### About Vicat

---

For 170 years, Vicat has been a leading player in the mineral and biosourced building materials industry. Vicat is a group listed on the Euronext Paris market, part of the SBF 120 Index, and is under the majority control of the founding Merceron-Vicat family. With the ambition of achieving carbon neutrality in its value chain by 2050, the Vicat Group now operates three core lines of business: Cement, Ready-Mixed Concrete and Aggregates, as well as related activities. The Vicat Group is present in 12 countries spanning both developed and emerging markets. It has close to 10,000 employees and generated consolidated sales of €3,884 million in 2024. With its strong regional positions, Vicat is developing a circular economy model beneficial for all and consistently innovating to reduce the construction industry's environmental impact.
