Just a few weeks after the official inauguration of the site with the DIMOLOG teams, ARGAN is already welcoming a new tenant at its AutOnom® site in Bain-de-Bretagne (35), with the signing of a 5,700 sq.m unit leased to DUCOURNAU LOGISTIQUE.

### Bain-de-Bretagne, an ideal location on the Rennes–Nantes corridor

Delivered in early 2025, the AutOnom® site in Bain-de-Bretagne is approximately 30,700 sq.m in size. Divided into five units, it now hosts two users, with DUCOURNAU LOGISTIQUE joining DIMOLOG, part of the DIMOTRANS Group, which already leases three units representing a total of 19,300 sq.m.

The DUCOURNAU LOGISTIQUE teams moved into their new workplace in early December 2025. They operate a 5,400 sq.m storage unit, complemented by a 300 sq.m office block.

A family-owned company experiencing strong growth, DUCOURNAU LOGISTIQUE is a group specializing in transport and logistics, historically based in southern France. It continues to expand its operations nationwide, with nine branches across eight regions and more than 700 employees today.

With this new lease, the relevance of the Bain-de-Bretagne (35) location is further confirmed. Located around thirty kilometers south of Rennes, with direct access to National Road 137—a major route linking the capital of Brittany to Nantes—Bain-de-Bretagne is an ideal location for transport and logistics activities in the region.

**Ronan Le Lan, Chairman of ARGAN's Executive Board:** *"With the signing of DUCOURNAU LOGISTIQUE in Bain-de-Bretagne, our Development teams closed out 2025 with more than 65,000 sq.m of new space leased across four projects. This is a notable performance in a less favorable market environment and a strong indicator of the relevance of ARGAN's model, which is based on controlling the entire value creation chain."*
