*New contracts are expressed in ACV (Annual Contract Value), which emphasizes the average annual complementary revenue to be generated after implementing these contracts.

Generix Group registered €1M in new contracts over the last quarter, an improvement as compared to the first two quarters of the fiscal year that partially makes up for delayed income.

Confirmation of financial objectives for the fiscal period

On the basis of the growth dynamics observed over the past quarter, the Group reiterates its financial goals for the fiscal year: increase in turnover and an improved EBITDA rate.

For the long term, Generix Group will continue a development program that relies on two strategic pillars, which are the continuous improvement of operational excellence and the acceleration of international deployment, most notably in North America.

Next financial press release: April 27, 2020 after the market closes
