

## **COTY INC. PRICES \$900.0 MILLION OF SENIOR NOTES**

NEW YORK—October 6, 2025—Coty Inc. (NYSE: COTY) (“Coty”) today announced the pricing of \$900.0 million aggregate principal amount of 5.600% Senior Notes due 2031 (the “Notes”) to be issued by Coty and its wholly-owned subsidiaries, HFC Prestige Products, Inc. and HFC Prestige International U.S. LLC (collectively, the “Co-Issuers” and together with Coty, the “Issuers”) in connection with the Issuers’ previously-announced private offering. The offering of the Notes is expected to close on or around October 15, 2025, subject to customary closing conditions.

For so long as the Notes maintain investment grade ratings from at least two of three ratings agencies, the Notes will be senior unsecured obligations of the Issuers and will not be guaranteed by any of Coty’s subsidiaries. If, and for so long as, the Notes no longer have investment grade ratings from at least two of three ratings agencies, the Notes will be fully and unconditionally guaranteed on a senior secured basis by each of Coty’s subsidiaries (other than the Co-Issuers) that guarantee, and will be secured by first-priority liens on the same collateral that secures, Coty’s obligations under its existing senior secured credit facilities.

The Issuers intend to use the proceeds from the offering of the Notes, together with cash on hand, to redeem all of Coty’s outstanding 5.000% senior secured notes due 2026 (the “5.000% Senior Secured Notes”) and a portion of Coty’s outstanding 3.875% senior secured notes due 2026 (the “3.875% Senior Secured Notes”), in each case at par, plus accrued and unpaid interest, if any, to, but excluding, the applicable redemption date, including to pay fees and expenses related thereto. The Issuers will use cash on hand to pay the offering expenses payable by them in connection with the offering of the Notes.

The Notes are being offered only to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to non-U.S. persons outside the United States in reliance on Regulation S under the Securities Act. The Notes have not been and will not be registered under the Securities Act or any state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy the Notes or any other securities, and shall not constitute an offer, solicitation or sale in any jurisdiction in which such an offer, solicitation or sale would be unlawful. Additionally, this press release does not constitute a notice of redemption with respect to the 5.000% Senior Secured Notes or the 3.875% Senior Secured Notes.
