## **#NACONCONNECT 2023: WHERE GAMEPLAY CAME FIRST!**

**Lesquin, 9 March 2023** – The first NACON Connect of 2023 has just ended, where the French publisher shared a wide variety of exciting announcements, new information and – more importantly – gameplay footage from this year's games catalogue. The online conference, broadcast from the heart of Paris, showcased 16 games, including a variety of multiple sports, racing and action-adventure titles.

The electrifying NACON Connect conference showcased what players can expect to experience in-game for several titles. Gameplay was also shown for the very first time for many of the titles that were announced previously at the last NACON Connect, including **Ravenswatch**, which releases into Early Access on 6 April; **Gangs of Sherwood**, with its explosive gameplay; and **RoboCop: Rogue City**, which showed off the investigative side of its gameplay and the true FPS experience it offers.

There were several sports game announcements, plus new details on the release date for the World War I psychological horror *Ad Infinitum*.

And that's not all... NACON also released four titles today (9 March): *Clash: Artifacts of Chaos* and *Transport Fever 2: Console Edition*, as well as Nintendo Switch<sup>™</sup> versions of *Session: Skate Sim* and *Train Life: A Railway Simulator*.

Fans can now find exclusive gameplay and interviews with the developers on the Steam pages of most games.

## TIEBREAK: OFFICIAL GAME OF THE ATP/WTA

NACON is also excited to announce *Tiebreak: Official Game of the ATP Tour and Hologic WTA Tour*. Developed by sports game specialists Big Ant Studios, it offers a next-level tennis gaming experience that captures the energy and action of the global Tours, and builds on the success of NACON's *AO2* and *Tennis World Tour* titles. The game is due for release in 2023 on PlayStation<sup>®</sup>5, PlayStation<sup>®</sup>4, Xbox Series, Xbox One and PC.

## FOUR GAME RELEASES

## CLASH: ARTIFACTS OF CHAOS – THE LATEST GAME FROM ACE TEAM STUDIO IS NOW AVAILABLE

*Clash: Artifacts of Chaos* is a unique action-adventure game in terms of its gameplay and art direction. You play as Pseudo, a solitary and withdrawn warrior as he embarks on a quest across the hostile lands of Zenozoik. The game is available from today on PC, Xbox One, Xbox Series X|S, PlayStation®4 and PlayStation®5. ## SESSION: SKATE SIM

Already available on PC, PS5<sup>™</sup>, PS4<sup>™</sup>, Xbox Series X|S and Xbox One, *Session: Skate Sim* arrives on Nintendo Switch<sup>™</sup> in North America today and on 16 March in the rest of the world. A significant amount of work was spent adapting the controls to ensure this version offers optimal in-game skating sensations. The first part of the game has also been redesigned to make the first steps on the board easier.

Developed by skaters for skaters, *Session: Skate Sim* recreates the golden age of skating in the 1980s. With a unique gameplay system offering an ultra-realistic experience, a variety of iconic skate spots in the United States, and the chance to immortalise every session with the built-in video editor, *Session: Skate Sim* sets a new benchmark for the sport.

## **ROBOCOP: ROGUE CITY - PROTECT THE INNOCENT AND UPHOLD THE LAW**

Part Man. Part Machine. All Cop. A new gameplay video of *RoboCop: Rogue City* was shown at NACON Connect 2023. Developed by Teyon, the team behind the successful *Terminator: Resistance*, you play as Alex Murphy as you explore Detroit and make dialogue choices in this first-person shooter.

*RoboCop: Rogue City* will be available in September 2023 on Playstation<sup>®</sup>5, Xbox Series and PC Watch the gameplay trailer – <u>ESRB</u> | <u>PEGI UK</u> / Find <u>the game's Steam page</u>.

#### AD INFINITUM

The new trailer of pure gameplay shown at NACON Connect takes you inside the mind of a young man who seems trapped between two worlds: his life in the family home in Berlin, and the trenches of the First World War, which are inhabited by strange creatures.

The team at the development studio Hekate have been working on this passion project over the last three years after devising the concept almost 10 years ago during their studies. Their love of psychological horror games is evident as they have created a unique world, an original story, and an atmosphere that takes you inside the tortured mind of the protagonist.

Play Ad Infinitum in September on PlayStation<sup>®</sup>5, Xbox Series X|S and PC.

### RAVENSWATCH

Developed by the talented French team at Passtech Games, *Ravenswatch* presented its concept via a gameplay trailer with commentary, which described the basics of the world, co-op play and combat. Building on the success of *Curse of the Dead Gods*, up to four players can play as the heroes of famous tales and legends in *Ravenswatch*. You must work together to defeat the hordes of the Nightmare. Planned for an Early Access release on 6 April 2023 on Steam, *Ravenswatch* will be available on all platforms when it officially releases in 2024.

### TT ISLE OF MAN: RIDE ON THE EDGE 3

*TT Isle of Man: Ride on the Edge 3* is the official game of the Tourist Trophy, the most dangerous motorcycling race in the world. The fifth section of the official course, which is available in the game in full, was shown at NACON Connect. The footage featured the village of Crosby with its many tight bends and open landscape, building anticipation for the game's release. This year, the teams at RaceWard from NACON Studio Milan have added a new "Open Road" feature, which offers over 200km of roads recreated at 1:1 scale. You now have the chance to freely ride the official course and the Isle of Man's inland roads. *TT Isle of Man: Ride on the Edge 3* will be available on PC, PlayStation®4, PlayStation®5, Xbox One, Xbox Series X|S and Nintendo Switch™ in May 2023.
