

Vente-unique.com once again receives the Ethifinance gold medal for its ESG performance

Paris, 12 January 2026. The Vente-unique.com group, an expert in online sales of furniture and home furnishings in Europe, is pleased to announce that Ethifinance ESG Ratings, the leading European agency for ESG (environmental, social and governance) performance ratings, has awarded the Group with its 'gold level' certificate for the second consecutive year in recognition of its performance in 2024¹.

Ethifinance ESG Ratings assesses companies according to a set of approximately 140 criteria, divided into four categories: environment, human resources (social), external stakeholders (social) and governance.

In 2025 (based on data from 2024), Vente-unique.com obtained a score of 71/100, representing a steady increase compared to 2023 (+17 points) and 2024 (+5 points).

The Group has thus consolidated the progress made in recent years in various areas and has notably doubled its score in the 'external stakeholders' category, in particular by publishing the results of customer satisfaction surveys for the first time.

Finally, this 2025 rating places Vente-unique.com well above its benchmark (+20 points), in 6th position (out of 115 companies) in its sector ranking (retail) and in 2nd position in its sub-sector, namely consumer retail.

¹ The 2025 rating is based on data from the 2024 financial year.
