

The « AlphaVerse » metaverse has opened on September 20th, 2022

First access to the central part (« Hub ») of AlphaVerse for first player from the community

ALPHAVERSE

CRYPTO BLOCKCHAIN INDUSTRIES (« CBI », Euronext Growth Paris: FR00140062P9 – ALCBI) announces that the AlphaVerse Hub opened on September 20, 2022, for about one hundred initial users from the community.

During this test phase lasting about 7 days, users get to know the whole hub and the first arenas dedicated to video games, music and digital arts. They can become familiar with the main features of AlphaVerse: creating accounts and avatars, downloading and streaming videos, creating community houses, using community tools (chat, forum), etc.

This first test phase will allow to collect feedback from users and to integrate improvements and adapt the development of AlphaVerse. Several successive test phases will take place this fall 2022. Sales of NFTs in the AlphaVerse will also start during this period.
