

## Atari completes its Re-domiciliation from France to Luxembourg

**LUXEMBOURG (July 7, 2026 – 7:30 pm CET) - [Atari®](#)** (Euronext Growth Paris: ALATA) — one of the world's most iconic consumer brands and interactive entertainment producers — announces today the completion of its re-domiciliation to Luxembourg implemented through a cross-border conversion of Atari SA (“**Atari**” or the “**Company**”) into a Luxembourg law governed *société anonyme* (the “**Conversion**”).

Following the satisfaction of all condition precedents, Atari now operates as a Luxembourg public limited liability company (*société anonyme*), effective as of July 6, 2026.

The Conversion is intended to provide the Group with enhanced operational flexibility to support the company's long-term strategic growth plans. As the Group's European operations expand, Luxembourg offers a well-established legal and regulatory framework for international companies with a European footprint.

The Conversion does not affect the Group's business operations or listing on Euronext Growth Paris. Atari will continue to execute its strategy focused on premium games, retro gaming, publishing and the expansion of its intellectual property portfolio.

In accordance with French law, dissenting shareholders of Atari that have voted against the Conversion at the general meeting of May 27, 2026, have been offered the possibility to sell their shares to the Company at a price of €24.00 per share. Withdrawal rights representing in total 12,106 shares (representing approx. 0.4% of the share capital) have been exercised with an expected settlement no later than September 6, 2026. The Company intends to substitute third-parties (including Atari employees, officers or other individuals) for the acquisition of these shares.

The Conversion does not involve the issuance of any new securities, any exchange of shares, or any offer of securities to the public, and does not itself require or result in any change to the ISIN code, ticker symbol or trading venue of Atari's shares, which continue to be admitted to trading on Euronext Growth Paris. Consistent with the Company's prior disclosures, the Conversion is exempt from the requirement to publish a prospectus under Regulation (EU) 2017/1129. As of the effective date of the Conversion, Atari is governed by the laws of the Grand Duchy of Luxembourg, including the law of 10 August 1915 on commercial companies, as amended, rather than by French company law.
