

Statement

17 February 2020 – Alstom confirms being in discussions with Bombardier regarding a possible acquisition of Bombardier Transportation by Alstom.

Discussions are on-going. No final decision has been made.

Alstom will inform the public of any material developments in this respect.

About Alstom

Leading the way to greener and smarter mobility worldwide, Alstom develops and markets integrated systems that provide the sustainable foundations for the future of transportation. Alstom offers a complete range of equipment and services, from high-speed trains, metros, trams and e-buses to integrated systems, customised services, infrastructure, signalling and digital mobility solutions. Alstom recorded sales of €8.1 billion and booked orders of €12.1 billion in the 2018/19 fiscal year. Headquartered in France, Alstom is present in over 60 countries and employs 36,300 people.
