

Completion of the disposal of New Medical Concept, the holding company of EXPERF Group, to Sapio Group

Caissargues, 1st June 2026 – Bastide Group announces the completion of the acquisition by Sapio Group of its subsidiary New Medical Concept, the holding company of the French EXPERF Group, a specialist in home infusion and clinical nutrition care.

The sale agreement was signed on May 21, 2026, and all conditions precedent were fulfilled by the end of May.

“The sale of EXPERF marks a new milestone in the execution of our strategic roadmap. This transaction enables us to crystallize the value created since its integration into the Group and to further strengthen our financial structure. It is part of an active portfolio management approach aimed at focusing our resources on our most strategic and highest value-added activities. We are therefore continuing to pursue our ambition of profitable and sustainable growth,” commented Vincent Bastide, Chairman and Chief Executive Officer of Bastide Group.

“We are very pleased to have signed the acquisition agreement for the EXPERF Group,” said Mario Paterlini, Chief Executive Officer of Sapio Group. “This represents another important step in our strategy to drive sustainable growth across Europe, particularly in the healthcare sector, which continues to demonstrate strong momentum. Thanks to its extensive geographic footprint in France, EXPERF will be a key lever for our consolidation and expansion strategy in the country.”
