
SOLUTIONS 30 ENTERS THE SBF 120 INDEX

Solutions 30 SE, the European leader in solutions for new technologies, enters the SBF 120 and CAC Mid 60 indices. This decision by the Euronext Paris Expert Indices Committee will be effective on September 18th, 2020, at the close of trading.

The SBF 120 is one of the flagship indices of the Paris Stock Exchange. It includes the top 120 stocks listed on Euronext Paris in terms of liquidity and market capitalization.

A few months after its transfer to Euronext Paris, joining these indices represents another important stock market milestone for Solutions 30. When the group was listed on Euronext Access in 2005, it had a market capitalization of €4.5 million. Four years later, it was valued at €56 million when its shares were transferred to Euronext Growth. On July 23rd, Solutions 30 joined Euronext Paris with a market capitalization of €1.5 billion. This stock market evolution reflects the operating performance of Solutions 30 as it pursues a strategy of strong growth and profitability in large and fast-growing markets.

Gianbeppi Fortis, Chief Executive Officer, states: *“We are extremely pleased to join the SBF 120. This index entry underscores the quality of Solutions 30’s stock market performance, which in turn reflects our ability to execute a dynamic and ambitious growth strategy. In just a few years, Solutions 30 has become the European leader in local digital services for major international groups, locking in markets driven by very favorable structural trends, such as the digital transformation and the decarbonization of the economy. Our flexible and efficient business model, combined with the potential and recurrent nature of our markets, leaves little room for doubt about the years of growth to come. The unfailing commitment of our teams and their constant efforts to improve our processes and structure will continue to underpin our success as we move forward.”*
