About LACROIX Group

LACROIX Group is an international technological equipment manufacturer determined to put its technical and industrial expertise to work building a connected, responsible world.

A 30% listed, 70% family-owned ISE, LACROIX Group combines the agility that is crucial for innovating in a constantly changing technological world with the capacity to industrialise robust, secure equipment and the long-term vision to invest and build the future.

LACROIX Group supplies secure, connected equipment used to manage Smart City infrastructures (public lighting, signage, traffic management, V2X) as well as water and energy infrastructures.

LACROIX Group also designs and manufactures electronics for its clients, particularly in the automotive, automation, aerospace, industry and healthcare sectors.

Drawing on its extensive experience and expertise, the Group is working with its clients and partners to forge a bridge between the world of today and the world of tomorrow. It is helping them build the industry of the future and seize the opportunities for innovation all around them, and providing them with the equipment for a smarter world.
