

THE ICAPE GROUP ANNOUNCES THE AVAILABILITY OF ITS 2025 HALF-YEAR FINANCIAL REPORT

Fontenay-aux-Roses, France, 5:45 pm CEST, October 3, 2025 – The ICAPE Group (ISIN code: FR001400A3Q3 – Ticker: ALICA), a global technology distributor of printed circuit boards ("PCB") and custom-made electromechanical parts, today announced the public release and filing with the *Autorité des marchés financiers* (AMF) of its half-year financial report to June 30, 2025.

The annual financial report can be consulted [on the Group's website](#), in the Documentation/Financial Reports section.

About the ICAPE Group

Founded in 1999, the ICAPE Group acts as a key technological expert in the PCB and technical parts supply chain. With a global network of 39 subsidiaries and a major presence in China, where most of the world's PCB production is done, the Group is a one-stop-shop provider for the products and services which are essentials for customers. As of December 31, 2024, the ICAPE Group recorded a consolidated revenue of €181.7 million.
