

# CURRENT OPERATING PROFIT OF €6.8M AND NET REDUCTION OF DEBT IN H2

Paris, France, March 26th 2009,

Business & Decision Group, the International Consulting and Systems Integration (CSI) Company, announces an operating profit of €6.8 million for the 2008 Financial Year, equating to an operating margin of 2.83%.

(€m)	2008	2007
Annual revenue	238.7	202.3
Operating income	6.8	16.5
Operating margin	2.83%	8.2%
Net income (Group Share)	-6.7	6.5

<sup>\*</sup> at constant exchange rates

Annual revenue increased by 20.3% over the comparative period for 2007, at constant exchange rates, with 10% organic growth. The operating profit is 6.8 m (2007: 616.5 m).

The Group share of net income is  $\varepsilon$ -6.7m including deductions for amortization of goodwill of  $\varepsilon$ 4.2m, net financial charges of  $\varepsilon$ 6m, taxation of  $\varepsilon$ 5.2m and recording a profit of  $\varepsilon$ 2.1m on the disposal of discontinued activities.

Net debt stands at €40.8m compared to €53.4m at June 30<sup>th</sup> 2008. This reduction demonstrates the improvement in the financial status of the Group during the second half of the year resulting from improved management of working capital.

Patrick Bensabat, CEO of Business & Decision, comments: "2008 has been a transition period for the Group with an improvement in the second half of the

year.. We have also completed renegotiation of our banking covenants after they were breached at June 30<sup>th</sup> 2008. We are thankful to our banking partners for demonstrating renewed trust in the Group. Business & Decision is now well prepared to cope with a difficult period in 2009."

## Outlook

Market conditions are difficult and offer low visibility. The slowdown in activity has continued since Q4 2008. In this context, Business & Decision is focused on maintaining the level of profitability necessary to maintain its banking covenants.
