

## **MHM CORPORATE: announcement of the resignation of the company's statutory auditors.**

**Paris, France – February 17 2026, 8h00** – MHM CORPORATE («**MHM**») announces the resignation of its two statutory auditors and details the measures undertaken to regularize its situation.

MHM received on Friday, 13 February 2026, the immediate resignations of its two statutory auditors, Deloitte and RBA Groupe, from their positions as principal statutory auditors. These resignations are motivated by an accumulation of delayed payments by MHM for the work performed. This termination is linked to the company's turbulent past situation. It has no connection with the new management nor with the future of MHM Corporate.

The new management team, gradually put in place starting on 15 December 2025 with the appointment of Mr. van den Ouden as Chief Executive Officer, had initiated a calm and constructive working relationship with Deloitte and RBA Groupe, notably by paying without delay for the work carried out as part of the general meeting held on 2 February 2026.

Since MHM does not have substitute statutory auditors, it is therefore currently without statutory auditors and must convene a general meeting as soon as possible to appoint two new ones. The tentative date for this general meeting is currently set for **27 March 2026**, subject to the successful outcome of ongoing discussions with potential replacements for the auditors who resigned. MHM will, of course, comply with all its disclosure obligations for this upcoming meeting, including publishing meeting notices and convening notices within statutory deadlines and making the required documentation available on its website.

Despite this setback, MHM does not currently anticipate any delay in its financial reporting schedule.
