# Telenet renews its partnership with Unit-T, a Solutions30 subsidiary, for a five-year period to connect and maintain Belgian homes and offices to fiber

September 18<sup>th</sup>, 2024

**Unit-T, a Solutions30 subsidiary of which Telenet group owns 30%, announces the renewal of its strategic partnership with Telenet group in Belgium. This significant contract, structured as a shared-interest (Vested) outsourcing agreement, spans a five-year period.**

Under the renewed agreement, Unit-T will continue to deliver a comprehensive range of services for Telenet group. The company will manage the installation and repair of both fiber and hybrid-fiber-coaxial (HFC) connections for residential and business customers throughout Belgium. This encompasses customer connection services, as well as essential support functions including logistics management, dispatch operations, and second-line technical support.

As the telecom world keeps evolving, this strengthened partnership helps Unit-T and Telenet group address industry challenges and seize new opportunities in today's digital landscape.

"We are delighted to renew our partnership with Unit-T," said John Porter, CEO of Telenet group. "This agreement not only ensures continuity in the high-quality services our customers have come to expect but also paves the way for innovation and efficiency improvements. The Vested Outsourcing model aligns perfectly with our vision for collaborative growth and adaptability in the ever-evolving telecom landscape."

Ton Bosters, CEO of Unit-T, stated, "This renewal marks a pivotal moment for Unit-T, solidifying our role as a trusted partner in the telecom industry. We are dedicated to utilizing our expertise and innovative strategies to support Telenet's ambitious objectives. This long-term agreement not only ensures our continued growth but also enables us to invest in our capabilities, keeping us at the cutting edge of technological advancements in the sector."
