictions

General

These selling restrictions may be modified by the agreement of the Issuer and the Dealers in particular following a change in a relevant law, regulation or directive. Any such modification will be set out in the Final Terms issued in respect of the issue of Covered Bonds to which it relates or in a supplement to this Base Prospectus.

Each Dealer shall, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Covered Bonds or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and neither the Issuer nor any other Dealer shall have responsibility therefore.

United States of America

The Covered Bonds have not been and will not be registered under the Securities Act, and subject to certain exceptions, may not be offered or sold within the United States or to, or for the account or benefit of U.S. persons as defined under Regulation S. Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will not offer or sell the Covered Bonds of any identifiable Tranche within the United States, except as permitted by the Dealer Agreement.

Materialised Covered Bonds having a maturity of more than one (1) year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended and regulations thereunder.

In addition, until forty (40) days after the commencement of the offering of any identifiable Tranche, an offer or sale of Covered Bonds within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

This Base Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Covered Bonds outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Covered Bonds, in whole or in part, for any reason. This Base Prospectus does not constitute an offer to any person in the United States. Distribution of this Base Prospectus by any non-U.S. person outside the United States to any U.S. person or to any other person within the United States is unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States is prohibited.

Japan

The Covered Bonds have not been and will not be registered under the Financial Instruments and Exchange Law of Japan (Law No. 25 of 1948, as amended, the "**FIEL**") and each of the Dealers has agreed that it will not, directly or indirectly, offer or sell any Covered Bonds in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan), or to others for re-offering or resale, directly or indirectly, in Japan or to a resident in Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with the FIEL and any other applicable laws, regulations and ministerial guidelines of Japan.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of French Law Covered Bonds which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such French Law Covered Bonds to the public in that Relevant Member State:

- (a) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (b) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000; and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts;
- (c) at any time to fewer than one hundred (100) natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive, provided that no such offer of French Law Covered Bonds referred to in (a) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of French Law Covered Bonds to the public**" in relation to any French Law Covered Bonds in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the French Law Covered Bonds to be offered so as to enable an investor to decide to purchase or subscribe the French Law Covered Bonds, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and

the expression "**Prospectus Directive**" means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

With regard to any German Law Covered Bond, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not made and will not make an offer of German Law Covered Bonds to the public in any relevant jurisdiction, except for offerings in compliance with all laws, regulations and directives applicable to the offering of the German Law Covered Bonds in the relevant jurisdiction which may differ from the laws, regulations and directives applicable to the offering of securities in such jurisdiction.

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Covered Bonds in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Covered Bonds in, from or otherwise involving the United Kingdom.

The Netherlands

Each Dealer represents and agrees that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell in the Netherlands any Covered Bonds other than to persons who trade or invest in securities in the conduct of a profession or business which includes banks, stock brokers, insurance companies, pension funds, other institutional investors and finance companies and treasury departments of large enterprises.
