

## Update on new money equity offers

Paris, 4 July 2023

Casino announces today that it has received the following proposals to strengthen the Group's equity capital:

- A proposal from EP Global Commerce a.s. and Fimalac, and
- A proposal from 3F Holding

These two proposals will be analyzed and presented to the ad hoc committee of Casino's Board of Directors today, and then to the creditors at a meeting organized on July 5 under the aegis of the conciliators. Casino's governance bodies will not take any decision relating to such proposals until they have been presented and discussed with the creditors under the aegis of the conciliators.

The main terms of each of these proposals will be made public at the end of the meeting with the creditors, i.e. after close of business on Wednesday July 5.
