VINCI Airports – Releases of London Gatwick Airport

London Gatwick Airport, a 50.01% subsidiary of VINCI Airports, today released its half-year 2021 results, including the compliance certificate as at 30 June 2021 (which sets out the level of the financial covenants associated with the financial structure).

Given the exceptional circumstances affecting air travel, the company states that it has entered into discussions with its lenders to temporarily waive its financial covenants.
