# Hotmix Radio Partners With Interactive Indoor Training App Kinomap

Hotmix, [part of the Winamp family](#) and one of the best destinations for curated, high-quality playlists, has entered into a strategic partnership with Kinomap, the interactive indoor training app for cycling, running, and rowing.

Kinomap has reimagined indoor training with over 40,000 real-life training videos filmed on the best tracks worldwide. With 30–40 new routes added daily and more than 370,000 miles of geolocated courses across 200+ countries, Kinomap gives users the chance to discover a new path every day.

Starting in Q3 2026, Kinomap users will be able to enjoy Hotmix Radio's 70 expertly curated music stations while training. From high-energy playlists for intense workouts to smoother soundscapes for warm-ups and recovery, Hotmix brings uninterrupted, talk-free music designed by passionate human curators to every session.

*"Training is as much about motivation as it is about movement," said **Philippe Moity, CEO of Kinomap**. "By partnering with Hotmix, we're giving our users not only the most immersive training videos but also the power of music—tailored to elevate every ride, run, or row."*

*"At Hotmix, we believe great music fuels great experiences," said **Alexandre Saboundjian, CEO of Hotmix**. "Joining forces with Kinomap means our curated soundtracks can now inspire athletes during their training journeys—turning exercise into an emotional and energizing adventure."*
