Reduction of the share capital through the cancellation of treasury shares

Pursuant to the authorisation given by shareholders in the combined shareholders' general meeting of 8 April 2021, the Board of Directors has decided to reduce VINCI's share capital by cancelling 6,000,000 shares held in treasury.

Those shares were bought back between 2 October 2021 and 15 December 2021 and represent around 1% of VINCI's share capital.
