### **About Orange**

Orange is one of the world's leading telecommunications operators with sales of 41 billion euros in 2018 and 149,000 employees worldwide at 31 March 2019, including 90,000 employees in France. The Group has a total customer base of 264 million customers worldwide at 31 March 2018, including 204 million mobile customers and 20 million fixed broadband customers. The Group is present in 27 countries. Orange is also a leading provider of global IT and telecommunication services to multinational companies, under the brand Orange Business Services. In March 2015, the Group presented its new strategic plan "Essentials2020" which places customer experience at the heart of its strategy with the aim of allowing them to benefit fully from the digital universe and the power of its new generation networks.

Orange is listed on Euronext Paris (symbol ORA) and on the New York Stock Exchange (symbol ORAN).
