Jean-Marc Chery, STMicroelectronics' President and CEO to speak at Morgan Stanley investor conference

Geneva, November 5, 2025 - STMicroelectronics N.V. ("ST") (NYSE: STM) President and Chief Executive Officer Jean-Marc Chery will speak at the Morgan Stanley 25th European Technology, Media & Telecom Conference in Barcelona on Wednesday, November 12, 2025 at 11:00 am CET.

A live webcast (listen-only mode) of the conference will be accessible at ST's website, <https://investors.st.com>, and will be available for replay until November 26, 2025.

About STMicroelectronics

At ST, we are 50,000 creators and makers of semiconductor technologies mastering the semiconductor supply chain with state-of-the-art manufacturing facilities. An integrated device manufacturer, we work with more than 200,000 customers and thousands of partners to design and build products, solutions, and ecosystems that address their challenges and opportunities, and the need to support a more sustainable world. Our technologies enable smarter mobility, more efficient power and energy management, and the wide-scale deployment of cloud-connected autonomous things. We are on track to be carbon neutral in all direct and indirect emissions (scopes 1 and 2), product transportation, business travel, and employee commuting emissions (our scope 3 focus), and to achieve our 100% renewable electricity sourcing goal by the end of 2027.
