

Tonner Drones publishes its semi-annual results 2026

Paris, September 30, 2026, 8:00 a.m. – Tonner Drones is announcing its preliminary results for the first half of 2026 today.

Revenue declined further to €27k, due to changes in the business model. Tonner Drones continues to adhere to a strict cost-control policy, which enabled it to further reduce operating costs to €233k. Partly as a result, the company's financial results improved by €300k, and net profit landed at €159k. Positive for the second consecutive half-year. Shareholders' equity improved by nearly €3.5M to a positive balance of €1.3M.

In k euro	30/06/2026	30/06/2025	Difference
